# Up, Up, and Away . . .

Since their invention in 1783, man has always been fascinated by the concept of balloons. How could an object fly without means of propulsion? Over the years it has developed from a method of getting from here to there and there to here, into a popular symbol of jovialty and merriment. Similarly, the student has emerged into a being of differing observations and feelings from his early role as an attentive and systematic learner. An analogous comparison of the balloon and student reveals noticeable likenesses.

Large, small, red, yellow, blue,  
round, oblong, twisted  
—balloons—

nonporous bags filled with air. These inflated air sacs provide entertainment for the young, as well as the young at heart, decoration for any festive occasion, and a rather unique means of travel. Scientific deductions have concurred that the more hot air forced into a mass, the higher it will rise in the atmosphere.

Large, small, black, brown, white,  
tall, medium, short  
—students—

impressionable individuals porous to the facts set before them. These persons provide diversions to each other as well as their environment, embellishment for any social gathering, and a rather unique means of self expression. Scientific deductions have concurred that the more ideas taken in by the pupil the higher he will rise on the scale of achievement.

So, there you have it. On one end of the spectrum is the balloon—on the other, the student. Each requires the intake of substance for survival. Without it, activity ceases to exist. However, as in any situation, control must be exercised in order to avoid explosion. At the same time, resistance to the inflow must also be avoided. In both cases, disastrous results are inevitable. Therefore, mount your gondola and prepare for a nine month journey where success is dependent upon you, the student body, as a whole, and your willingness to expand.

PAUL BURKE  
PRINCIPAL

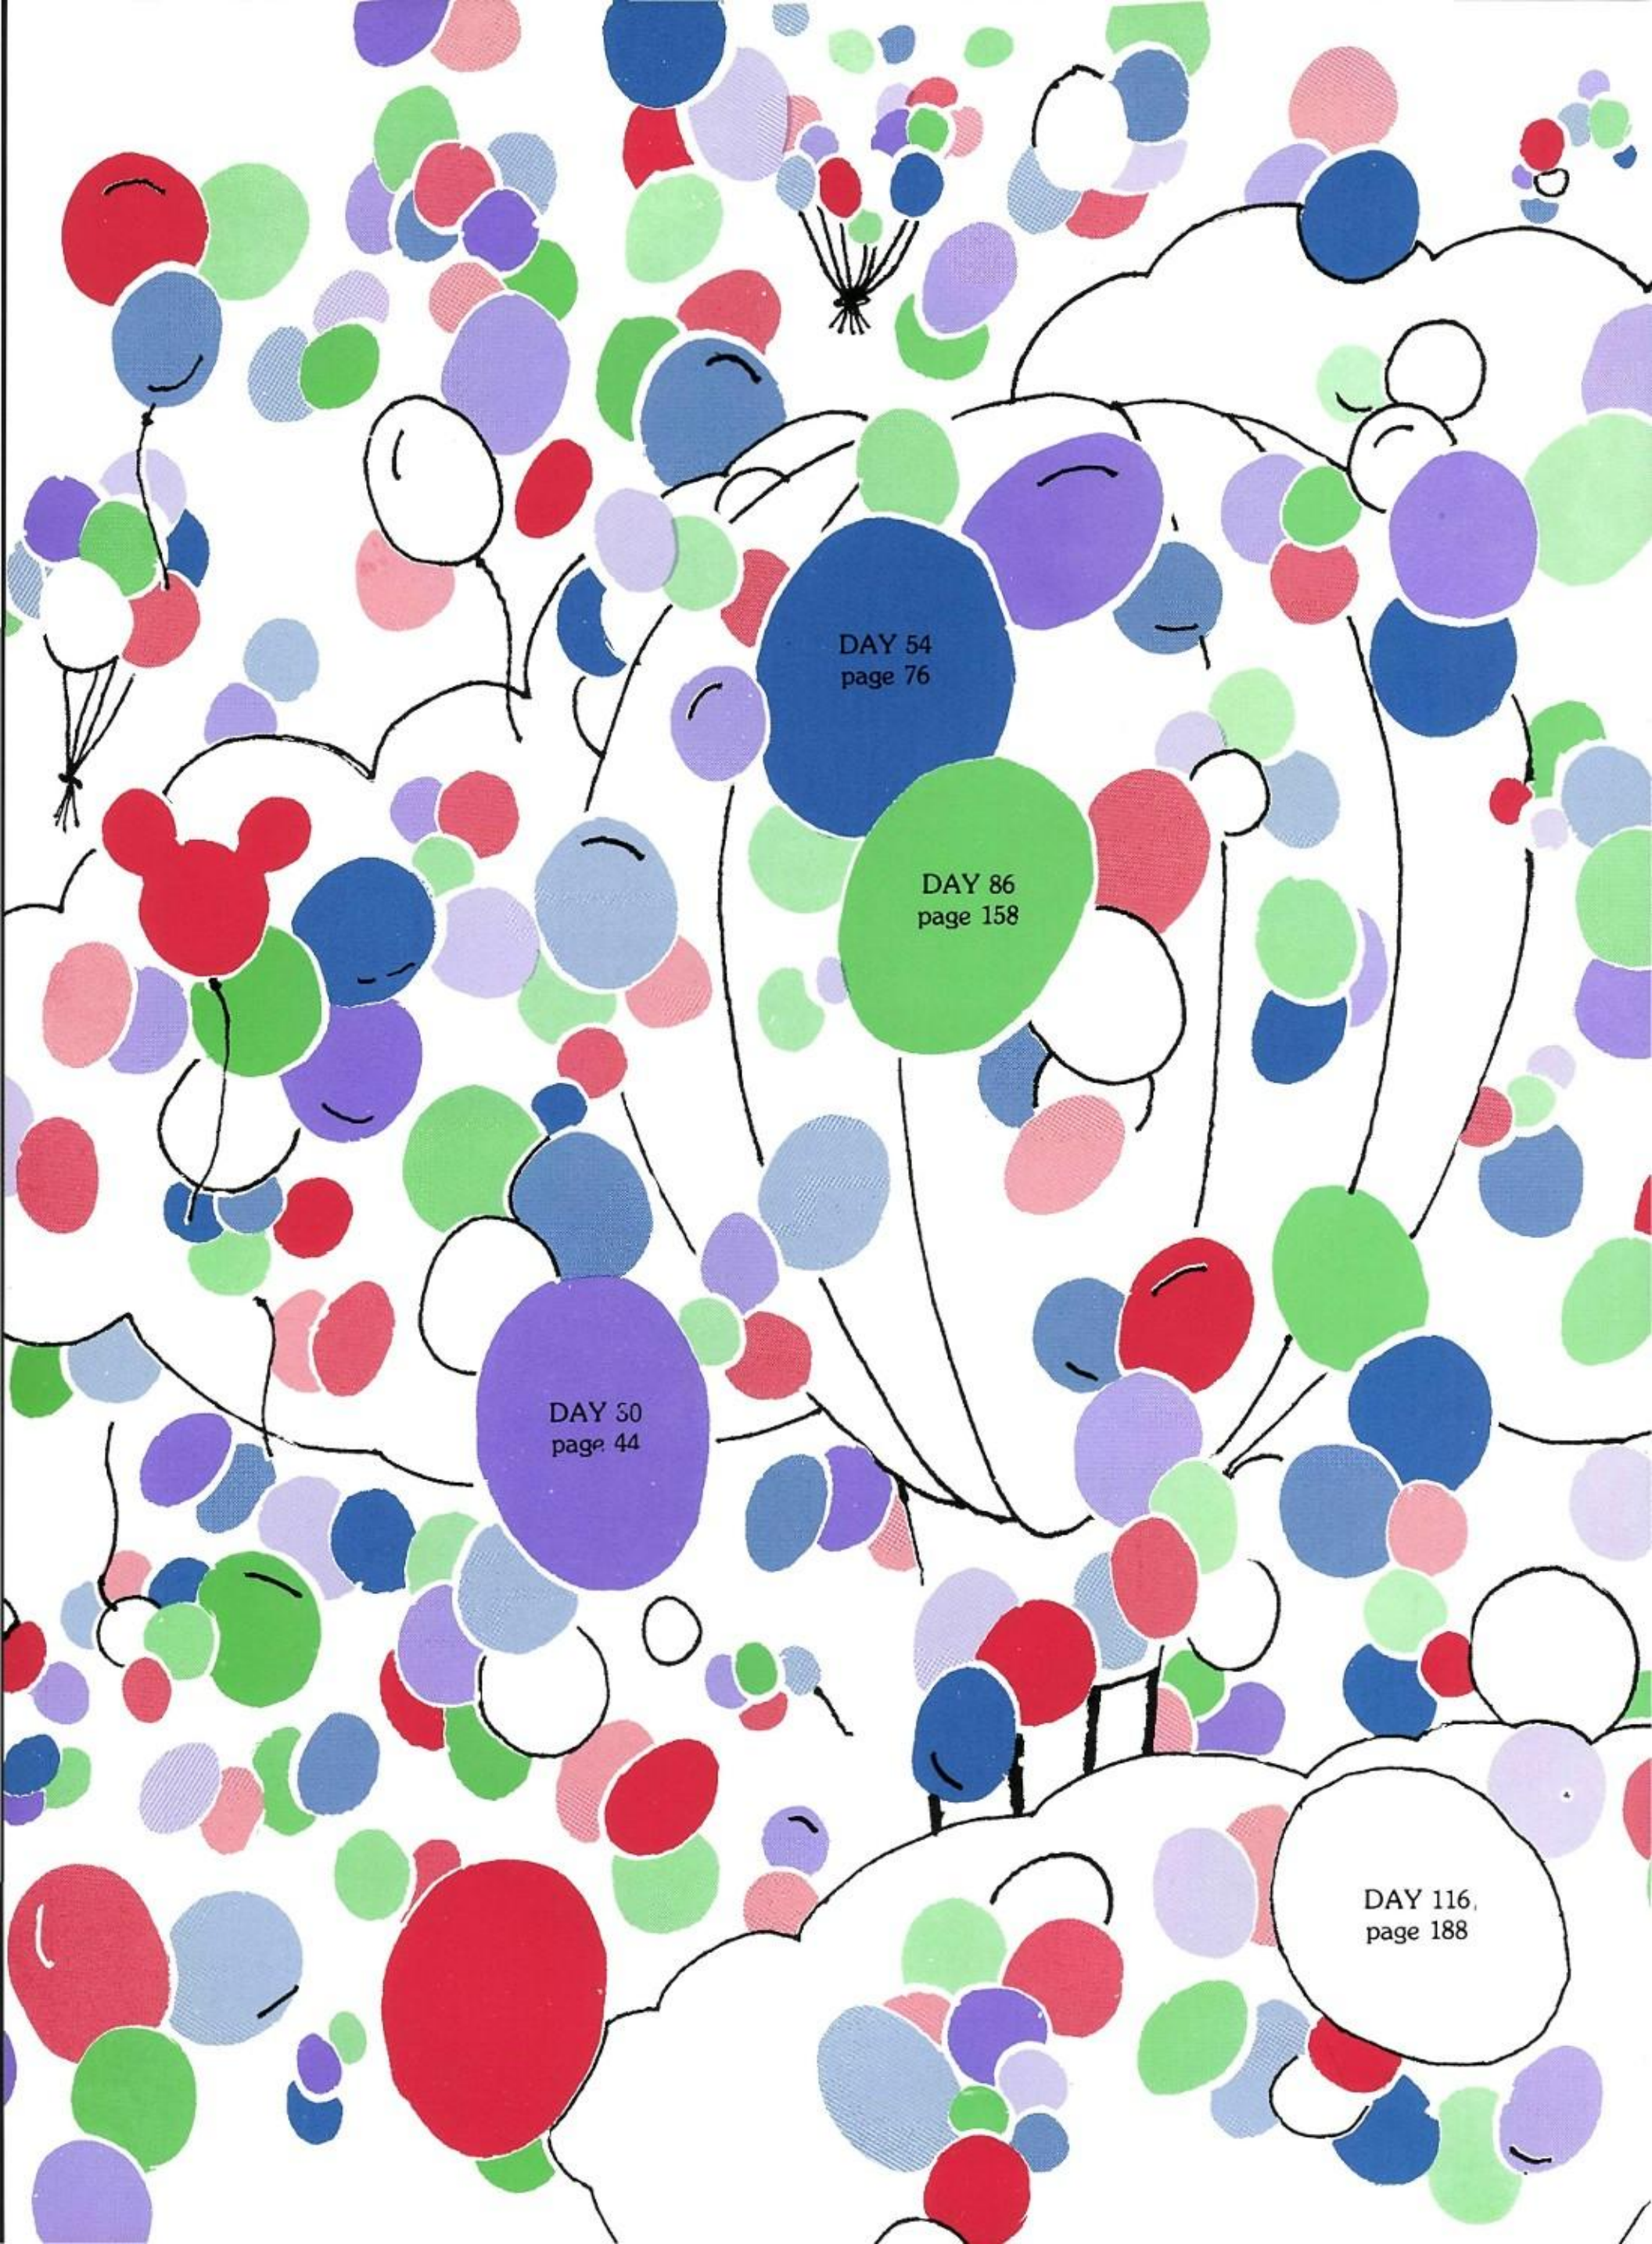

# Dedication . . .

For the past 19 years, and with unequaled endurance, Paul Burke has guided and enspirited countless young persons to bettering themselves through a MacArthur education. In his many judgements, he has been willing to sacrifice a popular decision for the sake of principle, while maintaining a sense of humor and fairness at the same time.

As Mr. Harrison Ainsworth stated in Edgar Allen Poe's short story, "The Balloon-Hoax"—"I ask not success for mere safety of my insignificant person, but for the sake of human knowledge and for the vastness of the triumph." Paul Burke's wisdom and character exemplify this spirit as he has always given of himself to the students and faculty.

Since its inception, *Crest* has never honored a member of administration, faculty, or student body with the book's dedication. Breaking this 18 year old tradition, the 1982 *Crest* dedicates this volume to Paul Burke—principal, counselor, friend.

# Mac Swimmers Acquire Coach

Replacing the late Bill Davis, Austrums Zidermanis joined the Irving Independent School District's coaching staff to train the Swim Team.

Zidermanis instructed the squad for two hours in the afternoon after school as part of their training program. Most of the members, however, chose to work out a minimum of 11 months out of the year.

Earlier in September, the 24 athletes from all three Irving high schools began their pre-season running program. In October, the team started their training in the water—followed by a weight lifting program in preparation for competition.

Beginning the season, Zidermanis introduced a new program whereby the teams from MacArthur, Irving, and Nimitz swam as one against two or three rival teams at all dual and tri meets. When competing in such events as invitational meets, they participated as three individual teams from their respective schools.

**Top:** New Swim Coach Austrums Zidermanis looks on as the Swim Team works out for their first meet. **Above Left:** Practicing for the upcoming Skyline/R.L. Turner Swim Meet, Sophomore Kevin Brown works on improving his back stroke at the YMCA. **Above:** Senior Cardette Social Chairman Wendy Witt shows incoming Freshman Karen Brown the South Cafeteria as she guides her on a tour of the school during the orientation program. **Left:** Student Council Secretary Lauren Orsini guides 1981-1982 Freshmen Heather Kadow, Michelle Kadow, and Teresa Scarborough through the junior hall during Freshman Orientation, which introduced the new students to the various forms of high school life.

# Cards Help Restore Homes

In an effort to improve the living conditions of several families in Kentucky, nine MacArthur students from Plymouth Park United Methodist Church ventured to the mountains during the first part of August as members of the Appalachia Service Project.

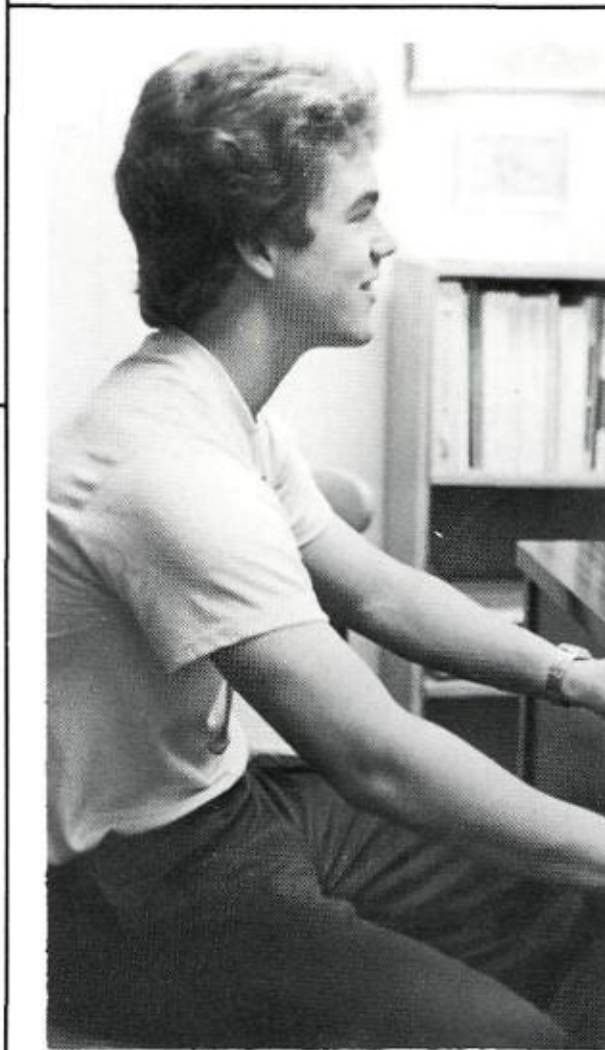

While there, Mike Adams, Vanessa Bethard, Paul Bielss, Richard Brennecke, Mike Clements, Mike Dean, Dean Garrett, Brian Hardesty, and Jeff Williams were engaged in the repair of dilapidated homes outside of Whitesburg.

The group met for seven days filled with hard work, fellowship, and little sleep. Waking at 6:45 each morning, they only had time to shower, eat, and partake in a devotion before leaving for their individual

work sites. At the homes, such tasks as building walls, roofing, placing insulation between walls, and sheet rocking were accomplished.

Despite the rigorous week, some time was set aside for fun. The group was entertained one evening with music and skits performed by a local talent known as The Roadside Theater. Finally, on the return trip, the youths spent a day at Opryland Amusement Park in Nashville, Tennessee.

Stating the worth he received from the trip, Hardesty commented, "It was a very meaningful experience. We got a chance to use our talents and efforts to help other people. It was a good opportunity to express our care for others."

**Top Left:** On the return trip from the Appalachia Service Project, Senior Mike Adams visits Opryland in Nashville, Tennessee. **Above Center Left:** Sophomore Brian Windsor waits for a schedule change from Sophomore Counselor Mary Louise Wadsworth. **Above:** Mike Dean, Dee Stribling, and Paul Bielss participate in the Appalachia Service Project in Kentucky. **Far Left:** Sophomore Richard Brennecke works on a dilapidated home outside Whitesburg, Kentucky, as a participant in the Appalachia Service Project. **Left:** Cardettes Belinda Collins, Kara Martin, Laura Marchant, Jennifer Sheets, Deana Messersmith, Linda Moore, Patty Moeller, and Laura Skipper take a break from practicing a cane routine.

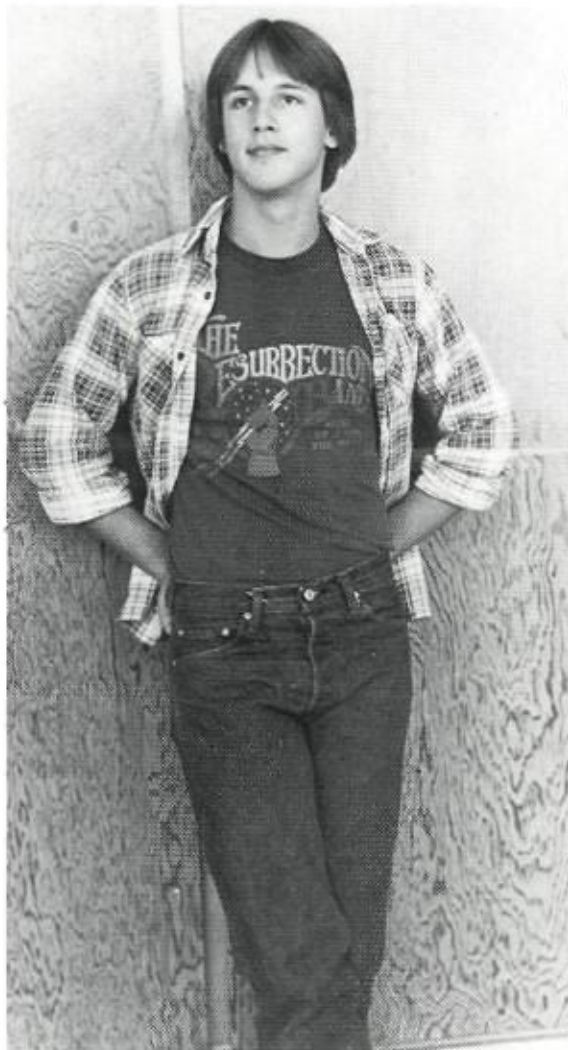

## Chicago Sparks Christian's Life

Traveling with a group known as Jesus People USA, Senior Don Tate spent ten weeks of his summer in Chicago. While in the windy city, Tate resided in a community of 300 people who supported the non-profit organization.

Daily activities for the group included street witnessing and sidewalk gospel singing. In addition, the group would go to various apartment buildings in the lower class section of town and help residents with problems they encountered. Tate explained that people from ages four to 70 would present him with conflicts and troubles with drugs, alcohol, or family. "Helping a 12 year old with a drinking problem he's had since age nine really shows you what Christianity is about and gives you a great feeling."

To support the organization, the members formed work crews for such jobs as painting, construction, and wood stripping.

**Left:** Senior Don Tate reminisces about his summer Christian mission trip to Chicago. **Below:** Raising money for the Marching Band's Christmas Banquet, saxophone player Susan Crawford sells a Rubik's Cube key chain to Robert Lindsay while Aubrey Privitt and David Willwerth look on. **Below Center Left:** Newly accepted team member Mark Keagans receives details on upcoming soccer practices and games from Coach Randy Waldrum. **Below Center Right:** Instructed by veteran Andrew Walters, rookie band members Dee Thoma, Tracy Bunyard, Eric Lavee, and Greg Dowdle learn the correct procedures involved for improving their marching techniques. **Bottom Left:** Lecturing his students on the significance of Columbus' voyages, first year Soccer Coach Randy Waldrum doubles as a World History teacher during the academic portion of the day.

## Soccer, District Sponsored

As the 1980-1981 school year began, the school board voted in favor of making soccer a district sponsored sport. In the past, it was considered a club at the Irving schools. The move made it possible for expenses to be included in the overall athletic budget rather than through private donations and fund raising projects.

In April of 1980, when first voted upon, the referendum was opposed. Proposals such as moving the date of change from the 1982-1983 school year to 1981-1982 were then made. This was due to the fact that the athletic department believed a district 9-A soccer team could be formed sooner than first anticipated. A unanimous approval by the school board soon followed the decision.

Following the passage, one major

problem still faced the school district's athletic director and administrators. This involved the locating of adequate coaches for the three area teams. Randy Waldrum, a former Mac student and 13 year veteran of the sport, ended MacArthur's quest. The World History teacher brought needed experience to the position. He played four years of soccer in high school and received a scholarship to Midwestern State University where he played another four years. At the end of his college career, Waldrum was drafted by the Los Angeles Skyhawks, a professional team in the American Soccer League.

Forecasting the year's outcome, Coach Waldrum observed, "From what I've seen last year and this year, it looks like we're going to have a very good team."

# Isringhaus Accepts VP Post

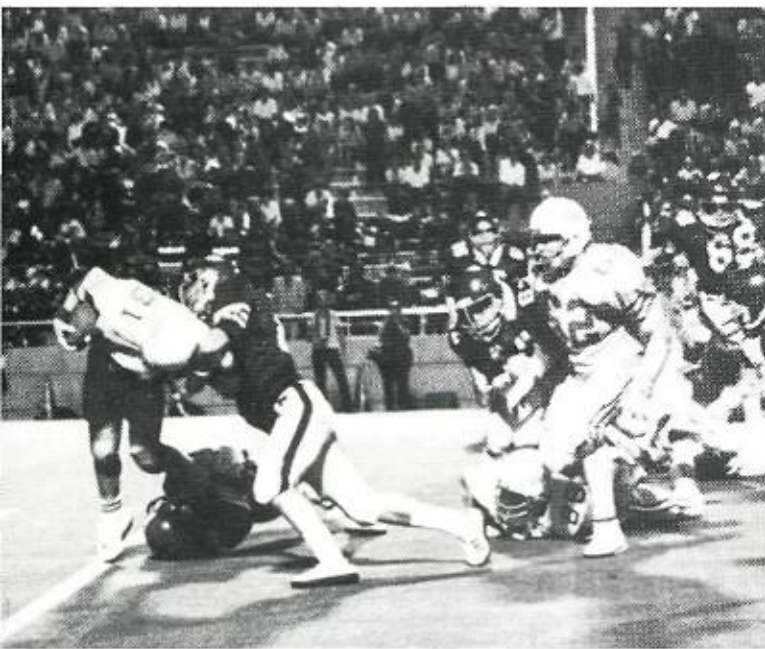

Accepting her first administrative position, Sharon Isringhaus became Mac's new vice principal. Taking Carla Sanborn's place, she sponsored the Student Council and Sophomore Class. Her obligations also included disciplining the ninth and tenth grade girls.

As an English teacher at Bowie Junior High, Isringhaus felt the urge to travel. From a fellow teacher she heard of an overseas

program in which she could teach children of personnel stationed at Army and Air Force bases. Applying for the job in January of 1978, she was called back in February for an interview. In late May she received a letter of acceptance instructing her to report to Sembach Air Force Base in West Germany. In early August she left Irving to begin her ninth grade English class in September.

Isringhaus resided in the village of Sembach with a few other teachers. In her free time, the new Cardinal participated in many of Germany's long distance running marathons and listened to rock music.

"I loved living in the village because I learned of the true German way of life. My landlady was German. She would always bring me apple strudel and tell me I ran too much," Isringhaus reflected.

**Above Left:** JV tailback Larry McDonald attempts to slip by a Highland Park Scottie defender for a first down during the initial game of the year. **Above Right:** Accepting her first administrative position, new Vice Principal Sharon Isringhaus sponsors the Student Council and Sophomore Class. **Above Far Left:** In the season opener against Highland Park, running back Robert Obenoskey is trapped behind the line of scrimmage while lineman Steve Grumbine rushes to his aid. **Above:** While reading newspaper copy, Editors-in-Chief Greg Smith and Jeannie Buzard decide what will appear in the next edition of *The Cardinal Word*. **Left:** Crest Editors-in-Chief Tony Rodriguez and Shelley Clutts work to improve copy for the yearbook.

# Mac Ends Pre-District Play

Beginning their new season on Friday, September 4, the Varsity Football Team was shutout by the Highland Park Scots in their opener by 28-0.

Two Mac fumbles and an interception led to three Highland Park touchdowns in the first half of play. The Scots scored for the last time in the game with only 28 seconds left in the third quarter.

MacArthur's second game, in which they played the Richland Hills Rebels, ended in a 7-7 tie. Early in the fourth quarter, the Cards

began their only scoring drive of the game. Runs by Steve Logan, Mike Cole, and Brad Narrell gave Mac excellent field position. After completing a pass to split end Bill Zartler, Narrell scored the only Card touchdown, running in from the 23 yard line. The Rebels came back with just three minutes left in the final period to end the game in a tie.

Pre-district action ended with the Cardinals posting a 1-1-1 record as they defeated the Sam Houston Texans, 14-0.

Tailback Cole ran in from the four yard line for a touchdown. Quarterback Narrell found tight end Brad Walters nine yards deep in the end zone for the final score of the game with just 15 seconds left in the second quarter.

Revealing his confidence in the team, Head Coach Ronnie Cox stated, "If the team keeps progressing and barring injuries, MacArthur might win district. They could be the best team MacArthur has had since 1975."

**Top Left:** Varsity soccer team members Mark Slejko, David Stafford, Brendan Mullan, Kevin Curtis, and Jackie Lantrip raise money at the group's car wash. **Top Right:** Mac quarterback Brad Narrell (10) spots a receiver downfield as he faces Highland Park's defense in the season opener at Highlander Stadium. **Above Left:** Quarterback Brad Narrell fights for extra yardage against the Rebel defense. **Above:** Victor, Senior Marc Reviel, shows his Cardinal spirit as MacArthur's mascot. **Left:** Junior Brad Narrell leads the Cardinals to victory over the Sam Houston Texans in pre-district play by the score of 14-0.

## Teens Compete in Pageant

Six students from MacArthur were chosen as contestants for the Dallas 1982 Miss TEEN Pageant held November 27 and 28 at Loew's Anatole.

Applications were sent to selected high school girls throughout Dallas County. These included cheerleaders and drill team members. The girls were required to fill out forms and send a list of their teen accomplishments, along with a recent photograph. After two weeks, the contestants were notified. Although six students from MacArthur were selected, only Marci Freidberg, Shelly Grego, and Maria Quattrin represented the school.

Before being selected, the girls needed to

fill the requirements consisting of American citizenship, be between the ages of 14 and 18, single, and have an overall average grade of no lower than a B. Twelve hours of volunteer service work were also required. Quattrin worked at a Veterans Administration Hospital in Dallas. Her work helped her to get along with people and to help veterans have a better outlook on life.

Each contestant paid a sponsorship fee of \$250. They had as many as five sponsors including family, friends, businesses, or any type of organization. These fees were used to pay for trophies, entertainment, meals, and the expenses of the city winner at the state contest.

# Varsity Spikers Drill for Season

Training with the aid of conditioning drills and additional practice on their plays, the Varsity Volleyball Team strengthened themselves mentally and physically during the off season, which began August 3.

Workouts consisted of a method called circuit training, with each station containing different forms of exercise such as seal walks, wall jumps, and a modernized version of setups.

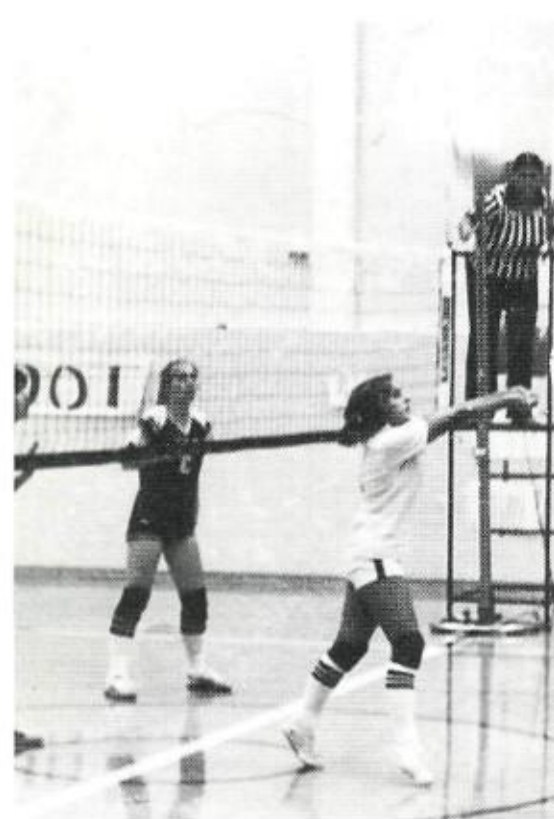

Predicted Senior Janice Poteet, "We are really looking forward to a good year."

By the start of the season, the squad had already played seven games against such top ranked area teams as Carter, Sunset, Lewisville, and Bishop Dunne. The Cards lost the first game against Carter. However, MacArthur was victorious in the remainder of its pre-season games.

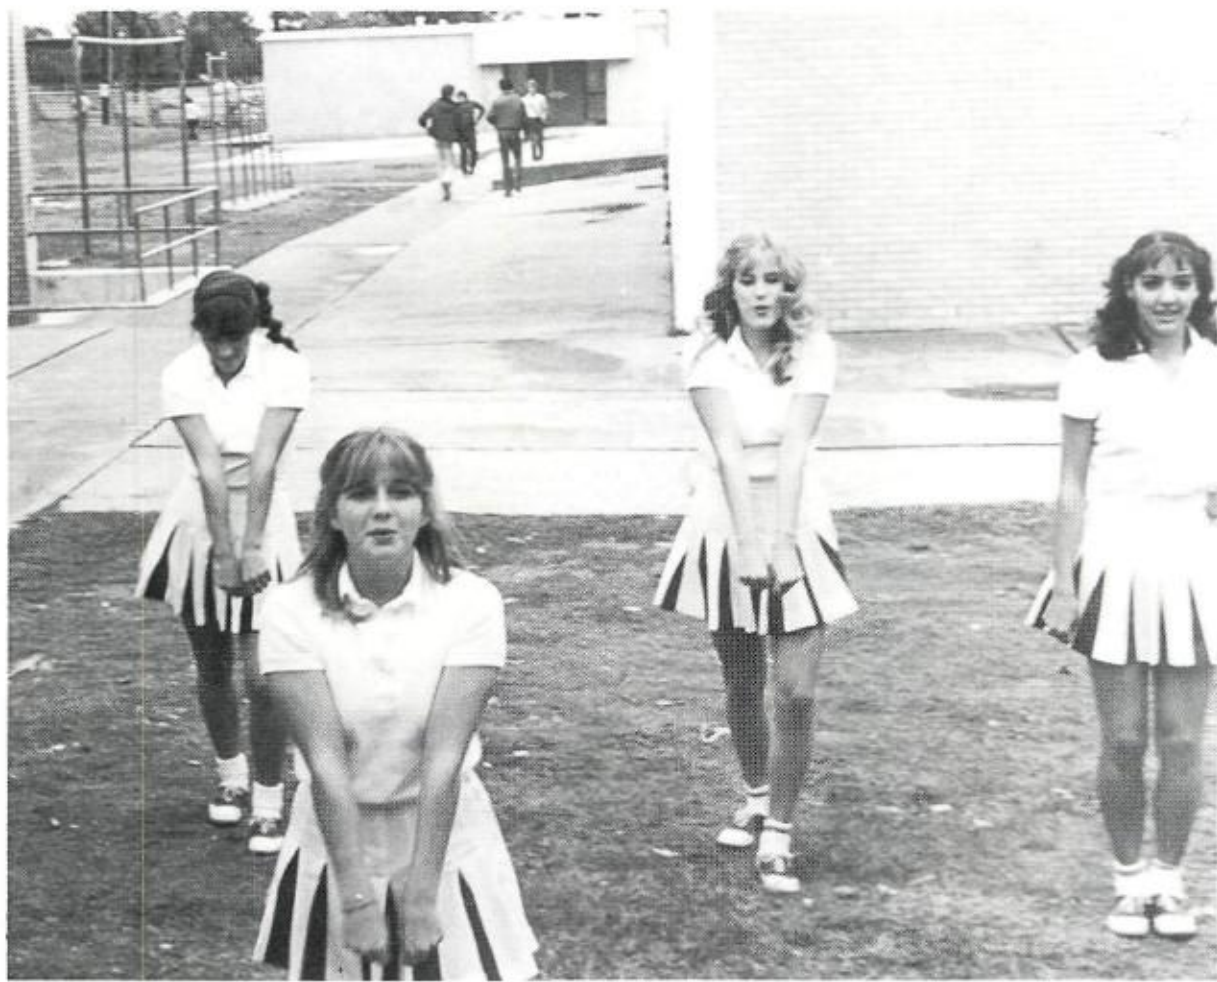

The Varsity's goal of improving last year's record got off to a slow start in their first district contest, played on September 17. The L.D. Bell Raiders eased past the Cards in three games as the Varsity fell short of victory. The squad won the initial set by a score of 15-9, and led the start of the second, but lost, 15-9. Through most of the third set there was less than a four point spread. Nevertheless, Bell emerged victorious, 15-8.

**Top:** Shannon Young and Lisa Bryson and Shawn Wild prepare to indulge in lunch. **Above Center:** Varsity Volleyball Team member Kim Harper tries to out-jump a Grand Prairie opponent. **Above Right:** Lisa Bryson endeavors to block a spike as teammates Rene Troy and Debbie Gill anticipate a return. **Above:** German Club members Karen Wiley and Michelle Tischier hold a bake sale. **Right:** Ecology Club members Tammy Moore, Craig Moore, Ed Ames, and Greg Brossett, along with Sponsors Jan Hair and Lonna Withers and her children, prepare for their hiking trip. **Far Right:** Junior Casey Nicholson readies a spike during Varsity Volleyball action.

## Cards Fall in First Contest

Falling short of victory in their first games, the Junior Varsity and Freshman Football Teams were defeated by West Mesquite and Highland Park, respectively, on September 3.

The JV never mounted a serious threat against the powerful Scot team, as injuries and fumbles plagued MacArthur throughout the game. Although several key players were forced to sit much of the game out as a result of various ailments, poor execution, mental mistakes, and missed

assignments also contributed to the Cards' 36-0 defeat.

Under the leadership of Coaches Mike Fields and Roy Kinnan, the Freshman Team was defeated at Mesquite Memorial Stadium. West Mesquite struck first, tallying a safety in the first half. However, the Cards came back on Mike Marsh's second half kickoff return for a touchdown. The opposition later took possession of the lead for good, scoring a touchdown to defeat Mac, 9-6.

In the second week of play, the JV encountered difficulty once again, as Richland eased by the Cards, 7-6. Larry MacDonald gave MacArthur the lead with an early touchdown, but the Rebels secured the victory on a successful score in the second half.

Defeating the North Garland Raiders, 20-6, at Raider Stadium, the Freshmen had more success in their second game. Brian Hands, Mike Marsh, and Lonnie Finch all contributed with scores.

## Villain Receives Boos, Popcorn

Performing a play form rare to MacArthur audiences, the Drama Club staged the melodrama *Lily, the Felon's Daughter* on the evenings of September 17, 18, and 19 in the North Cafeteria.

With only 17 days to prepare the production, Director Charlotte English chose the melodrama for its simple, yet unique form. Casting was completed two weeks before the first day of school. Major characters were Ginger Finney as the heroine Lily Fairweather, Kenny Rudolph as the hero Compton Fairweather, and Paul Watts as the villain Craven Sinclair. Lea Ann Bray, Mike Hill, Ronnie Jones, Brian Rayburn, Tiffany Riley, and Debbie Capps provided additional entertainment with a song and dance routine during the intermission.

The audience participated in the presentation by booing, hissing, and hurling popcorn kernels upon the entrance of the villain. The popcorn was provided by the ushers along with a handkerchief to cry in. Stage hands furnished encouragement by holding up cards indicating the appropriate response for the action.

"We had excellent audience response," commented English. "As a result of our success, two other high schools in the area are planning to produce melodramas."

The play had twist from the usual good versus evil theme as the hero was not as virtuous as most heroes are characterized. Despite his uncontrollable gambling compulsion, he managed to redeem himself and save the day.

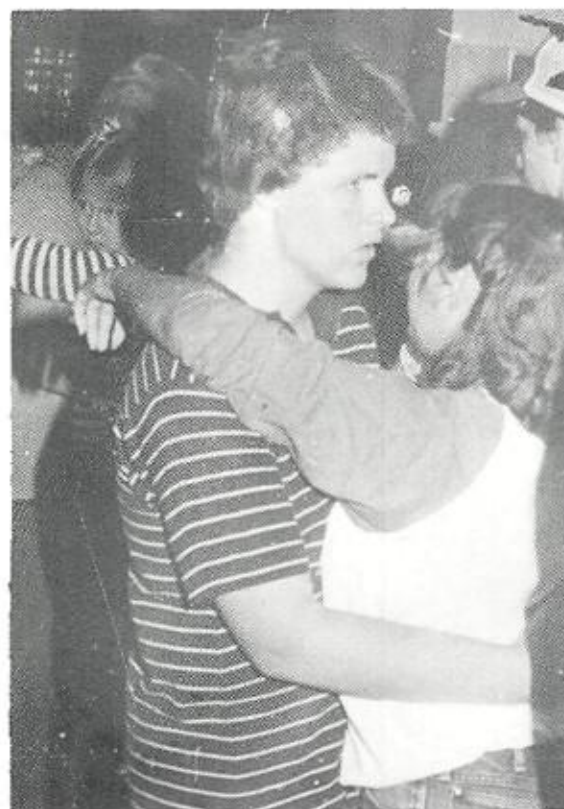

**Left:** Sophomore Ginger Finney and Junior Doug Bashara rehearse for the Drama Club's first presentation, *Lily, the Felon's Daughter*. **Below:** In the Drama Club's performance of *Lily, the Felon's Daughter*, actor Billy Sinclair tries to break up a fight between the villain, Paul Watts, and the hero, Kenny Rudolph. **Below Center:** During the Acapella choir initiations, Junior Penny Marshall attempts to move a potato across the finish line using a weighted stocking tied around her waist. **Bottom Left:** Freshman Adam Pincus experiments with the library's resources during a study hall period. **Bottom Right:** Senior Lisa Shores gives Sophomore Kathy McWater assistance in the Peer Facilitator program, which is a student tutoring project.

## Boosters Sponsor First Dance

Organized by President Jake Billingsley, the Booster Club sponsored the first dance of the year on September 9 in the North Cafeteria.

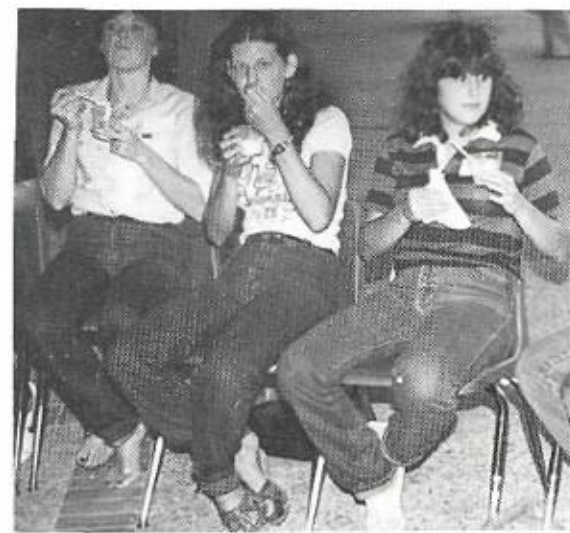

Over 150 students boogied to alternating tunes of rock, country, disco, and punk. At various points of the evening, door prizes were distributed to the winners.

"Even though we didn't make as much money as we wanted to," related Billingsley, "the dance was a success in the sense that we think everyone had a good time."

The club missed its \$1000 goal by \$200. The money was utilized primarily to furnish additional materials for the weight room. The left over funds was used for other activities such as the Pancake Breakfast and Chili Supper.

The organization also raised money for its activities by selling programs at the Varsity Football Games. Billingsley was in charge of organizing the advertisement space and planning the content of the publication, which featured individual portraits of the players. Others included within the pages were cheerleaders, Cardettes, Marching Band, and class officers.

"The Booster Club is an important part of MacArthur's winning spirit," explained Billingsley. "The sports program depends on many things such as players, coaches, and spectators. Spirit is also important, because it is contagious to the players."

## Teams Capture Half of Matches

Marking the start of a new season, the JV and Freshman Volleyball Teams finished the month of September with a good appearance for the upcoming year.

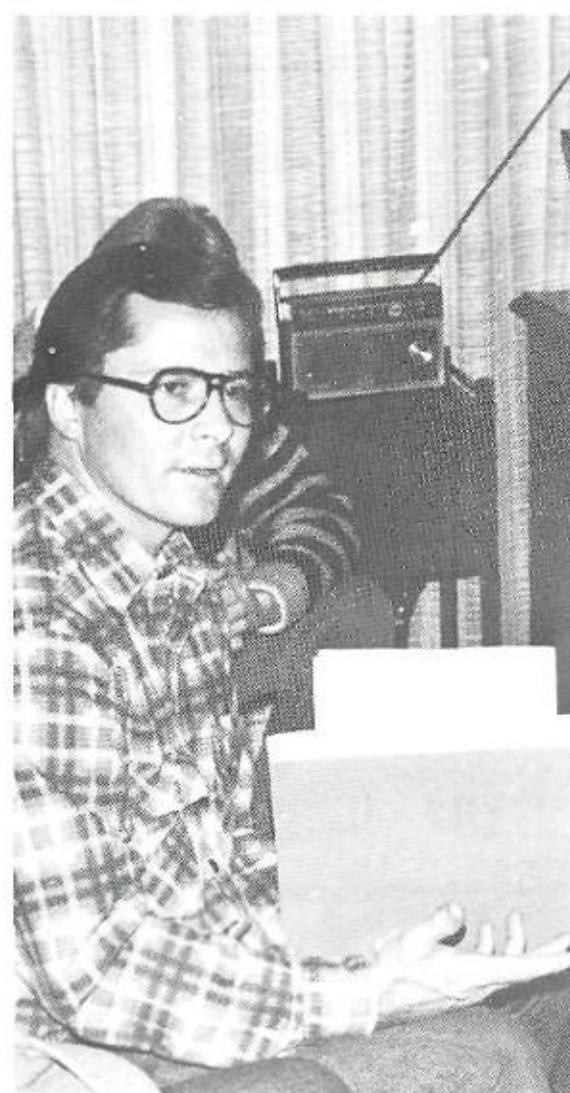

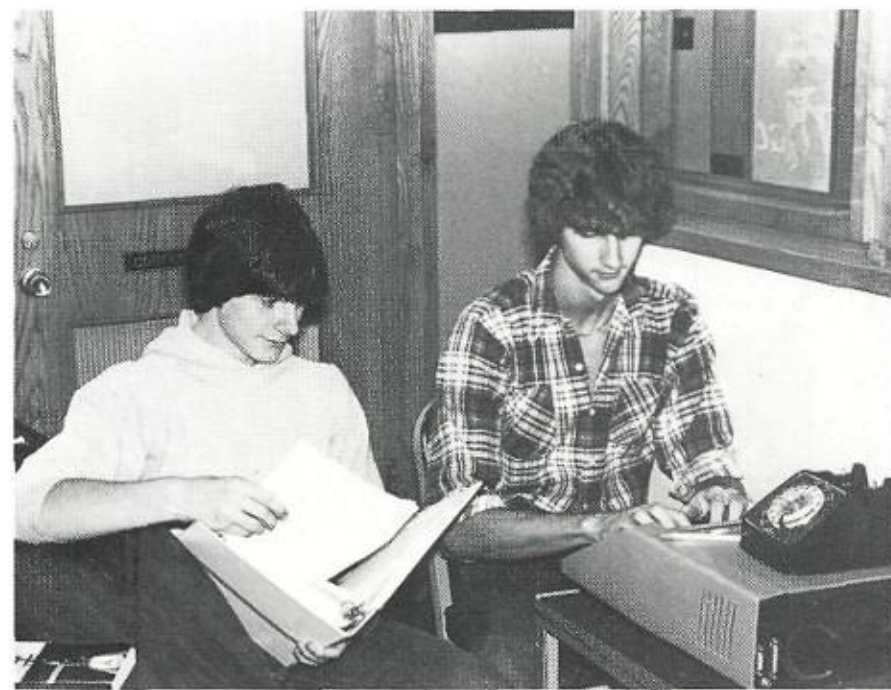

The Freshman Team concluded the month with a four win, four loss record. On August 18, the team put up a tough match but fell to Carter with a score of 12-15. High scorer for the game was Tara Perkins. Recovering from their first loss of the season, they came back with a win over Sunset. Gaining victory over Bishop Dunne, the team put up a good struggle before falling to Bell, 7-10, in their last September game.

The JV opened the season with a 12-15 defeat from Carter, followed by a 15-11 win over Sunset. Maria Papa was the high scorer in both. With five victories, following their defeat from Carter, the team fell to Bell in their final game of the month, 3-15. This left them with a six win, six loss record.

**Top:** Warming up before the Sunset game, JV Volleyball players Teresa Trent and Keyla Freeman practice their volleys while Cindy Crawford watches. **Above Left:** Sophomore Kim Adams finishes soaping a van before it is to be rinsed during the Band Car Wash held in the faculty parking lot. **Above Right:** Terri Hutchison purchases a spirit ribbon for the Irving contest from Student Council Vice President Jennifer Sheets during B Lunch while Yvonne DuBois and Teresa Jones debate whether or not to buy one for themselves as well. **Above Center Left:** Senior Paul Yeoham selects a ballpoint pen from Instructor Herb Stice at the Distributive Education Store before school. **Above:** Freshman Volleyball players Maria Papa and Laird Barnes team up to score the winning point in the Bishop Dunne contest while teammates Mary Beth Petruska, Tara Perkins, and Missy Wyatt prepare to offer their assistance. **Left:** JV Volleyball player Janice Poteet spikes a returned volley towards her Lewisville opponent as teammates Barbara Bohm, Cindy Crawford, Teresa Trent, and Keyla Freeman await the opportunity to help out in the power play.

**Above Left:** ROTC Boys' Drill Team members Tommy Lee, James Gardner, Kevin McBee, James Arrington, David Deanda, Daniel Deanda, and Tim Neece demonstrate their discipline, skill, and ability to parents during Open House. **Above Right:** Senior Chris O'Hagan provides information concerning entrance requirements for Sophomore Tom Hoover through the college and career computer in the counseling office. **Far Left:** Cadet Colonel Lori Timmons answers parents' questions concerning the training of a drill team member during the ROTC Open House. **Left:** Baseball Coach Roy Kinnan discusses his beliefs on religion and its interaction with sports during an FCA meeting. **Above:** In an effort to raise money for the band, Senior Janet Ludvigsen persuades Junior Keith Reese to purchase a spirit fuzzy.

# ROTC Receives First Place

According to the instruction of the Army ROTC, the curriculum was to provide training which would benefit the cadet, the community, and the nation. The MacArthur cadets utilized this training in capturing first place in the Marine Corps Youth Physical Fitness Program.

The competition took place on the grounds at the Dallas Naval Air Station on Saturday, September 12. Winning team members included Chris Rehfeldt, Kent

Conley, Jim Porter, James Arrington, Charles Hubbs, and Jeff McElroy. Twenty-four boys and six girls from MacArthur competed against each other and contingents from Nimitz and Irving.

Individual victors were Mike Dheridan, who completed 85 push ups while Mike Quintana managed 54. Robert Maszk leaped 8'11" in the long jump for an additional win. Placing in the 300 yard run was Mike Hammil with a 55 second timing

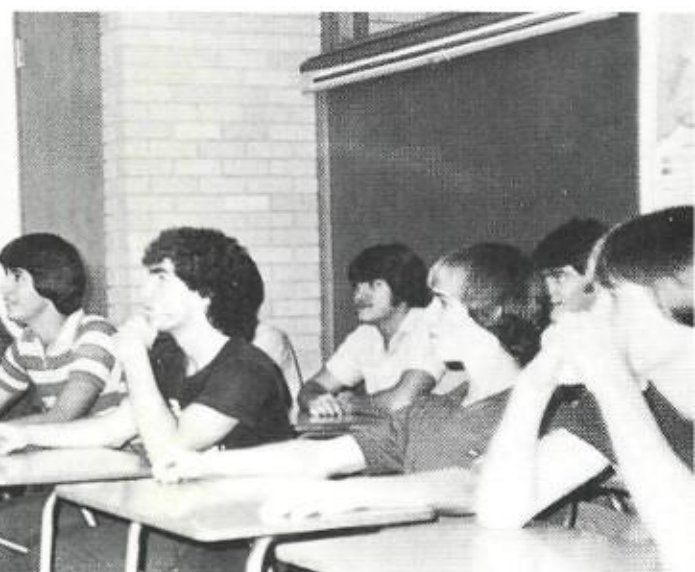

and Cindy Graham with 63 seconds.

After all awards and citations had been presented to the winning teams and individuals, the cadets were given an opportunity to fly over different areas of Dallas/Fort Worth aboard one of the Army's CH53 Helicopters.

Commenting on the day's performance, Corps Commander Lieutenant Colonel Billy Williams stated, "We just had a good time and getting the trophy was great."

**Right:** Seniors Jack Hands, Robert Obennoskey, and Grant Fagan look over university pamphlets which they received at College Night held at Nimitz High School. **Far Right:** Senior Ronnie Nedrow places his name on a university mailing list during College Night at Nimitz High School. **Below:** Senior Terry Harman strives to remain in the saddle of a bucking horse during an Alta Vista Rodeo. **Below Center:** During his business law course, Senior Scott Ferguson defends his client's case to Bill Dodson's classroom jury during mock trials. **Below Left:** Demonstrating his skills of balance and coordination, Senior Chris Skinner strives to stay mounted on a raging bull. **Below Right:** Breaking out of the chute, Sophomore Mike Johnston competes for a high score in the bareback competition.

## Board Starts Riders' Season

Opening their season, MacArthur entered the annual North Texas High School Rodeo, which was held on September 11, 12, and 13.

Top performers in the chute dogging contest were David Laffoon, placing third, and Jim Driscoll, placing sixth. Laffoon also grabbed the fourth position in the same event at Weatherford and a sixth at the

Northwest Rodeo. John Baker also placed at Northwest with a third in chute dogging. Carol Greend received a first in steer undecorating at North Texas. She also was first runner up for Miss State, Miss North Texas, and Miss Pioneers Day.

Most of this year's participants were Freshmen, who had never entered into competition before. Elaborating on the

team's youth Sponsor Doris Doores commented, "I have seen them improve a whole lot, but they still need practice. There were not many new ones last year."

Officers for the 1981-1982 school year were President David Laffoon, Vice President Chris Skinner, Secretary-Treasurer Jim Driscoll, Reporter Julie Bowman, and Rodeo Queen Gale Doores.

# Senior Models Paris Styles

To further her career in fashion, Senior Katrina Olivas departed for a three month modeling contract in Paris, France.

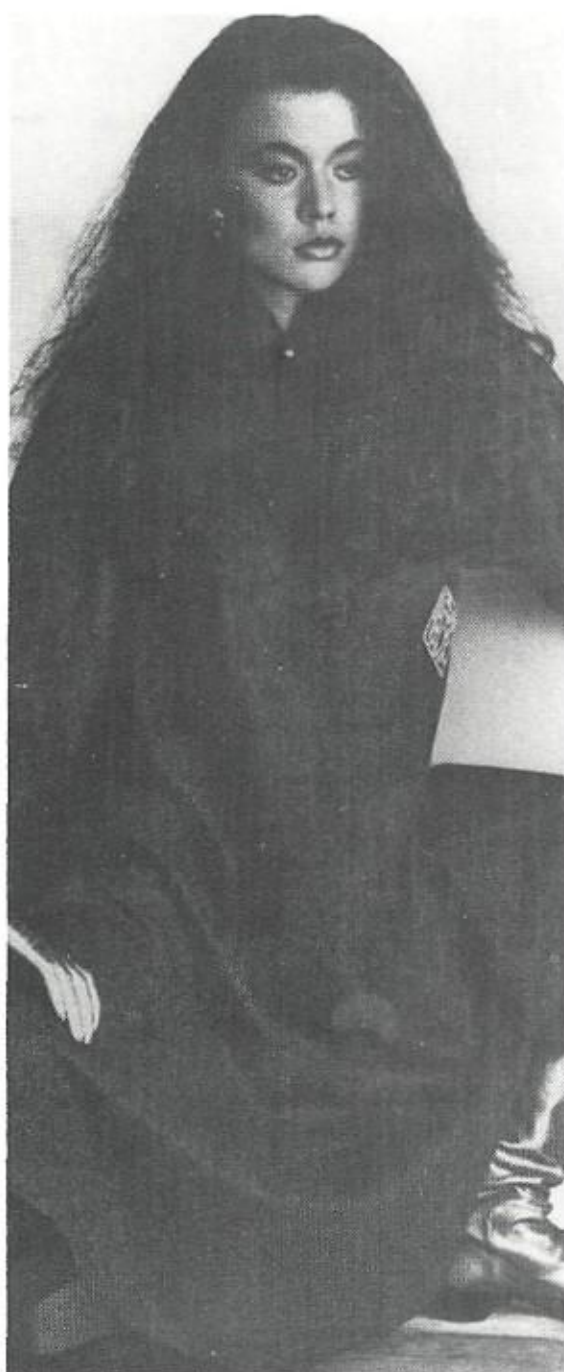

This opportunity was presented to her when the Elles Modeling Agency sought 15 American girls to be photographed in the French capital. A representative of the corporation interviewed the 17 year old in August and chose her to be among the elite group. All of her expenses were paid.

Beginning her occupation at the age of 13, the aspiring career girl worked independently until she signed with Kim Dawson at age 15. This lead to assignments for Neiman Marcus and Joskes, along with

shots in *Seventeen* and *Texas Monthly* magazines, and the fashion section of *The Dallas Morning News*.

While spending her summer in New York, Olivas was presented with two contracts asking her to stay and finish school there. The MacArthur student refused these offers so that she could remain in Irving.

During her stay overseas, Olivas continued her education by taking Senior English through a correspondence course at Texas Tech University and learning French in night school. In December, she entered the second semester at MacArthur and was able to graduate with her class.

**Top Right:** Preparing for the upcoming Freshman Class Officer Elections, Kristy Francis displays the campaign slogan she hopes will carry her on to victory. **Above Left:** Entering the Freshman Class Officer Elections, candidate Sherri Hastings signs her name to the ballot, list posted on Vice Principal Sharon Isringhaus' door. **Above Center:** Junior Melia Sims and Senior Jeff Fritz practice for the UIL Marching Contest during their first period band class. **Above Right:** Applying her talents as a model, Senior Katrina Olivas appears in the fashion section of *The Dallas Morning News* before traveling overseas to Paris in an effort to further her career. **Above:** Seniors Debbie Capps and Cheryl Montague take time out to perfect their duet acting selection before competing in the R.L. Turner Drama Tournament. **Right:** Latin Club Vice President David Bishop serves popcorn to the many fans at Texas Stadium during a Dallas Cowboy Football Game to raise funds.

# Girls Swing Par for Course

MacArthur's first female golf team was formed during the 1981-1982 school year as Mike Marshall took the head coaching job while at his teaching year at MacArthur. The squad consisted of Junior Carla Mayes and Freshmen Brooke Graham and Charlotte Russey.

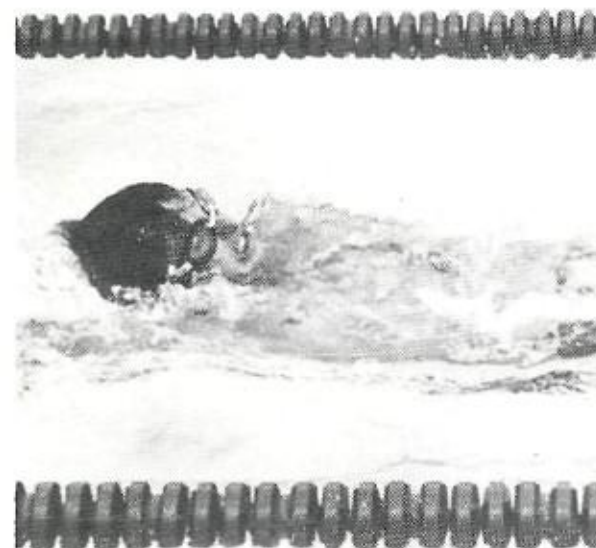

When questioned how she felt about being on a team with only three members, Mayes replied, "I think it feels great, although I wished there were more people on the team so we could go to more tournaments and such. However, I really love all the individual help we get. Since there's so few of us, we get a lot of help we wouldn't get with a large team."

An explanation for the formation of the Girls' Golf Team was simply "equal rights."

Marshall felt that the girls had as much right to play golf as the boys. Also, Marshall claimed that the size and location were two other important factors taken into consideration.

The girls practiced five days a week in the afternoons—playing nine holes of golf at the Las Colinas Country Club. During these sessions they concentrated on particular aspects of the game and the best methods of improvement.

Competing in the first tournament of their history, the golfers failed to place on the team scoreboard or on the individual scoreboard at the Plano Invitational. However, with continual practice time, the squad was expected to improve as the girls grew accustomed to the feel of competition.

**Top Right:** Junior Carla Mayes prepares for the Plano Invitational during a daily practice. **Above Left:** At an FHA Breakfast, Kaye Mullenix and Natalie Adkinson tell jokes while waiting for their food. **Above Right:** Swimmer Dane Matney keeps in shape during the winter months at the Irving YMCA pool. **Above:** Opponents of the Liquor-by-the-Drink Referendum express possible consequences if the proposal were passed. **Right:** Senior Hazel Quintans completes the sale of a Cardette T-shirt in an effort to raise money for the squad.

## Board Chooses Club's Sponsor

Younglife, a Christian organization, taught teenagers to become responsible young adults. The group met every Wednesday night at 7:30 in an empty building across from the Brown Bag Restaurant. The club, comprised of over 250 members, strived to bring students closer to God.

New Younglife Director Rob Shultz, with the help from former leader Paul Gettimiere, arranged for the group to go on a ski trip to Purgatory, Colorado, during the Christmas vacation. To help raise money for their adventure, the group played a ten hour volleyball game in which they were sponsored for each hour they played.

At one meeting, several male members participated in a fashion show where they modeled the sleeping attire of various females in the group. Tad Wilson, Rick Ward, Jack Hands, Mike Wilson, Jeff Williams, and Jeff King donned the night clothes of Hollye Bozeman, Amy Cruse, Karen White, Karen Deen, Holly Dearing, and Tara Dearing.

Senior Derek Blake, a three year member, stated his views about Younglife by saying, "It's a great organization with a lot of great people. Younglife is a lot of fun and it's an excellent learning experience."

## Mac Girls Double as Texettes

Twelve girls from MacArthur earned extra money as Texettes during all Dallas Cowboy and SMU Football Games. Tammy Bell, Polly Bell, Lisa Lammell, Stacy Crawford, Kathy Nicastro, Tina Cruz, Shannon Busher, Michelle Lamane, Sabrina Shepherd, Devon Gray, Donna Hicks, and Cari Thomas received as much as \$16 per game by seating spectators and providing needed assistance to people who attended such sports activities.

Texettes played an important role in the complex's operation acting as good will ambassadors towards visitors who were unfamiliar with the stadium. This included the weekly ritual of informing startled out of town fans that the city of Irving did not allow the sale of alcoholic beverages within the stadium walls.

The girls were required to work all games, with perfect attendance meriting a cash bonus to those who qualified.

Before being hired, each prospect was required to submit an application along with

a picture of themselves. The administrative supervisor of Texas Stadium, Bobbie Stanfield, looked over each photograph and resume before granting personal interviews to the applicants he felt would best represent the stadium organization. In addition, friendliness, efficiency, and knowledge of the complex's structure were considered important in the selection procedure.

# Softballers Take Nationals

As members of the Lil' Sports, Sophomores Kim Neville, Kelly Huitt, and Chris Hertenberger helped their team win the National Slow Pitch Softball Championship in Las Cruces, New Mexico.

Before gaining the opportunity to capture the trophy, the squad defeated numerous local teams, won the Metro Tournament at Southwest Park in Irving, and the Southwest Regionals held in neighboring Duncanville.

In New Mexico teams from Tennessee, Washington, Nebraska, Texas, and California tried to defeat the fast hustling Lil' Sports, but were unable to do so.

The final game in the national tournament went into nine extra innings but the Texans came out on top as Hertenberger scored the winning run. Following their victory, the team accredited much of its success to the large amount of support they received from the people of Irving. In regard to the entourage they developed during the course of the season, Huitt elaborated, "It was really great to know there were people watching you who really cared and wanted you to do good."

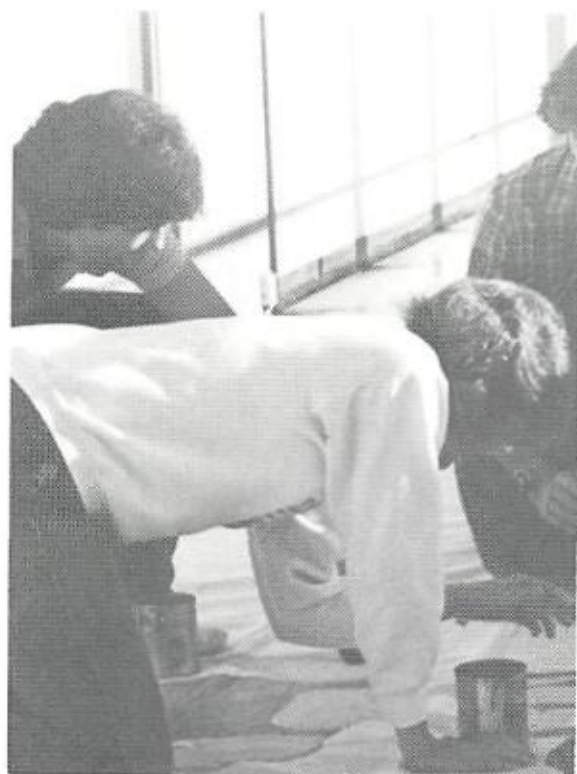

Before making the trip, the girls had to

raise money for traveling expenses, entry fees, and lodging. This was accomplished through donations from private citizens and business organizations as well as sponsoring bake sales.

Bell Football Game. **Above:** As members of the Lil' Sports Slow Pitch Softball Team, Kim Neville, Kelly Huitt, and Chris Hertenberger capture the National Championship in Las Cruces, New Mexico. **Right:** Backdropped by an environmental setting, Lucas Reed tries to look his best during a senior picture session.

## Golf Coach Trains Rookies

Although the Boys' Varsity Golf Team consisted of mostly Freshmen and Sophomores, second year Coach Mike Marshall explained that the team had the potential to win and, with more experience, could exceed the 1981 squad that finished near the top in district play.

Freshman member Brad Ellis commented on the squad's youth stating, "We all realize that it could be a tough year. However, we are rebuilding. This is our chance to gain experience without being pressured because nobody expects us to do well. But just wait a couple of years and we'll be tough."

Ellis and Sophomore Rob Spencer were players Marshall expected to do well.

The team members worked out

approximately three and one half hours a day, and up to 20 hours a week. Practices were held at Bear Creek Country Club on Monday and Tuesday, with the remainder of days spread among Las Colinas and the Grand Prairie Municipal Course.

The fall season began on September 21 with the Sam Houston Invitational in Grand Prairie. After 72 holes, Spencer led MacArthur with 27 pars. Claiming scores of 356 after 72 holds, Bryan Contestible and Spencer topped the list of Mac competitors in the Nimitz Fall Classic at the Lost Creek Country Club.

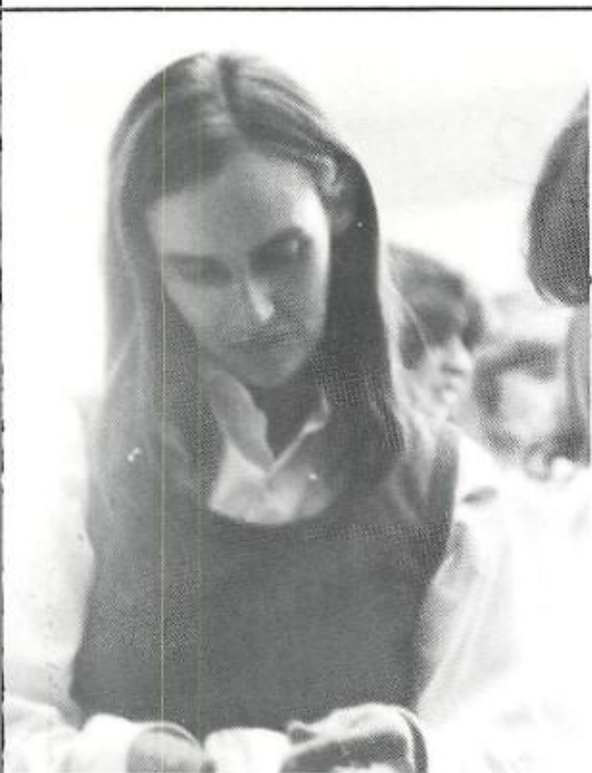

Contestible said, "With more practice we could meet our potential, and by gaining more experience we could be a very competitive team."

**Top Left:** Art students Brenda Reddin, Keith Reese, and Alan Rhoades design a goal post sign for the Friday evening football game. **Top Right:** CVAE student Danny Reed repairs a radiator during class. **Above Left:** During the Lost Creek Invitational, Senior Rusty Wood takes aim before striking the ball down the fairway. **Above Right:** Cardinal Word Business Manager Bill Rudolph was named *The Irving Daily News*' Senior of the Month for October. **Above:** Cyclists Mike Cardwell and Brian Windsor make their daily trip to Highland Park.

**Right:** Junior Erin Bozeman serves herself Parisian style cuisine as Sophomore Sandra Doss pours herself some liquid refreshments on the French Club Culture Day. **Below:** French teacher Martha Tate samples some French cooking prepared during French Club Culture Day activities. **Below Left:** Despite inclement weather, Varsity Tennis players Robbie Chambers and David Joyner work on their doubles play. **Below Right:** Preparing to return a forehand volley, Senior Ronnie Nedrow eyes the incoming tennis ball during an afternoon practice.

## Classes Sample French Culture

French Club members participated in Culture Day, or Cuisine Day, as Sponsor Martha Tate referred to it, on Tuesday, October 6.

French foods and recipes were brought to class, and even cooked there. Some favorites were quiche, a cheese pie, and crepes, filled pancakes. Cuisine Day showed that French was more than a language.

Sophomore Laine Lykes commented that Culture Day helped her to appreciate French more. Sophomore Margaret Booth added that the experience made the language easier to understand. Both agreed that the food contributed to make the day more realistic.

Another way French Club members learned about the country and its culture was watching a French bowling match. They traveled to the Quadrangle in Dallas to view a team, which consisted of native French people who lived in the Dallas area, bowl. The team called themselves the Alliance Francoise. French bowling, also known as *boules*, had different rules than its American counterpart. It was played in an open area. Each player was given two metal balls which were thrown in turn. The one who threw the ball nearest the designated area won.

## Tennis Team Defeats Colts

Facing the Arlington Colts on September 9 and 18, the Varsity Tennis Team began their fall season with two dual matches.

Mac won the first contest, 15-12, as Senior Don Tittle dominated the men's division by defeating the top ranked singles player from Arlington. Also, Senior Ronnie Nedrow and David Joyner defeated the number two ranked men's doubles team.

The Cards were defeated in the rematch,

15-6. Nedrow, Danny Sass, Brian Arnold, and Jay Craddock ruled in the men's division, as did Katie Butler and Tracy Parker in the women's.

Recalling the defeat, Coach Sam Morton expressed, "I felt that we were not mentally prepared for that match but we will be working more with each other to help improve our strength and aggressiveness."

The Varsity Tennis Squad suffered losses

at Richardson and Duncanville High Schools. Against Duncanville, Mac won five matches with Tittle defeating Mike Fahey, 8-1, and later teaming with Robbie Chambers to knock off Fahey and his partner.

The Cards were defeated by a score of 12-6 by the Richardson Eagles. Members acquiring victories in boys' singles included Tittle, Tores, Sass, and Joyner. Butler was the only girl player to provide victory.

# Cheerleaders Increase Ranks

Directed by Health Teacher Georgia Regelsky, the Varsity Cheerleading Squad expanded its ranks from seven to twelve members. This increase in numbers enabled the girls to attend and provide support at more than one varsity athletic event at the same time.

Cheerleaders for the 1981-1982 year were Tracy Alder, Jamie Billingsley, Hollye Bozman, Shelley Burkes, Stacey Crawford, Tamara Sturman, Dawn Wells, Vickie Pou, Karen Deen, Tara Dearing, and Michelle Manatou.

"The Cheerleaders got along very well with 12 members," commented Crawford, a cheerleader since seventh grade. "I think we turned out more and better cheers because

of all the new ideas the additional girls provided."

During the football season, the girls led the classes in competition at pep rallies and decorated the lockers of the Varsity Football Team. The yell leaders also performed their role on the sidelines at the Friday night contests.

In order to help prepare them for their expanded duties, the Cheerleaders attended a camp at Tarleton State University in mid-June. The girls sharpened and refined their skills by learning new moves and cheers. At the end of their stay, they received an All Around Superior Award. They also earned out of the eight spirit awards given.

**Top Right:** Varsity Cheerleaders Tara Dearing, Tamara Sturman, and Michelle Manatou lead the crowd to "Victory." **Above Left:** Varsity Cheerleaders Hollye Bozman, Karen White, Vicki Pou, Tara Dearing, Karen Deen, and Michelle Manatou listen to suggestions from Sponsor Georgia Regelsky. **Above Right:** Big Mac Keepers Elizabeth Bongfeldt, Susan Ehlers, Steve Sisney, and Greg Warren prepare to execute a backflip. **Above:** Decorating a friend's locker, Liz Allman adds the final touches. **Right:** Rifle Corps members Tina Crewse, Andrea Boyd, Debbie Pedrick, Cecilia Diaz, and Becky Bennet present a routine.

## Varsity Tackles District Games

Prevailing by a margin of 27-7, the Varsity Football Squad reigned victorious in their first district game on Saturday, October 3, against L.D. Bell.

Mike Cole scored the Cardinals' first six points in the first quarter. This was shortly followed by the Raiders' only touchdown of the game. Cole also contributed to a second half surge by scoring Mac's final two tallies, in the course of compiling 96 yards in total rushing.

Penalties, fumbles, and costly interceptions resulted in a narrow defeat at the hands of Grand Prairie Gophers by a score of 22-14.

Trailing, 20-0, through most of the third quarter Steve Logan scored on a five yard run early in the final period. Coupled with a Brad Narrell pass to Brad Walters for the conversion, the gap was closed to 22-8. On their next possession MacArthur marched 94 yards for a touchdown as Cole dove into the end zone from two yards out. Narrell's attempt for the conversion failed, however, leaving the score at 22-14.

The Cards' final chance came in the last minutes of the game when a Grand Prairie punt was thwarted by a high snap. Starting well into Gopher territory, the Cards saw their hopes fade when Narrell threw an interception in the end zone. From there, Grand Prairie was able to run out the remainder of time on the clock.

## Teams' Victory Opens District

Pulling from behind, the Junior Varsity Football Team captured their first district game with a 7-6 win over the L.D. Bell Blue Raiders.

After Larry McDonald carried the ball into scoring range, Nick Papa provided the only MacArthur touchdown. Scott Armstrong kicked the extra point to give the Cardinals the necessary margin for victory.

Reflecting on the victory, defensive lineman Mark Baggerley commented, "This game was really important to us because it

was our district opener. We fell behind early, but we came back because our defense was strong and our offense controled the ball."

The opening of district play was equally successful for the Freshman Football Team as they romped to a rousing 21-14 victory over Grand Prairie. Mike Marsh claimed two of the touchdowns with Ronnie Logan also bulling his way into the Gopher end zone for the third touchdown.

In the second week of play, both the JV and Frosh Teams came up short against thier domineering opponents.

Grand Prairie proved much too strong for the Junior Varsity as they upended the Cardinals, 23-7. Following the footsteps of the upperclassmen, the Freshman Squad also fell short of victory at the hands of North Mesquite, 10-7. Attempting to keep stride with Mesquite, Mike Marsh returned a kickoff for a touchdown to give Mac a temporary lead. However, the Wranglers quickly bounced back with their own score and a three point win.

# New NHS Members Chosen

Selected by the faculty, 22 Seniors and 61 Juniors were initiated into the MacArthur chapter of the National Honor Society Monday, October 5, in the auditorium.

New members were chosen not only for their notable academic grades, but for leadership, character, and service.

Conducted by candle light, the induction began with a brief introduction from President Shawn Wild. Speeches concerning leadership, character, scholarship, and service were then

delivered by the other NHS officers. These included Vice President Tony Rodriguez, Secretary Shelley Clutts, Treasurer Tammy Bell, and Historian Becky Barret. The Executive Board consisted of Jeff Verver, Beth Hodge, Kim Huitt, Amy Meeker, and Tiffany Riley.

Candles, which symbolized the torch of knowledge, were handed out as new members were assembled on the risers. After repeating the pledge given by Wild, the lighted candles were then blown out.

# Varsity Netters End First Half

Entering loop play, the Varsity Volleyball Squad entered the season opener with high hopes of capturing the district title and advancing in the playoffs.

In the first set, the girls pooled their efforts in achieving a 15-9 win. However, the Raiders conquered the Cardinals in the final two sets.

The following week the Cardinals traveled to Grand Prairie. Mac took the

first, 15-6, but lost the second, 15-13. The final set ended in a 16-14 Cardinal victory.

Returning home, Debbie Gill scored on 12 consecutive serves to assist in their defeat of the Irving Tigers, 15-1 and 15-3. Facing South Grand Prairie in a three game battle, split victories were achieved in the first two sets, but the Warriors showed strength in taking the final, 15-2.

Going on the road to Duncanville, the

team pounded the Panthers in a two set rally to put them over 500% in the win column.

Completing the first half of the season, the Cardinals led the attack against Trinity with a 15-6 victory. Slacking off in the last sets, the girls were felled by the Trojans, 15-11, and 15-8. Two days later the team ventured to Nimitz. Despite a victory for the Viking squad in the opener, the Cardinals defeated them in the final two.

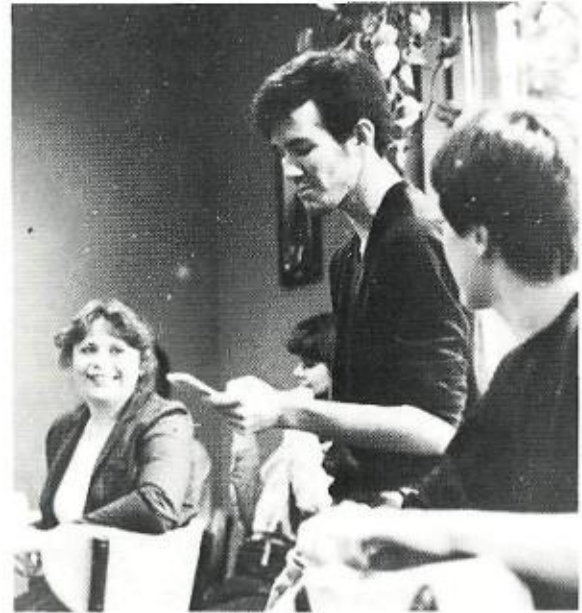

**Above Left:** Stretching her body to full capacity Lisa Bryson spikes the ball while Debbie Gill awaits a return. **Above Right:** Varsity spiker Lisa Bryson successfully returns a serve as Tammy Stevens anticipates her chance to score. **Above:** Awaiting their first class Larry Robinson, Shannon McMeans, and Brent Carter consume a morning meal served each day in the South Cafeteria. **Right:** In order to keep students informed of current events in the school, Senior John Shelly prepares to change the marquee. **Far Right:** Prior to an open house performance, ROTC drill team members James Arrington, James Gardner, Ross Wigginton, Daniel Deanda, Kent Conely, and Richard Robertson perfect their routine.

## Gymnasts Attend Regionals

In the quest of achieving superiority in the field of gymnastics, Junior Susan Ehlers and Freshman Kari Skidmore attended both regional and state competitions the past two years.

As a Freshman, Ehlers ventured to a tournament in Denver, Colorado, during the last week of April. The event carried 25 top athletes from a seven state region including Texas, Oklahoma, Colorado, Arizona, New Mexico, Louisiana, and Arkansas. Regardless of her efforts, Ehlers fell a small margin shy of achieving any type of placement and returned home empty handed.

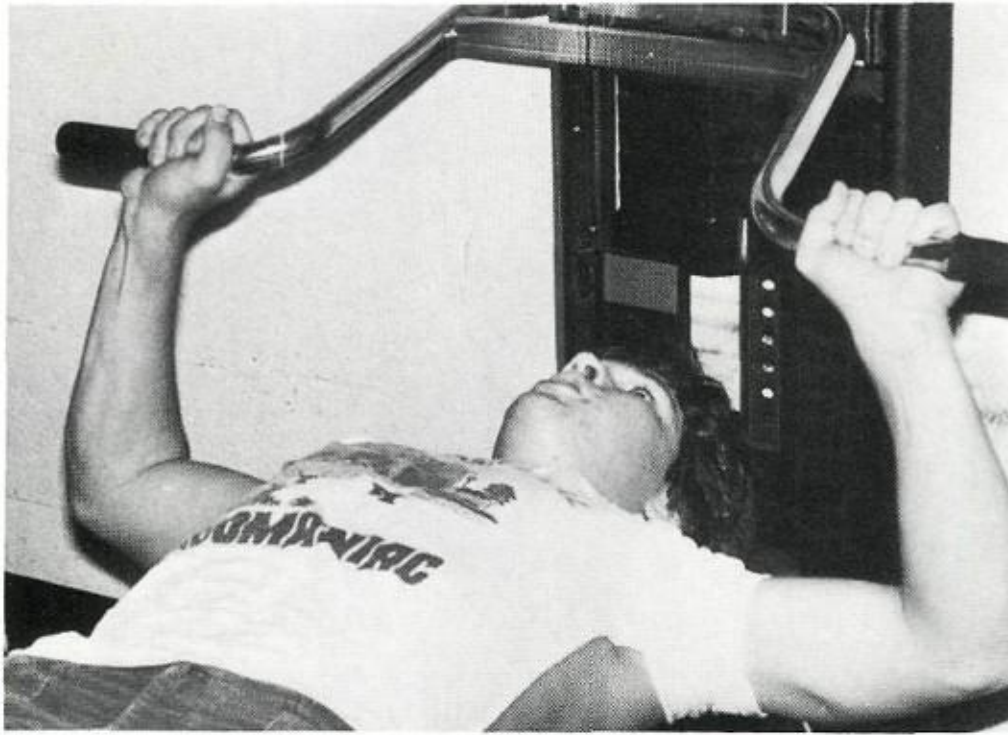

The following match pitted Ehlers against second class gymnasts from an area that

included only the state of Texas. Congregated in Richardson, the 31 contestants performed their acrobatics. The executions of the gymnastics team manager proved to be excellent as she went on to capture a second place on the floor exercise, fourth on the beam, and ninth position overall.

Undertaking her first year as a Cardinal, Skidmore entered the school with four years of experience in the sport. Having achieved past honors in state competition, she became eligible to enter the regionals held in Tulsa. Including mandate participants from Texas and six surrounding states, Skidmore grabbed a fourth place for the overall event.

## Sprinters Race for Victory

**Top Left:** While getting in shape for the upcoming wrestling season, Junior Jack Milner attempts to strengthen his biceps by bench pressing. **Above Right:** Attempting to strengthen their ankles and knees, members of the Girls' Cross Country Track Team Elizabeth Quigg, Paula Romano, Ashley Fredrick, and Lisa Head jump rope during an after school practice. **Above Left:** Senior Lisa Bradley recounts her money before purchasing tickets for the upcoming football game. **Above Right:** After competing in the Cross Country run at Norbuck Park, varsity trackster William White relaxes his muscles while awaiting the final results. **Above:** Print shop students Paul Coats and Russell Wright clean the press after adding the final touches to the latest edition of *The Cardinal Word*.

Cross Country runners began the season's competition at Mountain View College. Out of the 12 varsity tracksters, Senior Thomas Chism was the only Cardinal to place in the top ten.

Five runners entered in the second meet of the season at Norbuck Park in Dallas. Despite the heat, all five finished the race in the top 30. This gave the team a respectable showing of fourth in a field of 30 competitors.

Competing in the Mesquite Invitational Meet held at Audabon Park in Garland, Mac runners managed to bring home second place in the overall standings. Fighting dropping temperatures, all varsity members

again crossed the finish line in the top 30. Team participants were pleased with their showing. Junior John Eilers stated, "I think the team has the possibility of going far this year. The key will be if we can avoid injuries. If we do that, I don't see how we can keep from winning district. Our off season program has been such that everyone is in good shape and ready for competition."

After training extensively for two weeks, team runners placed fourth in a 5000 meter course at Arlington's Vandergriff Park. Individual victories included a fifth place medal for Chism and twenty-sixth place for Karl Bremer. Competition was stiff as there were 47 teams competing.

## Marksman Conquers Odds

Traveling to Vandalia, Ohio, to participate in the Grand America Shooting Tournament, expert marksman and MacArthur student David Montgomery brought home the first place championship trophy.

Some 260 contestants from as far away as Japan, turned out for the competition. By hitting 99 out of 100 targets, Montgomery managed to qualify for the shoot out. Although he had only been participating in shooting matches for three years, Montgomery was pitted against an opponent from Ohio who had ten more years experience and was rated the highest in his division.

During the first round of the suddendeth match, both Montgomery and his rival missed one out of 25 targets. Montgomery finished the second round victorious by again only missing one target while his opponent failed to hit two.

Montgomery began his career by loading targets into trap shooters. He then started to shoot regularly at the Sherman Gun Club, owned by his grandfather Bob Dewey. Dewey allowed his grandson to shoot at the club free of charge. He also gave Montgomery tips to improve his aim which enabled him to better his skills and raise his scores.

Since Montgomery was not expected to win the competition, he did not put up the \$10 registration fee that would have made him eligible for the \$2000 grand prize. Montgomery hopes to continue with his hobby and state that he "was very proud of his accomplishments over the past three years and the improvement he has seen in his shooting during that time."

**Above Left:** Building Trades classes from each of the Irving high schools display their talents by constructing a home which was auctioned off upon completion. **Above Right:** Egyptian President Anwar Sadat chats with his defense secretary moments before his assassination. **Above:** Sophomore David Montgomery polishes his rifle before leaving to attend the Grand America Shooting Championship. **Left:** Freshman Tanesha Baker departs for the Dallas Cowboy Football Game after winning two tickets during the MacArthur PTA Membership Drive.

# FSA Installs '81-'82 Officers

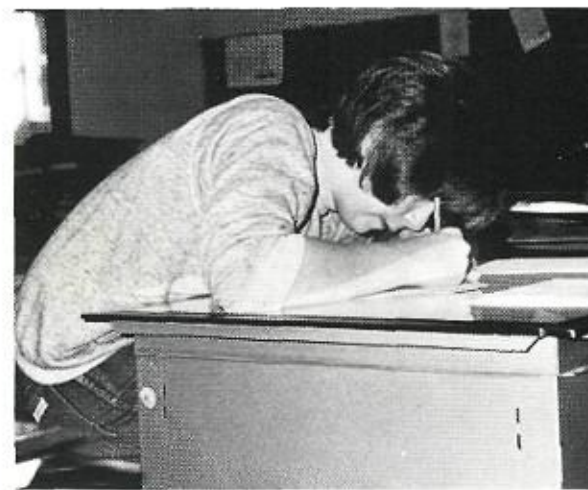

Hosted by Professional Secretaries International, the Future Secretaries of America initiated new members for the 1981-1982 school year in an evening ceremony held at the Irving Jaycees Arts Center.

Bringing the membership to a total of 27, 16 persons were inducted into the organization. Each was required to show a reason in wanting to be admitted. This concerned the interest in the secretarial field and encouraged continuing education through association with those engaged in the secretarial profession.

Also included in the program was the announcement of new officers: President Annette Gonzalez, Vice President Penny Mauldin, Recording Secretary Brenda Ramirez, and Treasurer Sylvia Lovell.

The goal of the group was to eventually become professionals through the continuation of their education in this type of work. FSA planned to help the aspiring secretaries on their way to a profession.

"It is a professional organization," explained Sponsor Dorothy Darby. "Also, we like to do things for pleasure and enjoyment."

**Top Right:** New Assistant Librarian Gailya Anderson was honored as September's Cardinal of the Month by the faculty. **Above Left:** Officers of the Future Secretaries of America Annette Gonzalez, Penny Mauldin, Brenda Ramirez, and Sylvia Lovell initiate new members at the Irving Jaycees Arts Center. **Above Right:** Freshman Jay Tyres works to finish a project for CVAE. **Above:** Yearbook staff member Jennifer Marak arrives before school in order to set up for group pictures. **Right:** Marching off the field, band members Sherran Smith, Brenda Reddin, Lori Burch, Camille Harman, and Paul Landrey make an effort to remain in a straight line.

# Outlook Bright For Texas Title.

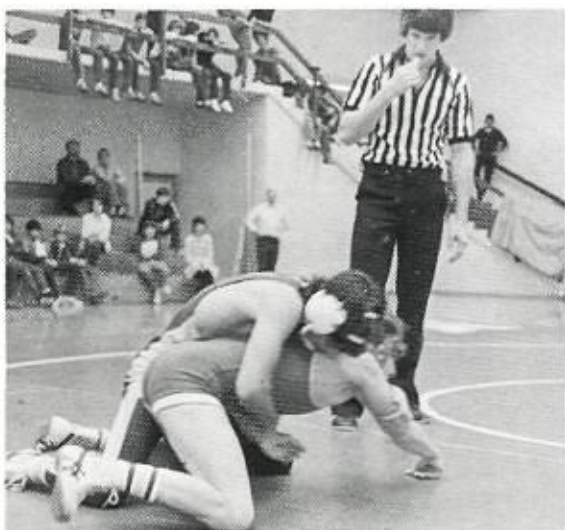

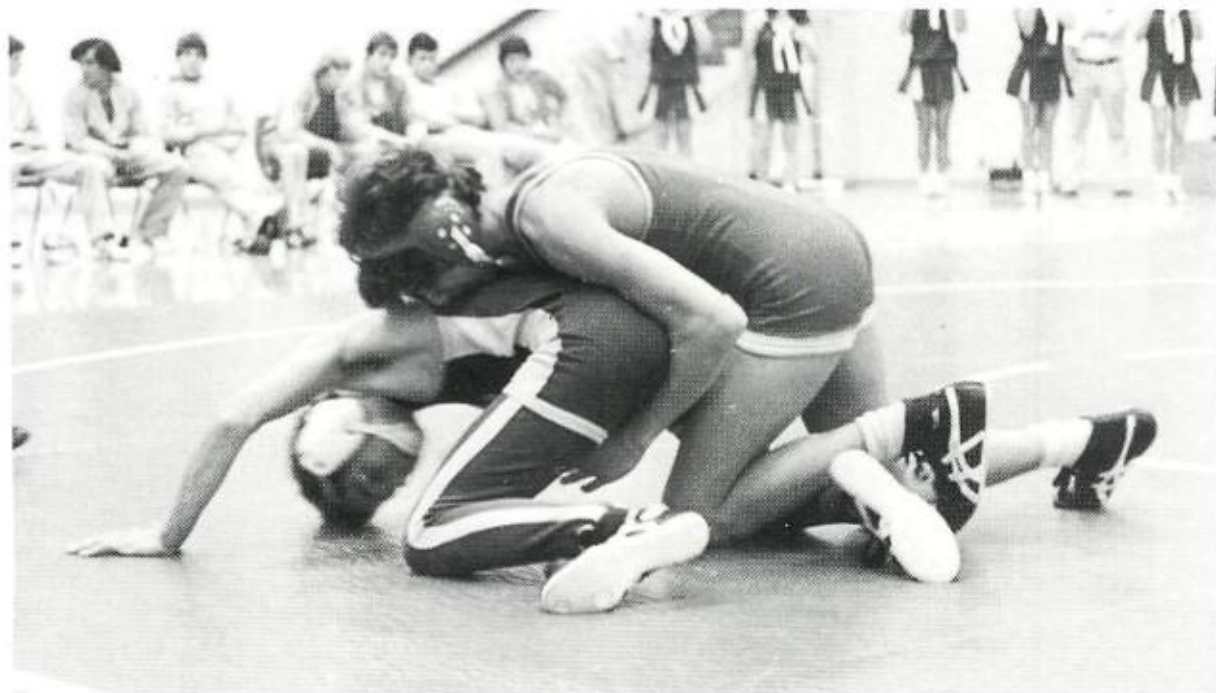

Confident of being able to repeat the previous year's performance, MacArthur's State Champion Wrestling Team began preparing for the defense of its title early in September.

The squad returned seven grapplers from the eight member team which traveled to El Paso for the 1981 State Tournament. They included Dominic Randazzo, Ricky Ward, Nick Neville, Tad Wilson, David Upshaw, Mark Bell, and Barry Smith.

"We should be even stronger this year after only losing Ed Hess to graduation," commented Coach Tim Marzuola. "This will undoubtedly be the best team MacArthur has ever taken to state."

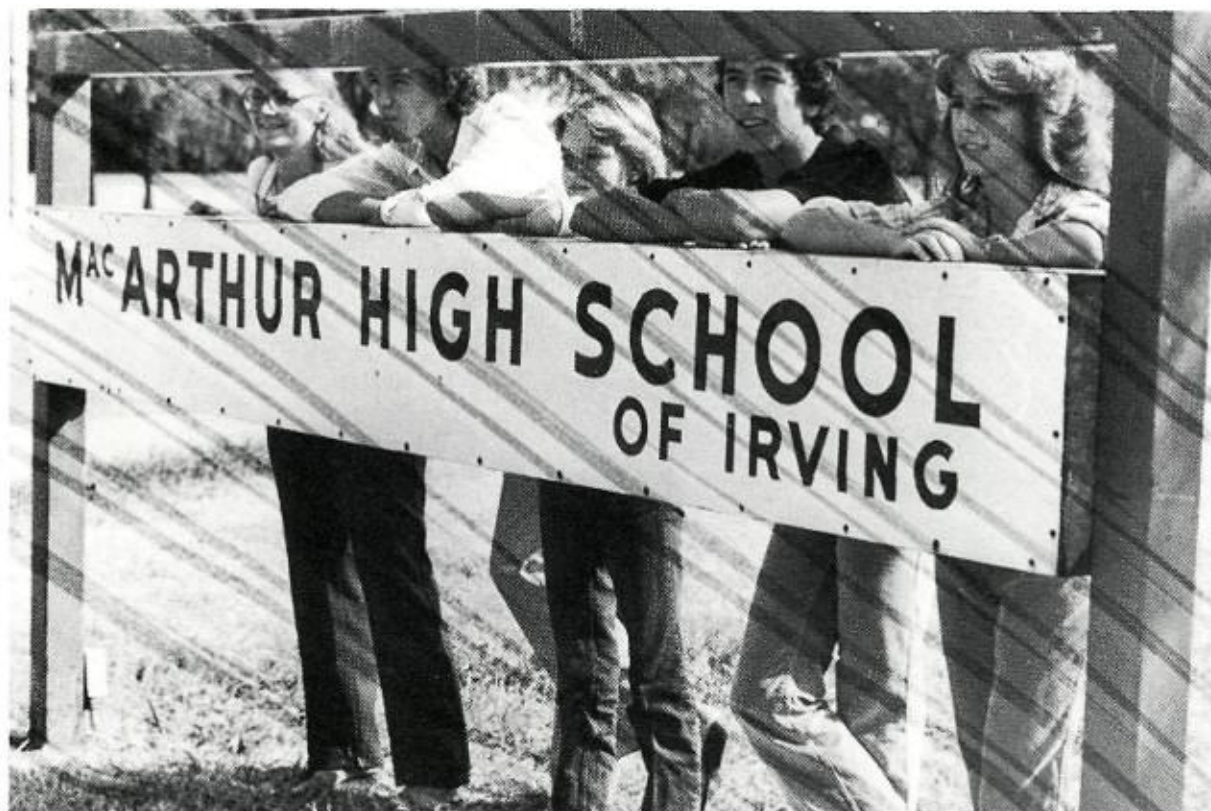

In pre-season polls, the Cardinal contingent was ranked as the top team in the state with St. Marks and El Paso Burgess placed at second and third, respectively.

Hoping that it would lessen injuries in practice, Marzuola constructed a wooden false floor to lay the mats upon.

**Top:** Dominic Randazzo attempts to stack his opponent after barring his arm. **Above Left:** Junior Varsity Wrestler Kyle Huse tries to free arm and gain escape points against a Lake Highlands opponent. **Above Center:** After waiting several hours to buy tickets to the Journey Concert, Rusty Reid, Penny Marshall, and Linda Frye anticipate the beginning of sales at Reunion Arena. **Above Right:** Cheerleaders Michelle Manautou, Hollye Bozman, Tara Dearing, and Karen Deen perform at a pep rally. **Left:** Senior FHA member Kaye Mullenix prepares cake decorating ingredients as a service project for the National Honor Society. **Above:** Member of the Rifle Corps Sherry Grimes performs in a color guard feature entitled "On Broadway" during halftime

## JV/Frosh Girls Defeat Irving

As the first six weeks came to a close, the Freshman and Junior Varsity Volleyball Teams began their seasons on bad notes and continued to struggle through the rigorous schedule as they compiled records of 1-6 and 2-3, respectively.

Traveling to Grand Prairie, both squads fell to the Gophers by wide margins. The Cards retaliated, however, with decisive district victories over Irving in the Boys' Gym that same week. The Freshmen were

victorious over the Irving Tigers with scores of 15-10 and 15-4, while the JV Team pulled off a 15-7 and 16-14 win to capture bragging rights from their crosstown rivals.

Again on the prowl, the spikers confronted South Grand Prairie in matches where the Cards were defeated—JV by a score of 3-15 and the Freshmen went down with 10-15. Following losses to Duncanville, in which the teams were overcome in close matches, the Freshmen secured the city title along with two more district wins were once again triumphant over Irving and also Nimitz in away matches. JV players were defeated by Nimitz in even matches which terminated in a 15-7 tie breaker loss.

Coach Marsha Fields explained, "We had a young team this year, and I think we really need to rebuild next year if we're going to be able to compete with the best schools in the area once these girls reach the varsity level of competition."

**Top Left:** Art Club officers include Secretary Paige Surratt, President Allan Rhoades, Treasurer Patricia Jarrold, Vice President Tony Martinez, and Social Chairperson Teresa Kokojan. **Above Right:** Varsity player Janice Poteet executes a forehand slam. **Above Center Right:** Freshman Melissa Wyatt prepares to return a volley. **Above:** Choir inductee Penny Marshall attempts to identify a male member by feeling his legs. **Right:** New choir members Tina Deese, Donna Preston, Stacy Willoughby, Teresa Boynton, Sharon Weaver, Jack Benson, Jeff Gardner, and Mike Hill parade through Skaggs at 3:30 am.

## Bikers Develop Racing Motility

Due in part to the success of the motion picture *Breaking Away* cycling has emerged as a competitive, high-speed sport in the United States.

MacArthur students Brian Windsor and Mike Cardwell worked out two to three hours per day. Each rode 12 speeds up hills in Irving, and on rollers. Windsor stated, "The most important thing in racing are RPM's, often reaching as high as 90."

Lightweight jackets with large pockets in the back for storing various items such as mini-repair kits, food, and drink were required for competitive racing. Gloves which covered the palms and the base of the fingers were worn as protection from blisters and cuts received occasionally from falling. Exclusively manufactured shoes with a cleat which hooked on to the pedals for support were worn as well as black shorts extending almost to the knee, which were designed for comfort.

Racing bicycles were constructed of durable, lightweight materials. Thus, the smaller frame and trimmer wheels cost anywhere from \$400 to \$2000 for the ten and twelve speed bikes.

## Baseball Enters Softball League

By participating in the Mens' Minor Softball League, 12 members of the Varsity Baseball Team kept in shape for the upcoming season.

Lonnie Sturdy coached the team, as UIL rules prohibited Coach Roy Kinnan from coaching. Kinnan suggested the team play in the league for the purpose of strengthening unity, and helping the team work together in hopes of a successful season in the spring. Having never played the game on a competitive basis, the Cardinals found the going rough as they were only able to win two games.

Jeff Williams explained, "The larger ball is harder to play with, both hitting and catching. It helps improve our throwing form a lot." Along with the larger ball, several differences the game of softball has from it's parent baseball include four outfielders instead of three. Also, the bases are a shorter distance apart, and the pitching speed is slow—with no lead offs.

Due to heavy rains in the early season, games were postponed and the team did not play for weeks. Workouts, however, continued during sixth period until October 29.

**Top Left:** Sophomore Mike Cardwell engages in a two-hour cycling workout. **Top Right:** Cyclist Brian Windsor works out on his ten speed. **Above Left:** Outfielder Kelly Wells returns a ground ball during a sixth period baseball practice. **Above Right:** Mark Karkourtis examines his own blood cells obtained by pricking his finger. **Above:** As part of the off season program, Kevin Sturdy, Jeff Williams, and Steve Hester loosen up their arms in a simple game of catch. **Left:** Cari Geer, Jeff Williams, Chad Elms, Danny Vascek, Ray Grantlaw, David Bishop, Melinda Webb, and Sponsor Nan Silvernail participate in a Younglife group sing.

# Student Forum

## Female Students Opt for Paddle

Over the past decade women slowly gained the opportunity to live in a society without restraints being placed on them because of their sex. However, in doing so, they also were faced with situations and consequences that they were once sheltered from due to traditional beliefs. On of these aspects gained its origin in the schools—corporal punishment. For years, the fairness of administering licks to boys and only detention to girls was debated.

Times have changed! For the first time in MacArthur history girls were given the alternative of corporal punishment over detention. In the past years, girls have taken detention as their only option.

Vice Principal Sharon Isringhaus instituted this option because of her belief that girls should have the same rights as boys. In cases when two or more swats are necessary, Isringhaus contacted the parents of the girls, personally, to bring the action to their attention. However, the decision between detention and licks rested entirely upon the student.

When consulted, Isringhaus stated, "The main idea I am trying to put across is that girls finally have the same choice as the male students." Members of the student body were questioned as to whether or not girls should be given corporal punishment if detention is not wanted.

**Lyle Bayless**

Yes, they should. Girls want equal rights so they should receive equal punishment as well.

**Gina Cavanah**

Yes, they should be able to choose whether they want detention or licks.

**Tim Scott**

I think that they should get the same treatment as the guys.

**Pam Perry**

I think the girls should get the same choices as the guys.

**Connie Rodriguez**

I think the girls should have a choice between the two. If they do choose to have them, I'm sure they can handle them.

**John Shelley**

Yes, I think the girls should get licks just like the guys.

**Marion Colby**

Yes, they should have an option between the two. With having detention, your parents find out.

**Mike Koehling**

I think the girls should have the choice between getting licks and detention.

**Cathy Smith**

Yes, I think they should because they should get the same punishments that the guys get.

**Dale Ritter**

The girls should have the same choice as the guys as well as have their parents called.

**Cindy Shaw**

Girls shouldn't get more privileges than guys. Things in the office should be equal. Girls should have a choice.

**Mike Kaatz**

Yes, I think they should get licks and have their parents called, because they want to be just like the guys.

**Tammy  
Bell**

Yes, I think that the girls should have the same choice as the guys. The girl's parents should not be called.

**Phil  
Tuxhorn**

If girls do something to deserve licks, I think they should get them.

**Kara  
Martin**

Girls should have the choice. They get in trouble for the same things.

**James  
Archer**

I think the girls should have the same choice as the guys. They are always complaining about being equal.

**Brooke  
Graham**

I don't think they should have any kind of a choice. Girls aren't as tough as boys.

**Larry  
Zimmerman**

I think that it is only fair that the girls have the same choice as the guys.

**Laura  
Glazier**

Everybody should get detention—not licks.

**Mike  
Beckelman**

Since the girls want to be equal, they should get licks too.

**Karen  
Caughlin**

It's not fair for girls' parents to be notified if guys' parents aren't. Girls and guys should be treated equally.

**Simon  
Sanchez**

I think the girls should get licks like the guys. Since they want equal rights, they ought to get equal punishment too.

**Suzi  
Sproule**

Girls should have the same choice as guys. However, I don't think it's fair for girls' parents to be called.

**Chris  
O'Hagen**

Yes, I think the girls should get the same treatment as guys.

**Tommy  
Stone**

Girls should get the choice of licks and have their parents called because they get away with more.

**Mike  
Dean**

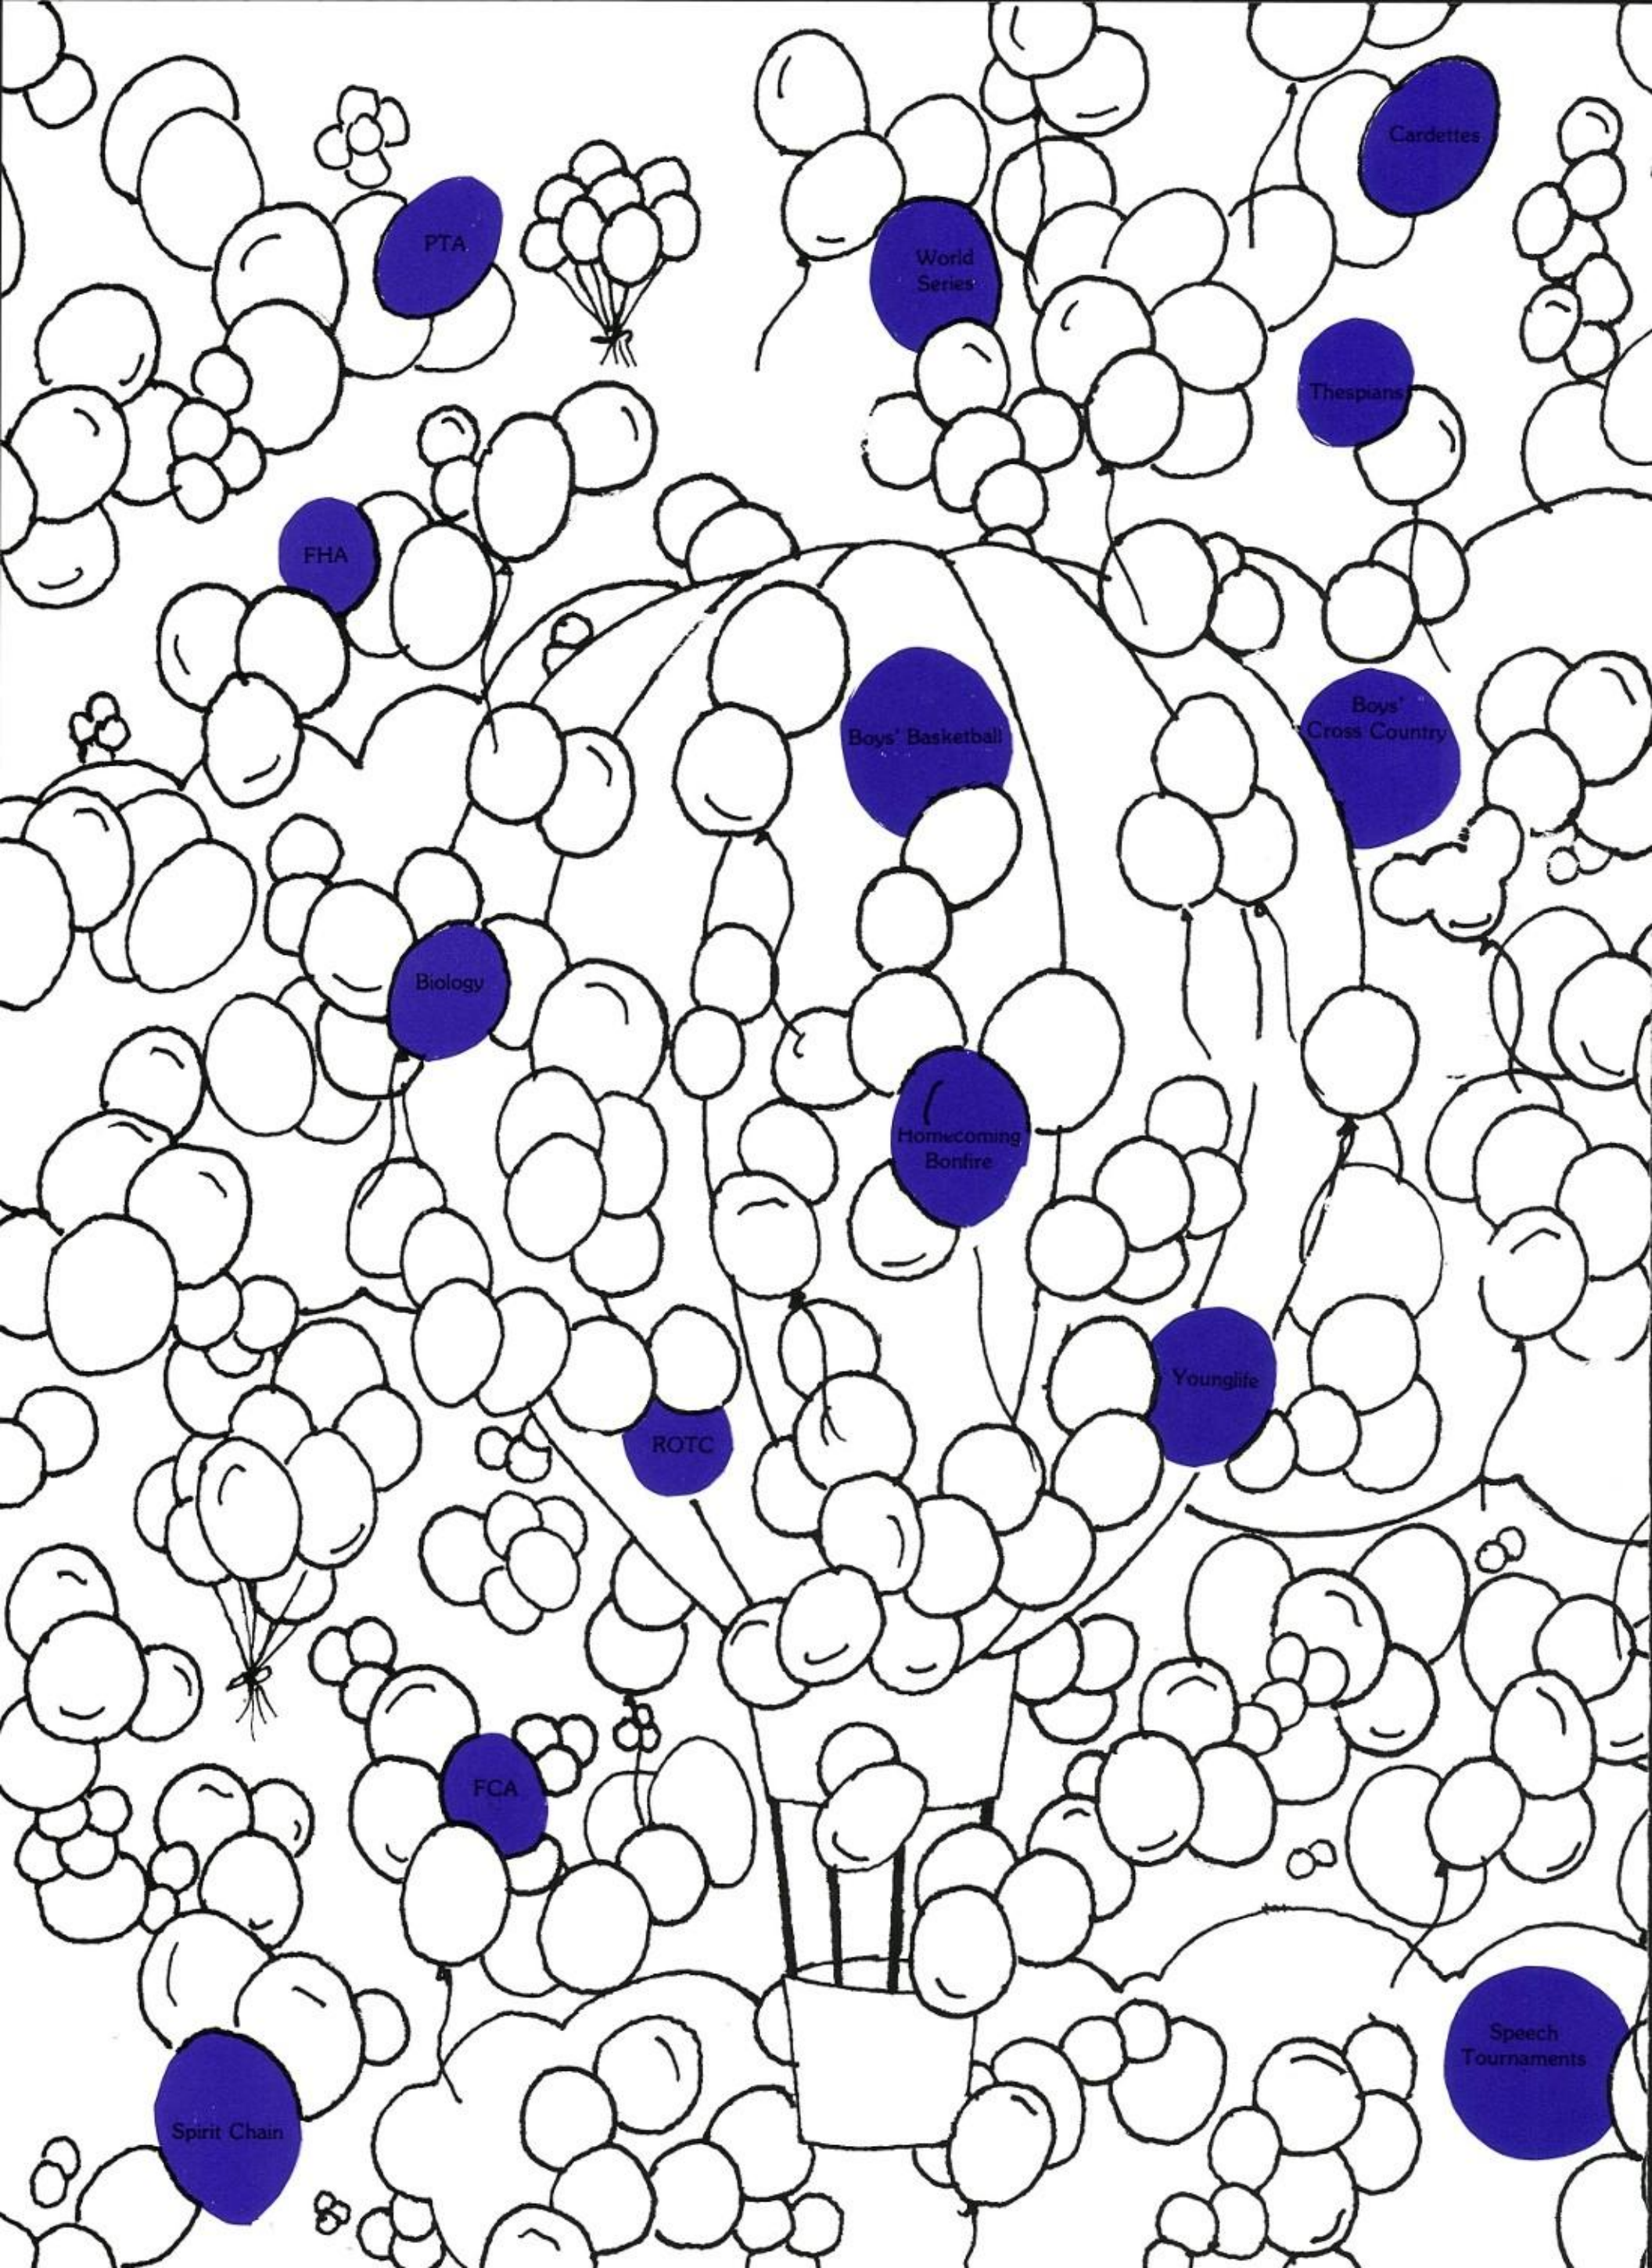

Yes, I think the girls should get the same choice as the guys. They want to be equal so why not get licks too.

**Jeff  
King**

Since girls want equal rights, they should get licks like the guys.

## Group Attends Annual Retreat

Younglife members traveled to the Jan-Key Ranch near Paris, Texas, for a weekend retreat of October 16. About 50 students attended.

In order for the students to attend the MacArthur/Irving Football Game and dance, the group departed from the school at 11:30 pm. Traveling into the night and the following morning, they arrived at the ranch about 2:45 am.

Saturday was filled with several team activities. A large field was provided for football and baseball, while canoes were available. A surprising attraction at the site was several buffalo which were on the property. The day was concluded with an evening of square dancing.

The purpose of the retreat was to provide the Younglife members with a time of relaxation and fellowship. As an added feature, Mark Goodson, a Younglife employee from Houston, spoke to the students about the trials and pressures that often face high school students in today's society.

## Mac PTA Takes Irving City Prize

In an effort to further the Parent-Teacher Association membership, the 1981-1982 drive commenced on September 14. The project involved students encouraging their parents to participate by joining. The first homeroom to reach 100% membership won a McDonald's lunch while all students were eligible for random drawings for prizes.

Martha Tate and Ray Austin's homerooms tied for first in the 100% contest. Both classes received lunch from McDonald's on Tuesday, October 13. Along with these two classes, 43 additional rooms reached the perfect mark for a total membership of 1565. As a reward for their commendable achievement, each were given Coke parties during second period on October 15.

Prizes, donated by Irving merchants, were given to 45 students as a result of random drawings. Among them were two Dallas Cowboy Football Game tickets, a hair dryer, an ID bracelet, and a Dallas Cowboy pillow. The students were informed of their winnings during the morning announcements on October 13. Winners included Jeff S. King, Derek Blake, James Goodwin, Steve Carpenter, David Abadie, Armondo Gonzales, Tanesha Baker, Kelly Huitt, Tammy Blair, and Marco Molina.

**Far Left:** Ronnie Jones listens while Jamie Frederick reads the history of the Thespian Society as a part of her initiation into the organization. **Left:** Captains Chris Alumbaugh and Laura Dowlearn lead the Flag Corps in singing the Alma Mater. **Below:** Jack Milner contends for the title of Reserve Youth Champion in Escalon, California. **Below Left:** During FHA/HERO Induction, Laura Patterson reads her script while Sabrina Shepherd, Delena Waldrum, and Lisa Tadesky prepare for their participation. **Below Right:** While practicing for competition, Junior Jack Milner puts his horse through the cutting paces.

## Interests Promote Triumph

The honor of Reserve Youth Champion in 1980 was awarded to Jack Milner.

When the Junior became old enough, he began riding horses regularly. However, he did not become fully active until age 13. His interest was a result of his parents being heavily involved in rodeo.

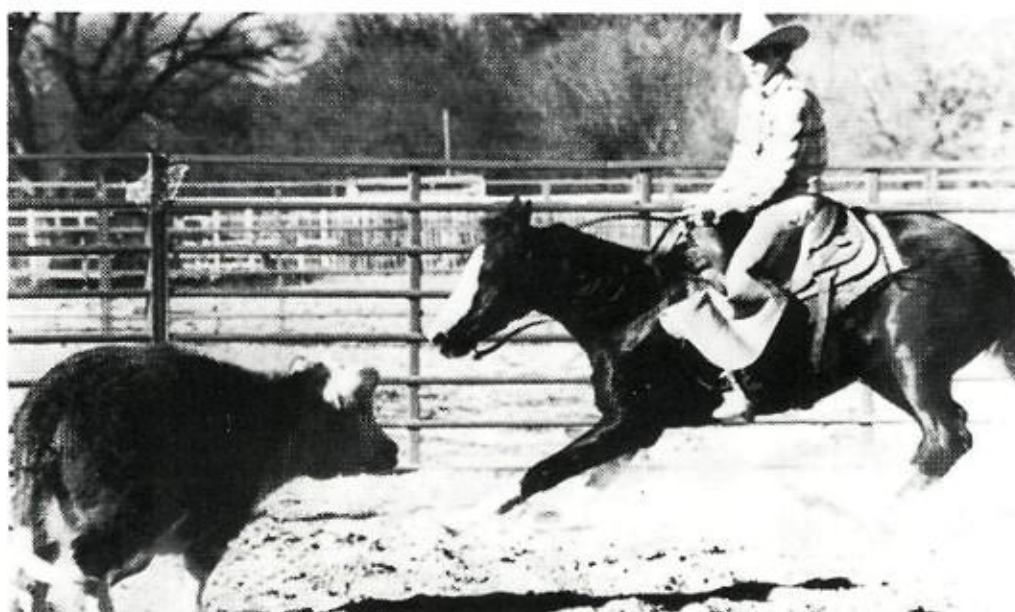

The entire Milner family has been successful in their rodeo efforts. Winning \$116,852 (during 1980), his parents became

members of the National Cutting Horse Association's Non-Pro Hall of Fame while Milner and his older brother have been in the National Top Ten Youth rankings several times.

Milner explained, "I'm expected to win, but when I lose, the attitude is just that I'll try harder next time."

Among the many honors that Milner has received include a buckle, a saddle, and a

horse blanket for being the Reserve Champion in 1980. Displaying his horse, Golden Wonder, he was also awarded another saddle for his placement. Milner was featured in the August 1981 Youth Issue of *Continental Horseman* for his achievements. He did not ride in the 1981 season, but prepared the horses in warm-up and took care of them after their performances.

## Tour of Europe Taken by Group

Presenting a slide show at the October PTA meeting, Cheryl Rogers, Hazel Quintans, Mike Adams, David Joyner, Lauren Orsini, Yvonne DuBois, and Donna Weber informed students and parents of the activities involved in the 1981 People to People tour of Europe.

Junior and senior students participated in the summer program, which was designed to introduce American students to the people of other lands. The trip included visits to the countries of Ireland, England, Holland, France, Austria, Hungary, and Russia. Tracy Youngblood, psychology teacher, and Patsy Parrish, head of the homemaking department, were sponsors of the journey.

"MacArthur was the only Irving high school to participate. Juniors and Seniors who had received eligibility letters and who wished to could join in the program," explained Youngblood.

These students had to pass certain requirements in order to be a part of the group to selected to represent America abroad. First a payment of \$3000 for the trip of 28 to 32 days was made. Afterwards, each applicant acquired four letters of recommendation from people within or outside the school. Finally, the students went before a board of examiners, which included Principal Paul Burke, where they were interviewed on their knowledge of current events and foreign affairs. Those students who passed the prerequisites were then briefed on the details of the European tour in Washington, D.C., just prior to departing for Europe for their extended visit.

**Left:** Members of the MacArthur PTA view a People to People presentation given by Sponsor Patsy Parrish about the group's trip to Europe during the summer months. **Below:** Seniors Lauren Orsini, David Joyner, Donna Weber, Mike Adams, Cheryl Rogers, Yvonne DuBois, and Pam Perry wait for their part in the People to People PTA presentation. **Below Center:** Sophomore long distance runner John Eilers displays his running form. **Below Left:** Cross Country Coach Mike Fields talks to Sophomore strider John Eilers during an afternoon practice.

## Cards Win Second in Meet

Placing second for the season in the District 9-A AAAA Meet, the Boys' Cross Country Team placed as high as in their last five seasons. According to Coach Mike Fields, the team could have ended the year with a first place trophy withstanding the constant barrage of injuries. District standout Karl Louther was the primary loss as he suffered a severe leg injury.

Seniors Thomas Chism, Chad Elms, and Sophomore Karl Bremer were the driving force in the team's runner-up position. Finishing third in the South Oak Cliff meet in September, Chism also earned fourth in the Richardson Meet and sixth in the Mesquite contest. Elms and Bremer both did well in the Mesquite meet—placing nineteenth and twenty-sixth, respectively.

Cross Country is a 5000 meter (3.1 miles) straight run, through dirt or on paved surfaces. The event is unlike most other track and field sports—it relies on the endurance and stamina of each individual contestant. While relays call on the individual's utmost abilities for a short distance, the cross country runner must set a good pace for miles.

The team consisted of several members who competed against themselves as well as the other schools. "It's an individual sport," declared Fields, "no one can hide behind anyone else. It's only you out there." During sixth period the striders practiced their running on the streets of north Irving and in the vacant lots adjacent to the school, but rarely on the campus itself.

# Fisher Coaches Soccer Team

Jack Fisher, a MacArthur vice principal, volunteered himself to be an assistant coach of a boys' soccer team this past year.

"I like to see the boys succeed. I wanted them to have confidence in themselves," explained the Vice Principal concerning his decision.

The team, called the Celtics, included Fisher's son, Marc, and was in the eight and under league of the Irving Soccer

Association. Prior to Fisher's coaching efforts, the Celtics had won only one game in its last two seasons. "One problem," he commented, "was that the team had had two coaches in its last two seasons and this didn't help the boys."

"The first coach was good with the boys, but he did not know much about soccer. The second head coach of the Celtics knew more about the sport, but didn't work well

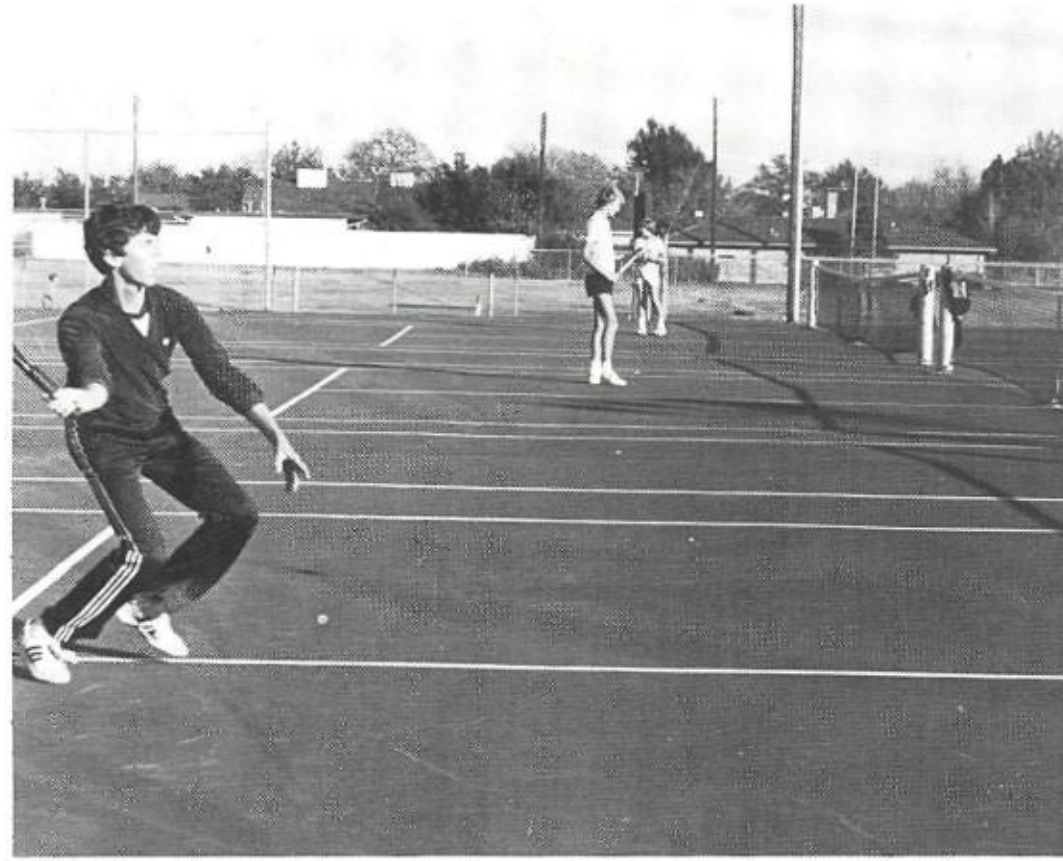

with boys that young. So, I decided to try and do something about it. First, we organized the practices and then we set up the rosters for the games and the team did better this year."

Though Fisher's only previous experience with soccer came while attending high school physical education class, he felt the need to help his son's team as much as he could.

**Above Left:** Staff members Denise Allen, Steve Cooper, Melanie Perkins, Jack Milner, Tammy Bell, Shelley Clutts, Jeff Williams, Ronnie Nedrow, Monique Pippin, Angie Flannery, and Fides Quintans prepare for Crest assembly. **Above Right:** Vice Principal Jack Fisher motions to a young member of the Celtics Soccer Team. **Above:** Joan Youngblood and Patricia Deskin register students for the Vocational Clubs' Leadership Conference. **Right:** Crest Editor-in-Chief Tony Rodriguez performs as Master of Ceremonies at the yearbook telethon assembly.

## Spikers Complete Fall Season

Completing their season, the Varsity Volleyball Team placed third in overall district play and had six of its members named to the All District Team.

After being tied for first place during the first half of the season, the team slumped to third following losses to L.D. Bell, Trinity, and Nimitz. Victories over Grand Prairie and Irving secured their third place standing.

Varsity netter Lisa Bryson commented on their season by saying, "We had the opportunity to win the district championship, but we just had a rough time concentrating in the second half of the season where we lost some important games."

Although the team failed to win the district title, they did, however, obtain a number of individual awards. Seniors Lisa Bryson and Keyla Freeman were both named to the First All District Team. Also

receiving distinction, Tammy Stevens was nominated as a Second Team All District member while Debbie Gill and Renee Troy were awarded with Honorable Mention status.

Coach Fields reviewed the team by asserting, "This year we had a good group of senior girls who worked hard and set a good example for the underclassmen."

Freeman was named the Defensive Player of the Year in 9-A AAAA volleyball. The final honor was given the Head Coach Marsha Fields, as she was voted Coach of the Year.

Reflecting on her awards, Freeman stated, "I was surprised and honored when I found out about being named the Defensive Player of the Year in our district. I had no idea that I would get the honor. As far as Coach Fields getting Coach of the Year, I feel there's no question she deserved it more than anyone else."

**Above Left:** Debbie Gill attempts to set up a return for teammate Keyla Freeman during a varsity volleyball contest against the Irving Tigers. **Above Right:** Sponsor Pam Hamberger gives instructions to members of the 1980-1981 Cardettes before an afternoon practice session. **Above Center:** In order to complete the picture perfect volley, Senior Tennis Captain Don Tittle concentrates on the approaching return. **Above:** Renee Troy spikes the ball over Irving defenders during a district game to give the Cardinals control of possession during competition.

# ROTC Recruits Visit Campuses

Traveling to the campuses of Texas A & M and Trinity University in November, ROTC members took part in military competitions and activities.

On October 31, a 67 member corps participated in the Aggie for a Day festivities. The event brought Army, Navy, and Air Force ROTC groups from around the state. Upon arrival, the various groups gathered in the auditorium at College Station. Lectures were given by A & M Cadet Corps members about the responsibilities necessary to be a successful corps cadet. After the discussions were completed, a tour of the university was given to familiarize each student with the campus procedures.

On the following weekend, the Rifle Team, Color Guard, Drill Team, Orienteering Team, and First Aid Team participated in the Trinity Skills Meet held on the campus of Trinity University in San Antonio. Each of the five divisions received a score, and a final team tabulation was calculated from these various divisions. When the tallies of all the schools participating were totalled, the Cardinals finished thirteenth out of 33.

## Netters Prevail In Fall Matches

Concluding their fall season during the second six weeks, the Tennis Team finished with a 12-7 record.

After a slow start, the netters regrouped to take decisive district wins over Trinity, South Grand Prairie, and Irving. Steady singles play by Team Captain Don Tittle and boys doubles tandems of Ronnie Nedrow and Matt Peden, David Joyner and Robby Chambers, and Craig McDougal and Robert Abston proved to be sufficient power to secure the victories.

Reflecting on the autumn season, Head Coach Sam Morton stated, "We take the fall season to view the competition and to find out what weaknesses we need to work on in order to win in the spring. Regardless, we should be a definite factor once district starts in March."

Hopes of recapturing the state title rested in the hands of last year's girls singles state champion, Kay Tittle, along with the addition of a new girls doubles combination of Laura Marchant and Jeannie Buzard. The male counter-punch rested on the performance of last year's regional qualifier, Tittle, and the depth of the boys doubles teams.

**Top:** Standing at attention in front of ROTC Company A. ## SMU Star Talks At FCA Meeting

Participants in the Fellowship of Christian Athletes were given a chance to acquire a knowledge of God through varying activities and meetings throughout the early portion of the year.

Besides their weekly meetings, held each Monday night by Sponsors Roy Kinnan and Suzy Oilschlegel, members also took part in a breakfast, a rally in which SMU Quarterback Lance McIlhenny was guest speaker, and a bowling party. Girls' Treasurer Holly Capps contended, "The rally was a good experience. We met with the junior high members, shared ideas with one another, and gave them a sampling of FCA in high schools."

The group also elected officers during the first part of the year. Meetings were separate so that questions and problems could be talked about more freely. The boys' officers were President John Davis, Vice President Jeff King, Secretary Barry Bates, and Treasurer Sam Mise. Officers for the girls included President Melinda Webb, Vice President Karen Caughlin, Secretary Barbara Bohm, and Treasurer Holly Capps.

Davis added, "We have a very well planned year with the best of officers and members cooperating with each other as a team to carry out our schedule of activities."

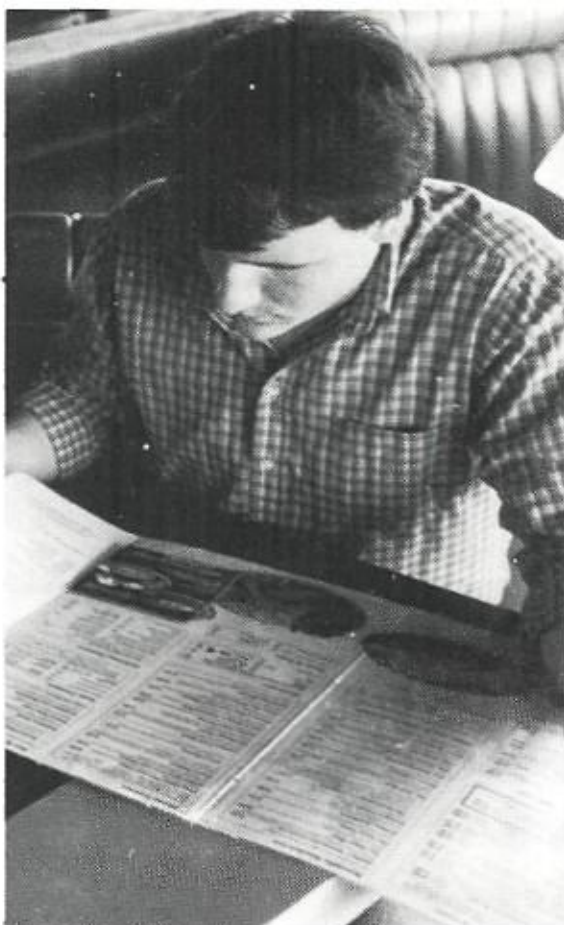

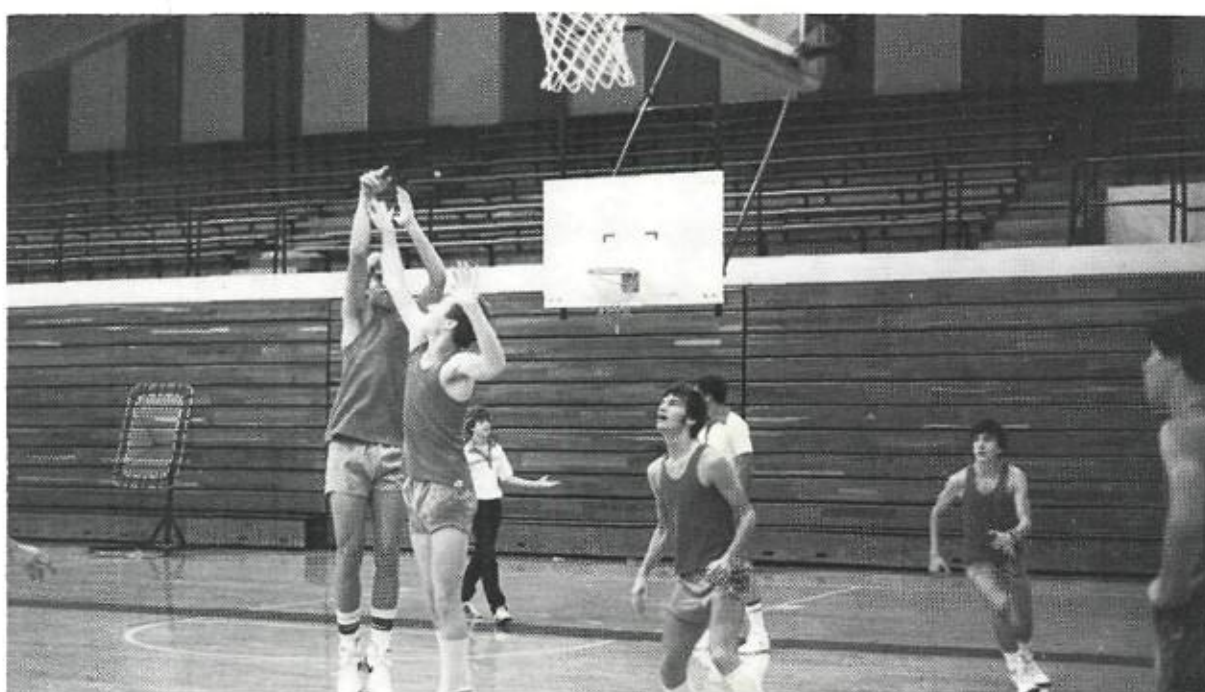

## Actors Journey To State Finals

Qualifying eight members for state competition, the Drama and Speech Team came away from the Irving Tournament, one of the most successful of their season, with a second place plaque out of 25 schools.

In Dramatic Interpretation, the group captured the top four places. Tiffany Riley collared first and Paul Watts seized second, while Jamie Fredrick captured third and Chris Welch settled for fourth. All four qualified for state.

Humorous Interpretation was also dominated by the team who took three of the four state qualifying spots. Riley earned top honors while Angie Hardman took second and Kenny Rudolph netted fourth.

Watts teamed with Hardman in Duet Acting to produce a first place performance, and the tandem of Welch and Riley resulted in an act which earned them second. In Oratory, Billy Sinclair, second place, and Greg Smith, fourth place, earned the right to go to state competition. Debaters Connie Rodriguez and Mike Malone received fourth place honors in their event.

**Above Left:** SMU Quarterback Lance McIlhenny speaks to fellow athletes at the FCA Rally. **Above Right:** Joey Selby, Audrey Privit, and Rick Pedrick wait for Drum Major Don Cragin to give them their next command. **Above Center:** Varsity basketball player Steve Coffman attempts to block Barry Geer's shot as Rick Witkovsky and Bart Askew anticipate the rebound. **Left:** At the FCA Breakfast, Barry Bates glances over his menu before ordering his meal. **Above:** Actors Jeff Gardner and Kenny Rudolph polish their performance of their award winning acting duet.

## Spikers Close Regional Play

Junior Varsity and Freshman Volleyball Teams concluded district play with records of 5-6 and 4-6, respectively.

Despite losing records, both teams' seasons were highlighted with several key wins. After dropping their first game, the JV rebounded with four straight victories over Grand Prairie, Irving, South Grand Prairie, and Duncanville. Then, rebounding from a loss to Trinity, they came back to beat both Nimitz and L.D. Bell.

"Although the records don't show it," related Coach Marsha Fields, "we had decent teams. All we lacked was some experience which will come with time and hard work. I expect the girls to do better next year when they move up to the varsity

ranks."

The freshman spikers' first win came when playing Irving by scores of 15-7 and 15-4. Nimitz, the next victim of the Freshmen, provided a relatively easy win as they cruised by with 15-7 and 15-5. The final wins of the season also came against crosstown rivals Irving and Nimitz. The scores against Irving were 15-7 and 15-10 and Nimitz, 15-3, 15-12.

"The Freshmen should fare better when they play on JV next year since they will have gained some valuable game time and learned what it takes to win the important games. Right now, we'll begin building toward what we hope will be a more successful season," Fields concluded.

**Above Left:** Kim Harper, Nancy Urban, and Cindy Crawford sharpen their skills before their JV Volleyball Game against Irving. **Above Right:** JV Cheerleaders Leslie Heldman, Valerie Carnell, Michelle Meagher, Stacy McVicker, Elizabeth Myers, Cynthia Joyner, Leslie Crawford, and Carie Jurca form a pyramid. **Left:** Freshman volleyball player Laird Barnes stakes a pass as Angie Mobley sets up for the return. **Above:** Baseball players Jeff Williams, Alan Ware, Mike Smith, and Eddie Delagarza express their jubilation while watching the World Series.

## Halls Promote City Theme

As chosen by the Student Council, "Mac in the Big Cities" served as the theme for all Homecoming activities—including door and hall decorations.

Door decorations were judged on October 23 with first place being shared by Biology teachers Jan Hair with "Mac in Transylvania," and Lonna Withers' "Mac at Graumann's. Judges of the doors were Ann Cole, Sandra Bozman, and Dave Teel, all of whom were representatives of the Booster Club. When asked about judging the contest, Cole stated, "It was a very exciting part of Homecoming and choosing the winners was a very difficult decision." The winners were announced during the halftime of the Homecoming Football Game

that night.

Seniors took first place in the Hall Decoration Contest held on October 23, with their theme being "Mac in London." The Juniors' theme was "Mac in Las Vegas," Sophomores has "Mac in New York," and Freshman added "Mac in Dallas." The hall laurels were judged by the officials of the door decorations.

Seniors also acquired first place in the Spirit Chain Competition with a total of \$119. Juniors came in second place with \$77 and the Sophomores and Freshmen with \$60 and \$58, respectively. The contest was held from October 19 through October 23, and winners were also announced during halftime activities.

**Below:** Junior Princess Michelle Manautou waves at the crowd during the Homecoming Parade. **Below Right:** Junior Class officers, President Kenny Rudolph, Treasurer Julie Chandler, and Vice President Craig McDougal participate in the Homecoming Parade. **Below Center:** With the theme of "Mac in Transylvania," biology teacher Jan Hair's class tied for first place in the Door Decoration Contest. **Bottom Right:** Tying for first with Jan Hair's class, science teacher Lonna Withers' "Mac at Graumann's" also took first place honors in the Door Decoration Contest. **Bottom Left:** Jake Billingsley, Booster Club president, gives a pep talk at the Homecoming Bonfire while Cheerleaders Karen White and Jamie Billingsley listen.

## Festivities Fill Homecoming

Students were forced to dress heavily on the eve of October 22, when the Homecoming Bonfire was lit.

Torch bearers for the bonfire were the captains of the football team—John DiPasquale, Mike Cole, Robert Obennoskey, and John Sullivan.

Student Council members participated in a mini-parade during all three lunches on October 23. Participants included DiPasquale, Cole, Jack Hands, Marco Molina, Obennoskey, Lauren Orsini, Patty Moeller, Jennifer Sheets, Linda Moore, and Jeff Williams.

October 24 was the date for the Homecoming Dance, held from 10:30 pm

until 12:30 am. Scott Bain and his partner Teresa Trent were the dance contest winners and were awarded a record for their efforts.

The Homecoming Parade was held on Friday, October 23, in which clubs and other groups gathered together after school to fare down the streets of Irving. The parade was led by the ROTC Color Guard, Big Mac and the Big Mac Keepers, the Marching Band, and the Cardettes.

Among other groups and clubs that took part in the event were Student Council, National Honor Society, Cardette officers, Band officers, and both Varsity and Junior Varsity Cheerleaders.

## Queen, Court Begin '81 Reign

Traditionally, the coronation of the Homecoming Queen and her court is the highlight of the festive, activity-filled week. Homecoming 1981 was no exception as the week was culminated when Ginger Morris was announced as the winner during halftime ceremonies of the South Grand Prairie contest.

"It was a real shock!" exclaimed Morris. "It was also one of the best things to ever happen to me."

Queen candidates were Seniors Lisa Bryson, Shelley Burkes, Lauren Orsini, and Morris. Escorts were Senior Class President David Page, National Honor Society President Shawn Wild, ROTC

Lieutenant Colonel Marco Molina, and Crest Editor-in-Chief Tony Rodriguez. Morris was announced the winner and crowned by Principal Paul Burke.

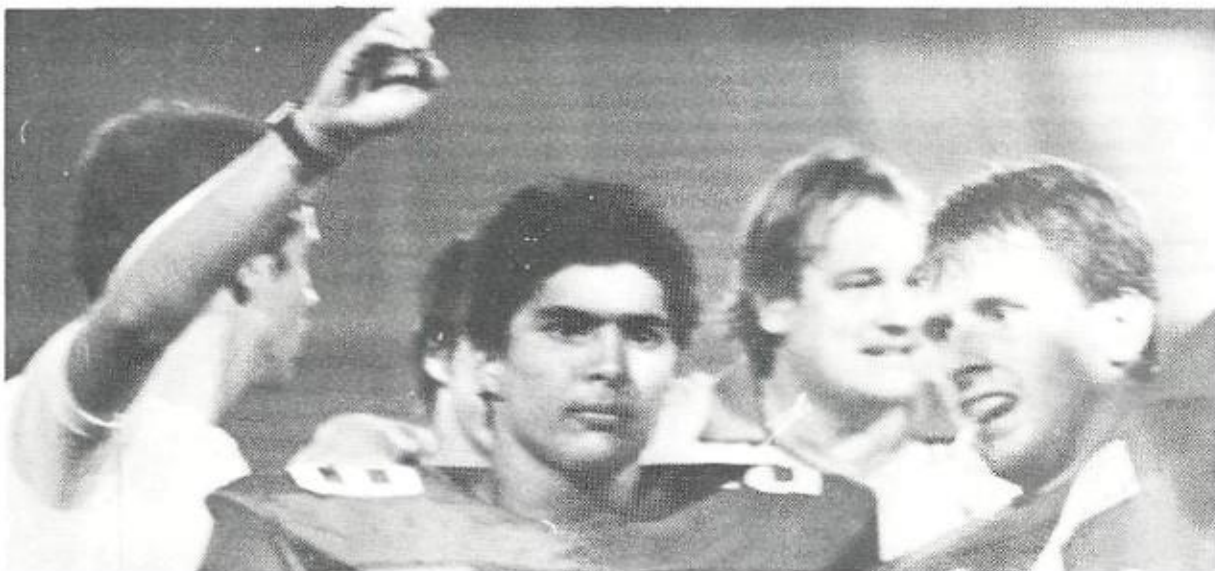

The Queen's Court consisted of Junior Princess Michelle Manautou, Sophomore Princess Ashley Fredrick, and Freshman Princess Jennifer Morris. Class Presidents Kenny Rudolph, Jesse Orsini, and Mike Marsh acted as escorts.

Senior girls were nominated and elected for the traditional role of Homecoming Queen by all classes, with the majority of votes denoting the victor. The Princesses were elected by their respective classes in prior balloting.

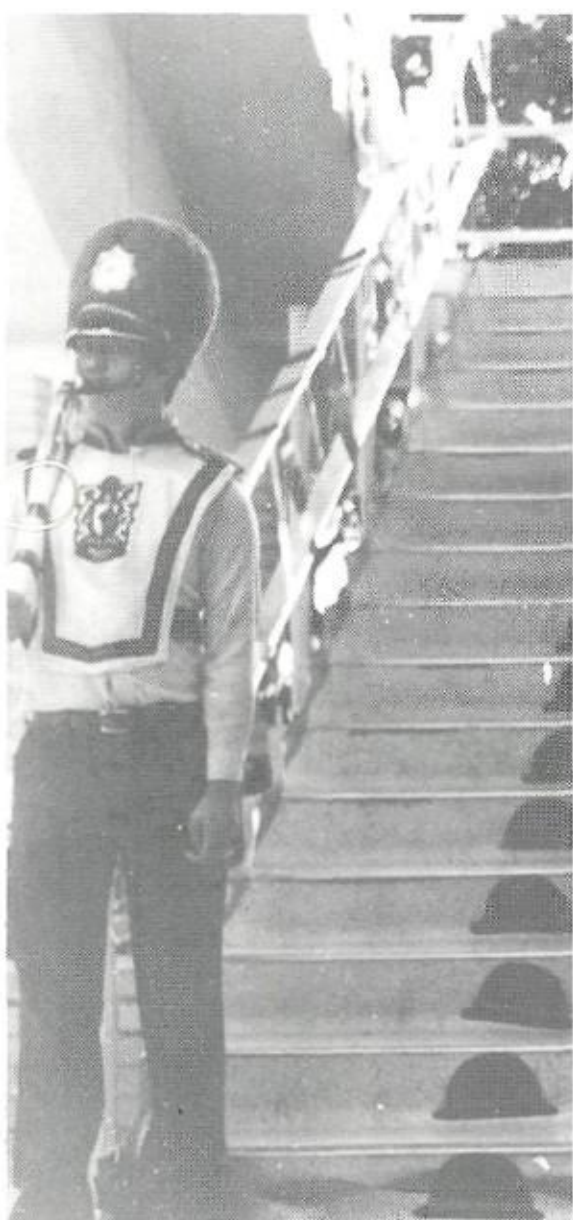

**Above Left:** Junior President Kenny Rudolph, Junior Princess Michelle Manautou, Sophomore President Jesse Orsini, Senior Princess Lauren Orsini, and Senior ROTC Lieutenant Colonel Marco Molina view the crowning of the 1981 Homecoming Queen from the sidelines. **Above Right:** Senior Class President David Page escorts Queen candidate Lisa Bryson onto the field. **Above:** Ginger Morris beams in jubilation after being crowned MacArthur's 1981 Homecoming Queen. **Left:** While performing during the halftime at the Irving game, the MacArthur Flag Corps and Marching Band show their spirit and pride by passing in front of the visiting crowd.

## Grididders Face Irving, SGP

Insuring their position in the District 9-AAAAA race, the Varsity Football Squad defeated the Irving Tigers and the South Grand Prairie Warriors.

Mac shut out Irving for the first time in the history of the series on Friday, October 16, with a score of 20-0. The first points were made by Mike Cole, who ran 56 yards on the second Cardinal possession.

Brad Walters captured the game's second touchdown. The conversion raised the score to 14-0. A final touchdown by Logan made the score, 20-0.

South Grand Prairie fell to MacArthur on

October 23 in the Homecoming game. Cole scored the first touchdown of the game. After the ensuing kickoff, Warrior running back Mark Tipps fumbled. Logan capitalized to give Mac its second touchdown as he rushed for ten yards to make the lead 21-0. Robert Obenoskey quickly raised the score to 28-0. South finally scored in the third period, but the try for two was intercepted. The game claimed a total of 11 fumbles, five pass interceptions, and 256 yards worth of penalties split between the two teams, with a final score of 35-12.

## Support Shown On KEGL Radio

Traveling to the KEGL-97 Radio Station on October 13, the Varsity Cheerleaders attempted to provide the football team with some enthusiasm prior to their contest with crosstown rival, Irving High.

Karen Deen, Tara Dearing, Shelley Burkes, Tracy Alder, Jamie Billingsley, Hollye Bozman, Stacy Crawford, Dawn Wells, Vicky Pou, and Michelle Manautou attended to counter the efforts of the Irving Tiger Cheerleaders—who were also invited. Each week, The Eagle had cheerleaders from two rivaling schools battle it out on the morning program by supporting their team. Due to the fact that Burkes knew a station employee, Jeff Nicholson, it posed no problem in gaining a spot on the show for the opposing group.

Relating what occurred in the studio, Deen replied, "It was very unorganized and we didn't know when we were going to say a cheer."

The Cards performed "Get Out of My Face, Tigers," "Nothing," and "Go Back to the Woods." The night of the game Disc Jockeys Rose Wright, Billy Hayes, and Nicholson attended to watch the defeat of the Tigers. Manautou commented on the personalities of the D.J.'s by stating, "They were always cracking jokes and being really funny."

## Club Breakfast Benefits Sports

Hosting a Pancake Breakfast on Saturday, October 31, the Booster Club raised \$1500 to support the sports programs of MacArthur.

President of the organization, Jake Billingsley, reported that the funds would go toward a new ball machine to benefit the baseball and tennis teams. Extra money was also budgeted to the Cheerleaders and for the purchase of new weights for the weight room.

A Pancake Eating Contest was held and Junior Tim Clanton took first. Door prizes were also awarded and included sweat bands, flowers, and gift certificates.

The club's Board of Directors included Billingsley, Executive Vice President George Cole, Vice Presidents Virginia Adams and Joe Smith, Secretary Barbara Polk, and Treasurer Kay Grumbine.

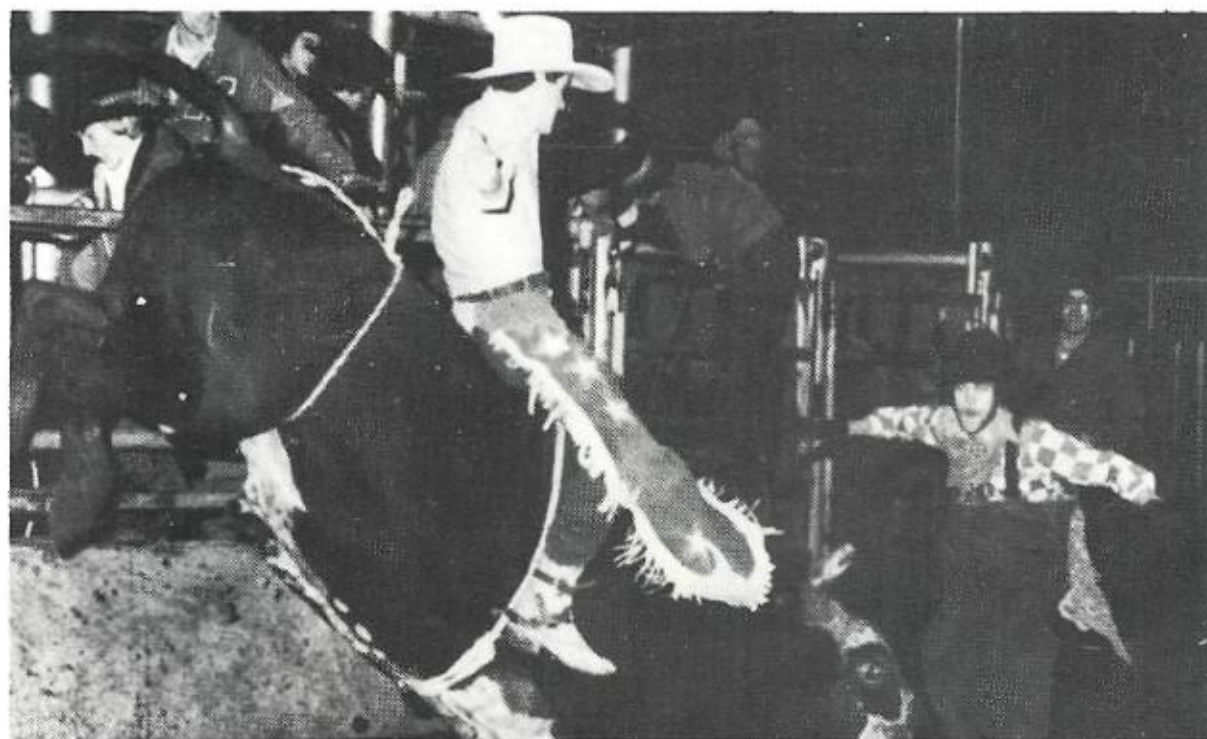

Billingsley remarked, "Booster Club is the adult arm of the spirit of the school system. Our job is to support the sports programs in the best possible way we can."

**Above Left:** KEGL-97 DJ's Billy Hayes and Jeff Nicholson prepare Stacy Crawford, Tara Dearing, Tracy Alder, and Hollye Bozman for their next cheer. **Above Right:** Coach Zach Zachary poses with his wife and new son, Eric Samuel. **Above Center Left:** Scott Boucher participates in the Booster Club Pancake Breakfast Eating Contest while Brian Bosworth offers his support. **Above:** Mike Koehling, Monique Pippin, and Jeff King consume pancakes at the Booster Club Pancake Breakfast. **Left:** Kevin Sturdy, Lance White, and Robby Coleman devour pancakes at the Booster Club Pancake Breakfast.

## Rodeo Team Cited as Third

MacArthur's Rodeo Team competed in the Alta Vista Arena against other schools during the second six weeks—bringing home top positions and titles in divisions which included Peaster and Carroll.

During the Peaster contest held October 30, Kyle Cooper captured sixth in bareback while his teammate, John Baker, took second in chute dogging. Steve Cain, Mike Thompson, and Paul Coats also attended,

but did not place.

Chris Skinner explained, "We are third in the team standings of the North Texas High School Rodeo Association, and are trying for first. There are a lot of Freshmen on the team this year who have the potential to go far and be great as they get older. Our winning tradition will continue."

At Carroll, Baker accompanied Carol Green where they were the only two to

qualify. Baker took sixth in chute dogging and was ranked tenth in the NTHSRA. Green acquired sixth in barrel racing and fourth in girls breakaway roping.

L.D. Bell gave the title of All Around Cowgirl to Green when she shut out her opponents, controlling three events. Green seized first in girls breakaway roping, third in steer undecorating, and third in goat tying.

## Cardinals Fight To Trap Victory

Freshman and Junior Varsity Football Squads battled Irving and South Grand Prairie High Schools during the weeks of October 10 and October 17.

A lack of defense brought the JV to a 17-0 downfall during the Irving game. In the first quarter MacArthur lost possession of the ball after a fake punt failed on fourth down, thus allowing the Tigers to score. Fullback Nicki Pappa recovered an Irving fumble, but the Cards, when unable to gain sufficient yardage, turned the ball over to the Tigers.

Halfback Willie Burke led the Freshman White Team to claim a 29-12 victory over the Tigers. Burke covered 80 yards with 13 carries as he picked up six points for the Cardinals. The Red Team, on the other hand, suffered a loss to Irving. Halfback Mike Marsh gained a total of 108 yards in the game, but the squad was unable to score—leaving the game at 13-0.

South Grand Prairie handed losses to both the JV and Freshman Teams. Pappa made a two yard run into the end zone for the Junior Varsity's single touchdown. The Gophers scored three times to walk away with a 21-7 victory. The Frosh Red Team scored twice with Marsh covering 87 yards and Chris Perry having the most tackles, but Grand Prairie came out on top by a score of 16-13.

## Canadian Band Attracts Group

Sponsored by instructor Martha Tate, French Club members journeyed to El Centro Junior College in downtown Dallas on November 3 to attend a concert by the French Canadian Folk Rock Band, Valois.

The purpose was to discover more about French Canadian culture that was taught in the classroom. Junior Steve Langston commented, "I really enjoyed the trip. It showed us a part of Canadian culture that is never really hear by students." Chris Hardman also remarked, "I have a better understanding of the French Canadian music and culture. It was fun, and I hope that we can go on more French field trips."

"I feel that it was a good experience for the students to view a different kind of music other than just the everyday type of rock and roll," related Tate. "It was also a good diversion from the everyday classroom routine."

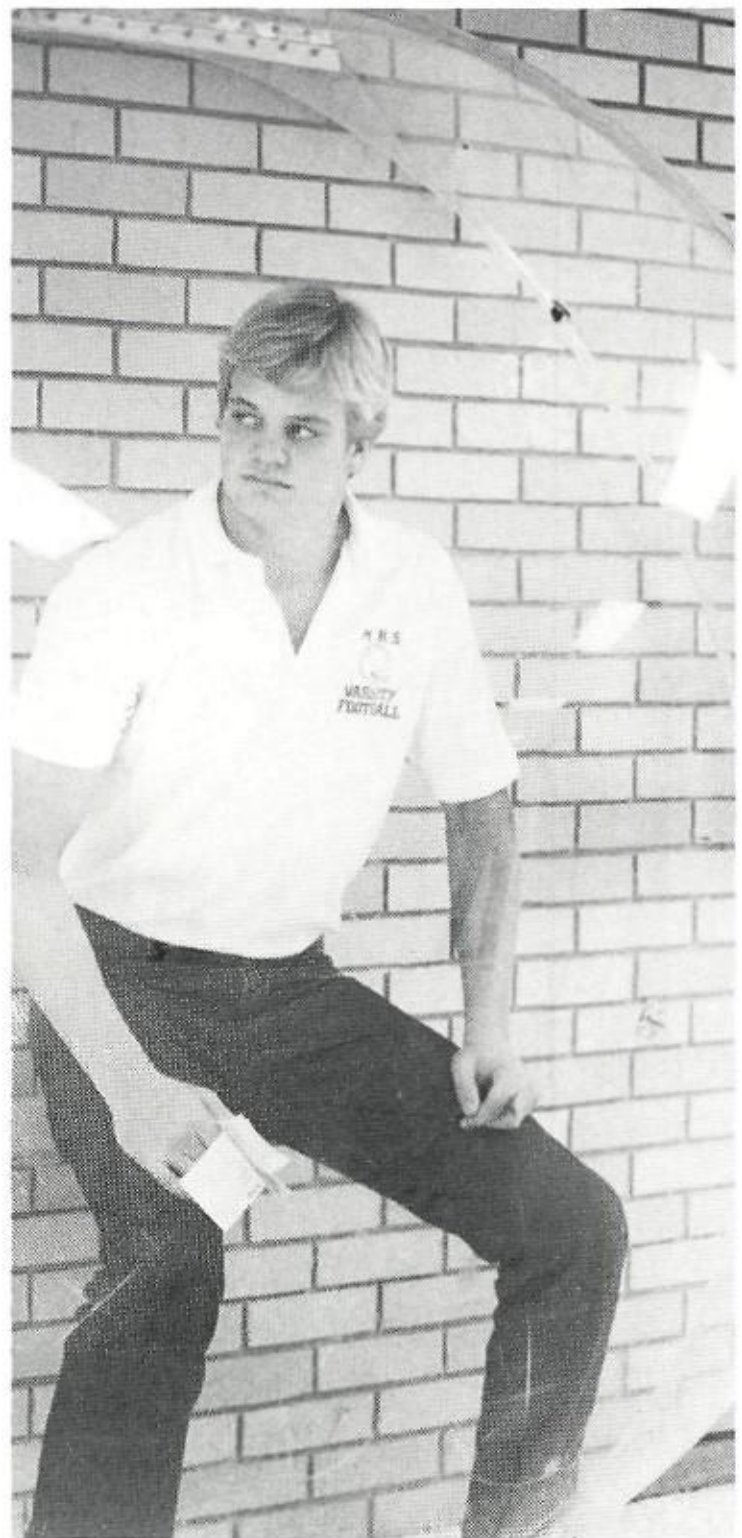

Surprisingly to the pupils, the band played rock tunes as well as their native folk songs. After the performance, the audience was able to gather around the stage and speak to the members of the group.

**Left:** After releasing a pass downfield, JV quarterback Phil Tuxhorn scrambles from opposing players to avoid a tackle. **Below:** Resulting from the lack of participants, Juniors Paige Baird and Pat Merklein postpone the Annual French Club Auto Rally. **Below Left:** MacArthur's Lorenzo Jones, Robert Kinsey, and Graham Carruth push for extra yardage against the Red Raiders' defense. **Bottom:** During a contest between MacArthur and Grand Prairie, Freshman Trevor Ewing executes a diving tackle in order to prevent a Gopher touchdown.

## Rival School Swipes Mascot

Vandalism struck MacArthur as Big Mac was taken from the campus by students of a rival school.

The bird was found missing from its plexiglas bubble. Although there were no clues as to whom the culprit was, school officials assumed that Grand Prairie, the opposition of the week's game, had abducted Big Mac. However, it was later learned that a drum major from Irving High School had taken the bird.

"At first we thought someone in the office had taken it out for some reason or another," related Big Mac Keeper Greg Warren, "but then we found out that they knew nothing about it. That's when we started to worry."

Big Mac has been the school's mascot since the second graduating class of MacArthur. In 1967, the first Senior Class ordered the stuffed bird from Neiman-

Marcus, but it was not completed until the next spring. Because the bird had resided at MacArthur for 13 years, much concern was expressed after it was discovered missing.

"The bird was in pretty bad shape when we got it back," Warren asserted. "Luckily, the damage wasn't bad enough so that we couldn't fix it up."

The mascot was returned to the MacArthur campus the following day, but was damaged in many places. It was repaired by Juniors Susan Ehlers and Eileen McCormick. Friday night, the bird was able to take its usual place at the game.

"It was quite a shock to think that someone would have the nerve to steal it in the first place," commented Big Mac Keeper Steve Sisney. "We were lucky to get him back."

To discourage future birdnapping, Big Mac now resides in the principal's office.

## Putters Close Non-District

Expressing his views on the first half of the season, Coach Mike Marshall remarked, "We did real good, but we just didn't have the experience to compete seriously. Right now we have a young team, with only two Seniors and the rest being Freshmen and Sophomores. In a couple of years will be in a position to take district. We have two good prospects, Ellis and Spencer, who both score in the mid-eighties."

Coach Marshall further commented on the upcoming district, stating, "We don't have any more tournaments until March, and we'll be looking forward to a competitive season."

Beginning the second half of non-district play, the Boys' Varsity Golf Team opened a two day tournament at West Fort Worth.

Placing fifteenth in a 26 team field, MacArthur carried five golfers to the tourney: Rusty Woods, Bobby Bautista, Jeff Rayburn, Rob Spencer, and Brad Ellis. After the first day at Zebo's Municipal Golf Course, the second round was held at Pecan Valley. Woods was low scorer for the Cardinals with 92 and 81.

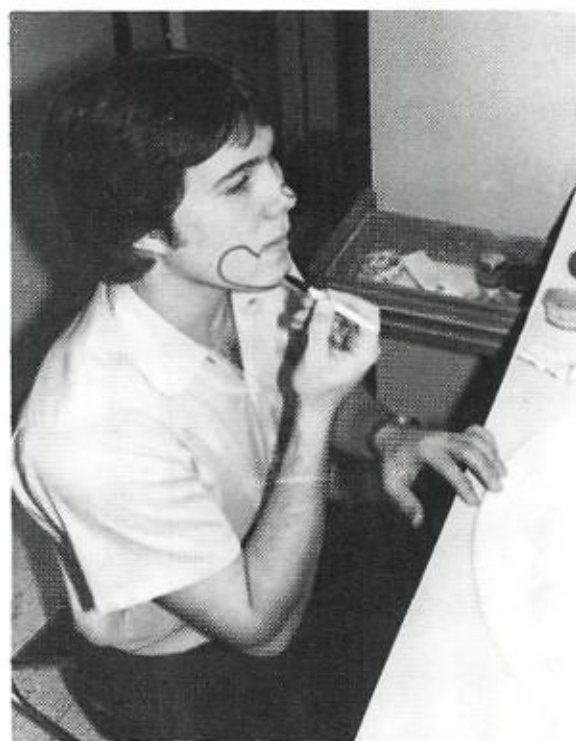

Highland Park hosted the Fall Invitational at Sherrel Park. Woods again led the Mac squad by posting scores of 81 and 86, as the Cards netted twelfth place out of 25 teams.

**Left:** Demonstrating the art of producing an atmosphere of horror at the Annual Haunted House, Drama Club members Paul Watts and Cheryl Montague grimace with malice at the passers-by who paid their money to be frightened. **Below:** Disguising himself as Rollo the Clown, Senior Carl Maxwell applies his make-up at the Skatin' Place prior to entertaining a group of children at a Saturday birthday party. **Below Left:** During the Drama Club Haunted House, vampire Kenny Clark goes for blood as Ginger Morris facilitates his sanguinary needs. **Below Right:** National Honor Society members Becky Barret, Tiffany Riley, Kara Martin, Debbie Klein, and Annette Gonzales exhibit their costumes during the Halloween party.

## Student Skater Poses as Clown

Spending his weekends at the Skatin' Place, Senior Carl Maxwell earned extra money by posing as Rollo the Clown. He was the main feature at children's birthday parties, providing entertainment for little boys and girls.

In preparation for a birthday party, Maxwell arrived early to set the party room and apply his clown make-up. After the group had arrived, they would enter the room where he would light the candles, sing "Happy Birthday," and present free skating passes as gifts to the children—courtesy of the Skatin' Place.

Beginning his clown masquerade at age 14, Maxwell had worked on Saturdays for free passes, because the management was unable to pay an underage employee. Later, he was promoted to program director where he performed a number of jobs—consisting of watching the floor, selling tickets, and repairing skates.

Commenting on his occupation, Maxwell remarked, "Whenever I'm Rollo, it gives me time to release pressure and relax because I'm with little kids. I also get away with a lot of things most people couldn't do at a regular nine to five job."

## Drama Hosts Spook House

Sponsored by the Golden Triangle Entertainment Center, the Drama Club presented the third Annual Haunted House during the latter part of October. It was such a success that the officers were forced to turn away a large number of customers because they were not prepared to move such an enormous crowd through the spook house.

Requiring an entry fee of \$1.50, the group earned over \$800. The money raised was

used to replace and repair old props and backdrops for future drama productions.

Before proceeding with club business, the members ate breakfast at the Holiday Inn the week after the Haunted House. The Dutch treat morning repast convened at 6:30 am with the announcement of Robert Hattox as the October Member of the Month. Commenting on the award, Hattox stated, "I was more than just surprised—I was shocked!"

Ending activities for November, the club held their picnic at Senter Park. Each of the 35 people attending the festivities brought their favorite food. A variety of sports—from touch football to volleyball—were played. Sponsor Charlotte English commented on the month's events by stating, "November has been, perhaps, our most enjoyable this year. Not only was it successful in the competitive area, but we shared some fun times."

**Right:** Mick Jagger, lead vocalist for the Rolling Stones, struts across stage at the Cotton Bowl during the October visit to Dallas. **Below:** Senior Jodi McGiboney and Andrea Westereng purchase souvenir tassels while ordering their caps and gowns for graduation. **Below Left:** Sophomore Michael Beeman glances through his Rolling Stones memorabilia as he relives the concert. **Below Right:** Rolling Stones' Mick Jagger taunts the ecstatic crowd during his performance at the Cotton Bowl.

## Stones Jam at Cotton Bowl

Making their 1981 appearance in Dallas' Cotton Bowl, the Rolling Stones opened to a sold out crowd of over 72,000 on October 31. Accompanying the band were the Fabulous Thunderbirds and ZZ Top.

Soon after the Stones stepped on stage, the clouds broke and rain began to fall. Deciding not to let this deter from their performance, the band continued to belt out

recent hits as well as their classics. The five man band—Mick Jagger, Keith Richards, Charlie Wats, Bill Wyman, and Ron Wood—formed their group in the early 60's and went on their way to fame and fortune with a decidedly new rhythm and blues sound.

Because of the full house, a second show was given on the following day. Wanting to

give the crowd his all, Jagger had a hydrolic type crane, called a cherry picker, brought into the stadium. He waited until "Jumping Jack Flash" to get closer to his fans and awarded their cheers with a shower of roses.

Tickets were sold at Texas Stadium on the morning of September 25. The sale was announced on local radio stations just before the gates at the stadium opened.

## Female Striders Claim District

Capturing the District 9-AAAAA Girls' Cross Country title, three varsity runners placed in the top ten.

Kim Wood was the top finisher for the Cards as she placed third among a field of 64 girls. Other top ten finishers for the Cardinals were Jesida Adair and Elizabeth Quigg who placed sixth and eighth, respectively.

Upon completion of the competition, the Cardinals found themselves tied with Trinity at 43 points each. Fortunately, the title was given to MacArthur when Laura Dowlearn came in at the twenty-third position—beating Trinity's sixth runner, Tonja Rosemary, who came in thirtieth place.

The Junior Varsity girls also fared well in the loop contest, placing five runners in the top ten. Gail Weinhold, Denise Blackard, and Marion Colby carst, second, and third places, respectively. Cheryl Jones took seventh while Paula Romano placed eighth. Other top 20 runners for Mac were Marci Schawe, Ashley Frederick, Jill Harris, and Stacey Maxwell. This win qualified MacArthur for the regionals.

## Lack of Offense Cited in Losses

The JV Football Team was defeated by Duncanville, 22-17. Sophomore Scott Armstrong started the scoring with a 20 yard field goal—followed by halfback Larry McDonald's touchdown jaunt. After another TD run by McDonald the score was upped to 17-0. Late in the second quarter, the Panthers began a furious comeback. The score was 17-16 at halftime. The Panthers scored the final TD in the second half but failed to make the PAT.

The following week, the JV squad was defeated by Trinity, 48-6. The Cards' only score came in the fourth quarter on a Phil Tuxhorn touchdown. They faired no better in the last game of the season—falling to the Nimitz Vikings by a score of 31-13.

Traveling to Duncanville, the Freshman Red Team reigned victorious, 13-6. In the last two games of the season, the Frosh Cardinals were beaten by Burleson, 7-0, and Nimitz, 28-6.

The White Team fell to Duncanville, 14-0. The Panthers scored early in the first quarter to gain control of the game.

The White Team beat Burleson, 14-7. Mac rallied for two touchdowns late in the game to come away with the win. Whipping Nimitz, 14-6, the Cardinals finished the season on an upbeat note.

## All Region Choir Selects 17

Competing against area schools, 17 members of the Acapella Choir were named to All Region. Following their selection to the group, the winners participated in the concert on December 5.

The concert served to honor and introduce the All Region singers before a MacArthur audience. Thirteen of these students later auditioned for the All State Squad. These included Senior Rodney Marcantel, second tenor; Junior Mike Dean, first tenor; Brian Hardesty, second bass; and Senior Shawn Wild, alternate second tenor. Hardesty commented, "I was very surprised when I found out I made it.

The competition was very tough and many had experience on me."

Coming together as a group, the Acapella Choir presented two Christmas Concerts during December. The first occurred in the MacArthur auditorium, while the second was performed for the Irving Rotary Club at Las Colinas Country Club. The latter of which has become an annual event. As always, the choir sang the "Hallelujah Chorus" as their finale. Commenting on the success of the presentation, Junior Paul Bielss expressed, "We had a good time doing it. I think this showed in our performance."

# Girls' Golf Begins First Year

Due to a lack of experience and members, the 1981-1982 Girls' Golf Team was less than successful during their first year at MacArthur under the coaching of Mike Marshall.

With only three members on the team, the girls were not able to compete in comparison to other schools in the three tournaments they placed in. All competition was on an individual basis and point totals distributed according to each competitor's

finish.

Freshman Charl Russey commented, "A golf team consists of four people. If the team short a person, the fourth score (that is averaged with other three) is one point lower than the lowest score in the tournament. This dropped our team ranking considerably."

The team played in three tournaments during the season: the Plano Invitational, placing seventeenth; the Mid-Cities

Invitational, fifteenth; and the R.L. Turner, eighteenth.

About one half of the schools in the Metroplex have girls' golf teams—many of which are in their first year. Mayes is the top ranked golfer on this year's team, followed by Russey and Brooke Graham. The girls play three days a week at Las Colinas Country Club. Each day, a different part of the game is accented in an attempt to achieve perfection.

**Above Left:** Being careful to make the proper club selection, Freshman Brooke Graham practices for a tournament. **Above Right:** Freshman Brooke Graham, a member of the Girls' Golf Team, works to improve her drive. **Above:** November Students of the Month are Senior Jenny Foley, Sophomore James Sullivan, and Freshman Stuart Lloyd. **Right:** Newly ordained Eagle Scout Curt Wells retakes his vows to uphold his duties as a citizen after receiving the highest honor given by the Boy Scouts.

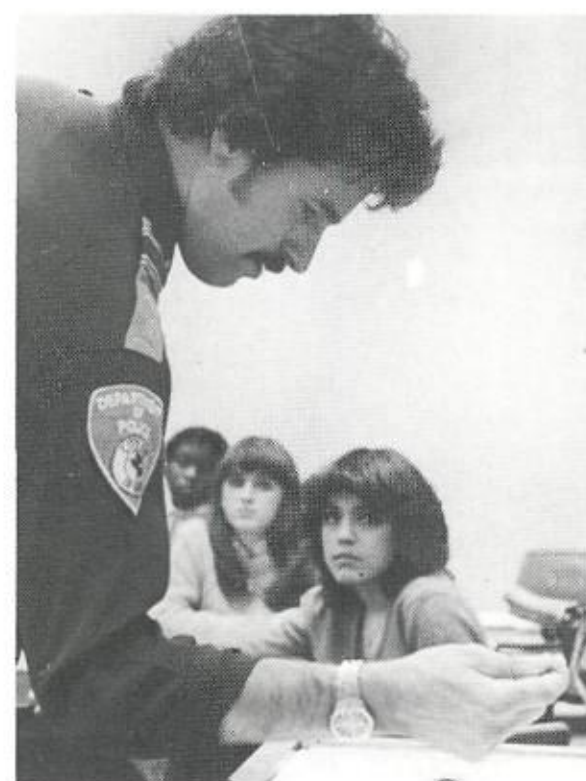

# Student Learns Survival Points

Senior Richard Snyder journeyed to a wilderness school in Southwestern New Mexico, one of eight Outward Bound facilities situated throughout the United States.

While attending the school, aimed at teaching individuals of varying ages to get along with each other and cope with their problems, Snyder met with 29 other physically fit people from different parts of the world for a 23 day outdoor learning experience. They were given a limited amount of food such as rice, noodles, sardines, crackers, cheese, granola, and sometimes peanut butter and honey, which they ate every day. Their water supply was obtained from the streams in the area and was purified with iodine.

Although it rained for 17 days, the group continued on with their activities consisting of such events as a 150 mile hike in 15 days and climbing two mountains. They also spent three days in the woods surrounding the school with no equipment other than sleeping bags, a gallon of water, and a journal to write in.

# Youths Explore Languages

Beginning its third year, the EUREKA program continued efforts to give highly gifted and talented children at Lively Elementary School a chance to broaden their knowledge in a variety of subjects.

One day each week advanced French and German students Chris Alumbaugh, Kathy Blankenship, Tina Crewse, Scott Davis, Tonja Erwin, Arleen Hustiss, Patrick Merklein, Patty Moeller, Frank Pape, Krystin Seidel, Melanie Smith, and Sharon Talbot traveled to Lively in pairs to instruct approximately 15 children. By using flashcards, illustrated books, songs, and games, the MacArthur students were able to teach fundamentals of the foreign languages to the advanced youngsters. Such skills included colors, numbers, and the parts of the body.

Conversation and skits were also used as

teaching methods so that the children could learn basic sentences, inflection, and pronunciation. The elementary students were occasionally tested on the newly acquired information.

Courses in logic, computer programming, music, art, and business production were also offered to the EUREKA students. Professors at the University of Dallas and EUREKA teachers at Lively instructed the young individuals in the additional courses.

When asked the reason for her participation in the program, German EUREKA instructor Talbot replied, "It is a worthwhile experience. The children are easy to teach, and they are eager to learn. Because it is optional, the students enjoy it more than they would if it were forced upon them."

## Two Excel in Skating Meets

Beginning their careers in middle school, Sophomore Doug Attaway and Junior Susan Greenfield took an active part in speed skating contests.

"At Travis," explained Greenfield, "everyone went skating on Friday nights. One Friday night, while I was skating, I noticed this girl skating rather well and very fast. I wanted to try it."

Practicing four days a week with an average of two or more hours a day, the

Cardette saw that the two schedules often conflicted but found time to work in both activities. With the same complaint, Attaway, a JV basketball player, planned to drop the sport so that he could continue skating through high school and eventually enter the Men's Master/Senior Division.

At the sophomore rank, which combined boys 13 through 15 years old, Attaway finished second in the United States Amateur Skating Championships. In this

class he entered the ten and fifteen lap races.

Accomplishments listed on the Junior's record were several meets during the summer at which she traveled to the finals. Contests at the Starlight Skating Rink and at the Skatin' Place earned Greenfield two third place trophies. She advanced to the championship round which was a conglomeration of all the first place winners in her division.

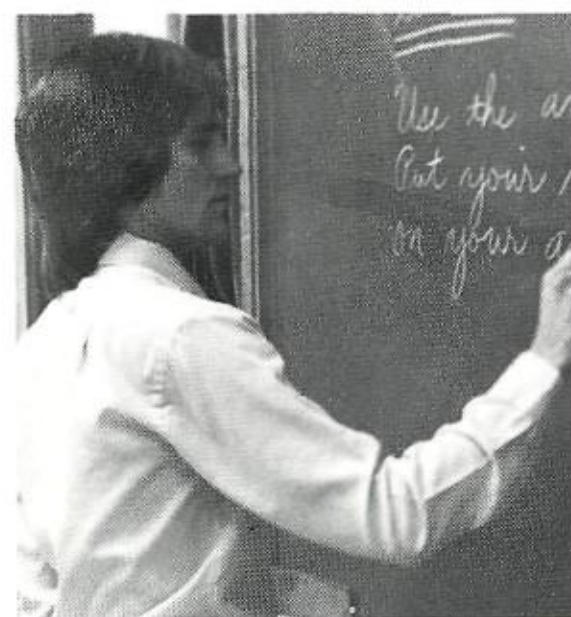

# Past Graduates Extend Faculty

As the school year began, the halls of MacArthur were peppered with nine former students who returned to teach at their Alma Mater. Included in the list were Gayle Fenoglio, Randy Waldrum, Lee Stover, Pam Hamberger, Russ Weisener, Joanna Gerlach, Brian Bond, Linda Skelton, and attendance clerk Judy Hammond.

New soccer coach Randy Waldrum, who graduated in 1971, remembered MacArthur as being a very spirited school. "When I thought of coaching at Mac I really got excited. It was like coming home again."

When asked about the changes in attitudes and involvement of the students, English teacher Gayle Fenoglio laughed, "Students have many more privileges than we did. The young innocence has disappeared. There was also more of a disciplined attitude toward school work."

Lee Stover, who graduated in 1977, claimed that her math teachers influenced her most. Reminiscing on her years at MacArthur, Stover thought aloud, "It is so neat to be a fellow teacher with all of my former instructors. They are very helpful and I still look up to them as if I were still a student."

**Top:** Teachers Linda Skelton and Joanna Gerlach observe the activity in the halls which they once walked as students. **Above Left:** Attendance Clerk Judy Hammond talks to a parent about the absence of a student—which she, herself, was once. **Above Right:** Freshman Class President Mike Marsh receives a pie in his face to promote spirit among the students. **Left:** Seniors David Joyner and Karen White decide on a slogan for their sign. **Above:** History teacher and soccer coach Randy Waldrum writes instructions in a classroom which he formerly inhabited as a pupil.

## Squad Entertains at Travis

In between their football and basketball season performances, the MacArthur Cardettes had a busy schedule of events planned for the months of October and November.

During the early fall, the Cardettes sold T-shirts and key chains. The T-shirts sold for \$9 and were silk-screened with the motto, "Cardinals Soar, Take Flight." Five thousand Cardinal key chains were ordered by students and parents. Businesses and softball teams also purchased the item to display their spirit for the school.

As a surprise to the Varsity Football Team, the squad presented towels to each team member for good luck against Irving. Each towel had the individual's number imprinted and accompanied their uniform numbers.

Ironically, MacArthur lost every year to Irving except in 1974 when the drill team bought towels for the members. The 1981 season was no exception as the Tigers were defeated, 20-0.

In addition to performing at all of the pep rallies and football games, the Cardettes accepted an invitation from Travis Junior High to perform during the halftime of the Travis/Sam Houston eighth grade football game. They danced to "Copacabana" and did a kicking exhibition to the theme from Dallas.

When asked how she felt about last year's squad, Cardette Sponsor Pam Hamberger replied, "They were super! They had a real good performing season and we had a strong Senior Class that set a positive example for the younger girls."

**Top Left:** Cardette Leaders Kara Martin and Cheryl Burd show their spirit as they perform a routine to "Copacabana" at a pep rally. **Above Left:** Promoting their album, *Escape*, Neil Schon and Steve Perry of the rock group Journey make a stop in Dallas for a concert appearance at Reunion Arena. **Above:** Entertaining during halftime at the Travis/Sam Houston Junior High Football Game, Cardettes Maria Quattrin, Shelly Grego, and Shannon Enloe display their talent. **Left:** Sophomore Carol Coffey and Senior Kenny Clark move to the latest beat at the Friday the Thirteenth Dance.

# Cards Triumph Over City Rival

In a rain soaked game at Duncanville, the Varsity Football Team defeated the Panthers by a score of 27-19. The Cats put the first points on the scoreboard, but Mac quickly came back to score three touchdowns in the first half on a pass to Brad Walters, a run by Mike Cole, and a blocked punt returned for a TD by Brian Bosworth. The Cards added the final points of the game with a 43 yard run by Brad Narrell.

MacArthur picked up their third loss of the season, losing to the Trinity Trojans, 30-15. Mac scored first with a 14 yard run by Cole. However, following a quarterback substitution, Trinity drove the ball in from the one. Two Mac fumbles resulted in Trinity scores. The Trojans scored their final touchdown on the first possession of the fourth quarter. With 3:40 left in the game, Cole dashed in from 12 yards out.

Capturing the City Championship, MacArthur scored a victory over the Nimitz Vikings. Cole scored the only touchdown of the first quarter, running in from five yards out. Beginning the second half, Narrell ran 36 yards into the end zone. The kick failed and the Cards led, 13-0. Nimitz narrowed the gap as they scored on a 44 yard TD pass. Narrell then found Walters in the end zone for the touchdown. The Vikings scored once more, but Mac won the game, 21-14.

# Student Forum

## Part Time Jobs Affect Grades?

Growing numbers of high school students obtained after school jobs this year grilling hamburgers, scooping ice cream, and selling clothes.

The extra money they earned was spent for new cars, concert tickets, and clothes. Only a small percent of the working students saved their earnings for college or were forced to work to help support their families.

However, along with the security and satisfaction of having their own spending money, many students found less and less time in which to complete their studies. Even those who held afternoon jobs often returned home too tired to finish their homework. Consequently, as money levels rose, grade levels fell.

**Dianna  
Perez**

Where I work, we're allowed to do our homework. In fact, my boss encourages us to bring our homework.

**Mike  
Myers**

I usually get off late from work, so I don't have enough time to get my homework done.

**John  
Mitchell**

It doesn't really effect me. I can either do my homework during the weekend or during my spare time on the job.

**Laura  
Weller**

No, because I had bad grades to begin with. My grades only dropped a little and that's not enough to make me quit.

**Tim  
Tyes**

I get off in plenty of time to do my homework and I don't work until five. Preparing for the tests is a hassle.

**Penny  
Maulden**

Working usually doesn't effect my grades unless I have a large amount of homework.

**Jay  
Wester**

By the time I get home I have to eat and take a shower. I am also too tired to study because of the type of work I do.

**Julie  
Wren**

No, because I have time during school to do my work.

**Kim  
Huitt**

No, because I knew I had less time to study so I studied harder.

**Lisa  
Savell**

Because I get home at 11 pm, I have to stay up late doing my homework. The next day I am real tired and can't concentrate.

**Shelby  
Burns**

I did work after school, but it affected my grades—interfering with my study time. Now, I only work on weekends.

**Cindy  
Wienhold**

I don't have much time for my homework because I work late.

**Debbie  
Klein**

It hasn't affected my grades because I work more on the weekends than I do during the week.

**Annette  
Gonzalez**

Since I have started working after school, my grades have dropped. But, I'm going to Europe and I have to work to save money.

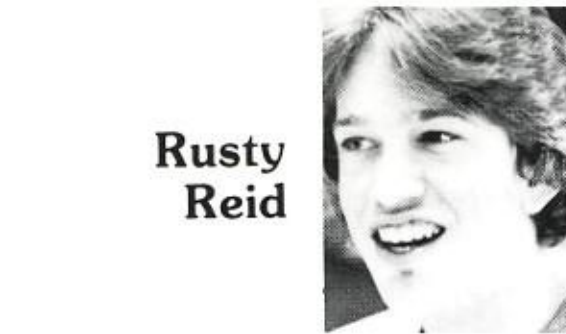

**John  
Shelley**

I really don't have a problem because I have an easy schedule. Tests are hard to study for because I get late.

**Leslie  
Wienhold**

When I get home from work I usually help my brother with his homework. After that I don't have much time for my own.

**Rusty  
Reid**

No, because I don't work very much during the week.

**Kay  
Reeves**

No, working doesn't effect my grades because I get off at 5:15 and have time to do my homework.

**Mike  
Dean**

I don't work that late and I have plenty of time after to do my homework. Sometimes it gets in the way of studying for the big tests.

**Marilyn  
Polston**

My job does not effect my grades because I get off early enough to do any work I might have.

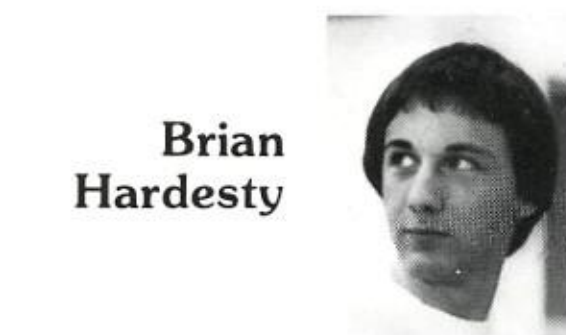

**Kathy  
Morriss**

It doesn't effect my grades because I get home in time to do my homework.

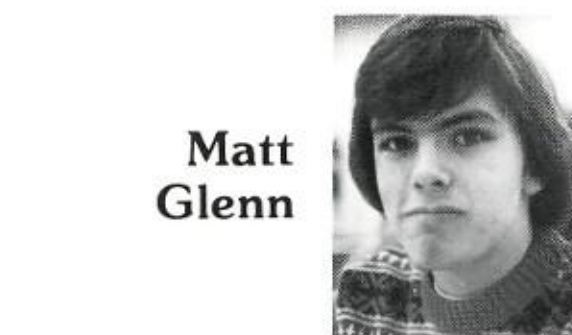

**Alan  
Rhoades**

No, because I get my homework done before I leave school.

**Brian  
Hardesty**

No, because I'm able to do my homework at work.

**Matt  
Glenn**

No, because I work on the weekends most of the time.

**David  
Page**

No, because my schedule is not very hard and I am able to do my homework at my job.

**Melanie  
Perkins**

No, because I get off in time to study.

**Michelle  
Faas**

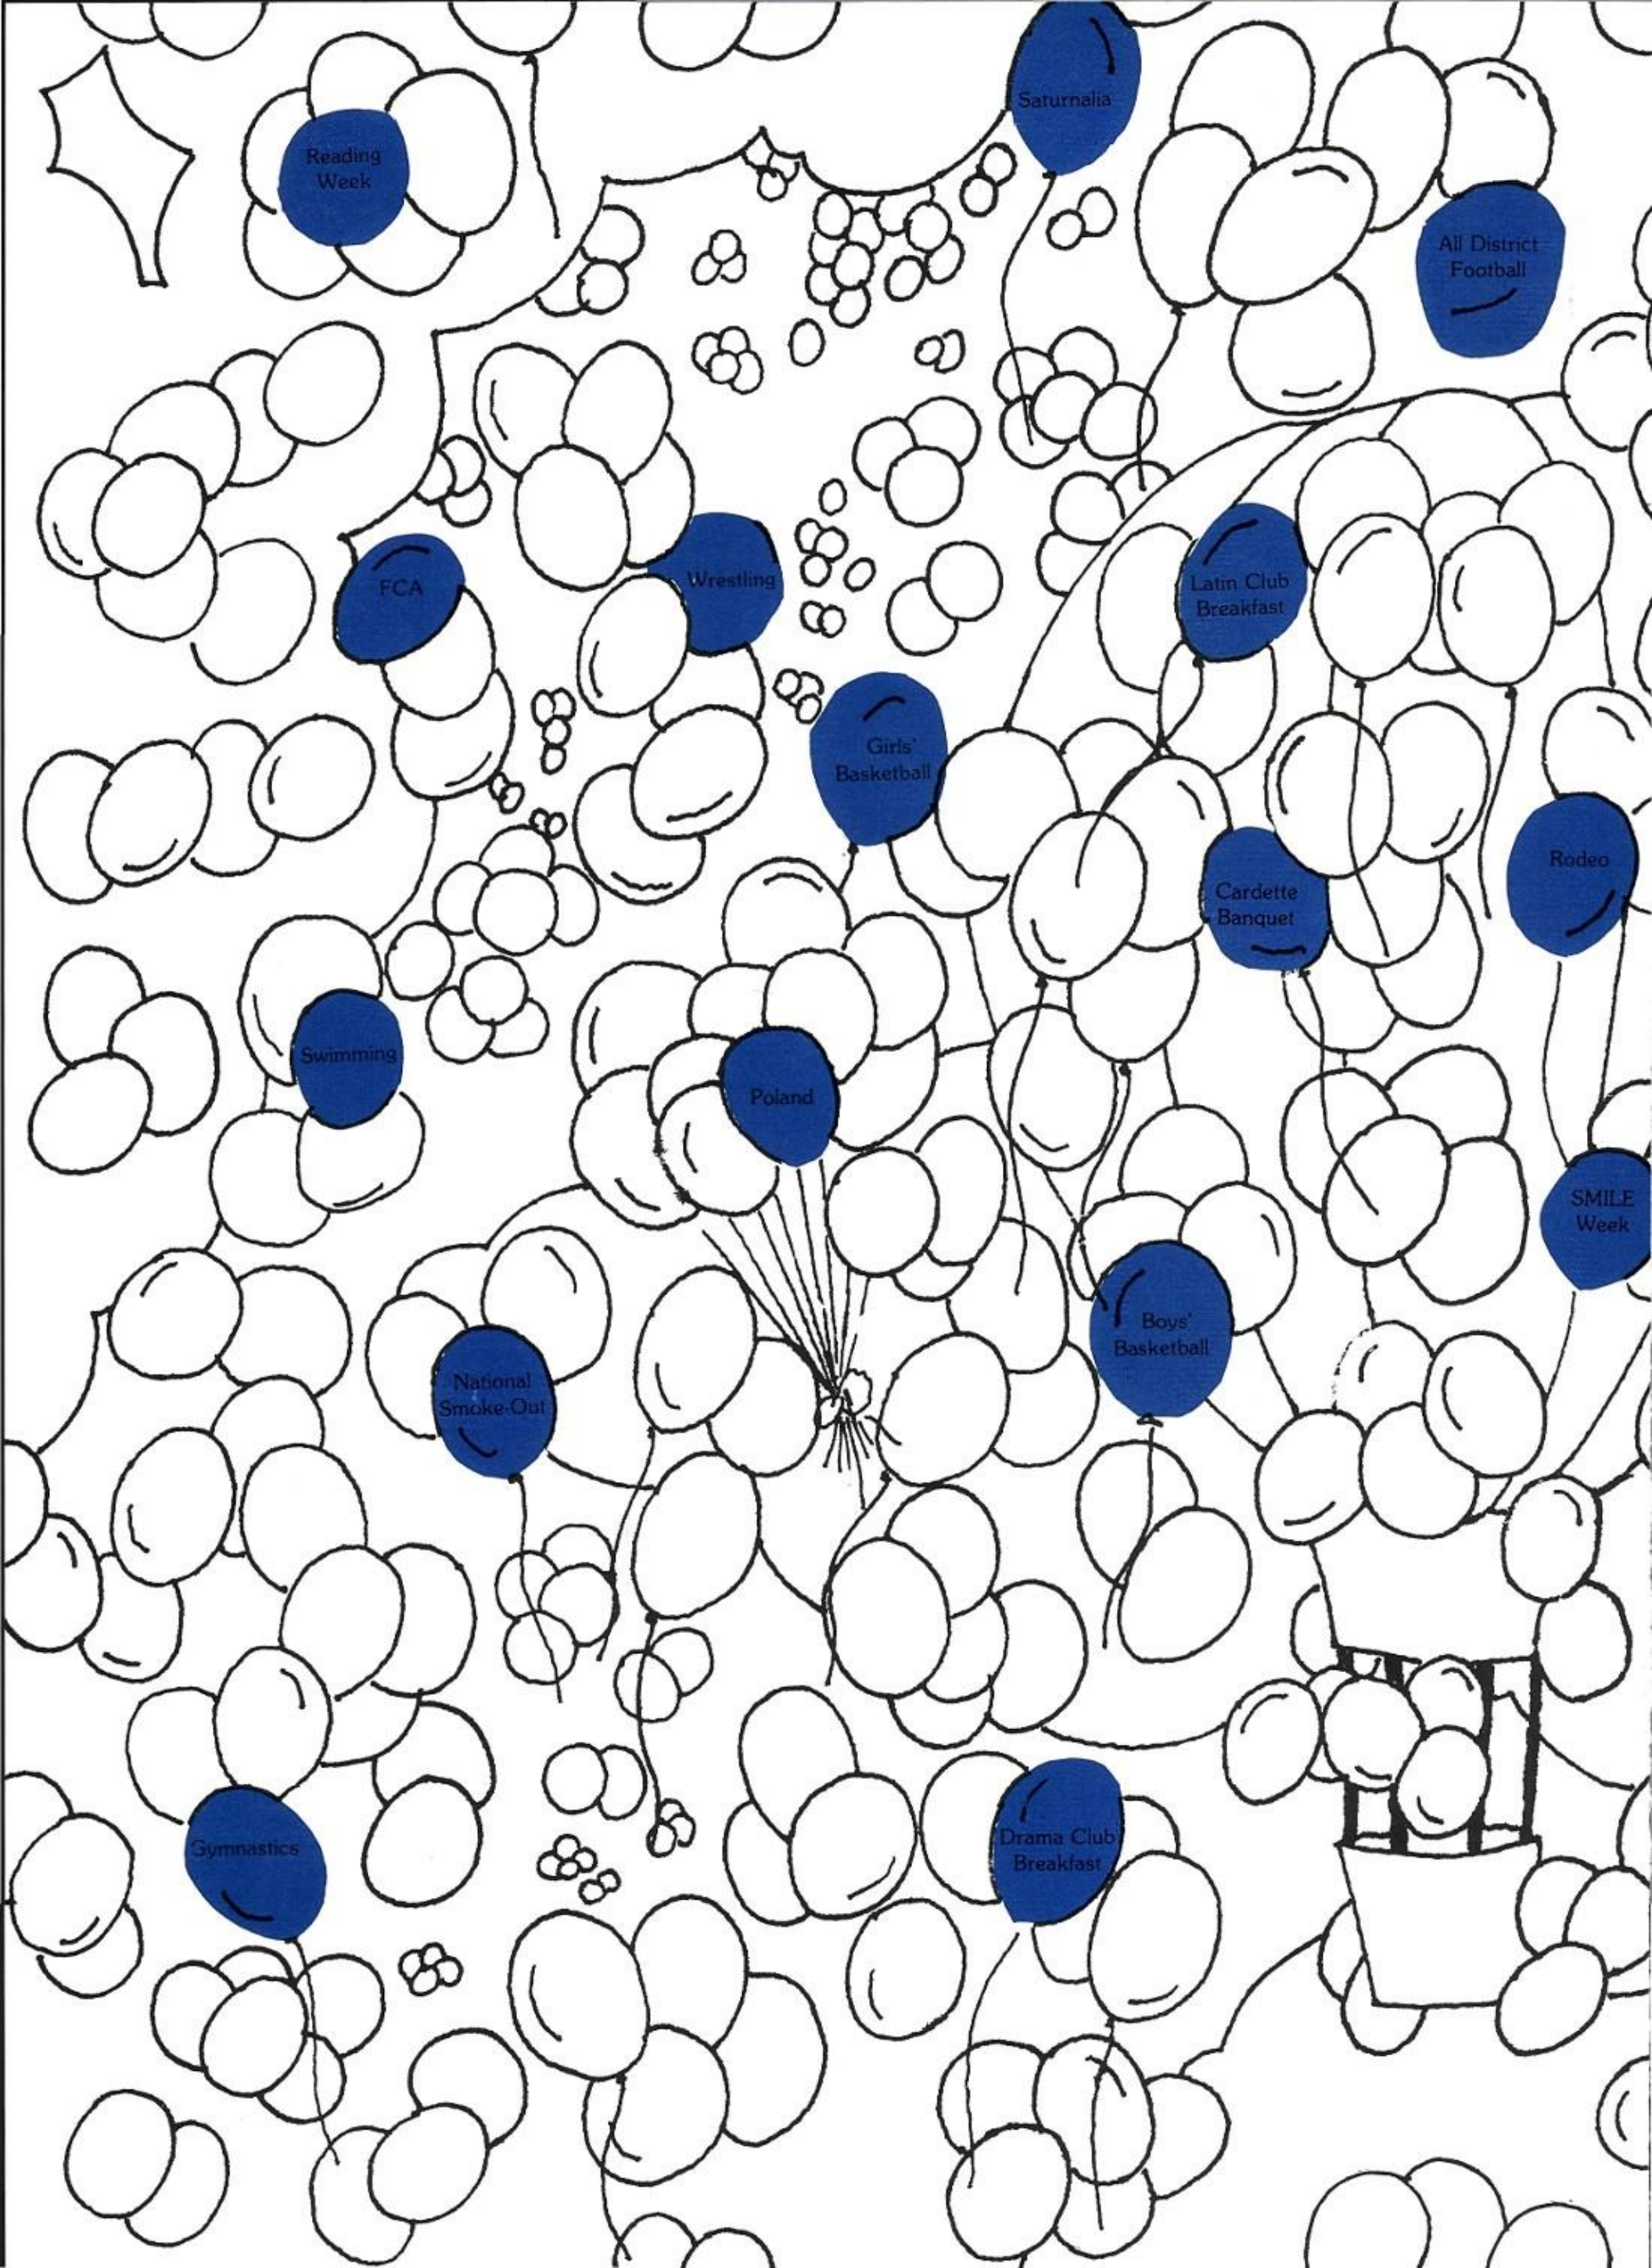

It doesn't hurt my grades because I never study anyway.

**Sherri  
Heinman**

No, because I don't work very much during the week.

## 'Word' Provides Reading Edition

Irving teachers organized Reading Week to promote student interest in pleasure reading and its potential. The versatility of books, as well as their relatively inexpensive cost, promoted this year's Reading Week motto, "Reading makes cents—any time, any place, any book."

The highlight of the week occurred on November 17, as students were given 30 minutes to an hour to read materials of their own fascination or a special edition of *The Cardinal Word*, published by the Publications Department. This issue contained articles pertaining to reading and Reading Week.

Developmental Reading classes participated in a scheduled Book Trade Day. The students donated paperbacks and magazines to the Reading Department. They also constructed posters advertising books and journeyed to the library for additional materials and reading time during the day.

Reading Week Sponsor Bonnie Stayer stated, "The purpose of the program was to urge kids to read for fun, and I think we were successful. It allowed a break from regular school work without neglecting an entire day of study."

## Team Captures Top Area Titles

Highlighting the Rodeo Club's November performance, Senior Carol Green gathered enough individual points to be designated to All Around Cowgirl in the L.D. Bell Invitational Rodeo.

One week later, three members of the club placed in the MacArthur Rodeo. Junior Paul Coats gained a second place in steer undecorating, with Junior Chuck Blair attaining sixth. Senior Jimmy Barber also placed sixth in the saddle bronc category. Following these competitions, the Rodeo Club took a vacation from the circuit for the Christmas Holidays and the annual Fort Worth Stock Show. At that point, Junior Terry Joe Harmon, Sophomore John Baker, Junior David Laffoon, and Senior Carol Green were positioned in the top 15 of their respective specialties.

"Rodeo is definitely an individual sport even though points are totaled on a team basis. It is up to each student to know how he or she wants to excel. The kids in the Rodeo Club have high goals set for competitions and they always support each other. It's like one big family!" exclaimed Rodeo Sponsor Leona Taylor.

# Cardinals Split Loop Action

In its first loop contest of the year, MacArthur's Boys' Basketball Team started District 9-AAAAA play with a last minute loss to the South Grand Prairie Warriors. Going into the second quarter of play, Mac turned an 11-7 deficit into a 27-23 halftime lead with scores from Bryan Amason, Andy Ellard, Steve Coffman,

Steve Grumbine, and Brad Narrell. As time ran out, the Warriors' Clark Boshier made an eight foot bank shot to give SGP a dramatic 48-46 victory. In their second league game, the Cards evened their record in loop action to 1-1 with a win over Nimitz. Although Mac retained a two point lead at halftime, Nimitz regained it

in the opening moments of the third period. The Cards then surged ahead, capitalizing on two steals with a pair of baskets by Amason and a layup from Mike O'Donnell to open a 40-36 lead at the end of the frame. In the fourth quarter, a free throw by Narrell and another shot by Amason brought the final total to 53-46.

**Right:** Provided with a free period of reading, students were encouraged to read the latest best sellers for pleasure during Reading Week. **Below:** MACazine Editor-in-Chief DeAnn Mahaffey prepares a layout for the special Reading Week edition. **Below Center:** Instructing pupil Darren McLand, Senior Terry Joe Harmon demonstrates the proper way to ride a bronc. **Below Left:** Freshman Bonnie Payne watches as Senior Curt Wells practices his rodeo expertise during the Latin Club Breakfast at MacDonald's. **Below Right:** Rodeo Club member Chris Skinner converses with competitors from Lake Highlands while taking a break from the action.

**Left:** Exercising before a daily practice, wrestlers Kyle Huse, Tom Hoover, Barry Smith, and Darrin Upshaw join with other members of the State Championship Wrestling Team in performing leg lifts in order to tighten their stomach muscles. **Below:** Senior Pam Perry demonstrates the pose that won her a semi-finalist position in the Miss TEEN Pageant. **Below Left:** Sophomores Mary Ann Bashour and Elizabeth Mires study the menu during the Drama Club Breakfast at Sambo's. **Below Right:** Junior Varsity Wrestler Scott Pou works his way out of his opponent's hold.

## Winning Tradition Continued

Hoping to maintain its winning tradition, the Wrestling Team began by accumulating a 9-1 dual match record.

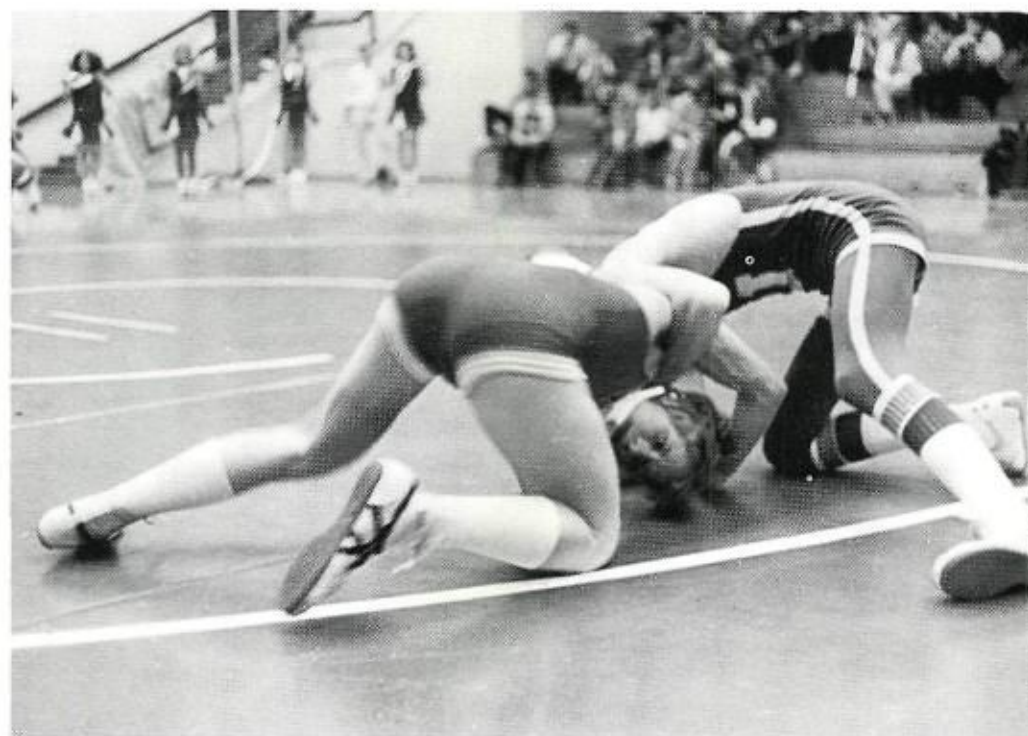

The traveled to the annual Oklahoma Open. David Upshaw became only the second Texas wrestler to ever win a title at the prestigious event.

In the quadrangular meet in the Boys' Gym, the Cardinal matmen defeated Nimitz, 57-18; Plano, 59-18; and Irving, 56-18. Those recording wins for Mac were Dave Barnett, Dominic Randazzo, Kyle Huse, Tony Rodriguez, Ricky Ward, Jack Milner, Neville, Tad Wilson, Scott Cooper,

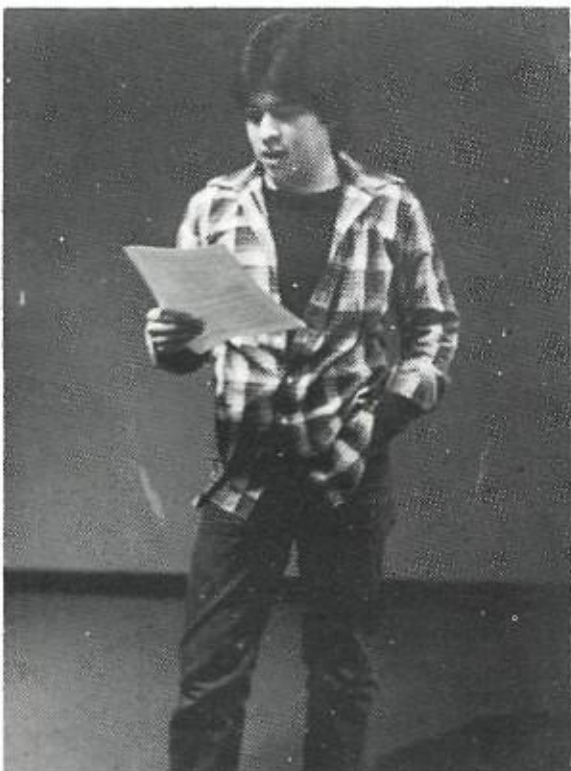

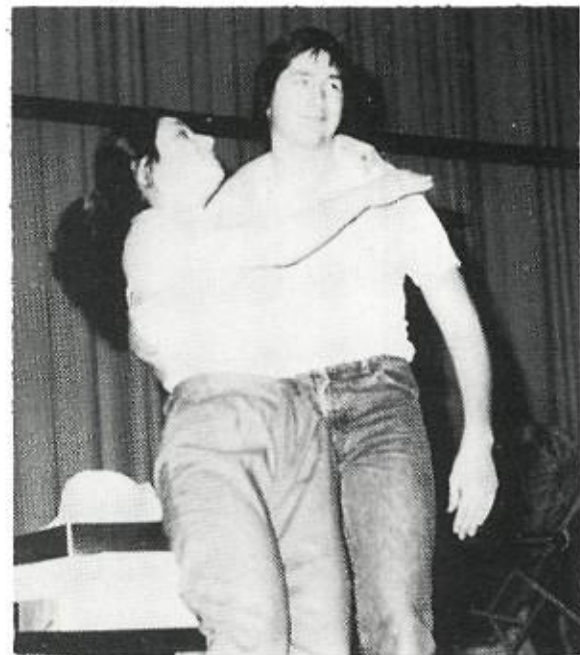

Upshaw, Mark Bell, Barry Smith, and Steve Cooper. The squad then defeated Jesuit by a tally of 58-16.

The team suffered its first and only loss at the Trinity Tournament—losing to a tenacious St. Marks' crew, 31-33. Earlier in the day, the grapplers had defeated Trinity, R.L. Turner, and Bishop Lynch by wide margins.

The wrestlers next demolished Richardson by a score of 40-19. Lake Highlands was the last victim during this segment of the season as they succumbed to the MacArthur team, 51-2.

## Drama Takes Jesuit, Plano

Drama and speech contestants journeyed to Plano High School to compete in a tournament consisting of 42 schools.

Breaking for finals in the novice duet acting competition were Dee Dee Davila and Ginger Morris, who performed a cutting from *A Couple of White Chicks Sitting Around Talking*. Jeff Gardner and Kenny Rudolph placed third in the varsity division of the same category, allowing them to compete at the state level. Also qualifying for the finals were Chris Welch in dramatic interpretation and Cheryl Mantague in prose.

Capturing nine of the ten trophies

awarded, the Jesuit Tournament proved to be the most successful of the year for the group. Placing first and second in dramatic interpretation were Welch and Jamie Frederick, respectively. Qualifying for state and taking first, second, and third place trophies in humorous interpretation were Tiffany Riley, Kenny Clark, and Paul Watts.

Welch and Riley took first place in duet acting, followed by Debbie Capps and Montague in second; Watts and Angie Hardman placed third. Riley also seized first place in oratory competition. As an overall team, MacArthur placed first and took the Sweepstakes Trophy.

**Above Left:** Actors Kenny Rudolph and Jeff Gardner practice their acting skill in preparation for the Plano Tournament. **Above Right:** Tiffany Riley and Mike Hill rehearse during Tournament Drama Class. **Above Center Left:** Varsity soccer player Pam Perry evades her opponent in an effort to add another Mac tally. **Above:** Senior Ronnie Jones works on his selection for the Jesuit Speech/Drama Tournament. **Right:** Junior Jeff Cox tries to impress Soccer Coach Randy Waldrum during tryouts for the Varsity Team.

**Left:** Sophomore David Deanda reloads his rifle at the ROTC Turkey Shoot held two weeks prior to Thanksgiving. **Below:** Junior Melinda Webb attends Fellowship of Christian Athletes' meeting at the home of Judy Blaylock. **Below Center:** Trying his luck at the ROTC Turkey shoot, Sophomore David Deanda takes careful aim before shooting the last of his ten bullets in hopes of winning either a 15 pound turkey or a Collins Street Bakery Fruit Cake. **Bottom:** Leader Rand Baldwin and Sophomores Scott Pou and Kyle Carver participate in one of the weekly meetings of Campaigners, a small group organized from Younglife, which allows for more in depth discussion of the Bible.

## Fowl Shot Heard 'Round Campus

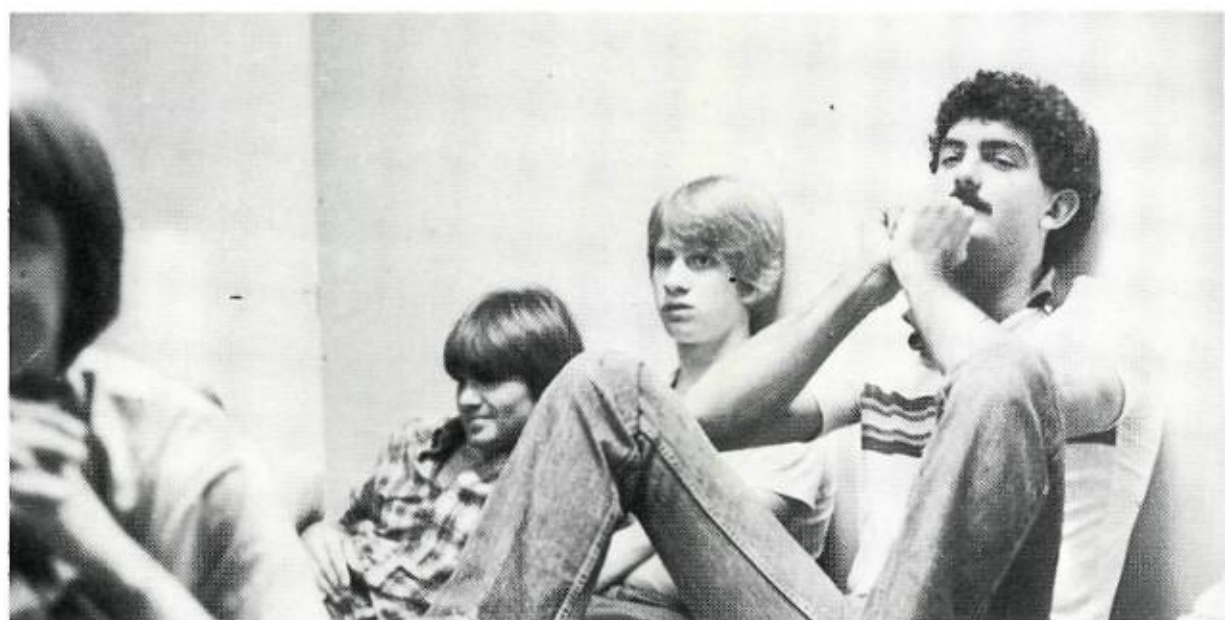

Continuing a six year tradition, ROTC sponsored a Turkey Shoot two weeks prior to Thanksgiving.

Participants tried their skills before and after school, during study halls, or at the lunch period. A \$1 entry fee allowed contestants to shoot ten rounds from a .22 rifle. First place winners from the Boys' Division included Freshman David McCarty, Sophomore David Garland, Junior Jon Butler, and Senior Kevin McBee. Each winner was given a 15 pound turkey and second place winners were awarded a Collins Street Bakery Fruit Cake.

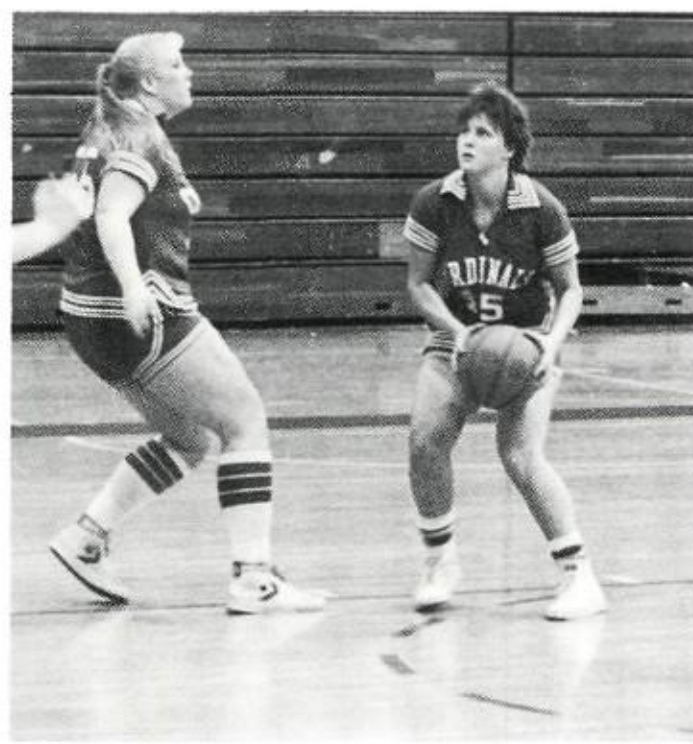

Girls' Division winners included Freshman Angel Smith, Sophomore Marilyn Gadeel, Junior Jodi Rains, and Senior Pam Baker. They also received a 15 pound turkey. Faculty winners included Coach Justin Walker and Homemaking Department Chairman Patsy Parrish.

The contest was held in order to raise money for the ROTC Rifle Team. Final funds totaled \$196.52, after the cost of 13 turkeys and eight fruit cakes had been deducted.

When asked about the outcome of the event, Sergeant Dwayne Klutz stated, "There was a good deal of participation—over 300 people, in fact. This made the shoot a big success."

## Varsity Wins Two Tourneys

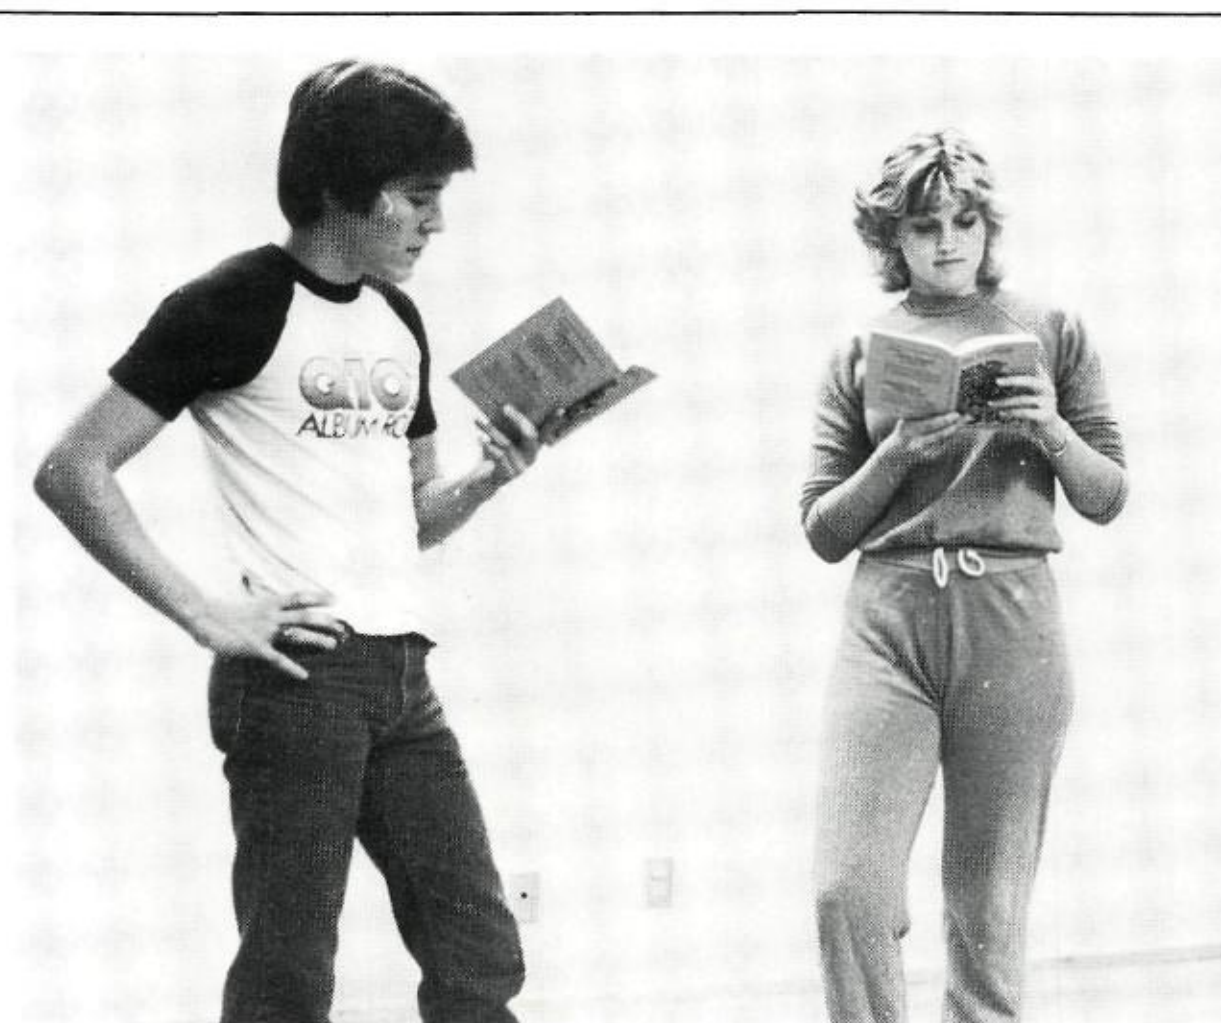

Girls' Varsity Basketball Team took two tournament crowns on consecutive weekends in November and December. The Grand Prairie Classic and the Weatherford Tourney proved to be successful matches for the squad.

All Tournament players Dana Kovich and Sherri Kellogg dominated the court by bringing in the first place win over W.T. White, 44-33. Following their first win, the girls shoved ahead to the lead in order to gain a second victory over O.D. Wyatt. A third win, over Grand Prairie by a score of 65-57, placed the team in the first place rank

at the Grand Prairie Classic.

The Weatherford Tourney proved to be equally successful. Gaining a first place win over NewmanSmith with a score of 43-32, the girls were then able to pump in points for an easy 57-36 victory over Burleson. Facing Weatherford in the finals, the squad demonstrated great control as they took the victory with a 53-43 lead.

All Tournament Players were Senior Kovich, Junior Kellogg, and Sophomore Kim Nevil. Girls' Varsity Basketball Coach James Peugh stated, "We have a very young team right now, but very talented players."

Above Left: Younglife members Paula Romano, Candee Carr, Sheri Mooney, and Leaders Randy Baldwin and Nan Silvernail glance to the overhead screen for the next lines to "Go Where I Send Thee" during a weekly meeting in a Northgate Plaza office building. **Above Right:** Varsity basketball player Becky McCullar screens off opponents as Dana Kovich prepares to propel the ball toward the basket during non-district action against Paschal. **Above:** Junior Melinda Webb makes a valiant effort to out jump her opponent during a Girls' Varsity Basketball game against Paschal High. **Right:** Practicing for the Senior Play, Kyle Hughes, as Molton, and Kathy Nolen, as a Hollywood actress, rehearse their gold room scene lines from *Once in a Lifetime*.

## Seniors Perform Play of 'Lifetime'

In an effort to raise money for the Prom, the Senior Class presented *Once in a Lifetime* on December 10 and 11. The students performed under the direction of Drama Teacher Kim Johnston.

Portraying the characters of vaudeville actors in the early 1900's, Billy Sinclair as George Lewis, Debbie Capps as May Daniels, and Ronnie Jones as Jerry Hyland were bestowed with the leading roles.

The play opened at the time of the invention of talking pictures, as the three actors traveled to Hollywood to form a school for elocution. The endeavor failed, and they were forced to close the business.

Johnston chose the production because she felt it was an interesting time period and could use a large cast. Out of the 98 Seniors who auditioned, Johnston chose approximately 70 to participate in the play.

Tickets were sold for \$2 a piece and Johnston hoped to raise between \$1000 and \$1200. However, after expenses, only \$900 was added to the treasury.

## Polish Officials Restrain Union

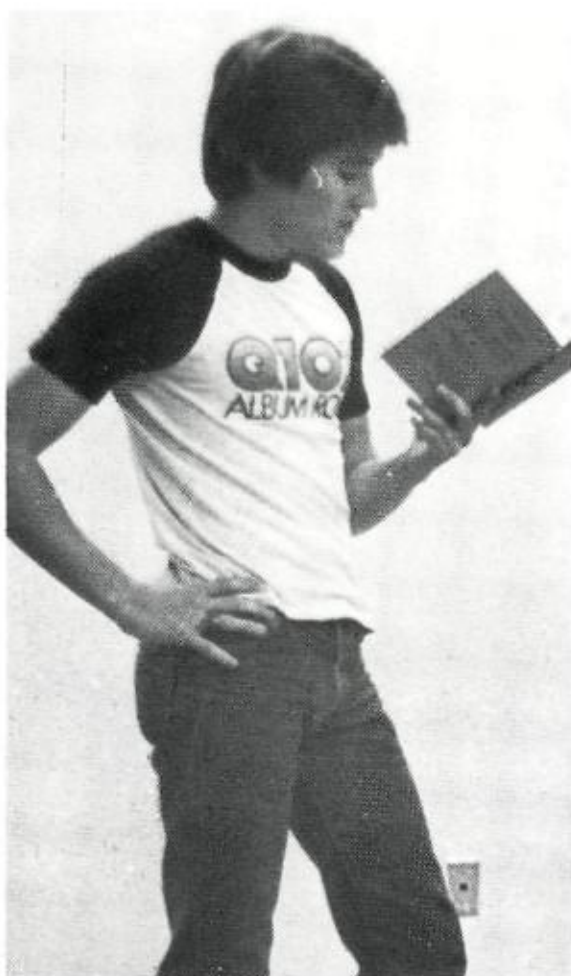

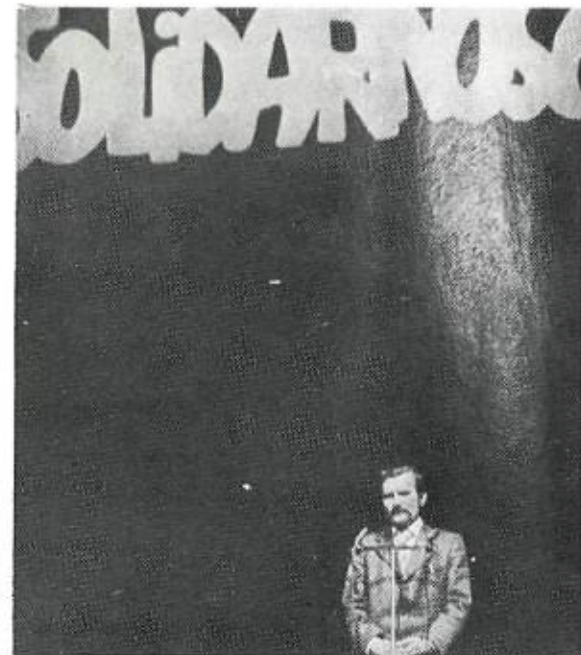

On the evening of December 12, telephone and telex lines between Poland and the outside world were abruptly halted as the army and police broke a strike of ship workers. Martial Law was put into effect throughout the east European country.

The following morning while General Wojciech Jaruzelski, the Polish party chief and Premier, declared over the radio that Poland was in a state of Martial Law, several former government officials were taken into custody.

Under the new enforcement all union activities were suspended. A curfew was imposed between 10 pm and 6 am and gas stations were closed to private cars. Flights were canceled and all travel, even within Poland, was banned.

Because of the government's actions, workers throughout the country began sit-in strikes to show their resentment. However, military officials became determined to stamp them out before they spread. Taking advantage of the prevailing curfew, military authorities broke up a sit-in at the Urs Tractor Factory and one at the Huta Waszawa Steel Mill. The following day, the strikers were rounded up at the famous Lenin Shipyard in Gdnask.

Food soon became scarce and the Poles began to suffer from the tirade imposed upon them.

**Above Left:** Polish tanks establish position in front of the Solidarity Union Headquarters in Warsaw, Poland, where government officials imposed Martial Law. **Above Right:** Addressing a group of striking workers, leader Lech Walesa speaks against the Polish officials' takeover. **Above Center:** Trying to impress a famous Hollywood producer, Karen White, portraying Susan Walker, performs "Boots" by Rudyard Kipling during the Senior Play, *Once in a Lifetime*. **Left:** Striving for excellence during a rehearsal, Senior Play cast member Kyle Huse scans his lines in effort to perfect his performance. **Above:** During the Senior Play, cast member Tonya Mehne chatters as a gossip columnist to Debbie Capps, a level-headed vaudeville actress

# Gymnasts Meet Bell Champs

Cardinal Gymnasts hosted a tri-meet on December 10 where they encountered tough competition from three of the area's strongest teams. L.D. Bell's State Championship Team was invited along with Nimitz and Weatherford to compete in the MacArthur Gym.

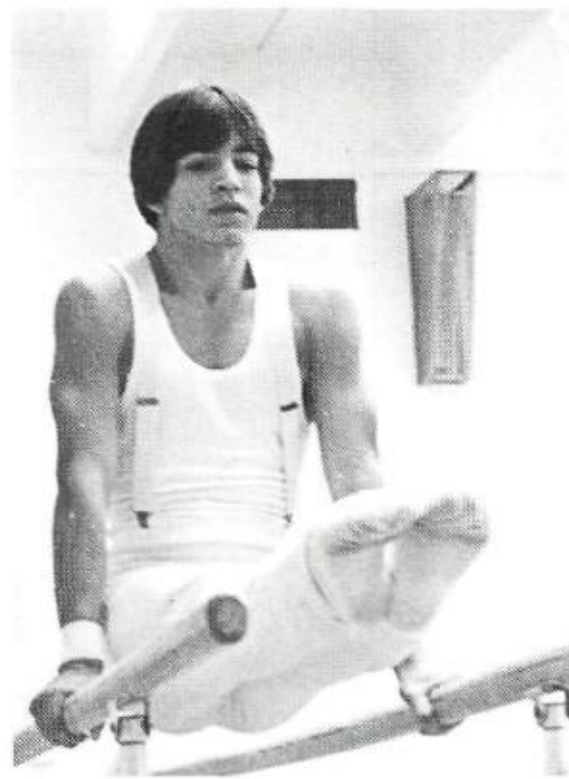

Under the coaching of Jana Turner, Junior Greg Warren received a second in All Around, while Steve Sisney pulled a fourth. Commenting on the wins, Turner remarked, "I was ecstatic about the way that Steve and Greg did. They were competing against some of the top people in the state."

The team also took a first in a dual meet at Richland Hills on December 17 with Kerri Skidmore and Warren each being awarded

a first in the All Around. Sisney also provided a second in Overall.

MacArthur contended at home again on January 22, in an encounter with Trinity. Mark Reviel took a fourth on the parallel bars with an 8.45. Sisney gained a first All Around with a total of 54.3 points. For the girls, Skidmore conquered the first All Around with 35.1 points. Other high ranking females were Betsy Lewis with a second on bars, Donna Shackelford with a fourth on the vault, and Melanie Ward with a fourth in floor exercises.

Stating her feelings on the year's future, Turner explained, "All though we are up against some stiff competition this year, I feel that we can take at least one person to state—if not the entire team."

**Top Right:** Putting full concentration into her form, Sophomore Karen Kuzai exhibits an arabasque on the high beam as spectators look on with interest. **Above:** Junior Greg Warren demonstrates the L-seat position, a gymnastics' move requiring considerable strength as well as exceptional muscle control. **Above Right:** Celebrating Saturnalia, a Latin holiday, Senior Curt Wells and Juniors Tamara Sturman and Wendy Bowie prepare for the ritual. **Right:** Draped in their traditional togas, Senior Mark Vanbuskirk and Junior Tamara Sturman open the presents which they received during the Latin Club's Saturnalia celebration, which took place during all class periods.

# SMILE Creates Awareness

Sponsored by the Student Council for the second consecutive year, Student Myth Information and Learning Experience (SMILE) Week was held the first part of December. The organization sought to enlighten students of the dangers and affects of alcoholism.

On Monday and Tuesday, the Health Department offered fellow instructors the opportunity to let their students see the available films concerning alcohol. Drew Pearson of the Dallas Cowboys came to MacArthur on Wednesday to address the student body about alcoholism and answer questions concerning the topic. The questions most students asked had to do with teenage drinking and how to determine if someone had a drinking problem.

During the lunch period on Thursday, Coach Russ Weisener further promoted

SMILE Week by injecting alcohol into a mouse. The rodent then was set into a maze with a sober member of the species. The intoxicated mouse was unable to function after it was placed into the maze. Confusion and unawareness characterized his movements and he finally died from the alcohol. Weisener then challenged a sober mouse in a race to the end of the maze where food was awaiting the winner. The experiment demonstrated the effects of intoxication on the normal bodily functions and movement.

At 10 Friday morning, homeroom Student Council Representatives gathered on the patio for the balloon release, which was the last scheduled event of SMILE Week. Each representative received one balloon filled with helium to which he or she tied a message concerning alcoholism.

**Top Right:** Seniors Karen White, Vickie Pou, Kathy Battle, and Patty Moeller wait for their balloons to be filled with helium. **Above Left:** French Club members Cynthia Joyner and Sharon Flowers prepare Mistletoe Messages. **Above Right:** Homeroom Student Council Representatives Jennifer Sheets, Brian Windsor, Kenny Rudolph, Jeff Gardner, David Taylor, and Lauren Orsini grimace as the balloon slowly reaches its bursting point. **Left:** Freshman Anne-Marie Taylor and Junior Johna Sheets shine a Camaro during the Student Council Car Wash competition. **Above:** Student Council officers Jennifer Sheets, Patty Moeller, Lauren Orsini, and Linda Moore discuss SMILE Week activities with Sponsor Patty Bozeman.

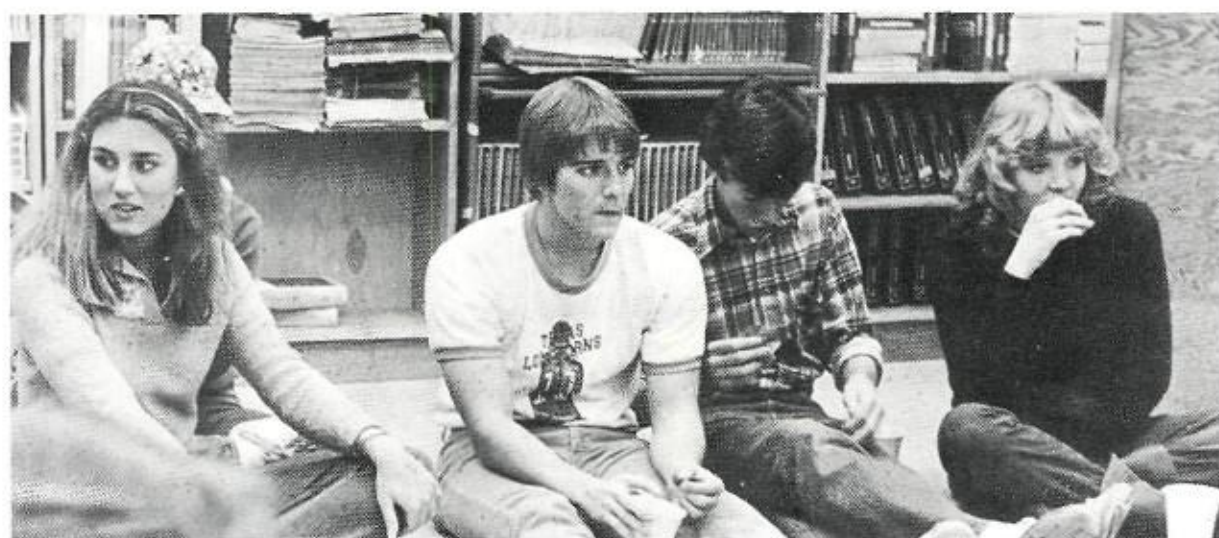

## Council Project Treats Children

For the ninth consecutive year, the Student Council sponsored the Project Child program on December 18. This annual function consisted of adopting underprivileged children from the Irving area elementary schools to provide them with a better Christmas.

Participating homerooms collected funds to purchase gifts of toys, clothing, and food. The age of the children ranged between the grades of kindergarten to third grade. Since both Irving and Nimitz partook in the affair, contrary to past years, the MacArthur homerooms did not have the option to select kids from elementary schools from all of Irving as in previous years. The kids came from only three schools: Schultz, A.S. Johnston, and Sally B. Elliot. Because there were not as many kids available for the program, homerooms were encouraged to combine and share one child. Subsequently, they also provided gifts for the children in the rest of the family. The last two years the parties had been held in the Field House. This year, however, they were returned to the individual homerooms.

As the youths arrived for their Christmas party, homeroom representatives were waiting to greet the students. The childrens' entertainment schedule included opening their gifts, eating treats, and playing with the high school students.

Business Law teacher Bill Dodson acted as Santa Claus to help the children feel more at ease when they arrived. Dodson, commenting on his demanding job, stated, "The excitement on the children's faces was all the reward I needed for playing Santa Claus."

**Above Left:** Senior Antoinette Marak admires the ceramic Christmas Tree won by Jenny Foley in Baseball Team's fund raising raffle. **Above Right:** Junior Marci Murphey and Senior Jodi McGibboney relax while listening to a Walkman Radio, the latest addition to the portable music entertainment industry. **Above Center:** Seniors Donna Weber, Jeff Williams, Don Tittle, and Kara Martin relax on the floor of English teacher Regina Story's homeroom during their Project Child Christmas Party. **Left:** Project Child participant Robbie Smith plays with the toy car he received at his Christmas Party. **Above:** Junior Stacey Crawford boards the bus before traveling to a local elementary school to pick up the Project Child children.

## Teacher Receives Train as Gift

Having had an interest in model trains since childhood, English teacher Virginia Slover received an assortment of electric trains from her family as a Christmas gift. She was also given two books about making landscapes and other miniature structures for her train display. Slover claimed that her favorite car was the Gandy Dancer. This

device consisted of a device much like an electric see-saw. When electricity passed through the track, two miniature toy men started moving up and down on opposite ends of the see-saw, forcing the car to move.

Slover inferred that she possessed a special love for trains. "I'll bet I'm the only mom who received an electric train set for

Christmas. In fact, making the landscape is almost as fun as controlling the train."

The Sophomore English instructor related that she plans to continue enhancing her display with the addition of more miniatures to the landscape and definitely more cars to make the set as complete and realistic as possible.

# Students Aid Needy Families

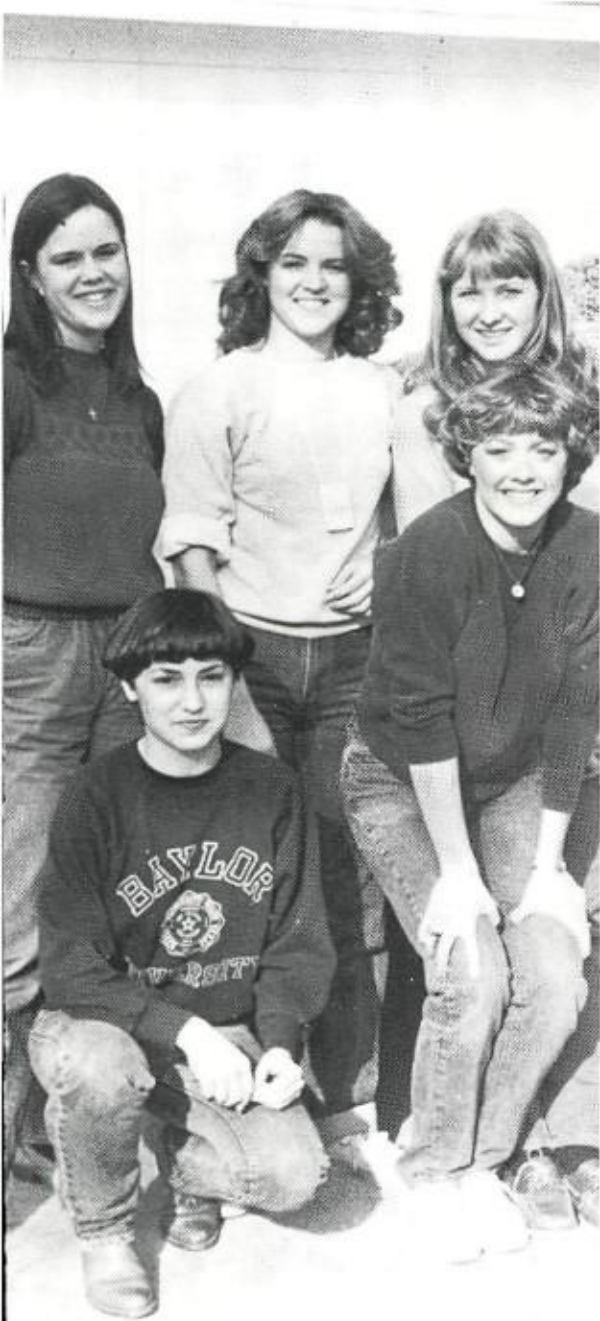

Echoing the words of "Christmas Helps in Making Everyone Santa," the National Honor Society, along with the Irving Jaycees, organized the annual CHIMES Project to aid needy families in the Irving area.

The groups provided people with food and clothing. During the holiday season, over 250 persons received aid from the project. Each of the three high schools participated, with MacArthur receiving the largest contribution.

Classes, clubs, and other organizations gathered canned goods, clothes, and other non-perishable items. These were taken to a

central distribution center. Irving Jaycee Greg Bachman worked with NHS in order to make the process an organized one. This year was the first in which plaques were awarded to the club or room that contributed the most. The Latin Club received one plaque for giving a \$100 check. The Choir received another for gathering the most clothes and canned goods.

Another novelty of the project was accomplished in the form of a Scavenger Hunt. The contest consisted of clubs, organizations, and classes going from door-to-door to see who could collect the most items. The Junior Class won the contest.

**Above Left:** Seniors Mary Brock, Sheree Elder, Becky Barret, Amy Meeker, and Debbie Klein contribute to the CHIMES Food Drive after the Scavenger Hunt. **Above Right:** Acapella Choir members Lisa Hooper, Kenneth Cadenhead, Sherry Mooney, Wes Howard, Billy Washington, Donna Preston, and Marilyn Brooks sing Yuletide carols through the halls on the last day of school prior to Christmas vacation. **Left:** Acapella Choir members Peter Landry, Tony Bowen, Kim Goff, Linda Frye, Penny Marshall, Gayla Moore, and Juliana Jacques regroup during the CHIMES Scavenger Hunt which was organized to collect food, money, and clothing for needy families. **Above:** Food supplies mount during the CHIMES project, sponsored by the NHS.

## Younglifers Ski Purgatory

Traveling to Colorado, 105 Younglife members participated in the annual ski trip during Christmas vacation. The group left at 8 on the evening of December 18. Their destination was Tammeron Lodge.

Senior Mike Wilson commented, "The trip was well organized and the counselors had all our time scheduled out. The accommodations were really great. There were people from all over Texas who made the trip just that much more fun."

First time skiers began their first morning with detailed instructions, while the more

experienced spent their entire day on the slopes of Purgatory. Shuttle buses were available for anyone who wished to leave before 5 pm.

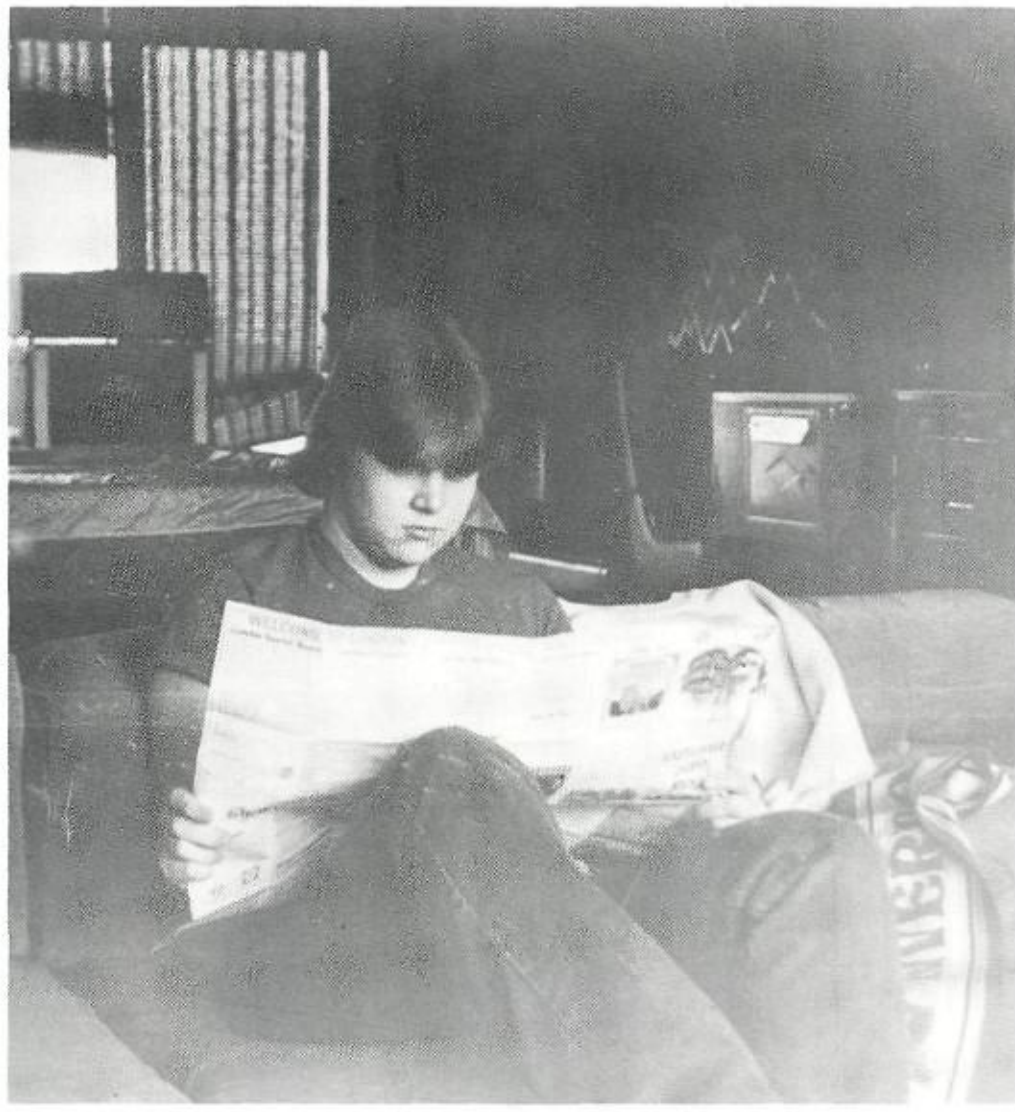

Sophomore Carol Hindman reported, "I met a lot of new people and I learned to ski."

Every evening Robb Schultz and the other sponsors led a religious meeting with the group from MacArthur.

Senior Jack Hands stated, "The club meeting was quite entertaining. The counselors were understanding and cooperative and made the trip a lot of fun."

# JV/Frosh Begin District Season

Both the Freshman and Junior Varsity Basketball Teams opened district action with several close games. The Freshman Team won one of four, while the JV came away from both of their games unscathed.

The Freshmen played their first district contest against Irving. The Red Team defeated the Tigers, 49-47. Chad Shively pitched in ten field goals to lead the team in scoring with 20 points. The White Team fell to Irving, 48-41. Unfortunately, the Freshmen crew lost their next two to Duncanville. The losses were due to an absence of offense in both games. Coach Zach Zachary explained that due to the transfer of team member Vance Bailey, the team's record would not be what he had earlier projected.

The Junior Varsity began their district play with wins over South Grand Prairie and Nimitz. The squad bested the Warriors, 43-30. The balanced offensive attack was led by Mike Nation who had 12 points. Nation, elaborating on the team's success, explained, "We are playing well as a team, and we will be tough to beat in district."

The JV then proceeded to stomp Nimitz by a score of 50-36. Coach David Meyers, defining the team's goals, remarked, "The team is playing well enough, so a district crown is within our grasp."

**Above Left:** Looking to move the ball down the court, Freshman Keith Nebriga passes to teammate Casey Reeves at the Irving game. **Above Right:** Sophomore photographer Michael Beeman looks over the touring maps he received during his trip to London for the Christmas Holidays. **Left:** Sophomore Mike Murphy poses in front of the Byodo-In Temple during his Christmas vacation in Hawaii. **Above:** Preparing for the Duncanville game, Freshmen Dale Vacek and John Zarita go through warm up drills prior to the game.

## JV, Freshmen Secure Wins

Opening district early in January with two wins in a row, the Junior Varsity and Freshman Girls' Basketball Teams moved in contention for the district title.

South Grand Prairie became the Junior Varsity's first victim. With a spread of six points on the score board, the girls' team captured the win by a score of 35-29. Laurie Billingsley was the high scorer for Mac with 14 points.

When Mac's freshman girls met South Grand Prairie they managed an easy win. Led by high scorers Maurie Elizondo and Lynn Peugh, both scoring 11 points, the

freshman girls toppled the Warriors, 30-19.

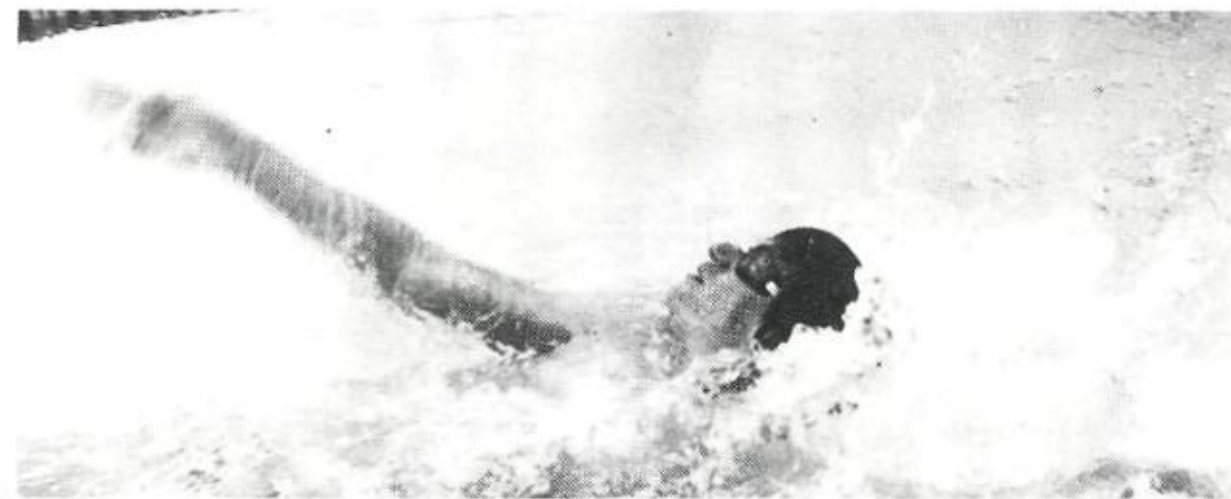

The Junior Varsity girls found L.D. Bell to be an easier task than the Warriors. They took the Raiders for a 50-24 win. Billingsley had 22 points and Jina Yates scored 14 points.

Billingsley later stated, "We're all up for the rest of the season and hope we're as successful as we have been so far."

Led by Peugh, scoring 16 points, the freshman girls clipped the Nimitz Vikings by a score of 34-30. Elizondo and Kari Geer both contributed eight points to the Cardinal effort.

## Senior Sets High Rodeo Goals

Accomplishing what many high school students have been unable to, rodeo team member Terry Joe Harman achieved an impressive record, winning several national riding titles.

Harman first became interested in rodeo when he read an ad for a rodeo school. Further investigation began his actual participation. Riding in the National High School Rodeo Association, Harman became the Region Four All Around Champion and also captured the bare back and saddle bronc categories.

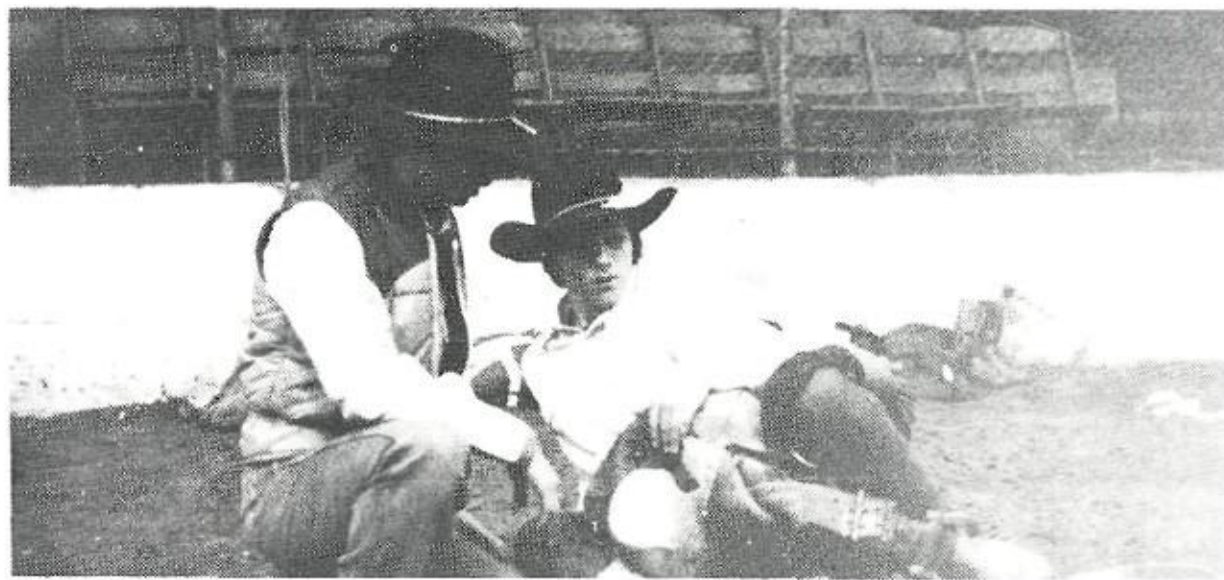

In the Lone Star Rodeo Circuit he won the bare back and saddle bronc competitions. He commented, "A lot of

hard work and a good instructor got me where I am. Someday, I plan to capture the world title in saddle bronc riding."

Harman was also a member of the International Rodeo Association, Cowboy FCA, and the Professional Rodeo Association.

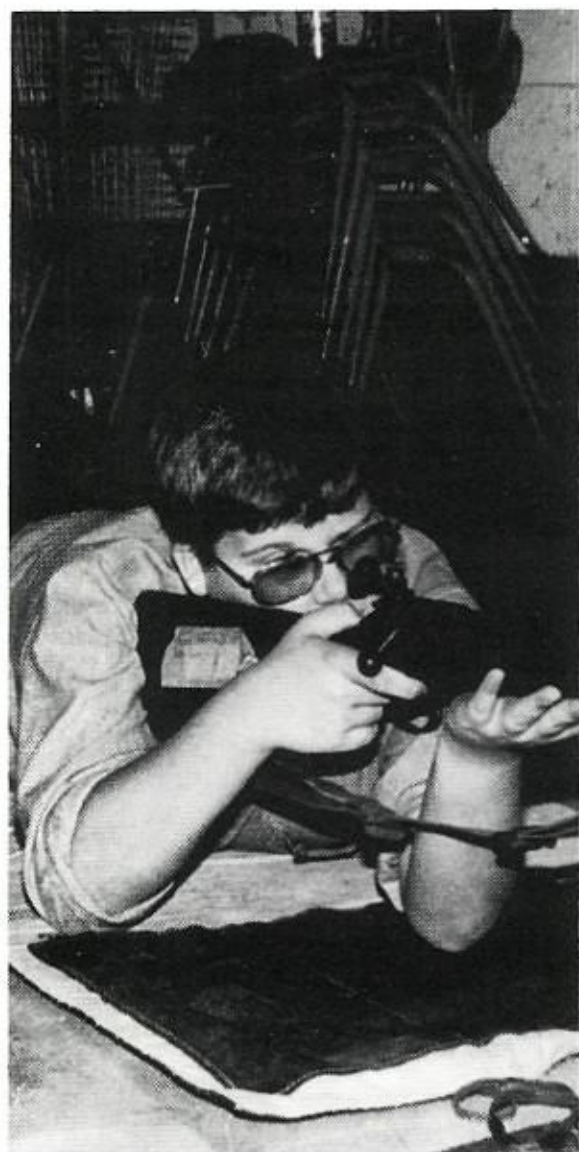

He explained, "The image of a rowdy cowboy is just not true. I love to be an influence on people and I love to perform."

Recognizing him for his accomplishments, the Bob Blackwood Rodeo Equipment Company asked Harman to be a spokesman for its products. Harman signed a contract giving him use of the company's equipment as part of his compensation.

## Wrestlers Take Three Trophies

Ending its activities for the third six weeks, the Wrestling Team added three tournament championships and dual match victory to its impressive record.

Accumulating 200½ team points, the grapplers broke the record they had set the previous year at the R.L. Turner Invitational on December 11 and 12. The team claimed five individual champions in Nick Neville, Tad Wilson, David Upshaw, Barry Smith, and Steve Cooper. Jack Milner won second place; Ricky Ward and Mark Bell, third and David Barnett and Scott Cooper each took fourth.

The dual match win came against Madison on December 17. Those providing victories for the 57-24 decision were Barnett, Ward, Neville, Wilson, Bell, Scott Pou, Tony Rodriguez, and David and Darin Upshaw.

In the Equitable of Iowa Invitational, the team came away with its third major tournament title after racking up 188½ points. The crew had two champions in David Upshaw and Smith. Rodriguez, Cooper, Arnold Hess, and Scott Cooper came away with second place. The grapplers defended their title at the New Memorial Tournament on January 9, by first routing Jesuit, Lewisville, Newman-Smith, and Trinity.

# Last Shot Beats Opponents

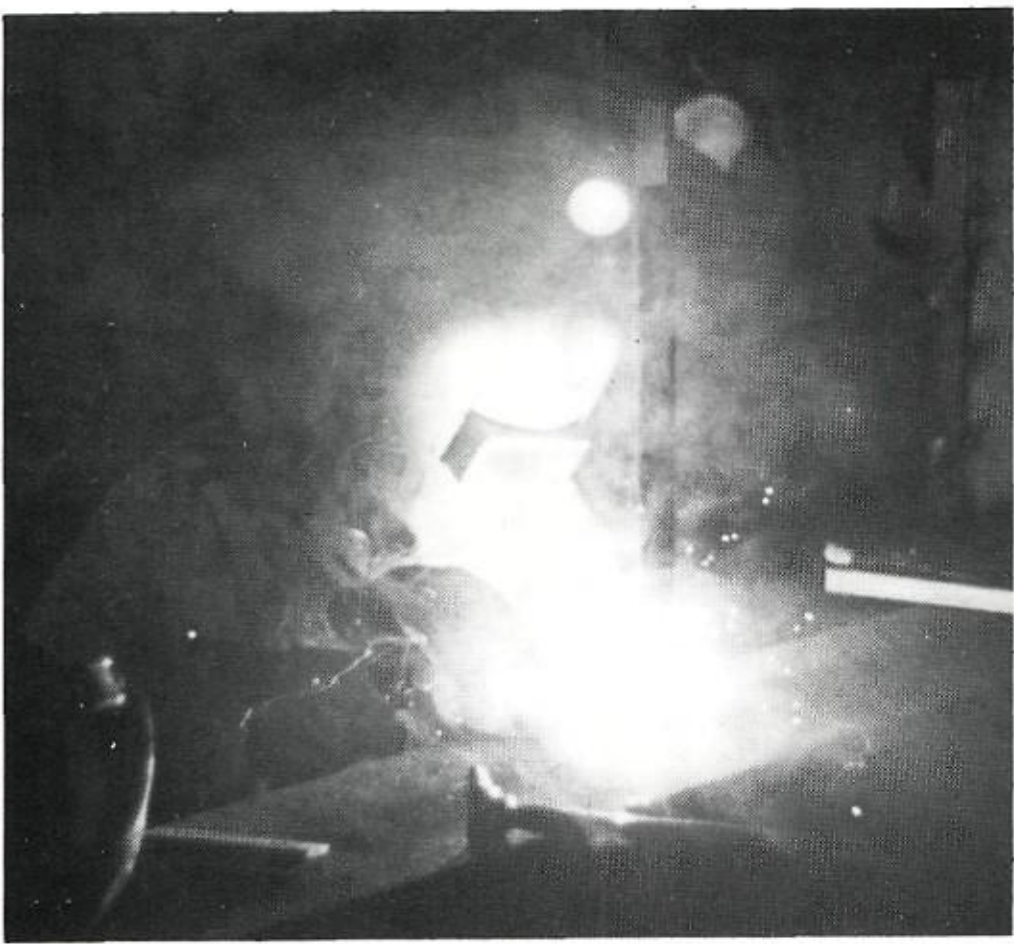

After losing to Irving in an overtime basketball game Tuesday, January 19, the District 9-AAAAA Cardinals came back to beat Grand Prairie Friday, January 22, in the Gopher Gym.

In the Irving game, Mac had the first half advantage. They chose a man-to-man defense which threw the Tigers off guard. Steve Grumbine and Amason dominated the inside.

Irving seized the fourth quarter and at the sound of the buzzer the winner was still undecided. In over time, the black and gold made two shots and a free throw to beat the

Cards, 65-61.

Mac came back to defeat the Gophers, 52-51. Amason made ten first half points which helped maintain an 11 point edge midway through the third frame. The Gophers trimmed Mac's lead to 34-33. Starting the fourth quarter with a basket, the Gophers pulled ahead 35-34. Amason and Clay Eakins exchanged baskets with Grand Prairie for the first five minutes of the period. The Gophers soon pulled ahead. With only six seconds left to play and Mac down by one point. Andy Ellard made a desperate shot to win the game.

**Left:** Attending the Cardette Banquet, Assistant Principal Dick Stinson dines on a cuisine ranging from chicken to sea food at the Southern Kitchen. **Below:** Actor William Holden was found dead in his apartment after experiencing a severe fall. **Below Left:** Seniors Barry Smith, Laura Marchant, and Scott Feguson attend the Cardette Banquet. **Below Right:** Jennifer Sheets, along with her date Kyle Carver, eat a hush puppy while waiting for their meal at the Cardette Banquet. **Bottom Left:** Comedian Paul Lynde suffered a heart attack and died at age 55 after a successful career in movies, stage, and television.

## Cardettes Attend Banquet

Gathering at the Southern Kitchen for the annual Cardette Banquet, approximately 100 drill team members and their escorts braved the frigid temperatures on January 14.

Along with the girls and their dates, several principals attended. Principal Paul Burke received a sweat suit from the organization for his dedication in helping them throughout the year. Elected Cardette Beau, Mike Cole was awarded an honorary plaque. Tammy Bell received a charm and a plaque for being voted Most Valuable Cardette by the group.

The 1982-1983 leaders and officers were also introduced. They were Kim Goff, Sabrina Shepherd, Deaun Kelly, Polly Bell,

Jennie Franks, Jennifer Holden, and Shannon Buscher as leaders. The named officers were President Julie Wren, Vice President Janna Beam, Treasurer Debbie Adamcik, Lauren Tuggle for public relations, and Julie Chandler, Allison Reichart, and Cristi Horak were historians.

President Kim Huitt remarked, "The evening went over really well. We even received a letter of thanks from Southern Kitchen for being such a polite group."

The gathering began at 5:30 pm and ran two and a half hours. The dinner was originally scheduled for 8, but bad weather caused semester exams to be rescheduled for the following day, so time had to be allowed for students to go home and study.

**Right:** As a member of HECE/PELE, Karen Lewis works after school teaching young children basic learning skills. **Below:** Freshman Tom Ludwig attempts to steal the basketball away from his opponent in a game against North Garland. **Below Center Right:** As one of his many duties, a school maintenance man repairs the wiring in the public address system. **Below Left:** Against the Lamar Vikings, Joe Doss attempts a jump shot from the field as Chris Watson awaits a rebound. **Below Right:** After many hours of training, Bart Askew poses at Love Field by the aircraft he used to attain his pilot's license.

# JV Nips Irving; Frosh Take GP

Freshman and Junior Varsity Basketball Teams continued district play and showed the MacArthur coaches ample potential for their future varsity years.

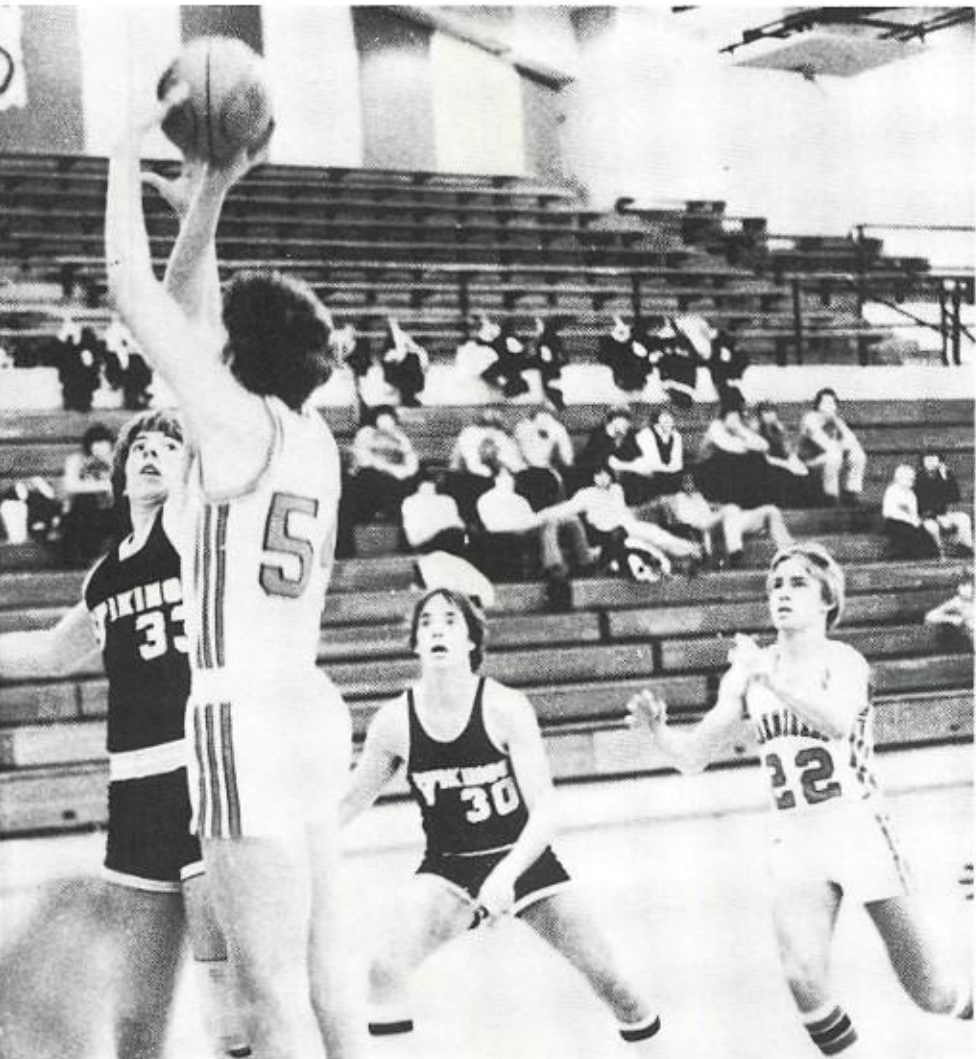

Finding success in their first two encounters with South Grand Prairie and Nimitz, the Junior Varsity Basketball Team traveled to L.D. Bell on January 16. Unfortunately, a third straight victory did not come to them. Bell came out on top with a score of 45-46. Mike Nation provided MacArthur with 15 points, and Eric Green snatched ten.

The team rebounded the following week against the Irving Tigers to a 56-49 triumph. Nation and Chris Askew netted 14 points apiece.

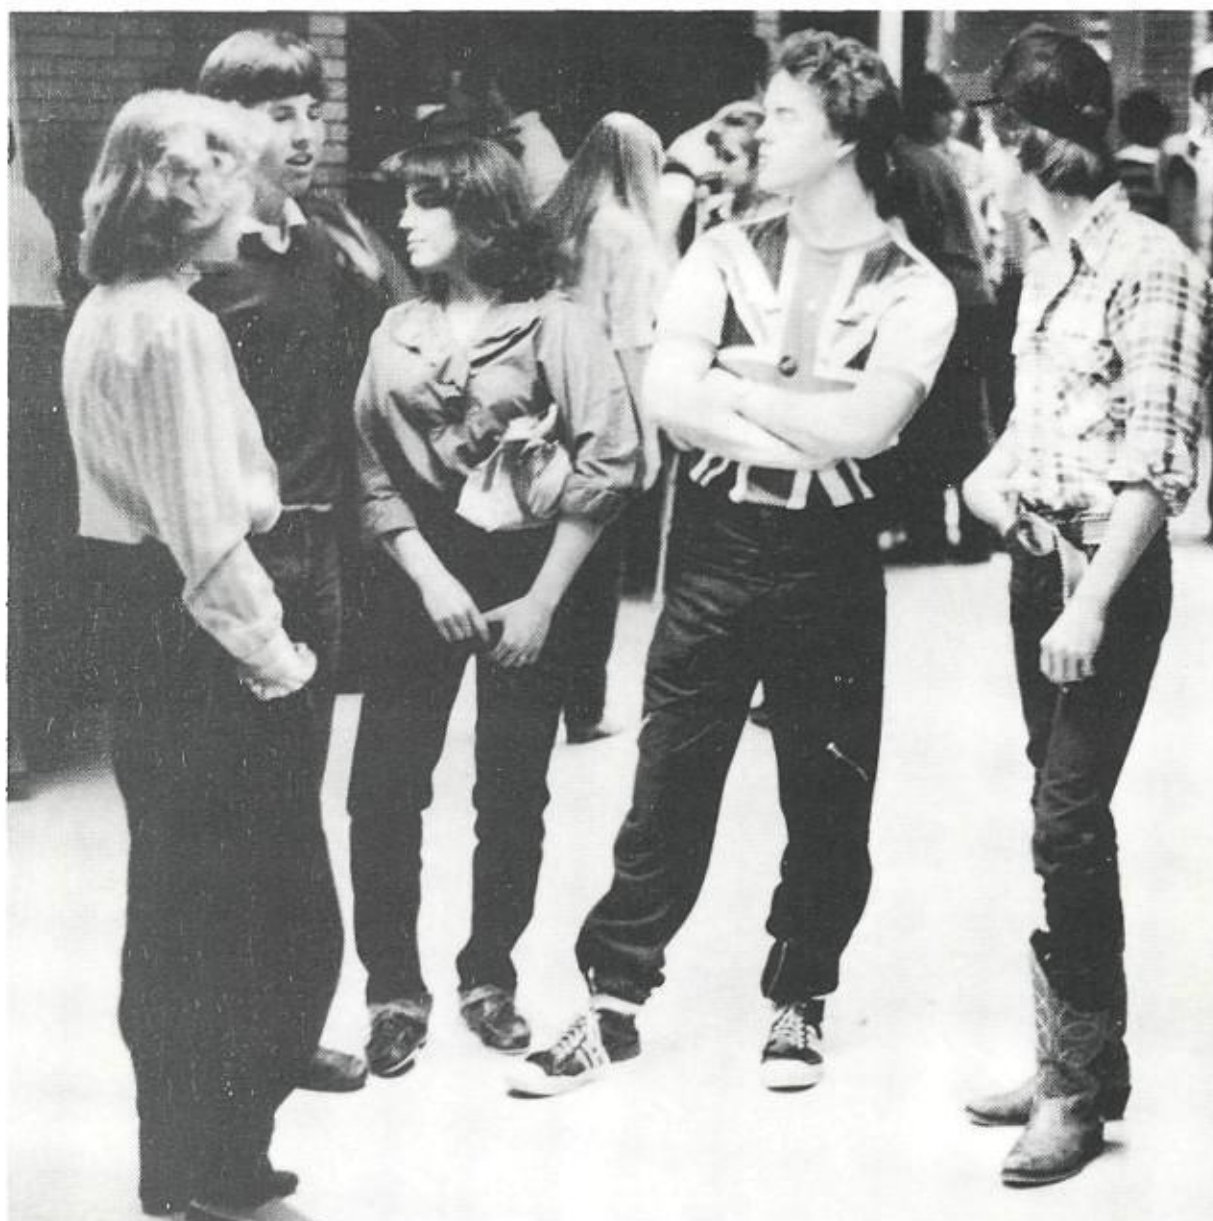

Getting off to a slow start in district competition, the Freshman Red Basketball Team compiled a 1-1 win/loss record while the White Squad lost both of their first two games.

In their first loop contest, the Red Team was defeated by the Grand Prairie Gophers in a low scoring affair, 34-39. Chad Shively scored more than half of the Cardinals' points with 20 baskets. The White Team lost to the Gophers, 31-30.

Confronting the Nimitz Vikings in their next match, the Red crew found their winning ways by trouncing Nimitz by a score of 50-41. The White Squad followed suit by giving the Vikings two losses in a row.

**Left:** During C Lunch, Charlotte Thomas, David Joyner, Lisa Trimboli, Brian Windsor, and Adrian Jacobs converse about the latest fashions. **Below:** After rebounding a missed attempt, Senior Becky McCulla goes for the power shot against Sunset in the MacArthur Field House. **Below Left:** Senior Laura Patterson lob the ball over her opponent's head to the center. **Below Right:** Nurse's Aide Kay Foley confirms Kathy Polakoff's illness by checking her temperature.

## Lady Cards Shoot for Stars

Due to adverse weather conditions during the week of January 11, the Girls' Varsity Basketball Team was forced to compete in three games with only one workout.

Matched against the Irving Tigers on January 14, the Cards came out on the top side of a 40-36 score. MacArthur shot 68% from the floor and 75% from the free throw line for the night.

In the second of the three game series, the Cardinal girls met the Nimitz Vikings in the

MacArthur Field House. Mac took an early lead, but could not to hold on as they lost by five points. Melinda Webb was high scorer as she tallied 12 for the night.

This loss did not hinder the spirit of the Cards as they went on to beat Grand Prairie on January 18. Late in the final period with Mac behind by one, Sophomore Kelly Huitt stole the ball and made a long pass down court to Webb, who held the ball until the clock ran down to two seconds, then made the final bucket—tallying the score to 38-37.

# Video Consoles Invade Home TV

During the past year the video game craze swept through the Metroplex affecting both young and old alike.

Atari, one of the leading video game manufacturers, advertised a fast moving game called Pac Man. Participants tried to keep a yellow disc from being engulfed by brightly colored monsters while scurrying through a hazardous maze. Atari, originally seen in arcades, also invaded the homes with Asteroids and Space Invaders.

Intelelevision was another popular producer. One of their offerings was a game called Scramble, where the player tried to fly a jet through a mammoth cave. More sophisticated and difficult to maneuver, Intellivision's game men looked and reacted more like the real thing.

Odyssey was a third type video game. It did not receive the popularity as the Atari and Intellivision because of limited distribution. However, it was similar to the other two in game offerings and play manipulations.

Although the basic video unit cost between \$150 and \$250, it held the advantages over the arcade games. For instance, once the computer was purchased, participants did not have to pay for each game in which they engaged—up to 50¢ a time. They did, however, make a one time purchase of a cartridge, ranging in price from \$18 to \$40.

**Above Right:** Taking a break from his studies, Junior Robert O'Conner challenges his Intellivision in a game of football. **Above Center:** In an attempt to beat the electronic Centepede, Sophomore Shannon Hoover concentrates on exterminating her video opponent at a local arcade. **Above:** While playing the video game, Defender, Junior Kim Talbert protects her fuel pods by destroying the invading aliens. **Left:** Taking time out from a yearbook Saturday workday, Junior Darrell Cole challenges Senior Robert Hattox in a game of Atari Asteroids.

# Weather Postpones Exams

Delaying semester exams, low temperatures and freezing rain closed many schools in the Dallas-Fort Worth area. A gas curtailment by Lone Star Gas Company forced the closings on January 12 and 13, as it was necessary to provide heat for homes in the area. Sophomore Dana Traves stated, "I thought it was great because we had more time to study for exams." Consequently, tests were rescheduled for Friday and Monday to complete the first half of the school year.

To students, the unexpected holidays

were accepted as needed time off. To many school organizations, however, the move was in direct conflict with their events. The basketball teams were forced to postpone their games, thus causing them to play later with only one day of practice. The Trinity Invitational Wrestling Tournament was merely delayed with a later weigh-in for the wrestlers.

Even though classes were being canceled around the area, the rest of the state was closing schools because of snow and ice. The Metroplex only received a record

temperature of seven degrees out of the deal. South of the area, some freezing precipitation accumulated in depths of up to 20 inches. The weather conditions had a bad effect on highways and consequently, some travelers spent the night in their cars or in a few opened restaurants along the road.

On the national scene, heavy snow developed in the northern states. The 1982 winter was recorded as being the worst in 25 years, as some temperatures were recorded as low as 45 degrees below zero and a wind chill factor of minus 115 degrees.

**Above Left:** Senior Carol Green poses for a picture after being nominated Sweetheart of the Rodeo Club by the organization's members. **Above Right:** Dressed for the cold weather that hit the Metroplex in early January, Senior Mark Kegans prepares to leave for what promises to be a frigid soccer practice. **Left:** Depicting the severe weather conditions which affected the northeastern states, New York City was almost at a stand still. **Above:** Senior Tiffany Riley and Sophomore Mike Hill rehearse a scene from *Funny Girl*, the Drama Club's production.

**Right:** Studying for semester exams, Sophomore Carol Coffey and Senior Becky Barret review their materials in the school library. **Below:** Chosen as December Cardinal of the Month, Cardette Sponsor Pam Hamberger jokingly scolds the photographer for interrupting her Senior English Class. **Below Center:** Freshman Victor Dillard, Junior Jodi Rains, Sophomore Mary Ann Bashour, and Senior Billy Sinclair were chosen as December Students of the Month. **Below Left:** Sophomore Tammy Heinon dribbles toward the goal during the JV Granbury game. **Below Right:** Freshman basketball player Nancy Green prepares to shoot the winning point against Mesquite in the Irving Tournament held in December.

## Lady Dribblers Earn Five Titles

November and December were busy months for the Junior Varsity and Freshman Girls' Basketball Teams as they competed in three tournaments apiece.

The JV crew became the team to beat in all three tournaments as took all three crowns. In the Grand Prairie Classic, the group beat South Grand Prairie, 31-43, and Bowie, 49-49. The Irving Tournament provided three easy wins for the squad. Grandbury was the JV's first victim with a score 47-41. City rivals Irving and Nimitz were the team's next casualties with scores of 50-41 and 40-26, respectively. The Grapevine Tourney provided only one new opponent whom they stepped by with a score of 38-33. Irving and Nimitz were once again pitted against Mac, and Mac once again came away unscathed.

JV member Katherine Lambright, elaborating on the team's success, reported, "Although all three tournaments were won with relative ease, they provided good competition for us. These games will help us for winning the district

Competing in three tournaments in the month of December, the Girls' Freshman Team won five out of their nine games.

Although the team only won their first game in the Weatherford Tournament, the crew rebounded in the next two tournaments. Their efforts gained the group the championship of the Grapevine Tourney and the consolation title in the Irving Tournament.

# Student Forum

## BOAT Essential For DISD Grads

Although high school Seniors have only been required, in the past, to pass the basic courses, they soon have to take the Basic Objective Assessment Test before being allowed to graduate.

In 1983, Dallas will become one of the first school districts in Texas to use a functional literacy test before allowing a student to complete high school. The IISD will probably not enforce it until 1984.

Should the IISD pass the program, Mac Seniors would be forced to take the test. Even though students receive sufficient grades in their courses, they would not get their diplomas until passing the BOAT.

When MacArthur students were asked their feelings of the test, all but two felt that it was unfair.

**Frances  
McAdams**

No, I don't think the test is fair.

**Annette  
Gonzalez**

I don't think the test is fair because some people don't take tests very well.

**Tammy  
Elizondo**

I don't think it's fair because if they pass all their other classes then they should get to graduate.

**Simon  
Sanchez**

Maybe the kid just wasn't having a good day, so they failed the test, and that's not fair.

**Matt  
Rayburn**

I don't think it's fair because if a student is smart enough to pass their other classes, then they are smart enough to graduate.

**Sean  
McGuire**

No, I don't think it's fair because some kids, even though they're smart, may not do good on tests like that.

**David  
Hall**

I don't think it's fair. Students should not have to take a test like that after completing their senior year.

**Maria  
Quattrin**

I don't think it's fair because some kids crack under pressure, so they may not do well on the test.

**Nick  
Neville**

I don't think it's fair because the person might have their mind on something else that day and do bad on the test.

**Lucas  
Reed**

I think it's bad. Some people can't take tests very good.

**Terri  
Richards**

No, I don't think it's fair because it really doesn't mean anything. Somebody dumb may just luck out and pass.

**Doug  
Bashara**

Man, that's not fair at all. If they pass all their other classes, then they should get to graduate.

**Jay  
Wester**

That's not fair at all for a Senior to have to take that kind of test after 12 years of school.

**Todd  
Polk**

I don't think that sort of test is fair because some people are not good at those.

**Lori  
Gilbreath**

No, I don't think it's fair because if they pass all their required courses they should be able to graduate.

**Teresa  
Malo**

It's not fair for Seniors to go to school for 12 years and then not get to graduate because of one test.

**Bryan  
Amason**

I don't think it's fair because your senior year should be fun and you shouldn't have to worry about some test like that.

**Grant  
Fagan**

No, I don't think it's fair because you might do good in school, but bomb on the test.

**Melanie  
Smith**

Yes, I think it's fair because it assures that a Senior graduated with a proper education.

**Kay  
Reeves**

No, I don't think it's fair because after 12 years of school they should graduate.

**Lisa  
Benfield**

No, I don't think it's fair because that's just like wasting a whole year of required courses.

**Mark  
Kegans**

No, I don't think that the test is fair to the students because they have already passed 12 years of school.

**Antoinette  
Marak**

No, because if a student has earned his graduation credits one test shouldn't keep him from graduating.

**Greg  
Warren**

I think that's stupid because if they're smart enough to pass their classes, then they're smart enough to graduate.

**John  
Shelley**

The test is unfair because some people have a mental block when it comes to test of that matter.

**Laura  
Weller**

If they pass all their other classes, then they should get to graduate.

**John  
Mitchell**

I think it's a good idea because some people are graduating who aren't ready.

**Marilyn  
Polston**

No, the test is not fair because Seniors have to work hard to pass their required courses and they should be able to graduate.

# Computers Aide in Teaching

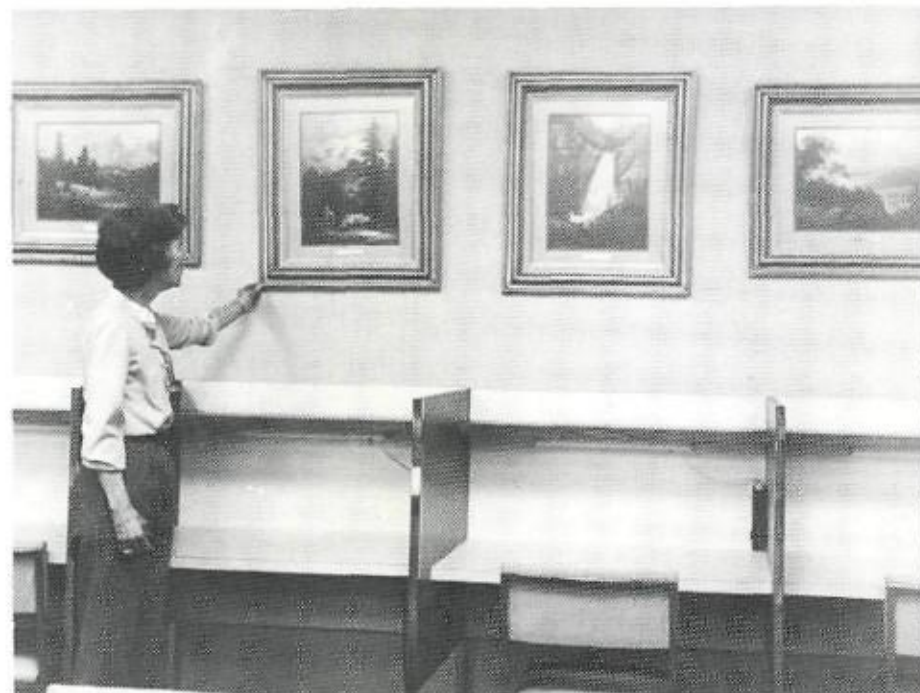

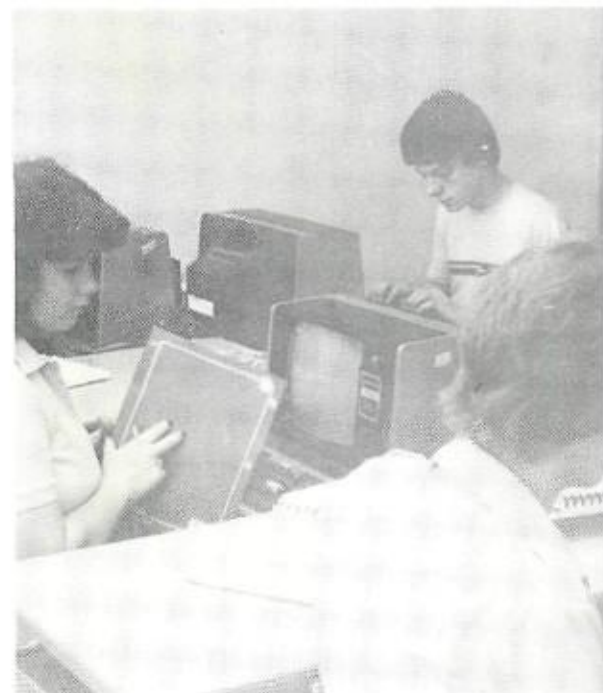

In hopes of relieving some of the work load and giving students more time for programming, six new TRS-80 computers were delivered to MacArthur on January 18. This brought the number of machines in Hope King's Computer Programming course to ten.

Having only four computers caused difficulties in not allowing a student to program for a reasonable length of time. With the installation of the new computers the students could work in pairs with a class of 20 individuals.

Data Processing was a one semester course available to Sophomores, Juniors,

and Seniors. Its purpose was to educate students in operating and programming computers. It also gave orientation to data processing systems. Included in this course was the history of data processing, definitions of key terms, basic computer concepts, methods of recording information, and socializing with the computer in everyday living careers.

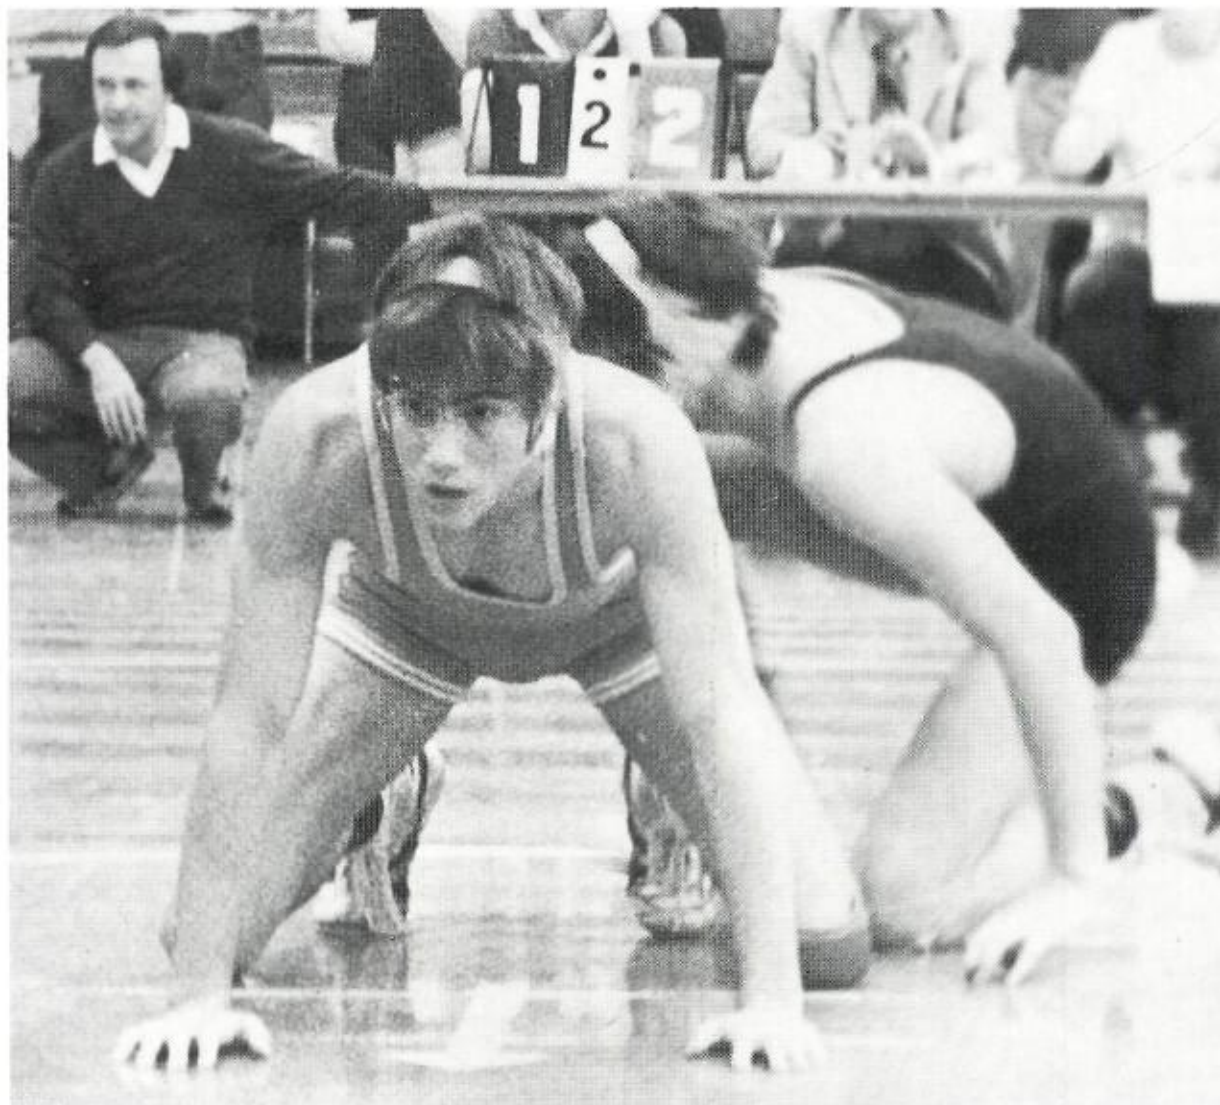

The computer programming course was provided to learn new languages and understand computer functions, especially in business. The students learned to program procedures of business for information.

**Top Right:** Computer programming students Shaun Capps, Laura Mathena, and Greg Hensheid tackle the machine's technology. **Above Left:** Portraying Dean Gristy's wife, Senior Tiffany Riley bestows a hug on him in a practice scene from *Funny Girl*. **Above Right:** Librarian Dell Watson straightens the paintings donated by Mrs. Jane Rankin of Miami, Florida. **Left:** Girls' soccer player Penny Jacobson the ball from Lauri Hooper while Joan Klimko provides back up. **Above:** Cardette Sponsor Pam Hamberger was awarded Cardinal of the Month for January.

**Right:** Going into the second round with a one point lead, Ricky Ward assumes the referee's position in his match against Ken Surrano of Austin during the State Tournament. **Below:** After being named MacArthur English Consultant, Regina Story reviews the curriculum for the remaining school year. **Below Center:** Connie Jensen joined the faculty at mid-term to teach English and German. **Bottom:** Senior Dana Kovich, Junior Tim Talkington, Sophomore Chris Hardman, and Freshman Brooke Graham were named January Students of the Month.

## Senior Teacher Takes New Job

After five years of in class teaching, Senior English teacher Regina Story was named In-Building English Consultant by the Irving Independent School District. Her new role involved aiding junior high school teachers in organizing their curriculums.

Story was selected after the district consultant, Gale Witt, resigned prior to the Christmas holidays.

Because of the added responsibilities of the new position, Story was required to give up her fourth and fifth period classes. These classes were taken by George Trauth. Trauth also instructed French and Junior English. "Mrs. Story is a super academic and moral support," exclaimed Trauth. "I'm glad to be working with her."

Connie Jensen also became a new faculty member at the new term. She taught English and German.

As a result of the change in instructors, Story's senior classes were forced to adjust to new methods of teaching introduced by Trauth. According to most pupils, the transition was fairly smooth.

"We were shocked when Mrs. Story told us that she was leaving us," related Shelby Burns. "We didn't know what to expect, but it turned out alright because Mr. Trauth is teaching us well."

**Left:** Senior Steve Grumbine takes a shot against his Tiger opponents. **Below:** Senior Becky Barret writes her award winning entry for the PTA Cultural Arts Festival. **Below Left:** PTA Cultural Arts winners Lorie Kincaid, Tammy Bell, and Kim Huitt participated in the "What Makes Me Smile" contest. **Below Right:** Junior Greg Smith confers with History teacher Jan Hahn about his nomination for the Summer Japan Foreign Exchange Program. **Bottom Left:** Junior Brad Narrell outmaneuvers an opponent in an effort to advance play down the court.

## Roundballers Suffer Slump

Losing three in a row, the Boys' Varsity Basketball Team experienced a slump during mid-season play.

Against Trinity, a weak first half injured the team's chances by putting them under by 14 points. Retaliating in the third quarter, the lead was sliced to 32-23. By the quarter's end, however, the score once again revealed a large deficit. In the last stanza, the Trojans sank ten free throws to complete the domination, 54-38.

Facing the district leading Duncanville Panthers, the Cards had a successful first half. Entering the third frame in a stalemate, Duncanville quickly took a six point lead. But by the end of the game, the Panthers

emerged with a 49-38 victory. Andy Ellard and Brian Amason led in points with ten apiece.

Mike Wallack commented, "If we start working harder and preparing better, we have just as good a chance as anyone in the league."

Traveling to South Grand Prairie, the roundballers competed well. Unfortunately they could not pull out a victory, as they fell to the Warriors by a mere two points. The squad was in the lead by half time, but could not hold on as they quickly went under by six points. With a few seconds left in the contest, a desperate shot by Ellard from half court was unsuccessful.

## JV/Freshman Rock District

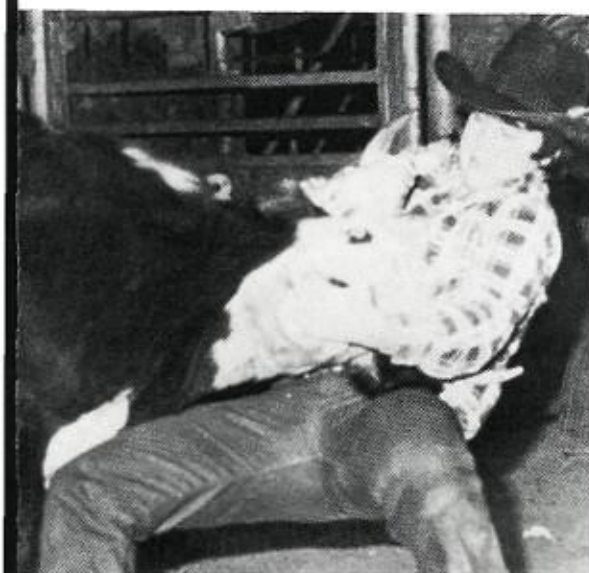

Winning seven of nine contests combined, the Junior Varsity and Freshman Basketball Teams reached a mid-season peak during district play in the fourth six weeks period.

The Freshman Teams first traveled to Grand Prairie where the Whites won, 62-22. The Red Team followed suit with a 65-62 victory. Failing to collect a sweep, the Junior Varsity found the going tough as they lost, 47-51.

Facing the Nimitz Vikings on home turf, all squads achieved easy victories. The Frosh White Team won 50-24, while the Red

Team snatched a 33-31 win. High point men for the squads were Rob Morris and John Zarita, with 11 and 18 points, respectively. Following their narrow loss to Grand Prairie, the Junior Varsity squad rebounded with a 64-54 triumph over the Vikings. Mike Nation grabbed top point production honors with 24.

In the season's closing game against Duncanville, the White Team acquired a 55-41 victory, while the Red squad lost, 37-47. In the nightcap, Rusty Troy and Mike Nation led the Junior Varsity Team to a 58-48 win over Duncanville.

**Top Left:** Freshman Gary Williams and Dale Vacek work to perfect their defense and ball control during an early morning basketball workout. **Above Left:** Junior Eric Green overhands an R.L. ## Y-Teens Change To YWCA Club

MacArthur's chapter of the Senior High YWCA (Young Women's Christian Association) formed after the termination of the Y-Teen organization. With the purpose of the group being to aid others in the community through service projects, the club met every first and third Tuesday of each month.

The meetings were brought to order and conducted by President Kathy Barr with the aid of other officers—including Interclub Council Representative Melissa Johnson, Treasurer Denise Saheib, and Secretary Shawn Howard. The new advisors were Learning Opportunities Director DeAnna Hargis and student teacher Tony Witty.

Hargis explained, "The girls really enjoy our activities. There is so much more that we are allowed to participate in now that we are affiliated with the YWCA."

The club activities included social functions, social projects, and workshops pertaining to personal growth. During the school year, the Senior High YWCA hosted a party for the day care children at the Irving YWCA. In December, the girls had a skating party, with pizza, and afterward attended a slumber party. Several participants attended a workshop held in Dallas during the beginning of January, which was directed toward the theme "Teen Women Together."

**Top:** At the Drama Club Breakfast, Chris Welch tries to awaken himself before the meeting. **Above Center:** Chosen as Freshman Class officers are Treasurer Kristi Francis, Reporter Hollye Dearing, Vice President, Ann Marie Taylor, Secretary Johnna Sheets, and President Mike Marsh. **Above:** Senior High YWCA Sponsor DeAnna Hargis consults with President Kathy Barr and Treasurer Denise Saheib. **Right:** The 1982 People group, who will travel to Europe during the summer, include Debbie Gill, Kim Brandes, Donna Hicks, Laura Skipper, Kara Martin, Janice Tipping, Felicia Marlin, Claus Henning, Karen Lewis, Cheryl Rogers, Lisa Lammel, Wendy Witt, Melinda Webb, Cheryl Tieg, Laura Patterson, Sponsors Tracy Youngblood and Patsy Parrish, David Rhodes, Craig McDougal, Teresa Roberts, Leigh Ann Hampton.

## Season Ends With Banquet

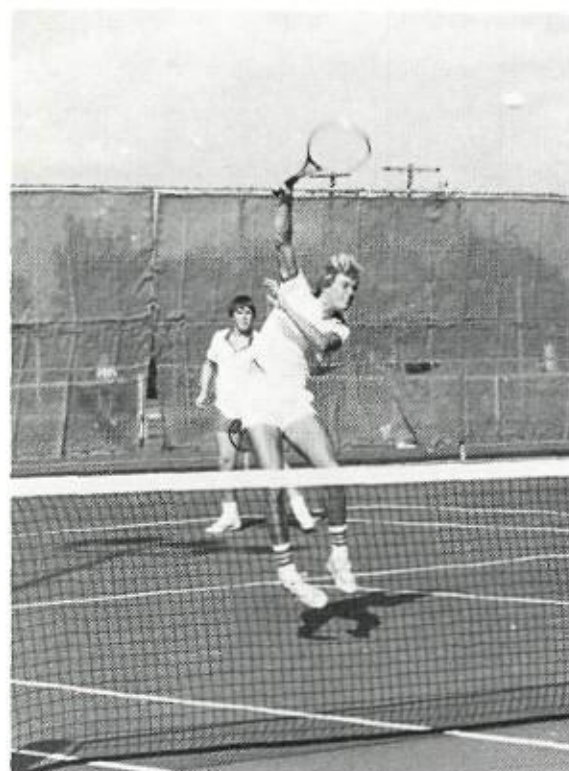

Traveling to Little Bit 'O Sweden in Dallas, the Varsity Football Team concluded its functions for the year on the evening of January 21 at their annual banquet.

Included in the group of training staff, players and their dates, and coaches were several school board members and principals. During the dinner, the couples feasted on a smorgasbord of steak, shrimp, salad, assorted appetizers, and dessert.

The evening began with a prayer which was immediately followed by dinner. After all had finished their meal, Team Captains Mike Cole, John DiPasquale, Robert Obennoskey, and John Sullivan bestowed a charm necklace to Karen Deen who was

voted Football Sweetheart. After the presentation, the coaches' wives were given roses for their cooperation and understanding throughout the season. The ceremony ended with the introduction of several guests including Head Coach Ronnie Cox, Booster Club President Jake Billingsley, Cardette Sponsor Pam Hamberger, and Cheerleader Sponsor Georgia Regelsky. The evening was brought to a close with a prayer.

When asked about the success of the banquet, Senior Steve Orenstein stated, "Even though I was one of the few guys there who didn't have date, I enjoyed the evening of great food and interesting presentations."

## Varsity Wins Second Place

Varsity Girls' Basketball ended their 1982 season with a loss to Duncanville on Thursday, February 18.

The defeat left them with a record of 21 wins and 10 losses and a second place finish in district behind Duncanville.

The girls, instructed by Coach James Peugh, also finished high in tournament play as they finished in the top four on three different occasions. In the Weatherford Tournament they earned a first; in the Grand Prairie Classic they placed second; and in the Irving Schools Tourney a fourth place title was captured.

The high scorers of the varsity squad

included Senior Dana Kovich, Junior Sherrie Kellogg, and Sophomore Kelly Huitt. Commented Peugh, "All three were in the top 20 in district for scoring leaders. They were all consistently scoring, and though each girl did not score much higher than the other two, they scored substantially higher than the rest of the members of the team."

The team's starting line-up consisted of Kovich, Huitt, Kellogg, Junior Melinda Webb, and Sophomore Kim Nevil. The rest of the members of the varsity squad were Seniors Becky McCullar, Karen Hovey, Laura Patterson, and Junior Lisa Meyer.

**Above Left:** Senior Dana Kovich considers the open shot in girls' basketball action against Grand Prairie. **Above Right:** In their game against Grand Prairie, varsity basketball players Kim Nevil and Sherrie Kellogg react to a loose ball. **Above Center Left:** Junior Paige Surratt and Senior Debbie Turner partake in a MacDonald's breakfast outing sponsored by the Art Club. **Above:** Junior Kenny Young dribbles around his opponent while Sophomore Tommy Stone helps out in the soccer team's Grand Prairie contest. **Right:** Students exhibit their support for the Varsity Basketball Team during the pep rally preceding the Grand Prairie game.

## JV/Frosh Girls Collect 42 Wins

Freshman Girls' Basketball Coach Tracy Byrne led her players to a second place behind Duncanville. However, their 16 and 4 win/loss record earned them a city championship.

The city champs included Lynn Peugh, Mona Sherman, Nancy Green, Mauri Elizando, and Keri Geer. Since District 9-AAAAA rules specified that only district champions could advance to the bi-district playoffs, the Freshman Team did not compete in post season play.

The Junior Varsity Team, having won the first half of the season with a 22 game win streak, was still in contention for the first place position.

The squad, under the direction of first year Coach Suzie Oelschlegel, racked up a record of 26 wins and three losses with only two games remaining on their schedule. They took first in the South Oak Cliff, Grapevine, and Irving Schools tourneys.

The starting five for the Junior Varsity Team were Sophomores Jana Sauerwein, Chris Herttenberger, Laura Billingsley, Catherine Lambright, and Junior Jina Yates.

## Varsity Starter Coaches Sister

Junior Mike O'Donnell kept busy during the winter months by coaching a girls' basketball team in his free time. His qualifications for the job stemmed from his own playing experience as a starting forward on MacArthur's Varsity Basketball Team.

Formerly a student at Holy Family of Nazareth School, O'Donnell worked out the school's sixth grade girls' basketball team whenever possible. The team, named the Raiders, won their first seven games to improve on the no win season of the previous year. The nine member squad included O'Donnell's eleven year old sister, Janet.

O'Donnell elaborated on his team's formula for success—faith in each girl to do a good job—by stating, "I prefer winning games much more over losing. I played all the girls at least a quarter, eight minutes, each game. Last year, when we had a losing record, it was hard to put in some of the girls when the game was close. This year we were winning and I did not hesitate to put any of the girls in because I knew each one of them was capable of performing at their peak at any time. Such a situation makes it easier to coach."

**Top:** Junior Mike O'Donnell and his sister Janet prepare for a practice with the team he coaches. **Above Center:** Freshman Mona Sherman tries to inbound the basketball to a teammate over the head of a Grand Prairie netter. **Left:** Junior Jina Yates fights a Trinity player for control of a jump ball. **Above:** Crest Art Editor Scott Ferguson works on a possible design for the 1981-1982 yearbook cover.

## Drama Performs 'Funny Girl'

Drama Club members presented the Broadway hit, *Funny Girl*, on February 4, 5, and 6 in the MacArthur Auditorium.

Assuming the title role of Fanny Brice, Tiffany Riley portrayed a young, energetic, but unattractive, girl searching for stardom in the 1920's. Fanny fell in love with a professional gambler, Nick Arnstein, portrayed by Dean Gristy. Through the coaching of her good friend Eddie Ryan, played by Mike Hill, and her mother, Jamie Fredrick, she became a star. Fanny and Nick married soon after her rise to fame, but his constant gambling caused the two to separate.

Performing in major supportive roles were Marci Freidberg, as Mrs. Strakesh; Julie Bowman, as Mrs. Meeker; Angie Hardman, as Mrs. O'Malley; Jeff Gardner as Florenz Ziegfeld; and Chris Welch, as Tom Keeney. Gardner was also instrumental in designing the elaborate sets. Senior Robert Hattox was responsible for all of the technical work. The MacArthur Band provided the music for the show.

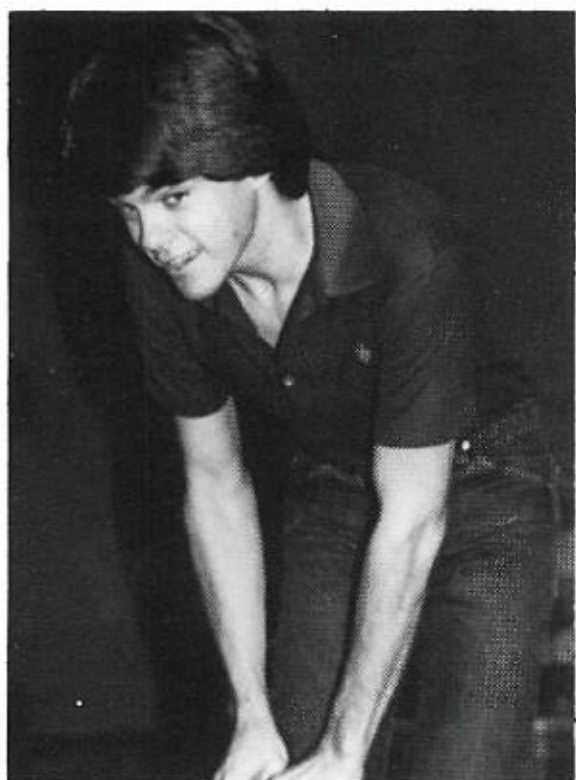

Commenting on the performance, Gristy added, "The drama was a fantastic success in that we all enjoyed participating and raising money for the Drama Club. Plus, the crowds seemed to be pleased."

**Above Left:** Freshman Antonio Cantu listens carefully to instructions given during an ROTC inspection. **Above Center Left:** Gymnast Steve Bauer prepares to cast off in order to execute a swing. **Above Right:** During their performance in the Drama Club production of *Funny Girl*, leading man Dean Gristy tries to impress his female counterpart, Tiffany Riley. **Left:** Drama Club members Jeff Gardner, Kim Plunkett, Shelly Grego, and Ginger Edwards participate in the wedding scene during the production of *Funny Girl*. **Above:** Eddie Ryan (Mike Hill) confronts Fanny Brice (Tiffany Riley) during the Drama Club's production of *Funny Girl* as Angie Hardman and Jamie Fredrick look on.

## Speech/Drama Seek State

By qualifying 18 of its members for the final state-wide contest, the drama squad obtained a successful record as the season drew to a close.

Primary reasons for the squad's success were attributed to three major reasons: high morale, stern practice sessions, and excellent student/teacher relations. The original material used in competition and the different acting styles also contributed. Debbie Capps related, "I think the main reason that we are doing so well is because of the great deal of hard work."

Well earned respect increased toward the

squad as the year progressed. Along with 12 actors eligible for the Texas Forensic Association Tournament, some in more than one event, the squad also won 28 trophies and awards—including first and second place sweepstakes trophies.

"Unlike other activities that need audiences for support, we support ourselves," stated Senior Cheryl Montague.

Charlotte English, who taught drama and coached the actors, commented, "Our squad is a culmination of three essential elements: hard work, talent, and experience."

## Students' Rock Hits Metroplex

Several Mac students unveiled their musical talents after joining various area rock groups. Regis, Third Request, and Paper comprised the list of bands in which these performers chose to start a possible career.

Student bands often had a tough time organizing on the high school level, as was the case with Regis. The group's progress was hampered by name changes and a loss of members to competition. Regis, whose demo recording earned them a performance at Big Mike's in Lancaster, consisted of bassist/vocalist Chas Allen, lead guitarist Wayne Brown, drummer Mark Oboyle, and guitarist/keyboardist Chris Owens.

The band, Paper, concentrated on playing new wave music. Percussionist/vocalist David Hurst, keyboardist/vocalist Breck Outland, and guitarists Jeff Ehrilic and Jeff Aldridge brought their talents together to form the music.

Third Request, a versatile group, who played new wave, rock, reggae, and blues planned their debut during the Senior Spectacular.

## Lack of Offense Delays Strikers

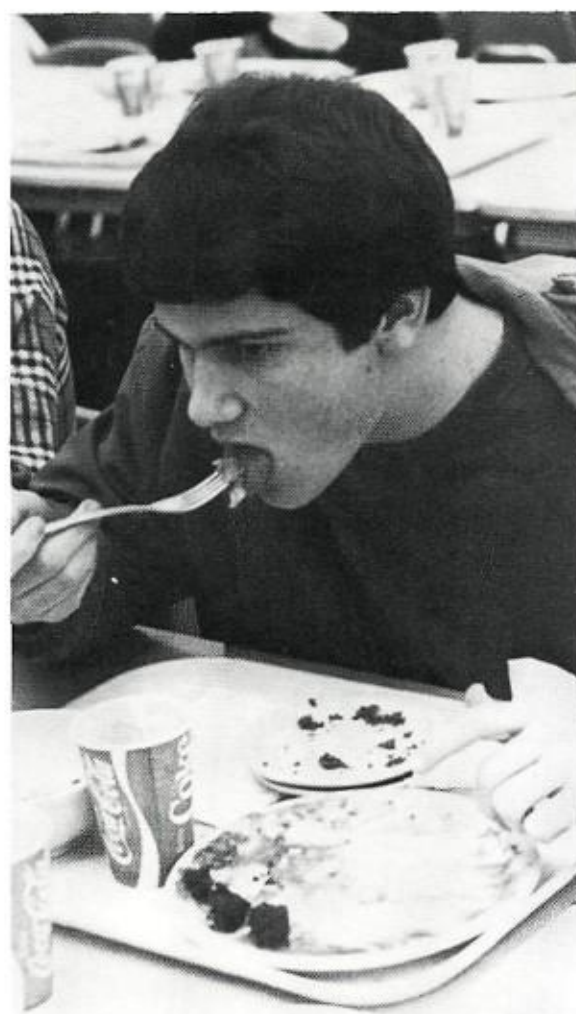

Facing tough non-district competition, the Varsity Soccer Team could not come up with winning goals as they tied Sunset and lost to Hillcrest.

With play locked up at two after the first half, neither squad was able to push the ball past the opposing goalie. Thus, Mac was forced to accept a tie against the Sunset Bisons on February 11.

The Bisons scored two quick goals early in the first half. Mac's defense then shut down Sunset's offense, and they could not put another tally on the board. The Cardinals fought back and were able to narrow the gap. Kenny Young rifled a 25 yard shot, and the deficit closed to one.

The next goal which knotted the score came in the final seconds of the third half. By virtue of a penalty kick, Simon Sanchez whipped the ball past the goalie. In non-district play, no overtime period or shootouts were allowed to help break the tie. Sanchez's goal became the last offensive effort for either team the rest of the night.

Handing MacArthur its first loss, the Hillcrest Panthers used sub-freezing temperatures to their advantage and escaped with a 2-0 win. Hillcrest's Hector DeLaGarza did all the damage on the scoreboard as he came away with both goals.

**Top:** Third Request members Marc Lee, Darren Gristy and Dean Gristy find a tree just as comfortable as the stage. **Above Center:** Drummer Mark Oboyle, guitarist, guitarist Chris Owens, bassist/vocalist Chad Allen, and lead guitarist Wayne Brown make up the rock group Regis. **Left:** Junior Greg Smith points to his three meatballs as he consumes a tasty morsel at the Band Spaghetti Supper held to raise funds for future activities. **Above:** Varsity soccer player Mark Slejko steals the ball from his opponent while Simon Sanchez moves into position.

# Mac Hosts Drama Tourney

Culminating three weeks of preparation, the Drama/Speech Department hosted state qualifying tournament on the weekend of March 12 and 13. Approximately 1500 competitors participated from the 48 schools that attended.

One of the goals involved in the undertaking of this huge project was to have the members of the Drama/Speech Department learn the responsibilities of sponsoring a tournament.

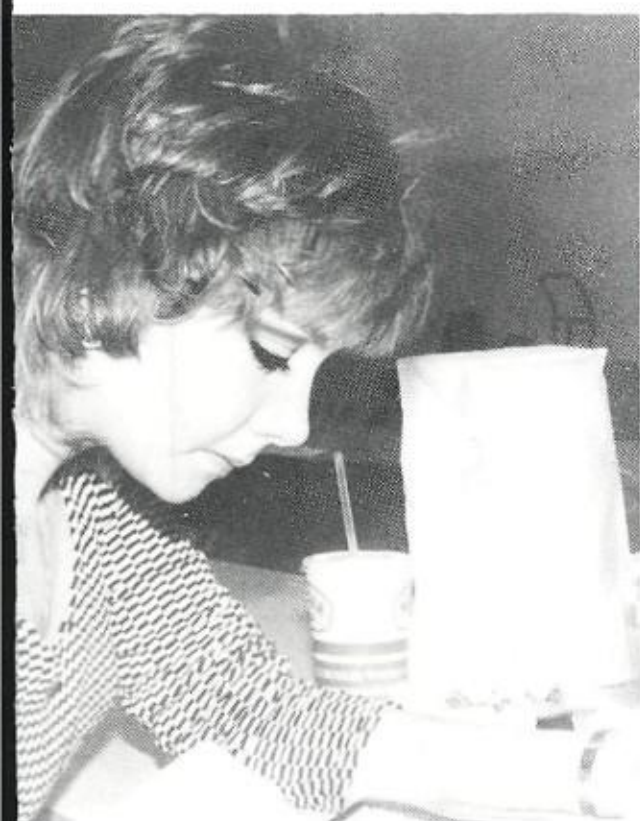

Student Tournament Director Tiffany Riley had her hands full from the very start,

for the tournament included two days with a long, hectic schedule. She was helped by 24 students who were in charge of various events and details. Their efforts went for more than just a learning experience as the money earned from hosting the tournament helped to fund the state bound members of the squad.

Four \$100 scholarships were awarded at the tournament. The grants were given to the two members of the winning duet team, and the two members of the winning CX debate team.

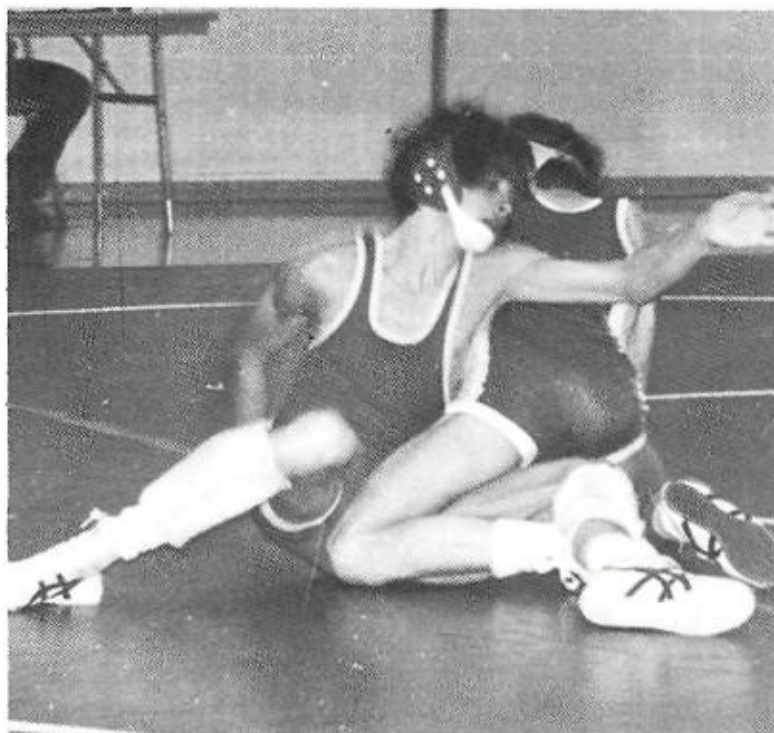

**Above:** Distributing carnations, Senior Charlottee Thomas gives Girls' Track Coach Judy Blalock a Valentine wish. **Left:** Robert Denton, Elizabeth Bongfeldt, Barry Burns, Ashley Frederick, and Brian Rayburn run the concession stand during the MacArthur hosted Drama/Speech Tournament. **Below Left:** Ginger Morriss takes a break from her duties at the Drama/Speech Tournament to look over the latest fashions. **Below:** Volunteering their lunchtime, Student Council members Jamie Billingsley, Stacy Crawford, and Mike Cole sell carnations as a Valentine's project.

## Wrestling Regionals Taken

After ending the regular season with a 15-1 dual match record and six major tournament victories, the Wrestling Team captured its fourth district championship in a row and its third regional title in four years.

The championship finals of the district tourney saw 11 of the 13 member team vying for individual crowns. Eight of the 11 were successful as Ricky Ward, Darrin Upshaw, Jack Milner, Nick Neville, Tad Wilson, David Upshaw, Mark Bell, and Barry Smith each defeated their adversaries to earn first place trophies. David Barnett, Tony Rodriguez, and Steve Cooper all lost in

close matches in the championship finals and snared second place medals. Scott Pou and Troy Pigrenet won third place for their efforts.

MacArthur's district record of 205½ points, overwhelmed the five team field and qualified the entire squad for the Regional Tournament.

"We had a pretty good showing from a team standpoint," related Coach Tim Marzuola, "but we're going to have to smooth out some rough spots in our technique before regional and especially before state."

At the regional competition the following week, 11 team members succeeded in placing second or first, thus qualifying them for the State Meet. Regional champions were Ward, Neville, Wilson, David Upshaw, Bell, and Smith. Barnett, Rodriguez, Darrin Upshaw, and Milner each earned silver medals. The Cardinal grapplers set yet another record by piling up 260½ team points in its devastation of all the 11 team competing.

"We had some really outstanding performances at some tough weight classes," commented Captain Nick Neville.

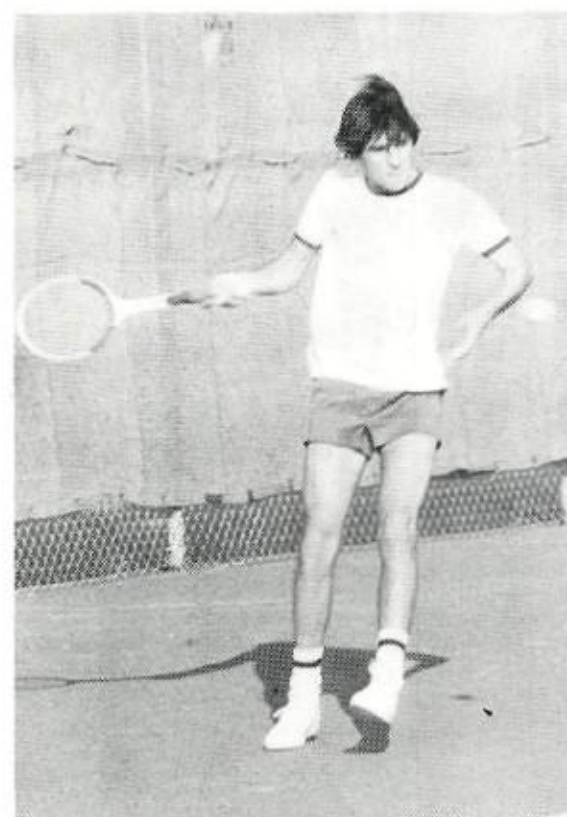

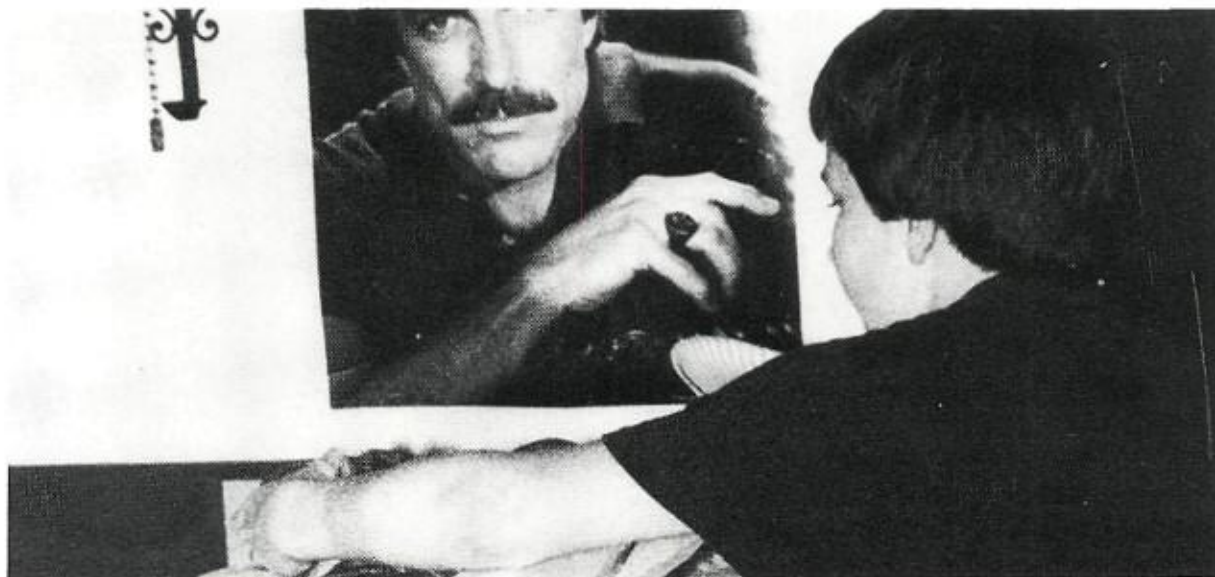

# Tennis Wins Six In Three Weeks

During the first three weeks of the spring season, the Tennis Team compiled a 6-0 record.

Their winning streak began with the defeat of the Grapevine Mustangs in a blow-out, 15-4. The Irving Tigers became the next victim of the Cards in a close, 5-3, match. Continuing their domination of the district, the netters defeated Nimitz by a score of 20-5. The Arlington and Grand Prairie teams were also soundly beaten by the Cardinals. The biggest victory came against the Highland Park Scotties. The, 4-3, win was the first dual match victory over the Scotts in 16 years.

On February 21, the team participated in the Dallas Indoor Tournament held at the Cotton Bowl. The squad returned with a second place finish and with several individual winners. In Boys' A Doubles, Matt Peden and Ronnie Nedrow took second place. In Boys' B Doubles, the tandem of Robert Abston and Craig McDougal proved to be outstanding by taking first place. In Girls' B Doubles competition, the team of Carol Coffey and Katie Butler gained the second place trophy in the tournament.

## Girls' Hold Winning Streak

Winning five out of six games, the Girls' Varsity Soccer Team, coached by Joanna Gerlach, began District 9-AAAAA play.

The 18 member squad included Seniors Jami Baker and Pam Perry, Juniors Renee Troy, Gaylene Browning, Marion Colby, Penney Jacobson, Marilyn Polston, and Page Endsly, Sophomores Barbara Bohm, Lisa Harris, and Laura Raven, and Freshmen Lauri Hooper, Wendy Buchanan, Cindy Crary, Lisa Delatorre, Dee Eudy, Joan Klimko, and Debbie Morgan. Perry doubled as a trainer and team member.

The only loss came at the hands of Plano High, with a final score of 3-0. The girls defeated Nimitz, 5-1. Grand Prairie was mauled, 7-2. Irving fell, 2-1. And, South Grand Prairie lost by an 8-0 margin. Finally, Arlington Bowie was overcome, 3-0. Leading scorers for MacArthur were Troy and Polston. Goalie Baker was also a major contribution to the victories.

When asked how the year of play differed from previous seasons, Gerlach replied, "The girls had an easier time this year—mainly because of the fact that Girls' Soccer was school sponsored."

## Blood Bank Fosters Giving

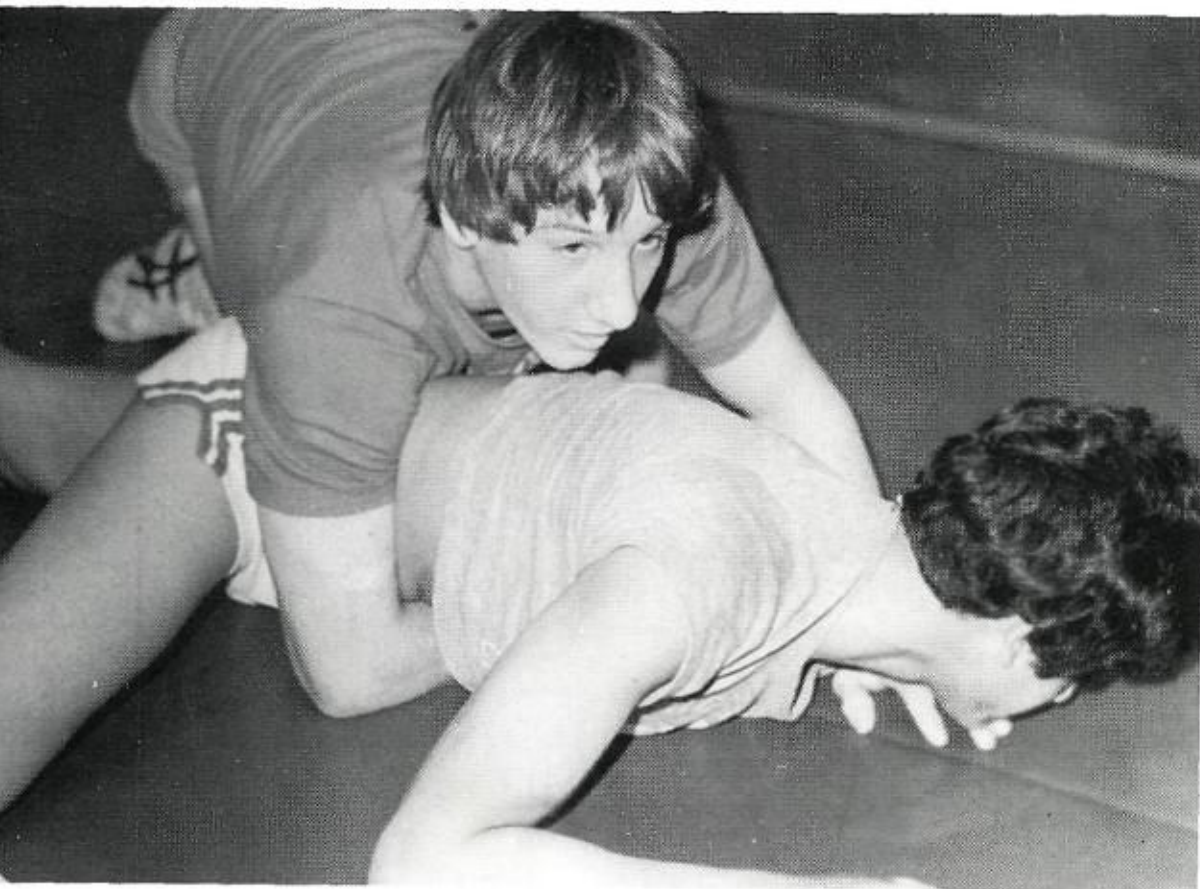

Participation in the third annual Student Council sponsored blood drive totaled 51 student volunteers. The donations were placed in MacArthur's name at the Wadley Central Blood Bank in Dallas.

In order to give blood, students had to meet several requirements. Donors had to be 17 or older, weigh over 110 pounds, and be in relatively good health. Those with colds or major diseases such as diabetes were not allowed to participate. Volunteers having had recent surgery were also barred from giving blood due to the possibility of complications.

Students were required to complete a

form that explained the conditions under which they could give blood. After this, eligibility was checked and temperature, blood pressure, and pulse rate were taken. A pint of blood was extracted from each applicant. In order to restore blood sugar and fluid levels, donors received orange juice and crackers when the procedure was completed after approximately 20 minutes. Participants also got a chance to rest before returning to their classes.

"I was apprehensive about giving blood until I realized my blood could save a life," stated Senior Penny Maulden. "Then I had no more second thoughts."

**Top Left:** Student Council officer Jennifer Sheets observes as a Wadley Blood Bank volunteer prepares Gina Quirk for her donation. **Above Left:** Jennifer Sheets comforts Steve Logan while Patty Moeller, Linda Moore, and Charlotte Thomas watch during the Student Council sponsored blood drive. **Above Right:** Junior Nancy Smith beams after receiving first place for freestyle in an ice skating competition. **Left:** Gary Phillips breaks down Robert Zachery during an afternoon wrestling practice. **Above:** HECCE student Tina Harris reads a story to a group of youngsters.

## Seniors Engage In College Day

Buses and cars loaded with MacArthur Seniors departed the campus at 11 am on February 9, bound for Northlake College's College Day.

The students arrived at 11:30 and were quickly escorted to the auditorium. An orientation of the day's activities soon followed as the participants were welcomed to the campus.

Dr. Henry Bounds, college dean, and members of the faculty spoke about school curriculum. A film explaining the phases of entering college was shown with SMU and Texas A & M being used as examples.

After experiencing a mini-registration in which students chose two classes to attend, box lunches were provided for the cost of \$1. Classes lasted approximately 50 minutes, with a ten minute passing period between sessions.

Gayla Moore commented on her views of the event by stating, "It gave me a good idea of the teachers and the school itself. The teachers treated us on a one-to-one basis. I really enjoyed it. Before this, I had no conception of what went on in a college classroom. Fortunately, I do now."

**Left:** DeAnn Mahaffey looks over the Vocational Week Newsletter she edited and produced. **Below:** Donna Stallard and Freshman Becky Jenson participate in the HECE Employer Reception. **Below Left:** A Northlake typing teacher lectures on the phases of preparing a business letter to students during Vocational Week. **Below Right:** Admiring her doll collection, Teresa Roberts contemplates an addition to her hobby. **Bottom Right:** Karen Lewis makes buttons to promote Vocational Week.

## Vocational Week Credited

Vocational Week occurred at all three high schools during the week of February 7. Aven Lacy, vocational counselor, was in charge of the function at MacArthur.

Newsletters were prepared by the Journalism Department under the direction of DeAnn Mahaffey. Alise Kaplan designed buttons signifying the occasion.

Four classes, Homemaking, ICT (Industrial Cooperative Training), M & DE (Marketing and Distributive Education), and VOE (Vocational Office Education) presented displays in the upper and lower floor show cases. Each included tools, posters, and pictures that exhibited their participation in the program.

Guest resource speakers from B & B Auto Antiques, Lyon Van Lines, and the Employment Agency also participated to relate information concerning future job opportunities.

Some of the classes sponsored activities such as Valentine parties, field trips to surrounding schools, and open house. The CVAE/Co-op attended a city wide advisory committee at the Administration Building.

Lacy commented on the week's success by stating, "I thought that it was a very beneficial experience to each student involved. It seems to grow bigger and bigger each year and I hope it will continue to be a success in the future."

# Varsity Boys Finish Season

MacArthur varsity roundballers walked away with two victories in three battles fought with Nimitz, Irving, and Grand Prairie High Schools during the latter part of February.

The first win came against the Nimitz Vikings. With 2:46 left in the contest, Mac owned a seven point advantage. Bryan Amason scored to give the Cards an insurmountable lead with 24 seconds left on the clock. Amason lead the win with 12 points, followed by Andy Ellard and Mike O'Donnell with eight tallies each.

The Cardinals were unable to trap the Irving Tigers. With 4:03 left in the game,

Brad Narrell brought the Cards within three points. With the clock winding down, Mac was forced to foul. Unfortunately, the Tigers capitalized at the free throw line to extend their margin of victory to 49-37.

MacArthur took a 45-40 win over Grand Prairie the following week. The half ended with the Cards leading, 25-21. Mac still held a 43-38 advantage with 33 seconds left in the game. In the remaining time, both teams scored, but the Birds came away with a 45-40 victory to conclude their season. Amason, high scorer of the evening, took 16 while O'Donnell and Ellard gained ten points apiece.

**Top Right:** Clay Eakins (50) attempts a shot in the contest against the Lamar Lions. **Above Left:** JV roundballer, Robert McCormick, looks for an open shot as he keeps an eye on his opponent. **Above Right:** Woodshop instructor Velton Davis lectures as Lance Allen, Tim Ives, Russ Woodard, and Doug Cason listen. **Above:** Angie Flanery acts as witness as Cheryl Burd and Kirk Bedinger take their wedding vows at the Senior Class Dance. **Right:** Curt Miller and Assistant Principal Dick Stinson aid in preparing Kirk Bedinger for his mock wedding ceremony at the Senior Dance.

## Dribblers Close '82 Season

Freshman and Junior Varsity Basketball Teams closed their 1982 season with contests against five district adversaries.

Both the Frosh Red and White Teams took victories over the Nimitz Vikings. Chad Shively and Lonnie Finch, of the Red Team, lead the Cards to a 61-48 win.

The Irving game resulted in a defeat for both squads. Despite a 20 point performance by Red Team standout Johnny Zarita, Mac fell to a 54-36 loss. The White Team, with Bryan Hand's eight points, was also unable to dent the Tigers as they dropped to a 30-26 decision.

Rob Morris lead the Cards to a 55-48 victory over the Duncanville Panthers. The Red Team suffered a three point upset from

the Cats. Both squads were beaten by the South Grand Prairie Warriors. The team was unable to win, bringing the Red Team to a downfall, 58-55.

The Junior Varsity Boys defeated the Vikings by 19 points. High scorers included Mike Nation, who totaled 16 points, and Rusty Troy, who added 12. Two days later, Mac was again victorious as they swept over the L.D. Bell Raiders, 50-48. Although suffering a four point loss to the Gophers, Mac came back and overtook the Trojans by 19 points. The victory lead the Cards to Duncanville where they closed their season play with another win. In the victory, Troy grabbed 15 tallies, and Nation contributed 13.

**Above Left:** Junior Class officers for the 1981-1982 school year are President Kenny Rudolph, Vice President Craig McDougal, Reporter Mike Smith, and Treasurer Jeff King. **Above Right:** JV dribbler Rusty Troy attempts to escape from his South Grand Prairie opponent. **Above:** Victor (Robert Hattox) adds a touch of levity to the State Wrestling Pep Rally. **Left:** Rob Morris dribble down the court towards a basket for Mac giving the Cards a victory over the Duncanville Panthers.

## Cadets Drill in San Angelo

Working throughout the first two weeks of February, the ROTC Drill Teams prepared for the San Angelo Meet held on the campus of San Angelo State University in southwest Texas.

The meet, segmented into three phases, began with the cadets reporting to the inspecting officers for inspection appearance. The judges, who were professional military officers, inspected the team's uniforms for flaws and posture. Cadets were then required to answer Annual Federal Inspection Questions to test their knowledge of military procedures.

The second phase was titled the drill phase. In this drill, the fundamentals of

precision marching were emphasized. Checking to see if everyone was in cadence, the presiding officer awarded points for every correct command executed by the squads.

The third and final procedure was the most difficult. This routine, fancy drill, consisted of several movements, which had to be completed within a time frame of between six and eight minutes.

When asked about the mental stress involved, Sophomore Nancy Elliott stated, "Being in ROTC can be very trying at times, but if you can learn self-discipline, you can do what ever you want. It takes a lot of work to be good at anything you do."

**Above Left:** Freshman Henry Enriquez blocks an opponent from reaching the ball. **Above Right:** Junior Cadet Bob Wilson stands at ease while awaiting further instructions from Sergeant Dewayne Klutz. **Above Left Center:** National Honor Society Sponsor Jan Hahn explains the route to The Plaza of the Americas to Suzanne Dixon for the NHS Ice Skating Party. **Above:** Attempting to obtain the ball, Freshman Henry Enriquez out maneuvers his counterpart. **Right:** Listening attentively, Junior Bob Wilson receives instructions from Sergeant Dewayne Klutz.

## Savings Boosted At Senior Social

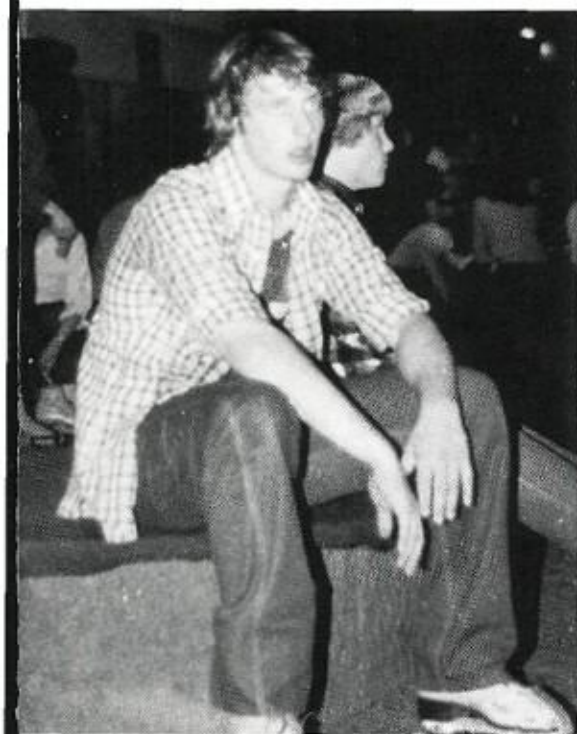

In order to raise funds for the prom, the Senior Class sponsored an All School Skating Party at the Skatin' Place on Friday, February 27.

The agreement with the Skatin' Place called for the floor to be cleared of the first session skaters at 10:30. Since this did not occur until 11, MacArthur's time was extended by 30 minutes.

A hairy leg contest was held as part of the night's entertainment. Contestants included John DiPasquale, Robert Hattox, Tad Wilson, Mark Kegans, Ronnie Nedrow, Mike Adams, and Mike Wilson. After two applause elimination rounds, Tad Wilson was selected the winner.

In addition, the Air Guitar Band performed. Seniors Jack Hands, Tony Rodriguez, Mike Wilson, Allen Kennedy, David Teel, and Marco Molina improvised Rick Springfield's "Working Class Dog."

The Skatin' Place received one half of each \$3 admission charge. Approximately 113 students attended, which helped defray the April prom costs. Senior Mike Wilson commented, "I wish more people would have come. I believe the people who came had a great time."

**Top:** Ronnie Nedrow strives to keep warm while glancing to see if anyone is looking. **Above Center:** Senior Counselor Joe Pritchard immitates a photographer as English teacher Jan Hertwig contemplates his sanity. **Above:** Senior Brad Walters struggles to catch his breath while watching his peers circle the rink. **Right:** The Senior Class officers for 1981-1982 are Shelby Burns, David Paige, Shelley Clutts, and David Joyner.

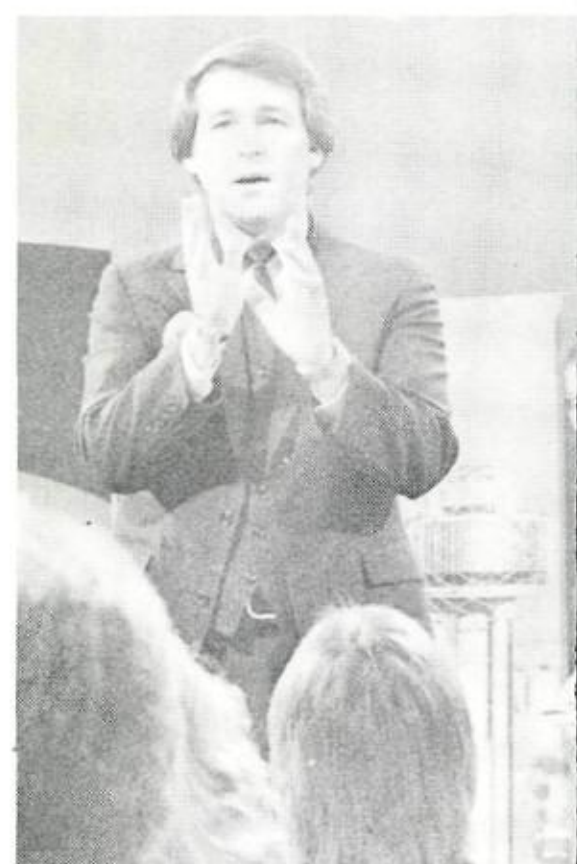

## Local Talk Show Hosts Students

In an effort to convey problems concerning drugs and alcohol, representatives from MacArthur discussed issues with John Phillips, father of Macenzie Phillips, on the local television show, *Layman & Company*.

Students chosen to represent MacArthur were Hollye Bozman, Shelly Clutts, Karen Deen, Andy Ellard, Craig McDougal, Jennifer Sheets, Shawn Wild, and Jeff Williams.

The significance of the question and answer program was to bring about more awareness to the seriousness of drug abuse. The director of a drug rehabilitation program in New Jersey, Dr. Mark Gold, explained how he helped Phillips overcome his problem with a detoxification drug he recently developed.

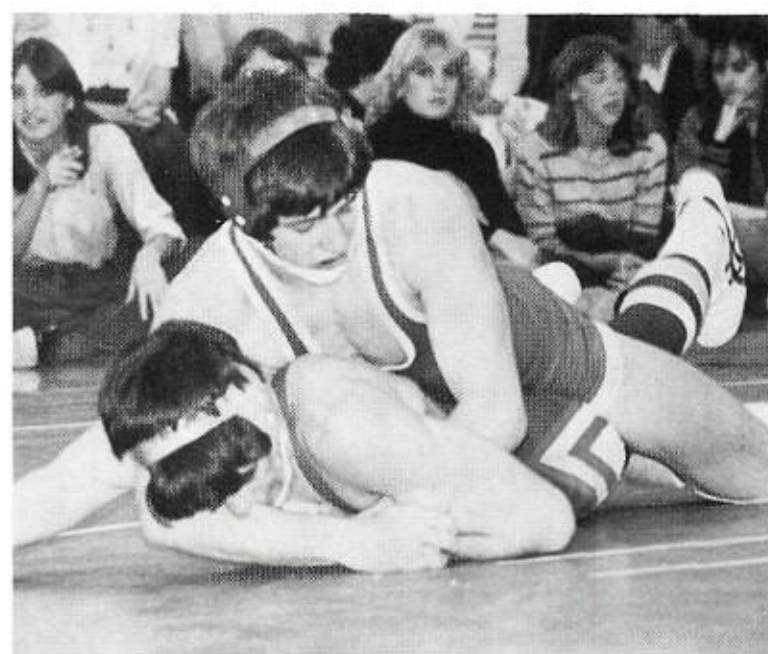

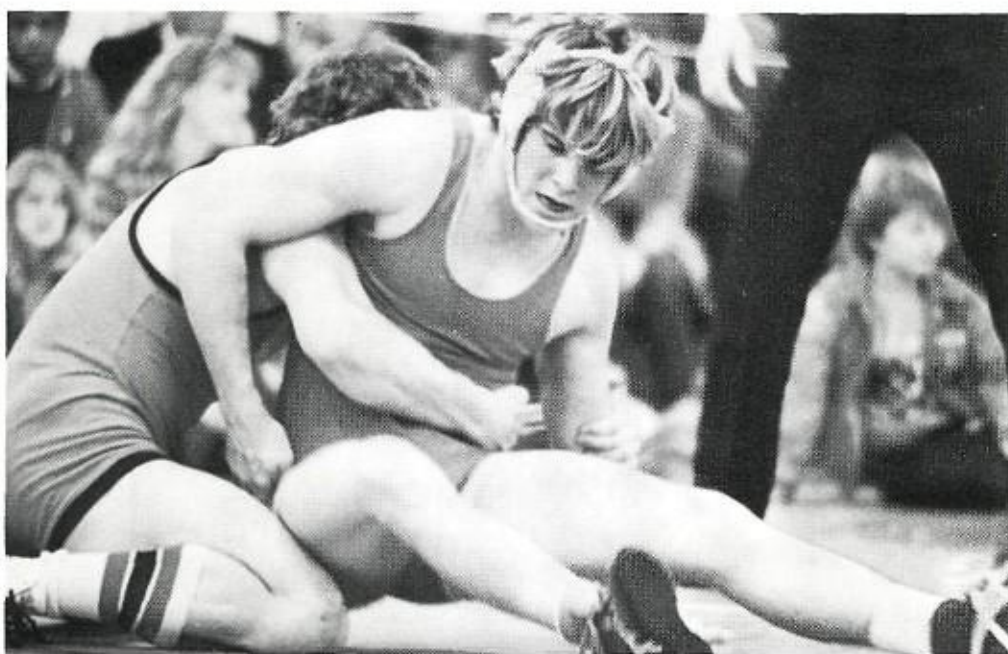

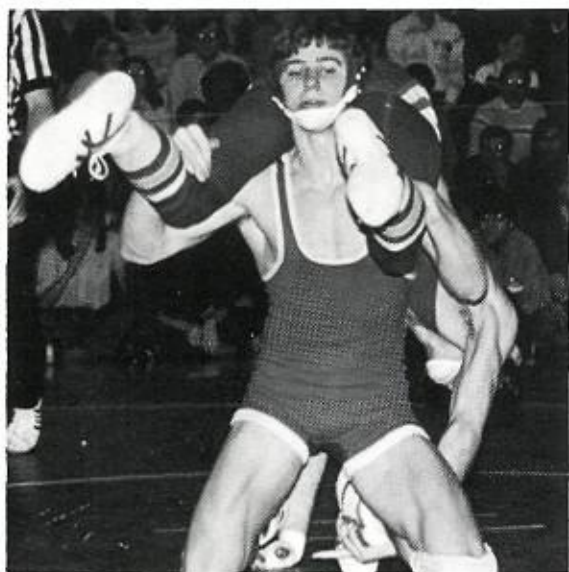

Dave Layman, host of the show, stated, "I felt the show was a success. There was a lot of student involvement. High school is the starting point for most drug abuse. I hope by these shows that the problems can be understood."

**Above Left:** Junior Mike Smith takes a slide during baseball scrimmage against North Mesquite. **Above Right:** Sophomores Stacey McVicker, Tommy Stone and Leslie Heldman enjoy dinner at The Magic Time Machine during the JV Cheerleader Banquet. **Above Center Left:** Jennifer Sheets, Jeff Williams, Shelly Clutts, Karen Deen, Hollye Bozman, Shawn Wild, Craig McDougal, and Andy Ellard discuss the results of the *Layman & Company* show's taping. **Above:** Dave Layman talks to students prior to the taping of the drug abuse segment of the local talk show, *Layman & Company*. **Left:** Richard Armstrong, Karla Smith, J.C. Jammal, Jeff Williams, and Lori Timmons were nominated for *The Dallas Morning News* Teenage Citizenship Tribute.

## Wrestlers Win Second Place

Qualifying more team members than any previous year, the wrestling squad captured the second place trophy with 147½ points at the Texas State Championships held in the Field House February 12 and 13. The crew came in behind El Paso Burges which piled up 185½ points.

Those reaching the state level were David Barnett, Tony Rodriguez, Ricky Ward, Darrin Upshaw, Mark Bell, Barry Smith, and Steve Cooper. Three Mac grapplers claimed individual state championships. They were Neville, Wilson, and David Upshaw. Barnett and Smith obtained silver medals. Darrin Upshaw and Bell placed fifth while Ward and Milner took sixth.

Capturing his second state championship, Neville, ravaged his way through his weight class before meeting Tony Lujan from Burges. Neville overpowered Lujan by a score of 7-1 to capture the crown. At 148 pounds, Wilson defeated his opponents in the early rounds in close matches. Nevertheless, he earned his way to the finals. Wilson captured his first state crown in beating Burges' Jim Lujan by a 6-3 tally.

Despite being advised not to compete by his physician because of a severely sprained ankle, David Upshaw succeeded in attaining his second state championship. Upshaw mauled his way to the finals having defeated

his opponents by wide margins. Upshaw thwarted the challenge of Trinity's Bruce Kelfer in an 8-5 overtime win in the finals. Upshaw was named Outstanding Wrestler for the tournament by the coaches.

Smith almost succeeded in winning a state title after smashing his way through the 188 pound division. He narrowly lost his bid to Richardson's Tim Kralovetz by a score of 8-9. Wrestling in the 101 pound weight class, Barnett aided the MacArthur cause and provided the crowd with more than one tense moment when he pulled out close matches in the quarter and semi-finals. Barnett came up short against Irving's Barry Baschel, who won 7-1.

**Above:** Sophomore English teacher Gayle Fenoglio writes the day's assignment on the board for her students. **Above Right:** During a freshman game against Trinity, guard Lynn Peugh refrains from fouling her nemesis. **Right:** Senior Barry Housman earned himself a national ranking for his performance at the Golden Gloves contest. **Below:** Freshman center Kari Geer misses the tip off after tying up her opponent on the previous play.

## Varsity Girls Close Season

Ending the seasons with a mark of 21-10, the Girls' Varsity Basketball Team completed yet another successful year. The girls kept pace in district play with a 10-4 record and a second place finish.

In their final game of the year, the Cards defeated the Trinity Trojans by the final score of 49-45. Sophomore Kelly Huitt and Junior Sherrie Kellogg led the scoring with 15 and 13 points, respectively. The Cards dominated the game, holding the lead throughout the contest.

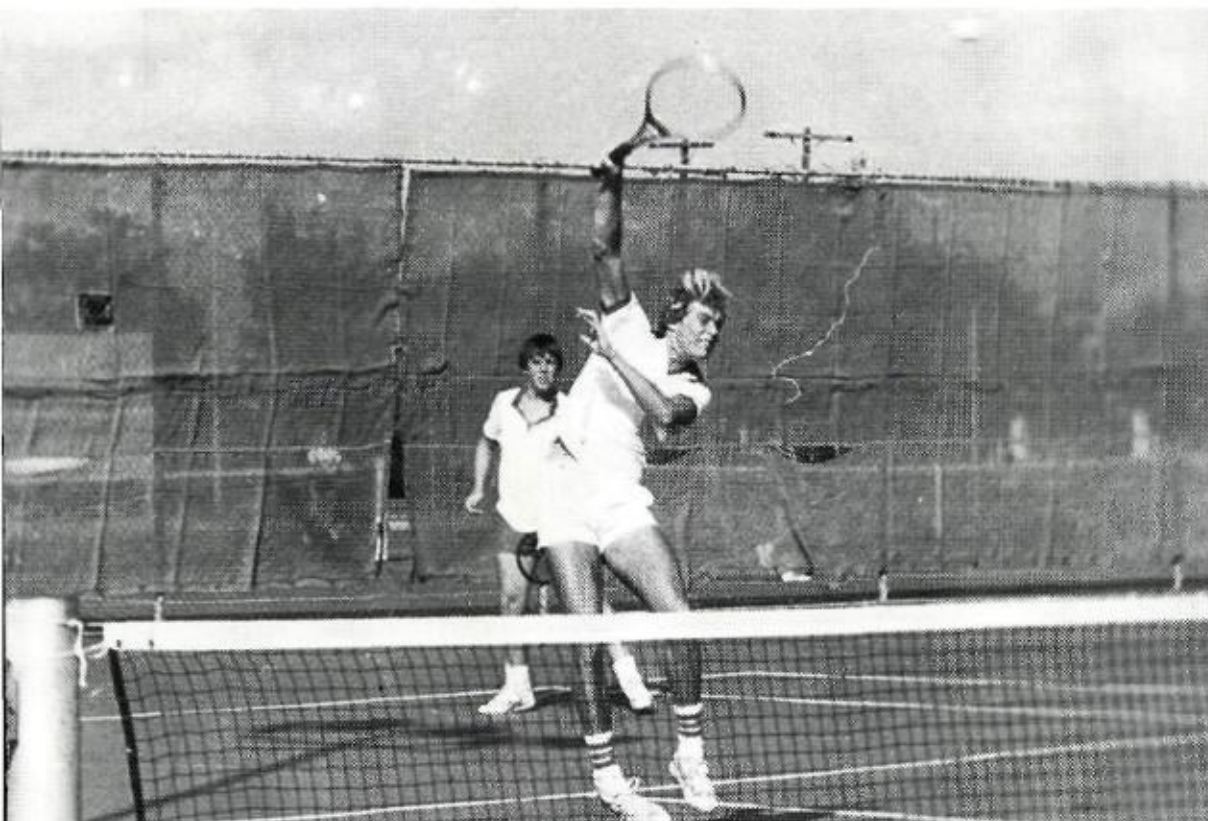

The preceding week's play began with a loss to cross town rival, Iring. The defeat was due to several players finding themselves in foul trouble. Senior Donna

Kovich fouled out in the third quarter, followed by Kelly Huitt and Karen Hovey in the fourth. Thus ending the contest in a 51-47 defeat of the Cards. High scorer was Kellogg who tallied 13 total points.

The girls came back by defeating Grand Prairie, 50-46. Leading by only one at the half, the Cards had to battle for the victory up to the final buzzer.

"For the overall season, I feel like we had a very good year. The young girls matured during the course of the season and they developed into fine ball players. Our team became championship contenders in a rebuilding year because of their maturity," concluded Coach James Peugh.

## Team Achieves Winning Record

Continuing their dominance of the spring schedule, the Tennis Team brought their record to 12-1-1.

Consecutive victories over Sherman, 15-2; L.D. Bell, 11-8; Arlington, 6-5; and Newman Smith, 11-7, enabled the Cards to set their record at 12-0. But, in the following match the team suffered their first defeat at the hands of the Richardson Eagles. With the loss, all hope for a perfect season ended.

Tournament competition proved to be successful as well, as the team defended its Arlington Team Tournament crown by blasting Arlington, Denton, Irving, and Burleson.

Reflecting on the tournament, team member Katie Butler added, "This was a good tournament because it brought both the girls' and the guys' teams together playing as one. It was important for every one to win as many games as possible due to the fact that they added all the games together in case of a tie."

Commenting on the team standing at that point in the season, Head Coach Sam Morton stated, "We know what we need to do to win and who we need to beat. With some intensity in our play, we have the capability to win through the state tournament."

## Winning Streak Comes to Halt

Finishing the season with 26 wins and only five losses, the 1981-1982 Girls' Junior Varsity Basketball Team managed the best record in their history.

The Cards continued a five game winning streak by defeating the Grand Prairie Gophers, 47-38. Dominating the game from the tip off, the girls were in control throughout the contest. Sophomore Kim Nevil led the scoring for the Cards with 16 total points.

In their final game of the season, the girls were defeated by the Trinity Trojans. Trailing 27-24 at the half, the Cards had to fight to keep up through the contest. However, the girls failed in their search for victory with the final score in Trinity's favor, 45-43. Sophomore Laura Billingsley ripped the nets for 18 points to lead the Cardinal scoring. She added, "It was tough to lose the last game after winning so many during the year."

Head Coach Suzy Oelschlegel commented, "I was very proud of the girls play throughout the season. We played as well as some schools' varsity team."

**Top:** Senior Ronnie Nedrow delivers an overhead smash as his doubles partner Robbie Chambers awaits the return. **Above Center:** Center Jina Yates rises over her opponent at the tip off of the JV game against Grand Prairie. **Above:** Having an inside position, Junior Jina Yates takes a jump shot against a Grand Prairie Gopher. **Right:** Varsity tennis player Robert Abston unleashes a backhand during an afternoon match.

# Student Forum

## Rates Increase; Dates Decrease

Inflation not only attacks the older generation, but was also felt by high school students. Fifteen years ago a boy was able to treat his date to dinner and a movie for less than half of what it costs today.

The price of theater tickets increased from a mere \$1.50 to \$4.50, and in some places \$5. Restaurants also doubled, and in some cases tripled, their charges. In 1968, a couple could dine for under \$10, whereas at this time an evening at a nice eating establishment costs between \$20 and \$30. Other price hikes felt by dating teenagers were the rise in fuel expenses and in clothes.

With most things suffering from at least a 50% increase, MacArthur males were asked if they could afford to take a girl out on a date. The majority replied that they could not spare the expense every weekend.

**David  
DeLaGarza**

It hasn't really affected me personally because I get my money from my parents.

**Ricky  
Hernandez**

I can't afford to take a girl somewhere real nice every weekend, because it costs so much.

**Chris  
O'Hagan**

No, I can't afford to go out with a girl every weekend, but if I really like her—I will.

**Chance  
Choate**

Well, it's real expensive, but sometimes I still do.

**Jeff  
King**

It costs too much to take a girl out somewhere real nice all the time, but I can take them somewhere casual.

**Brian  
Hardesty**

No, it's too expensive to go out somewhere real nice all the time.

**Eric  
Warren**

Sometimes I take my girlfriend out to nice places, but not all the time.

**Paul  
Yeoham**

It does cost a lot to take a girl out to a nice place, but I still do. I just work more during the week.

**Jeff  
Sampson**

Well, it costs too much to go out every weekend, but when I do I take her somewhere nice.

**Andy  
Davis**

It is too expensive to go out to somewhere like Reunion Tower every night, but every once in awhile it's okay.

**Alan  
Rhoades**

Well, it costs too much for a guy to take a girl out somewhere real expensive every weekend.

**Scott  
Voirin**

No, it costs too much to go somewhere real nice all the time.

**Greg  
Warren**

No, I don't take my girlfriend out somewhere real expensive every weekend but sometimes I do.

**George  
Akins**

No, I don't take girls out to expensive places every weekend, because it costs too much, but sometimes I do.

**Deserick  
Duncan**

It costs too much to go somewhere real nice all the time.

**Charlie  
Allman**

It's too expensive to take just any girl out, but if it's the right girl, it's worth it.

**Simon  
Sanchez**

Well, I can't afford to go to Reunion Tower every weekend, but I can take her somewhere.

**Rusty  
Reid**

No, it's way too expensive to go out every weekend, but when I do I take her somewhere nice.

**Sean  
McGuire**

Yes, inflation limits your ability to impress a girl by not being able to buy much for your money.

**Nick  
Neville**

Well, it costs pretty much to take girls out every weekend, so you just have to try and find something fun that is cheap.

**David  
Hall**

Well, it costs a lot, but if you really like them—it is okay.

**David  
Page**

Inflation has hampered my dating habits, but not that much.

**Matt  
Rayburn**

It does cost a lot to take a girl out every weekend and I really can't afford it, but I still do.

**Jack  
Hansen**

It's too expensive to take a girl somewhere nice every weekend.

**Tony  
Martinez**

I think it is too expensive to take a girl out to a nice place all the time, but once in a while is alright.

**Mike  
Dean**

It is too expensive to go out all the time, but some girls are worth it.

**Tim  
Ives**

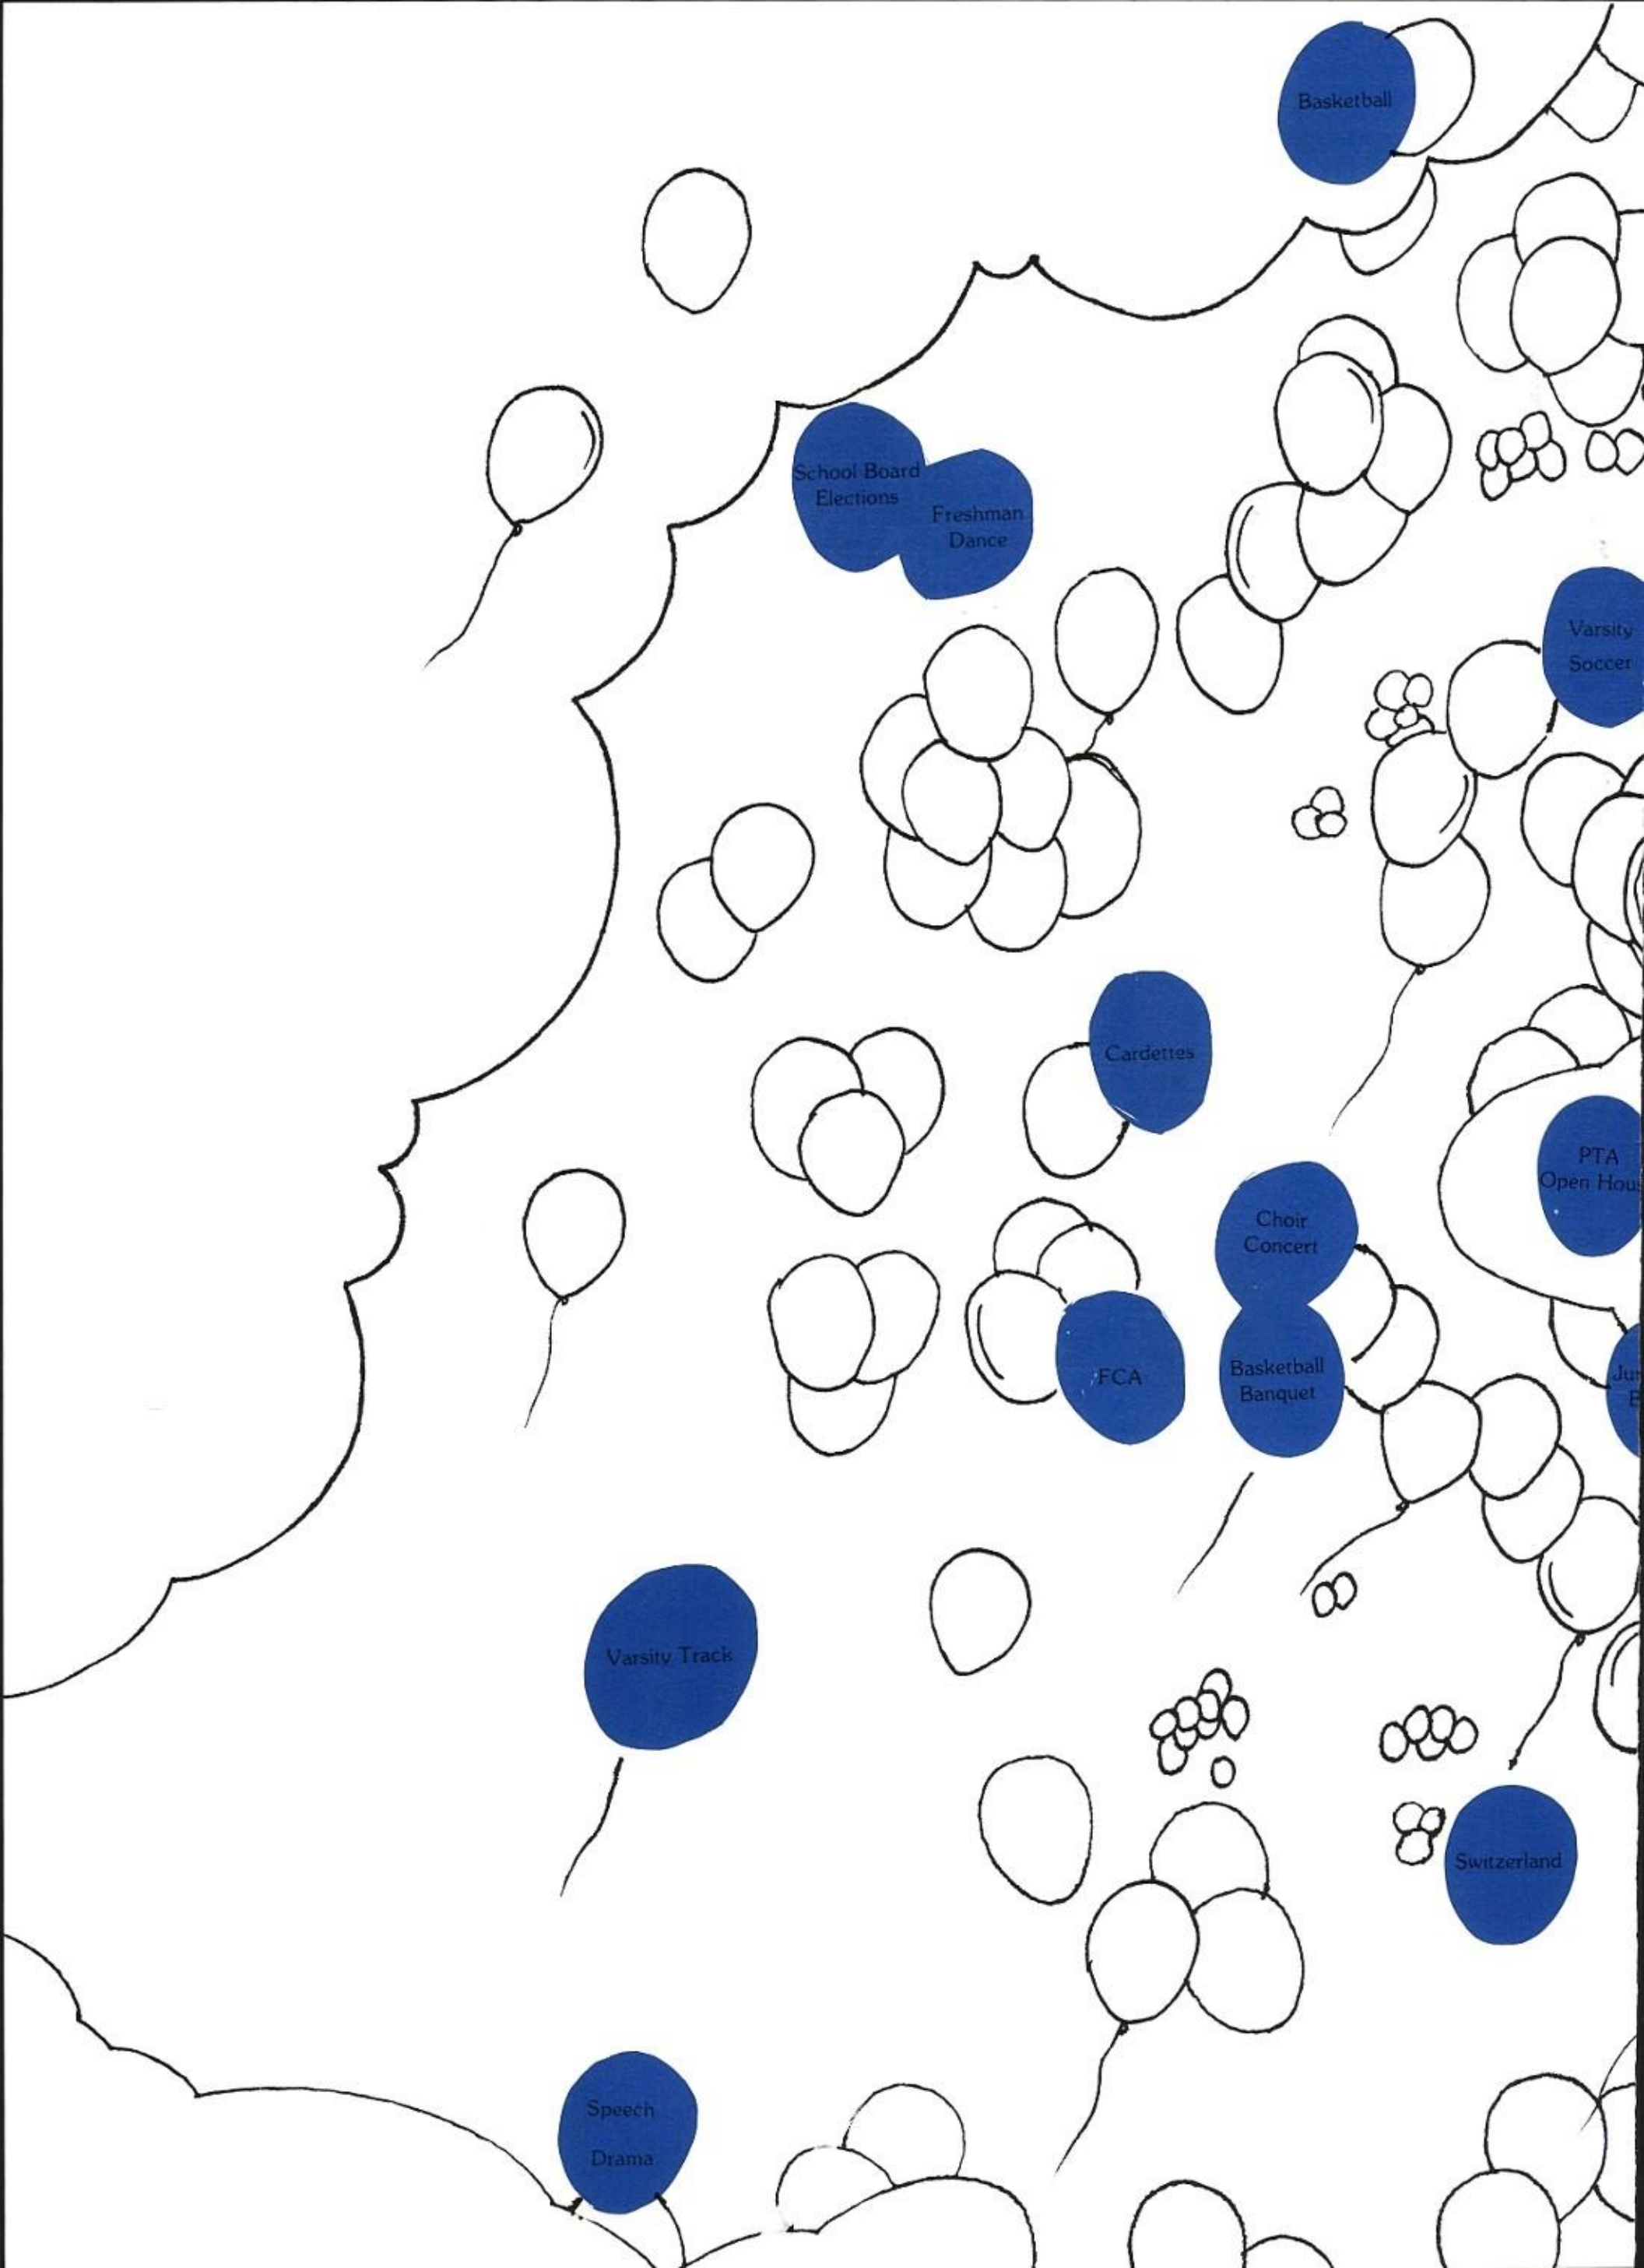

It costs a lot to go out, but you can find something to do that is not so expensive.

**Mike  
Richards**

Well, I can't afford to take a girl to a real nice place all the time, but I can take a girl out to a party or something for pretty cheap.

## Seniors Prevail Against Juniors

After extending a challenge in a competition basketball game, the Seniors defeated the junior boys on March 10 by a score of 49-39.

Coaching the Senior Team was Bart Askew, Steve Grumbine, and Rick Witkovsky. Team captains for the upperclassmen were Chris O'Hagan and Joe Rodriguez.

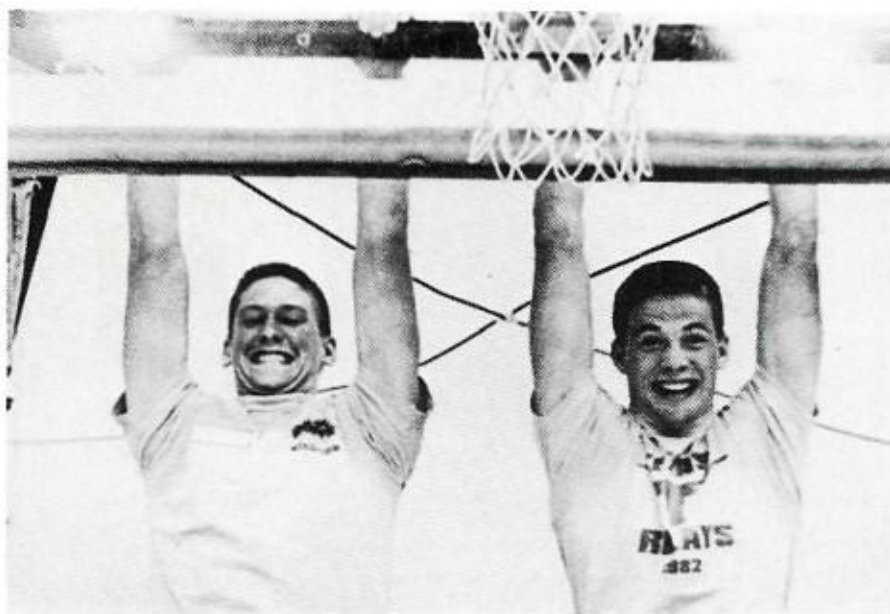

The Junior Team, dressed in camouflage clothes and ties, was instructed by Steve Coffman, Andy Ellard, and Mike O'Donnell with Brian Bosworth and Troy Pigrenet serving as team captains.

Throughout the first half, the Juniors led the game with the Seniors trailing by eight points at intermission. Starting the third quarter, the Seniors began their comeback. With only moments to play, Senior Captain O'Hagan scored the final points of the game to lead the Seniors to a victory of 49-39.

High scorers for the Juniors were Brian Bosworth with 16 and Gerald Chapa with a contribution of 11. Leading the scoring attack for the Seniors was Derek Blake with 15 points.

## Varsity Takes DeSoto First

Following a month of full workouts and preparation, the Varsity Baseball Team opened their non-district season in Denton. Errors attributed greatly to the 9-3 loss. Jeff King led all batters with three hits.

Hosting Newman Smith, Mac committed five errors, as the Cards fell 7-2. The following two games pitted the baseball squad against the Lamar Vikings. In the initial contest, Mac trounced the opposition, 12-4.

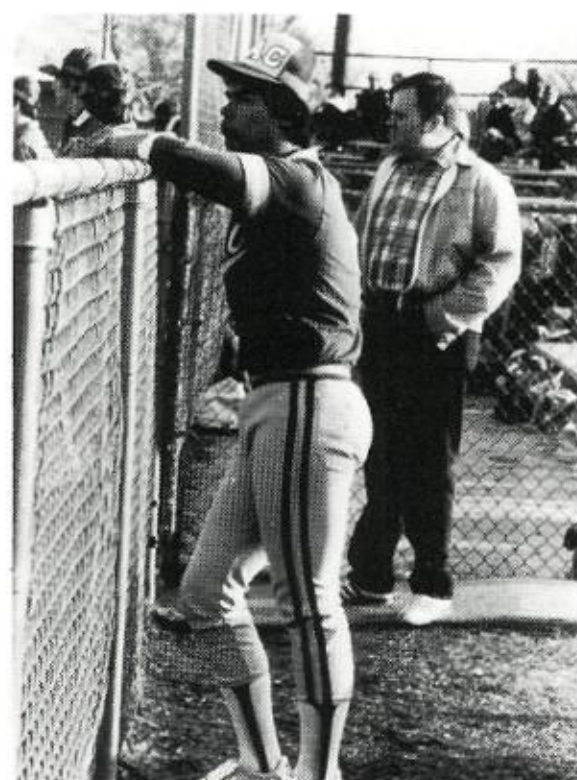

The next day, MacArthur traveled to Lamar where they scored three last inning runs to claim a 3-0 shutout victory. Lancaster provided the following encounter as Mac reigned victorious, 1-0. Mike Beckelman collected the only RBI.

As guests in the annual South Grand

Prairie Tournament, the Mac offense never got untracked as they were defeated by Denton next, 5-1. MacArthur was annihilated by DeSoto, 12-2. In the tourney's final game, the Cards fell to the Bowie Volunteers, 3-2.

Next, Mac was invited to participate in the DeSoto Tournament. In the first game the Cardinals avenged an earlier loss to the Eagles with a ninth inning single by Eddie DeLaGarza to give MacArthur the victory.

Drawing Thomas Jefferson in the second round of play, Mac had little trouble in defeating the Patriots, 6-2. In the championship game, Mac captured an easy victory, 5-0, over Irving and the first place trophy. Brown, Sturdy, and Jeff Williams were named to the All Tournament Team.

## Runners Take Three Meets

Boys' Varsity Track Team took first place in the three opening meets held at Mesquite, R.L. Turner, and Richardson High Schools.

At Mesquite, Senior Grant Fagan was rewarded with first place for an 11.2, 100 yard dash. In that same event, Brad Walters came in second with a time of 11.25, while David Bishop landed third coming in at 11.57. In the 200 yard dash, Walters and Bishop, with times of 23.36 and 23.57, respectively, seized first and second places. Moving on to the 400 yard run, Steve Logan placed first with Jimmy Porter clenching second. Fagan, Dorwin Malone, Porter, and

Steve Orenstein took first place in the 400 yard relay event.

Totaling 66 points in the R.L. Turner competition, the Mac tracksters claimed first place in the 1600 yard relay. In the 1600 yard solo, Sophomore Dan Calhoun took first place with a finishing rate of 3:47.

At the Richardson Meet, the field events began to appear on the Mac scoreboard as Malone, Fagan, and Logan took first, second, and third places, respectively, in the long jump. Breaking a school record for the 3200 yard run, Sophomore Karl Bremer took first place with a time of 10:26.

**Above Left:** Raising money for the American Heart Association, Rodney Marcantel and Leo Sifuentes jump rope with the assistance of Coach Justin Walker. **Above Right:** Gaining position in the All Regional Choir, Seniors Marci Freidberg and Shawn Wild and Juniors Dean Garrett, Mike Dean, and Rob Smith perform a concert at Mountain View College. **Above:** Striding out the last few yards of the 300 meter hurdles, Senior Steve Orenstein attempts to gain lost yardage. **Right:** At the Richardson Track Meet, Senior Grant Fagan strains to make a good mark in his long jump attempt.

# Varsity Kickers Cream Trojans

After a 3-2 loss by the Boys' Varsity Soccer Team to the Duncanville Panthers on March 19, the kickers came back the following week to gain a crucial win over the Trinity Trojans. The final tally was, 7-0.

At the top of the Trojan game, Senior Mark Kegans ran in the ball to make the score, 1-0. Soon after, Mark Slejko and Matt Rayburn followed suit to make the tally 3-0 at the end of the first half. Coming back for an even more decisive second half, Kegans scored a second time and a point each came from Sophomore Tommy Stone and Seniors Kevin Hedges and Junior Morris Cowden.

Expressing his joy about the outcome of the game, Goalie Craig Kinsey relayed, "We are so proud that we didn't let them score on us, and after the loss we took from Duncanville, we needed something to be proud of."

Coach Randy Waldrum commented, "I feel that the players really have their heart into the game when we go out there and play. For the first year of district play, I think we are doing great!"

**Above Right:** Varsity goalie Craig Kinsey, named to the All City Team, warms up individually before the 7-0 victory over the Trinity Trojans as the rest of the squad stretches in a group under the direction of first year Boys' Varsity Soccer Coach Randy Waldrum. **Above:** Junior goalie Kevin Curtis uses his skills to save a shot while preparing for the Trinity game. **Far Right:** Sophomore Tommy Stone, another All City selection, tries to impress Junior Jackie Lantrip while juggling the soccer ball at an afternoon practice. **Right:** As part of his duties as a second period Library Aide, Senior Barry Smith looks over the list of over due books at the main desk.

# Varsity Doubles Take First

In the month of March, the MacArthur Varsity Tennis Team netted eight victories, one loss, and one tie.

At the Arlington Team Tournament held March 5 and 6, Don Tittle and Matt Peden each took victories in the boys' finals, while Melanie Smith defeated Ann Davis in the girls' finals. In doubles action, David Joyner and Roel Torres gained a win over the team of Helm and Haddock, while Ronnie Nedrow and Mike Adams upset Swoop and Sullach. In girls' doubles, the teams of Jeannie Buzard and Laura Marchant and Carol Coffey and Katie Butler each took

victories over their opponents.

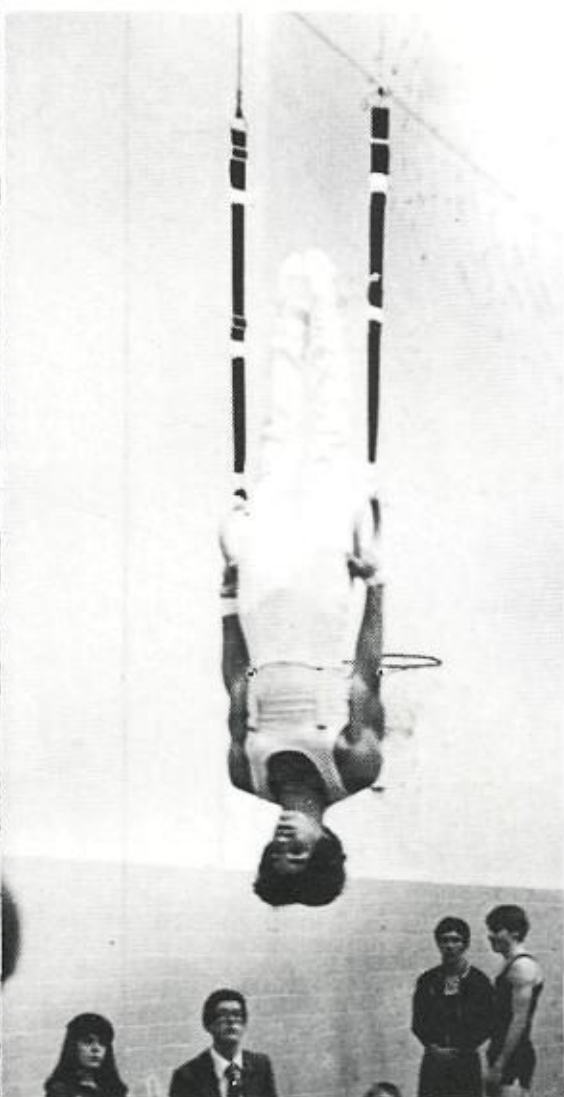

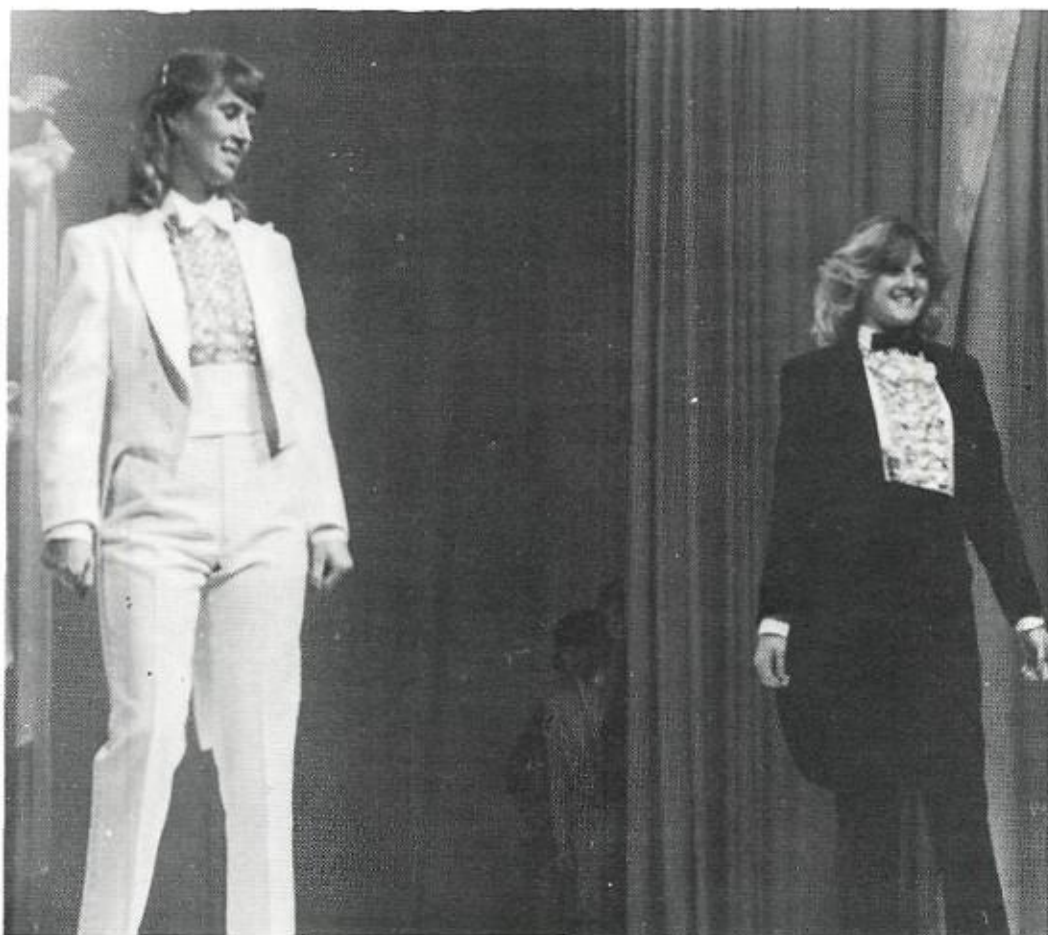

In the Irving High School Tournament the following week, Tittle took first place by defeating Paul Paulsen. However, Kay Tittle was upset in the finals, losing her match to Linda Tate. The loss to Tate was Tittle's first to the crosstown rival.

MacArthur netters competed in the City Tournament on March 29. The team of Buzard/Marchant captured first place by taking a victory over teammates Coffey/Butler. Kay Tittle defeated Melanie Smith as Danny Frye was losing to Irving's Brady Rayburn.

**Above Right:** Varsity tennis player David Joyner serves against his opponent in the Irving Tournament. **Above Left:** Senior Ronnie Nedrow backhands a shot while doubles partner Mike Adams looks on. **Above Center Right:** Comedian John Belushi died March 5, in Los Angeles. **Above:** Looking through the college curriculum offered at Northlake, Patty Moeller and Kathy Morris discuss the classes they attend. **Right:** In order to earn college credits, Seniors Kathy Morris and Carolyn Graf attend Northlake College in the evenings.

## Team Wins Second in Meet

Led by Freshman Keri Skidmore and Junior Steve Sisney, the MacArthur Gymnastics Team took second place in the City Meet held March 6.

Skidmore became the District 9-5A champion, taking first place in floor exercises, bars, and vault, with Betsy Lewis coming in second on bars. Fourth place went to Cheryl Cook on vault and Karen Kuczaj in floor exercises. Sisney finished second all around in the boys' competition, capturing first in floor and pommel horse. Greg Warren took second place on parallel bars and third on pommel horse and rings.

In the girls' district competition March 27,

the MacArthur team came in fourth place, with Skidmore taking second. Regional meets were held April 1 and 2, with Mac capturing seventh place. Skidmore and Sisney qualified for state competition, making them the only two students to accomplish this in the Irving Independent School District.

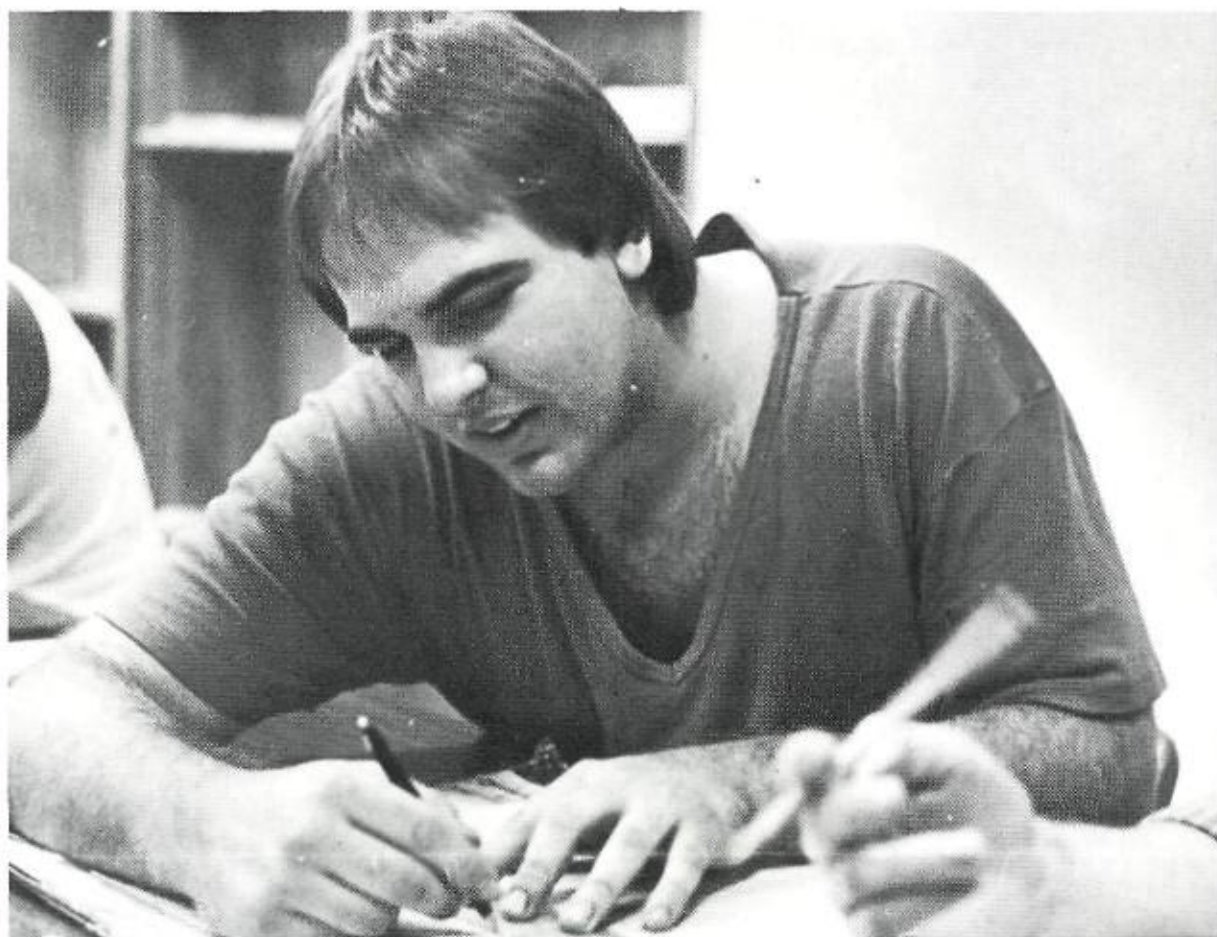

Reflecting on the Gymnastics Team's success, Coach Jana Turner remarked, "Keri Skidmore has a good chance to be on the national team. The girls and boys should be pretty good next year. They worked hard for all of the honors they have received and deserved them all."

**Above Left:** Displaying the latest in prom fashions for ladies, Kathy Nolan and Cindy Shaw model tuxedos. **Above Right:** Seniors Shelby Burns and Shawn Wild exhibit traditional prom attire at the fashion show for the Seniors in an effort to give the unpperclassmen an idea of what to rent or purchase. **Above:** Junior Eric Warren displays his winning form on the rings at the City Meet. **Right:** Showing her concentration on the balance beam, Sophomore Karen Kuczaj exhibits extraordinary agility as she participates in district competition.

**Right:** Senior Joe Rodriguez prepares a rough draft layout during a yearbook Saturday work day. **Below:** Varsity cheerleader candidates Kerri Jurca and Elizabeth Mires demonstrate spirit-raising abilities before the student body. **Below Left:** Rob Anderson takes a swing at an opponent's pitch during a JV baseball game. **Below Right:** Freshmen Jennifer Marshall and Tiffany Bedinger vie for positions on the JV cheerleading squad during tryouts held in the Field House. **Bottom Right:** Covering on the bench prior to a contest, JV baseball players James Dean, Greg Burchfield, Mario Cruz, Troy Penny, Rob Morris, and Tony Brown discuss pre-game strategy.

## JV Upholds Victory Streak

Upholding their first place non-district standing, the JV Baseball Team kept their winning streak alive through the first half of the fifth six weeks.

Initially, the Cards defeated Denton by a count of 7-0, and followed with a 3-2 victory over Lamar.

Facing Lamar again, Brad Anderson, Chris Askey, Nick Papa, and Chip Hunt all contributed runs to give MacArthur a 9-0 win. Upping their record by one in the following game, the JV Team routed Lancaster by a score of 11-0.

Traveling to Bowie, Nick Huber and Hunt both added to the Cardinal tally as the JV defeated the Volunteers, 3-1.

Once again encountering the Lamar Vikings, the team displayed an aggressive

offense as they reigned victorious. Kimball and Lancaster were the last victims in the JV string of victories, as the Cardinals defeated their opponents by a count of 8-3 and 9-1, respectively.

"I think we are doing really well," remarked Freshman Greg Burchfield. "If we continue to play the way we have been and keep practicing hard, we could have a good chance of winning district."

Added Coach David Meyers, "The team has done even better than I expected, simply because they've made so many improvements from last year. We've hit the ball well, been in scoring position, played good defense with few errors, and had good pitching from David DeLaGarza and Robbie Hoogerwerf."

**Far Left:** During her stay in Rome, Shelby Burns poses for a snapshot in front of the Trevi Fountain. **Right:** Nick Neville and Michelle Manautou take time out for a photograph during their stay in Hawaii. **Below:** Tammy Bell, Darren Gristy, Liz Allman, Greg Brossett, Paris Price, Paul Yeoham, Antoinette Marak, and Bill Zartler pause for a rest while trekking over the Arlberg Pass. **Below Left:** Photographers Dean Gristy and Vanessa Clark reload their cameras for another shot of the Hapsburg Palace in Vienna.

## Students Travel Central Europe

Capitalizing on a week of vacation, several students and faculty members spent their Spring Break in various parts of the world.

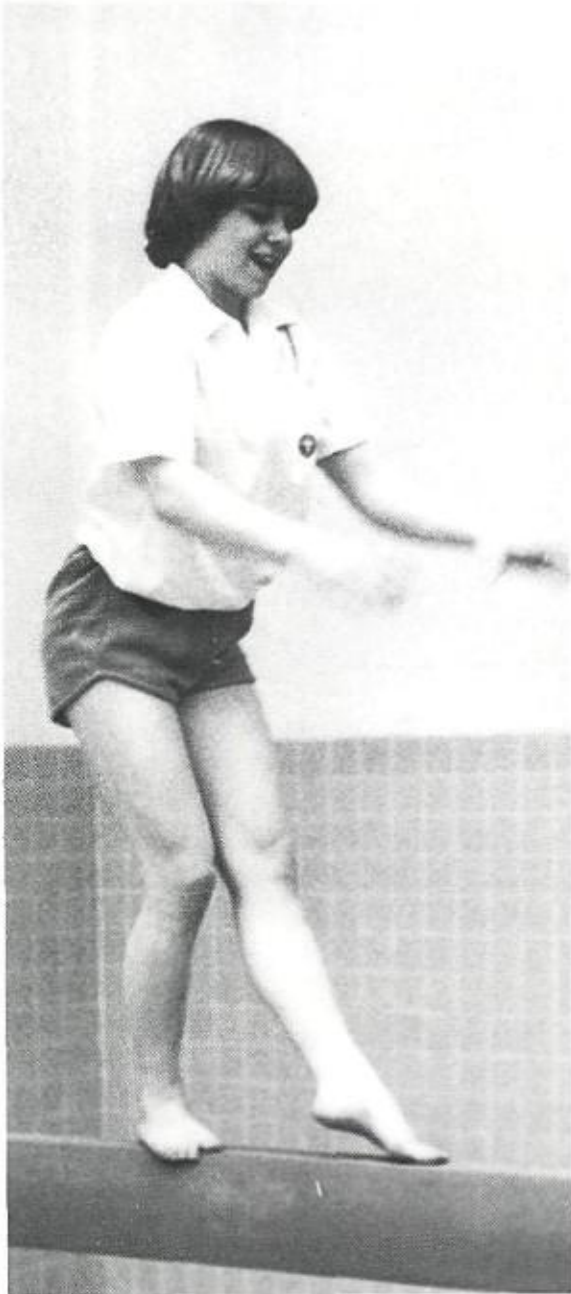

Forty-four students, adults, and chaperones journeyed to Germany, Austria, Switzerland, and Lichtenstein under the sponsorship of Publications Advisor Johnny N. Heard, his wife Geneva, and Latin teacher Ann Price.

Highlights of the trip included visiting the locations where *The Sound of Music* was filmed, Ludwig's Castle, and six days of snow. Ellis reflected, "The Europe trip was culturally enlightening—offering many opportunities to sample European customs."

Also spending her Spring Break abroad, Shelby Burns, accompanied by her mother, toured Rome, Pomeii, Naples, Sorrento, and the island of Capri. During her visit to the Vatican City, she was among a crowd of 40,000 people who heard the Pope speak. The Senior was also impressed by the traffic in Rome, remarking, "The traffic was crazy and everybody honked! All the cars were really small. A Volkswagon was about the biggest car we saw there."

# Gymnast Named All American

Qualifying as one of the most outstanding gymnasts in the United States, Freshman Keri Skidmore was named as an All American in her field.

Five meets were required in order to receive the honor. Skidmore beat the necessary 8.7 average in the vaulting competition with an 8.95 and later matched that same score for her performance in the floor exercises—thus beating the 8.5 established record. These previous scores totaled with her 8.4 on the beam, and her 8.4 in the all around activities, eventually

acquired her the needed average to capture the award.

When asked how she managed to receive the All American title, Skidmore replied, "It was hard to keep up my school studies and workout all the time, but I had some help from others."

Coach Jana Turner commented, "Keri has a natural talent and a lot of determination, and that's what it takes to be good."

Both Skidmore and Steve Sisney qualified for the state tournament. They were the first MacArthur students to achieve this status."

**Above Left:** All American Gymnast Keri Skidmore demonstrates her balance beam expertise. **Above Right:** Senior Steve Sisney reveals his award winning gymnastic form. **Left:** As Kim Greenough stifles a grin, David Upshaw continues with his meal during the Wrestling Banquet at O'Connor's Restaurant. **Above:** As Tony McCrea looks on, Polly Bell moves in on Tony Rodriguez's spoon at the Wrestling Banquet.

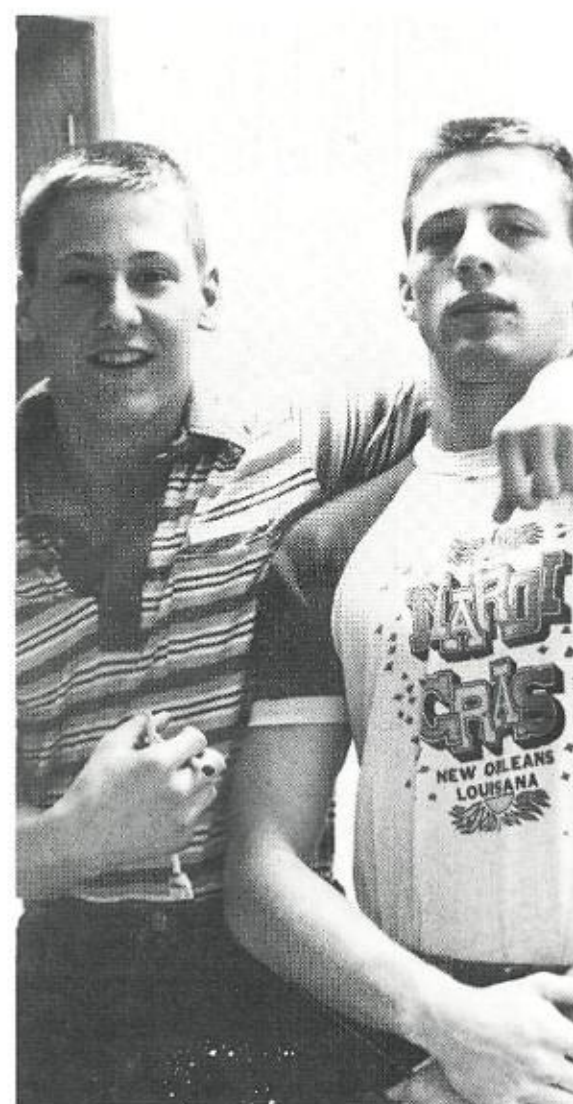

# Students Enter UIL Contests

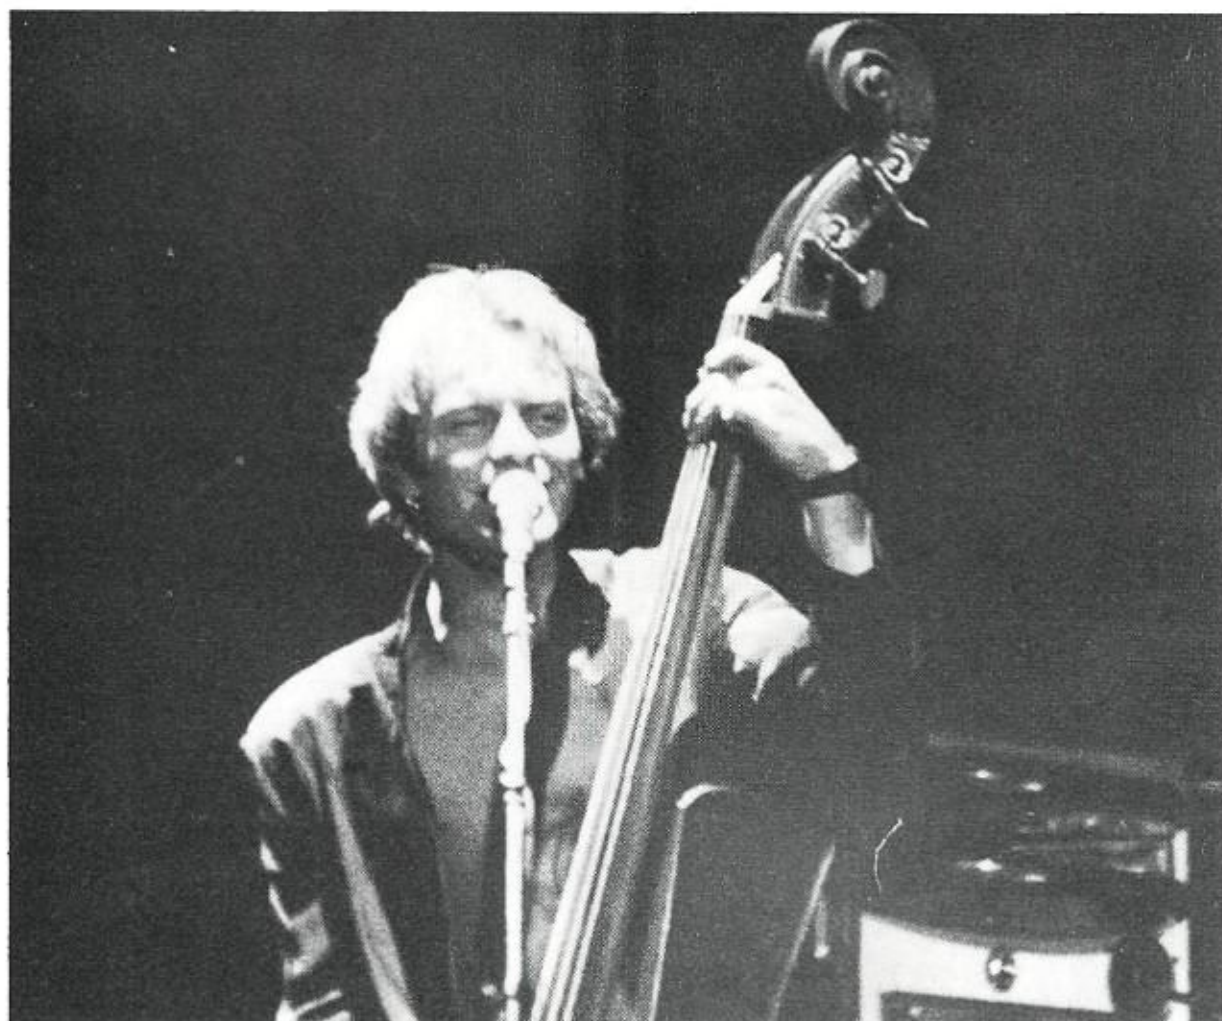

Recognized as the sanctioning body of many scholastic activities, the University Interscholastic League sponsored various events at the District 9-5A Tournament. MacArthur students competed in the contest which included events in literary, business, journalism, speech, and drama areas. Mike O'Donnell, Jeff Verver, Kenny Rudolph, Denise Allen, and Tony Rodriguez competed in the journalims contests in categories encompassing headline, news, feature, and editorial writing. Allen was named alternate in the news category. Tiffany Riley, Tricia Bratman, Jamie Fredrick, Tony Cantu, Cheryl Montague,

and Kathy Surratt were among those competed in the speech events. Riley and Montague won first in prose and second in poetry, respectively. The One Act Play competition saw MacArthur entering with their production of George Bernard Shaw's *Pymalion*. Riley and Chris Welch were named to the All Star Cast and Jeff Gardner received an Honorable Mention. The play was selected as an alternate. Senior Sonia Booher was named as an alternate in the shorthand contest, while Senior Tori Ellison was alternate in typewriting.

**Above Left:** Sophomore Jeff Gardner prepares for his role in the UIL One Act Play Contest. **Above Right:** Andy Ellard and Allison Reichart converse while waiting for their meal at the Basketball Banquet. **Above:** Keith Hayes and Darrell Cole show off their recently acquired burr hair cuts, which they got for football's spring training sessions. **Left:** Elizabeth Mires and Angie Hardman apply make up for their roles in *Pymalion*, MacArthur's UIL One Act Play entry.

Turner Tri Meet. **Bottom Left:** Sprinting to the finish, Freshman Tracy Miller struggles to keep ahead at the Tri Meet held in Garland.

## Girls Triumph in Tri Meets

Throughout the months of February and March the Girls' Varsity Track Team compiled an overall winning record.

On February 19, the girls participated in a Tri Meet held at R.L. Turner. Outstanding Freshmen at the meet were Mona Sherman, placing first in the high jump, and Gail Weinhold with a second place in the 880 relays. Sophomores Kim Wood and Valerie Carnell both brought in a first place in the one mile relay and the hurdles, respectively. Coach Judy Blaylock commented, "All the girls tried their best, and that's all I can ask for." Paced by the performances of the underclassmen, the team grabbed the championship trophy.

Following the victory at R.L. Turner, the girls continued to receive steady performances as they brought in a first place at the Tri Meet held in Garland the following weekend. Outstanding runners at the competition were Juniors Laura Dowlearn, placing first in the long triple jump, and Tammy Plyter with a first in the 440 relays. Receiving a red ribbon was Sophomore Valerie Carnell in the hurdles and Freshman Denise Blackard in the two mile relays.

"We hope to win the District Meet held at Trinity and the University of Texas at Arlington on the week of April 12. I think we have a very good chance at it," stated Coach Blaylock.

# Dance Activities Aid Frosh

On Friday, March 26, the Freshman Class held a Spring Dance. Charging \$2 at the door, the underclassmen took in \$600.

As an added attraction, a number of events were included on the evening's agenda. The first to occur was a cream pie throw. Students from each grade level were set as targets while their peers paid a fee to try a throw at them.

Freshman Ronnie Logan received first prize in the arm wrestling contest which was

held later in the evening with Jeff Sampson coming in a close second.

As the night drew to a close, two dance contests were held. Senior Ronnie Jones and Sophomore Stacy Maxwell won first prize in the disco contest, while Seniors Ginger Morris and Kevin Erlich captured first in the punk rock event.

Pizza coupons from Godfather's Pizza and meal coupons from Chick-Fil-A were donated along with a free meal for two at O'Connor's Restaurant.

**Top Right:** Junior Brian Bosworth prepares to pose as a target at the Freshman Spring Dance cream pie throw after taking a short break. **Above Left:** Competing for first prize in the punk contest held at the Freshman Spring Dance, Freshmen Mike White and Richard Smith pogo their way to the semi-finals. **Above Right:** Sophomore Mike Hill takes a shot at Senior Derek Blake during the cream pie throw at the Freshman Spring Dance. **Above:** 1982 Crest Editor-in-Chief Shelley Clutts looks at the Award of Distinguished Merit which was presented to the publication by the Interscholastic League Press Conference for the 1981 book. **Right:** Sponsor Paul Gettimier prepares to perform with his guitar for a weekly Younglife gathering.

## Student Travels to Capitol

As a part of the North Texas Conference United Nations Seminar, Senior David Hall was selected to spend Spring Break in Washington D.C. and New York. He received this honor through the Northgate United Methodist Youth Fellowship.

While in Washington, Hall visited places such as the Lincoln Memorial, Arlington Cemetery, and the White House. While at the Capitol, he sat in on a session on Congress, ate lunch in the Supreme Court Building, and toured the Smithsonian Institute. Seminars on social and economic

justice were also included in the schedule. The discussions included things such as the tax cuts affect on the poor, and military spending.

During the stay in New York, Hall and the 26 students he traveled with viewed two Broadway shows, *Annie* and *The Best Little Whorehouse in Texas*, and a performance by the Radio City Music Hall Rockettes. One evening they dined in the Rainbow Room after viewing the sights of the Riverside Cathedral and a tour of the United Nations Building.

**Above Left:** Taking part in the Distributive Education Employment Program, Senior Chuck Chamberlain unloads foliage at Chuck's Nursery. **Above Right:** While completing her credits for Distributive Education, Senior Jana Smith displays a shirt to an interested customer. **Above:** Preparing for his trip to Washington D.C. and New York, Senior David Hall packs his suitcase. **Left:** Junior Jodi Rains helps a friend devour a portion of the 20 foot banana split at a Younglife party.

# Scholars' Club Hosts Hay Ride

Despite the threat of thundershowers, the National Honor Society gathered on March 26 for a hay ride and wiener roast. The officers chose Mount Lebanon, a Baptist retreat camp just outside of Duncanville, as the site of the occasion. The party lasted from 6 to 11 pm.

The Trail Dust Restaurant hosted the annual NHS Banquet on April 8. Each person in attendance received \$6 from the school with extra expenses paid for by the members. Remarking on the banquet, Junior Jodi Rains stated, "The atmosphere was good because it was casual. Since over 100 people attended, it helped the members get better acquainted. It was an overall good time."

On April 1, the organization elected the 1982-1983 officers at the monthly meeting. Chosen were President Jeff Rayburn, Vice President Jeff King, Secretary Sabrina Shepherd, Treasurer Allison Reichart, and Historian Kim Greenough. The new executive board consisted of Steve Coffman, Greg Smith, Mike O'Donnell, Jodi Rains, Kim Goff, and Teresa Roberts.

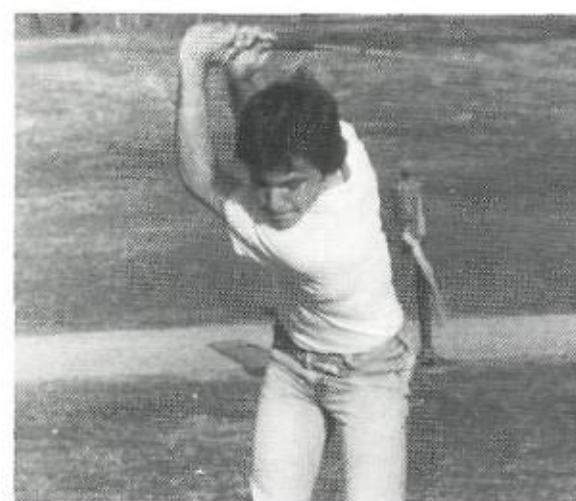

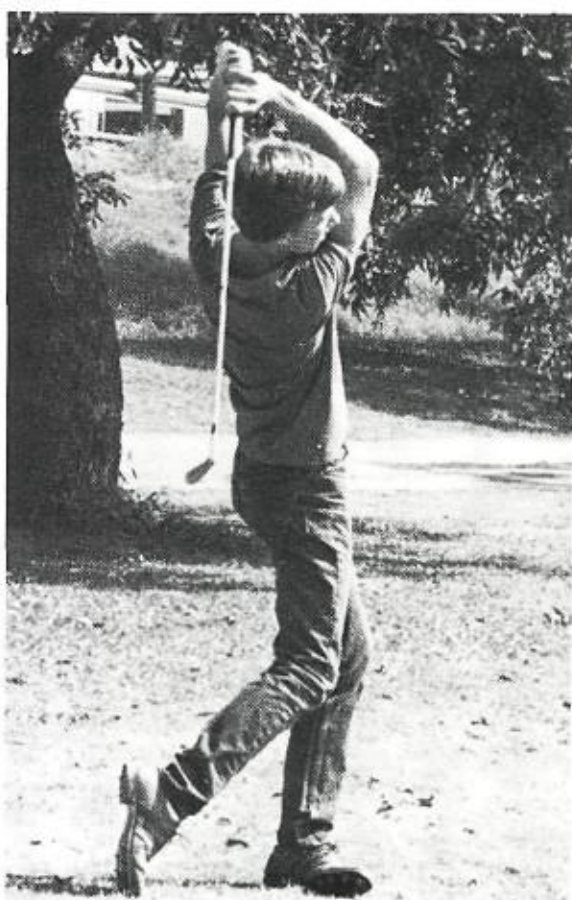

# Cards Struggle In Spring Term

Competing on March 11 and 12 at North Texas University, the Varsity Golf Team obtained twelfth place in a field of 25 squads. Two weeks later in the Plano Invitational, the team had their problems as they received twenty-fourth out of 25 possible positions.

Scoring in the low eighties, Freshman Brad Ellis was MacArthur's only medalist in either tournament. Other members on the Varsity were Rusty Woods, Rob Spencer, and Jeff Rayburn.

The Boys' Junior Varsity captured eighteenth place when they struggled with 20 teams on the Cherrell Park Range. The JV consisted of Freshmen Stacey Hutchings and Armondo Gonzales, and Junior Paul Karakourtis.

Participating in the girls' spring season, Junior Carla Mays and Freshman Sharla Russey and Brook Graham contended on March 2 in the Plano Invitational. Acquiring a total score of 132, Mays turned in the best performance of the three. The female golfers also traveled to Cherrell Park to compete in the Highland Park Invitational on March 8 and 9. Unfortunately none managed to place.

**Top:** Waiting for the bonfire to spark, NHS members Jeannie Buzard and Shelley Clutts hungrily visualize roasted weiners and hay ride at Mount Lebanon. **Center:** Posing for the camera, Junior Vanessa Clark and Senior Dean Gristy spend an evening at the Trail Dust Restaurant with the National Honor Society. **Left:** While preparing for an upcoming tournament, Junior Jeff Rayburn finishes a practice drive. **Above:** Teeing off for a practice round, Senior Rusty Wood works to perfect his golf game.

# Stars Shine on Oscar Night

Highlighting a year of film performances, the Academy Awards handed out its tributes to the top achievements in motion pictures. Hosting the show for the third consecutive year, Master of Ceremonies Johnny Carson introduced the stars who presented the awards.

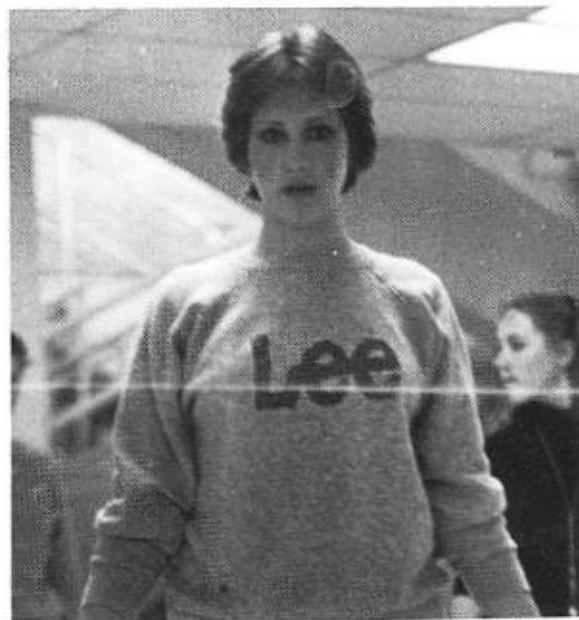

Chosen as Best Supporting Actress was Maureen Stapleton for *Reds* with competition from Jane Fonda of *On Golden Pond* and Joan Hackett from *Only When I Laugh*. The category of Best Supporting Actor was considered a toss-up between Sir

John Gielgud of *Arthur* and Jack Nicholson from *Reds* before Gielgud, the sentimental choice, was named the victor.

Katherine Hepburn won her fourth Oscar in 12 nominations as best actress with her performance in *On Golden Pond*. Despite one nomination in the past, 76 year old actor Henry Fonda won his first Oscar as Best Actor in *On Golden Pond*.

In the category of Best Movie, *Chariots of Fire* received the bid—much to the surprise of the audience and the millions watching on television

music from the original soundtrack by  
Vangelis

**Top Right:** *Chariots of Fire* won the Oscar for Best Picture during the 1982 Academy Awards presentation. **Above Left:** Father and daughter team, Henry and Jane Fonda, display the Oscar that he won for Best Actor. **Above Right:** Katherine Hepburn was in Washington D.C. when she won her fourth Academy Award for Best Actress. **Above:** Junior Kim Shoot practices her routine before she tries out for Cardettes. **Right:** Junior Cardette leader Deaun Kelly teaches Sophomores Stacey Maxwell, Robin Tuggle, Lori Dickson, Keri Jurca, Michelle Ream, Becky Ray, and Juniors Abby Clark and Lesa Benfield the tryout routine for the drill team.

## Soccer Girls Enter League

Playing in a district league for the first time, the Girls' Varsity Soccer Team played 12 pre-season games and ended with a 7-4-1 record.

The first district game took place on February 25 when the squad played Grand Prairie on the Cards' home field. MacArthur was victorious with a score of 2-0. After a week of practice, the team went to Irving's home turf on March 4 to play in their second district game. Once again, the Cards

controlled the field when the squad stomped South Grand Prairie on March 11 with a 3-1 ending.

When asked how she felt about participating in school soccer instead of playing in a club, Freshman Wende Buchanan replied, "It is really a different experience. When you are in a club, you have to raise all the money you need yourself, while in school, everything you need is there."

## TV Show Quizzes Students

Students from the three Irving high schools competed in the *Dr. Tom Allen's History Quiz Show* in an effort to become the most prolific history student.

The students for the show were recommended by the social studies teachers in their respective high schools. MacArthur representatives were Steve Terry, Mary Brock, Marci Freidberg, Bill Sinclair, Don Cragin, Amy Meeker, Janet Ludvigsen, and Katherine Polakoff.

Dr. Allen is the history and social studies

consultant for the Irving Independent School District. The show aired weekly at 6:30 on cable system channel 17. The championship round was aired live with Terry and Cragin as finalists.

Each show consisted of a series of questions asked by Dr. Allen to the panel of students. The first to answer correctly received five points. A five point deduction was imposed if a panelist answered a question while Dr. Allen was in the process of asking it.

**Above Left:** Senior Brad Walters hits the books in preparation for his four year football scholarship to the University of Texas in El Paso. **Above Right:** March Students of the Month are Freshman Juliana Kimbro, Sophomore Mike Cardwell, and Junior J.C. ## Upperclassmen Host Show

Opening April 1, the 1982 Senior Spectacular, traditionally a fund raising event sponsored by the Senior Class, featured Ronnie Jones and Chris Welch as Masters of Ceremony.

The show opened with the hard driving sounds of Regis a local band that features Chad Allen on bass and lead vocals, Wayne Brown on lead guitar and backup vocals, Chris Owens on rhythm guitar, and Mark O'Boyle on drums. The band played one set on Thursday, but due to the enthusiastic reaction of the crowd opted to do a second during the Friday show.

Brenda Adair basically set the tone for the remainder of the show by singing "Through the Eyes of Love." Marci Freidberg sang "The Way We Were." Tina Crewse and Debbie Klein followed with their dance of

Foreigner's "Urgent." Next, Kenny Rudolph, Ginger Morris, Chris Welch, Jeff Gardner, Paul Watts, and Danny Calhoun invoked a slight amount of sarcasm and comic with by providing a skit about the social structure at MacArthur.

Shelly Grego sang "Why Do Fools Fall in Love." She was accompanied by Scott Loehr who played the piano for every act which required his talents. Cheerleaders Karen White, Karen Deen, Tara Dearing, Shelly Burks, Vicki Pou, and Stacy Crawford danced to "Super Freak." The song, "Rhapsody in Blue" set the stage for the modern dance routine for Dean Gristy and Lea Ann Bray. Lionell Richie's Grammy Award winning song, "Endless Love," was performed by Shawn Wild and Sherri Mooney.

**Left:** After participating in the Annual Federal Inspection, Colonel Billy Williams admires the awards. **Below:** Chosen as Cardinal of the Month, Drama and Speech instructor Charlotte English lectures to her students. **Below Center:** Cadet Colonel Laurie Timmons and Colonel Billy Williams look over the trophies received at the Annual Federal Inspection. **Bottom:** Dressed in ancient attire, Latin Club officers Derek Blake, Joe Rodriguez, Shannon Enloe, and Janna Beam hand out awards to members of the organization.

## Corpsmen Host Yearly Banquet

During the fifth six weeks period, MacArthur's ROTC participated in three major events on consecutive weekends. The activities included the Annual Federal Inspection, the Metroplex Rifle and Drill Meet, and the Military Ball.

Colonel Billy Williams spent the week of March 22 speaking at junior highs about the ROTC program. Officers from Army Headquarters in Fort Raleigh, Kansas, came to talk to the Cardinal cadets on March 29. Representatives from A & M, Angelo State, UTA, and Kemper Military School also attended.

MacArthur held the Metroplex Rifle and Drill Meet on April 1, 2, and 3. Corps from Texas, Louisiana, and Oklahoma attended.

The ROTC Military Ball was the climax of the year's events. Stacy Hammill and Ross Wigginton were given the honors of Outstanding Cadets. Tommy Lee and Crystal Herring received honors for the Drill Team. Connie Burrow and Mike Sheriden, in B Company, were given awards. David Johns and Tonya Cate were awarded for D Company, and Ken Sylvia was named Outstanding in Rifle Team.

# One-Act Play Wins Alternate

The University of Houston sponsored the Texas Forensic Association State Competition the weekend of March 10.

Paul Watts reached the quarter finals in dramatic interpretation. Tiffany Riley made it to semi-finals in oratory, and later teamed with Chris Welch in duet acting to reach the semi-finals again.

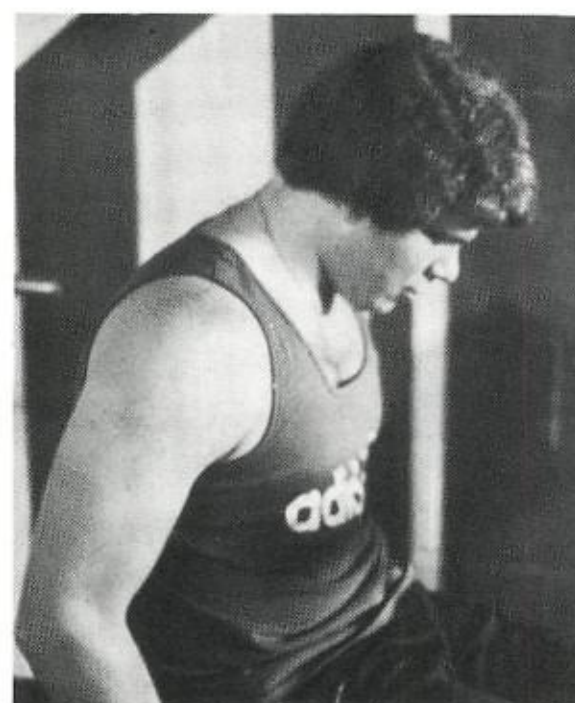

The UIL District One Act Play Contest was held on March 26. Welch and Riley were named to the All Star Cast, while Jeff Gardner was awarded Honorable Mention in the competition.

Riley, Cheryl Montague, and Tricia

Brattman place in the UIL Prose and Poetry Competition on March 27. Riley received first place in prose, Montague a second place in poetry, while Brattman was awarded a fifth place in the same event.

Sponsor Charlotte English stated, "Never has there been a year when talent has been so strong, friendship so close, and success so great in the MacArthur Drama Club."

Drama Club member Chris Welch explained, "The past year has been an exceptionally busy one for the Drama Club. In fact, it was rare to have a weekend break."

**Top Right:** Preparing for upcoming drama tournaments, Sophomore Kerry Jurca rehearses her part in the duet, "Minor Murder." **Above Left:** Seniors Ronnie Jones and Kenny Clark discuss their performance for an upcoming drama tournament while playing with a Smerf. **Above Right:** Newspaper Managing Editor Grant Fagan demonstrates his skills with an X-acto Knife during a deadline. **Left:** Publication photographers Lucas Reed and Mark Kegans remove pictures from the wash for a deadline. **Above:** After receiving an athletic scholarship to Baylor University, Senior Steve Grumbine prepares for college football.

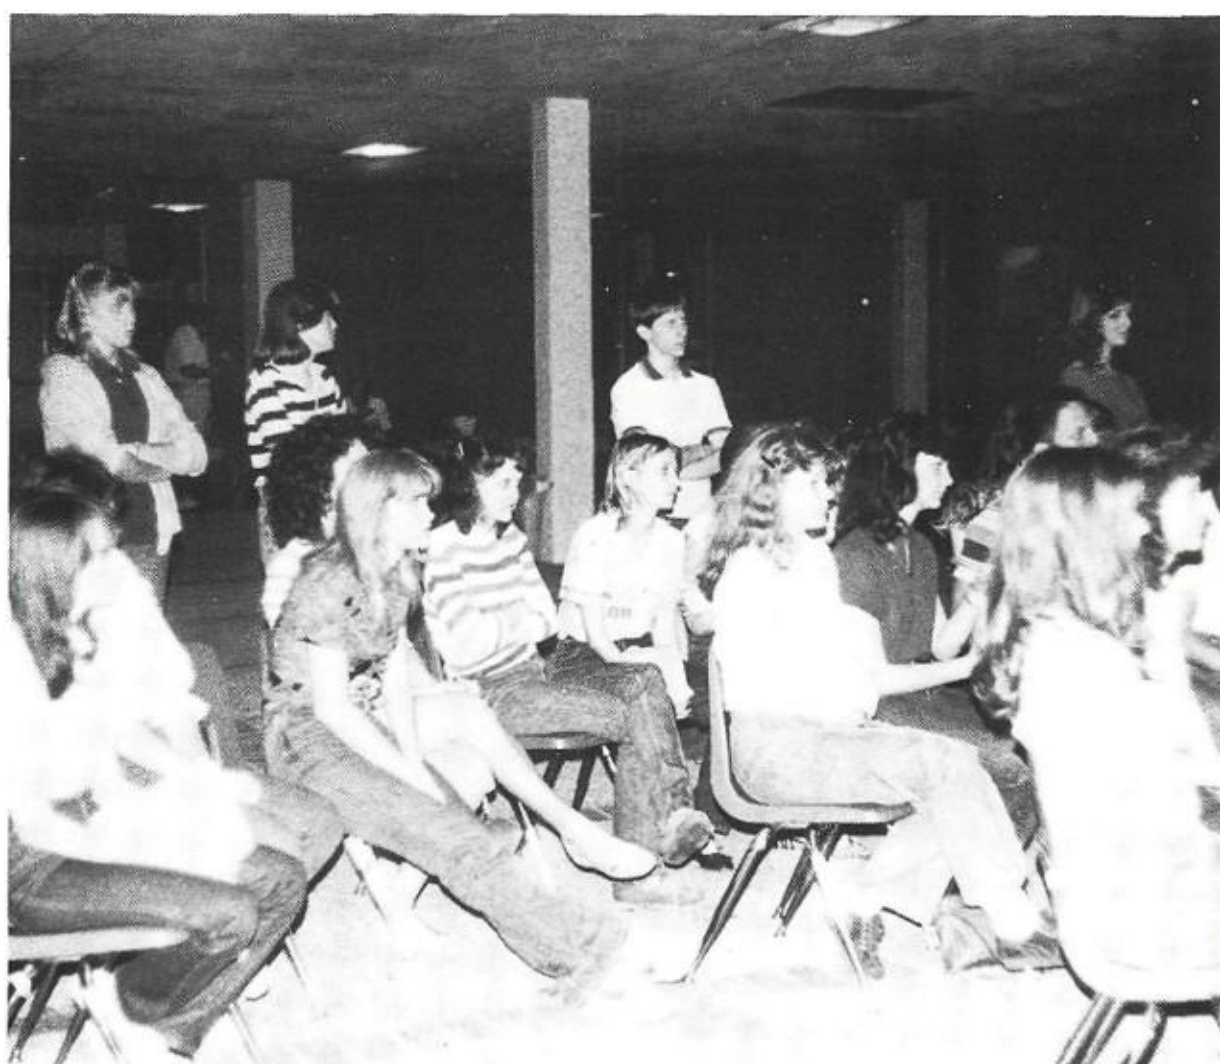

## Juniors Hold Annual Picnic

Troublesome weather did not put an end to the Junior Class Picnic, which was held on Thursday, April 1, as a brisk wind and drizzling rain were unable to stop the festivities.

Food, music, and friends contributed to the casual atmosphere once the students had been admitted for the price of \$1. Hot dogs, chili, chips, and Pepsi were available in abundance, while a wide range of desserts were catered by the girls. Junior Brian Wieters stated, "The food was plentiful and I definitely ate my share. The officers did a

good job."

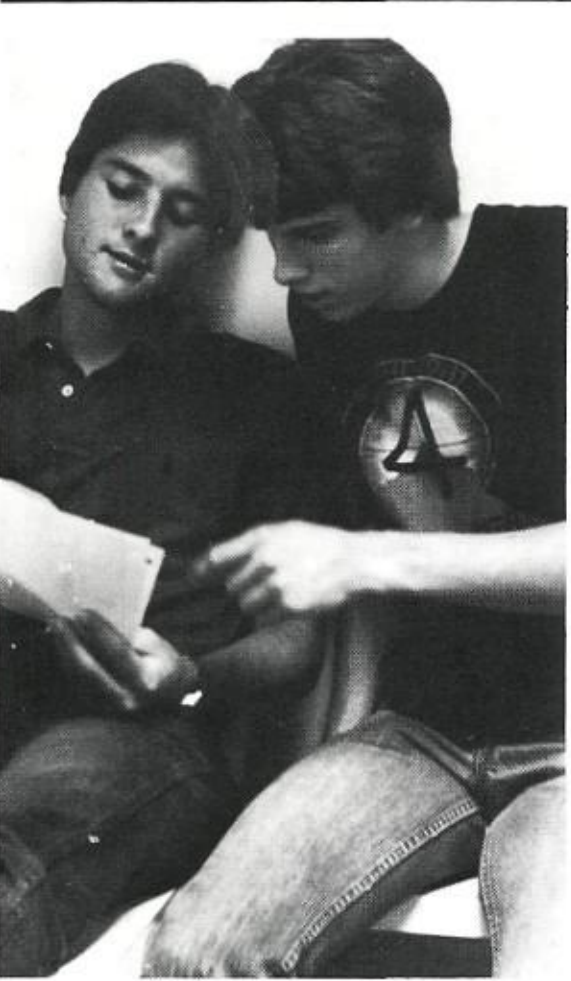

Senior Sponsor Jan Hahn spoke to the class about leadership and class spirit in an attempt to bring about a feeling of unity among the group. Assistant Principal Dick Stinson talked about eleventh grade activities and discussed plans for the senior year. Junior Karen Caughlin commented, "Everyone enjoyed themselves by having a chance to mingle with other members of their class to talk about leadership and events for their last year of high school."

**Top Left:** Kenny Rudolph, Mike O'Donnell, and Jody Rains attended the Junior Class Picnic. **Above Left:** Re-elected for a second term on the School Board, Pat Norman reviews her campaign prior to the election. **Above Right:** Darrell Cole, Barry Bates, Craig McDougal, Kevin Hedges, Leo Sifuentes, Kenny Rudolph, Mike O'Donnell, and Tim Talkington attended the Junior Class Picnic. **Left:** Melanie Smith, Tammy Plyter, Jody McKergo, Kim Goff, Jeff King, Beth Kline, Sonja Booher, and Teresa Kokojan listen to one of the speakers at the Junior Class Picnic. **Above:** Candidate for the School Board Steve Hillier is interviewed by the MACazine, prior to the election where he was defeated by incumbent Pat Norman.

# Varsity Track Grasps First

On the weekend of March 26, the Boys' Varsity Track Team traveled to the Mesquite Invitational. Placing in the top two positions were Brad Walters and David Bishop in the 100 meter dash, Ricky Schmidt in the 400 meter run, Dorwin Malone in the 100 meter high hurdles, and Walters and Bill Zartler in the 200 meter. The long jump, shot put, and discus competitions were rained out. The following weekend, the tracksters ventured to the Airplane Relays. Meeting

little opposition, the team placed in almost every event. Chris Rehfeldt won the discus and shot put competitions, with the long jump going to Malone with a winning leap of 20 feet. The 100 meter dash was won by Walters, while Steve Logan won the 400 meter dash. The 1600 meter relay crown was also swept by the MacArthur team. Rehfeldt, who won the discus, and Malone, who captured the 100 meter dash, led the Varsity to victory in the Grand Prairie Meet.

## Varsity Stumps in First Half

Riding a five game win streak and a tournament championship, the Varsity Baseball Team held high aspirations for defending their district 9-AAAAA crown. The opening encounter did little to douse these hopes as the Cards scored three runs in the final inning to erase a 2-0 deficit. Kevin Sturdy picked up the mound victory.

Taking the role of the comeback team once again, Mac rallied for four runs in the sixth to take a 4-3 victory over Grand Prairie.

Facing crosstown rival Irving in a game which held the district lead on the line, Mac dropped a heartbreaking 3-2 loss in ten innings. Irving won on two Cardinal errors in the tenth.

Playing to their potential for the first time

in district play, the Varsity Baseball Team exploded for six runs in the third en route to a 9-1 victory over South Grand Prairie. Sturdy allowed only one hit.

Faced with yet another opportunity to gain sole possession of first place, the Cards dropped their second loop contest by a 5-2 count to the Duncanville Panthers. One of the only bright spots of the evening was Kelly Wells' third inning homerun.

Mac's Eddie DeLaGarza pitched a no hitter against Trinity, but was sacked with the 1-0 loss when the Cardinals committed an error with a runner in scoring position. Reaching the end of the first half district season, the Cards lowered their loop record to 3-4 after dropping a 6-1 decision to Nimitz.

**Above Left:** Senior baseball players Allen Kennedy, Kevin Williams, and Kelly Wells relax by the batting cage before practice. **Above Right:** Kevin Sturdy squares for a slap bunt in the batting cage during an after school batting practice. **Above:** Varsity baseball player Steve Hester avoids a bad pitch thrown from the pitching machine during circuit training. **Right:** During the Freshman/Sophomore Football Game, Jana David (17) hands off the ball to Stacey Zartler (12) while the line clears a path for her to run.

## Cowboy QB Speaks to FCA

Two major events headlined the activities of the Fellowship of Christian Athletes during the last week of March—a skating party and a Day of Champions.

Participants in the skating party included huddles from the three Irving high schools plus all six junior high groups. Since there was no speaker or devotional time, the event was strictly a social gathering for FCA members of Irving.

The high school and junior high huddles were once again assembled at Irving High for a Day of Champions. Dallas

Quarterback Glen Carano was guest speaker at the gathering. Festivities of the day included Dogpatch Olympics, a film on the FCA National Conference, and devotional time. Although the day's activities were hampered by rain, FCA member Jeff King assessed the event as "a worht while way to spend a day away from school."

FCA Sponsor Roy Kinnan found one drawback to both events. he highlighted the problem when he said, "I wish more athletes would participate in FCA."

**Above:** Taking part in the FCA skating party, Katherine Lambright appears to be deep in concentration during a lap around the rink while Kari Geer follows. **Right:** Freshman Kari Geer and Sophomore Katherine Lambright demonstrate a new dance step at the FCA skating party at Mid-Cities Skateland. **Below:** Taking advantage of decreasing gas prices, Sophomore Holley Hall fills her tank at the Texaco station at MacArthur and 183. **Below Right:** Senior Donna Hicks writes a check to pay for her Senior Banquet/Prom tickets.

# JV Soccer Obtains Goals

MacArthur's Junior Varsity Soccer Team remained undefeated after completing their sixth district game of the season.

During the initial contest, the Cardinals displayed an overpowering offense as they destroyed L.D. Bell by a score of 7-0. Jimmy Spencer and Darin Morgan collected the goals early in the first half. Kicking two shots past the goalie, Bruce Baring brought the score up to 4-0 at the half. Henry Enriquez managed a hat trick in the second half to close out Mac's scoring and give them the victory.

Adding another win to their list, the Cards

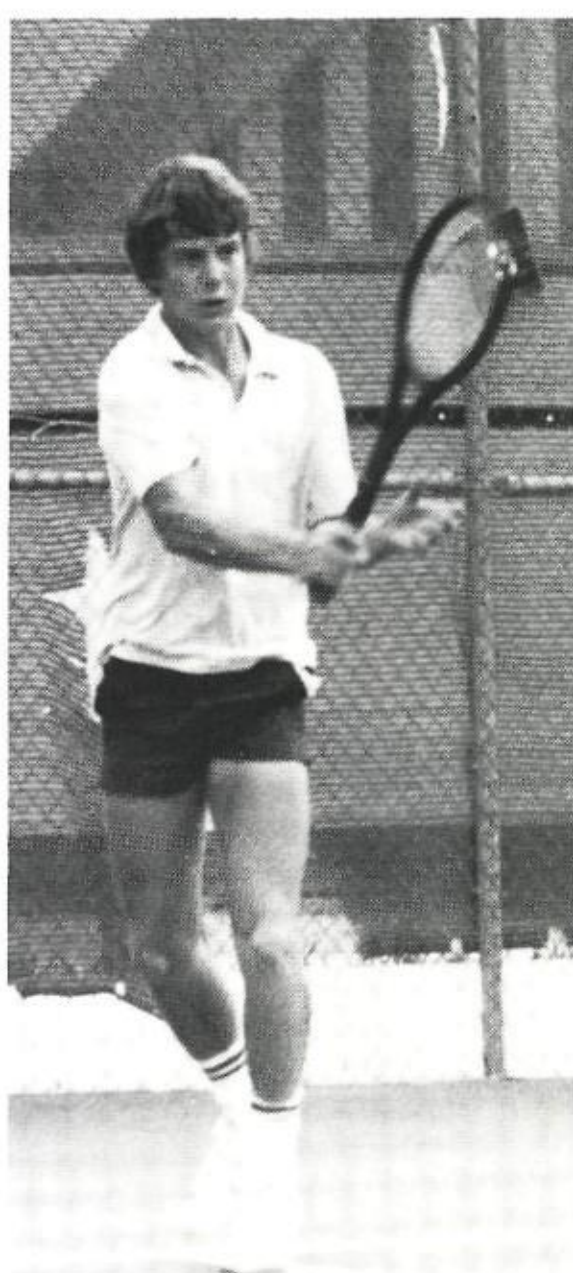

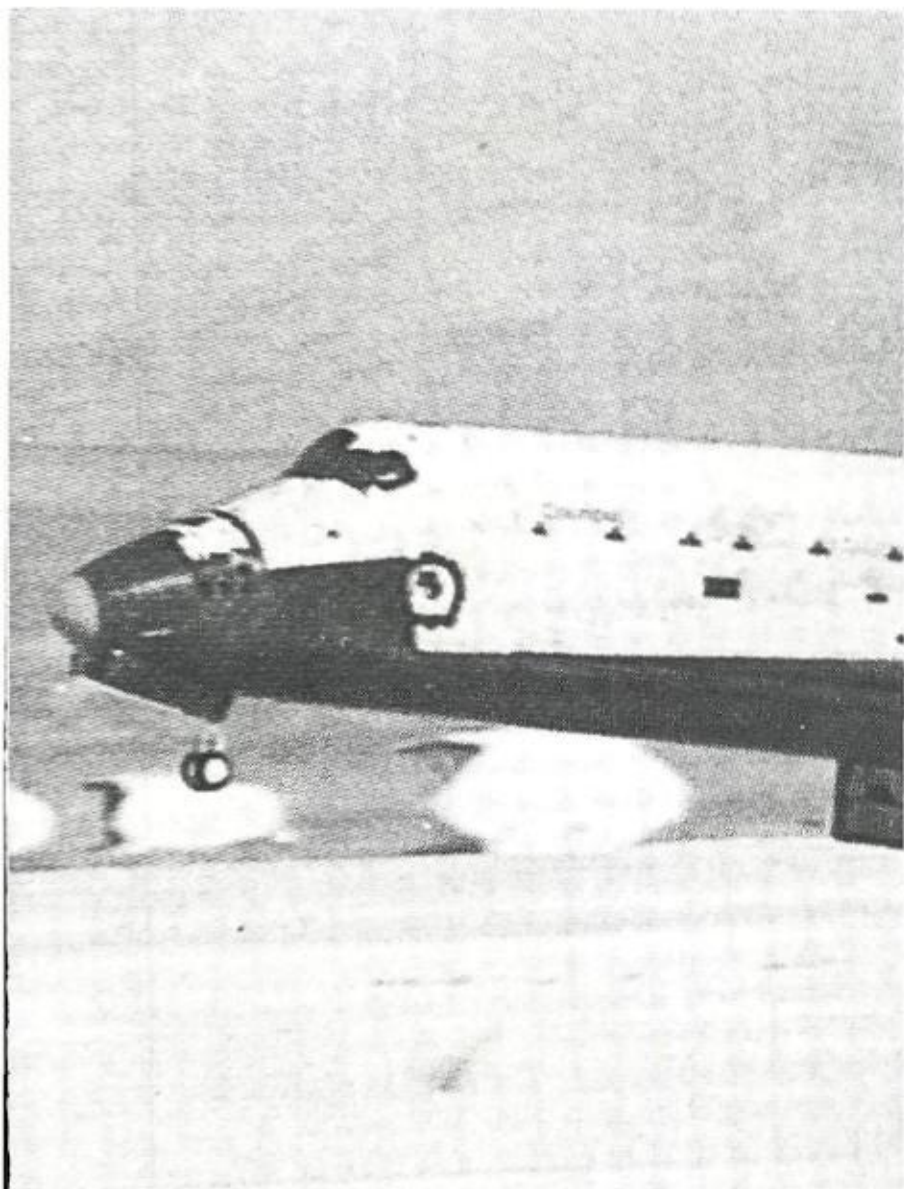

beat the Trinity Trojans by a 4-1 score. The first half concluded at 1-0 with the lone goal scored by Enriquez. Mac jumped to a 3-0 lead at the beginning of the second half when Baring and Enriquez each tallied a point. Trinity was only able to manage a late score as goalie Craig Kinsey defended flawlessly for most of the evening. Near the close of the game, the Cardinals were recipients of Trojan generosity when a Trinity defender booted the ball over his own goal keeper and into the net, giving Mac an additional goal and the final point of the contest.

**Right:** Sophomore Bruce Baring attempts to field a goal into his opponent's net. **Above Left:** Sophomore Mike Cardwell defends his goal by heading the ball to a teammate. **Above Right:** Practicing their CPR skills, health students Cal Becker and Denise Murphy attempt to revive their mannequin. **Above:** Senior Grant Fagan watches over the wasp farm he accumulated after nabbing the tiny winged creatures as a class project. **Right:** As part of their health curriculum Juniors Elizabeth Quigg and Yolanda Perez prepare to give a mannequin cardio-pulmonary resuscitation.

## Varsity Netters Smash Scotties

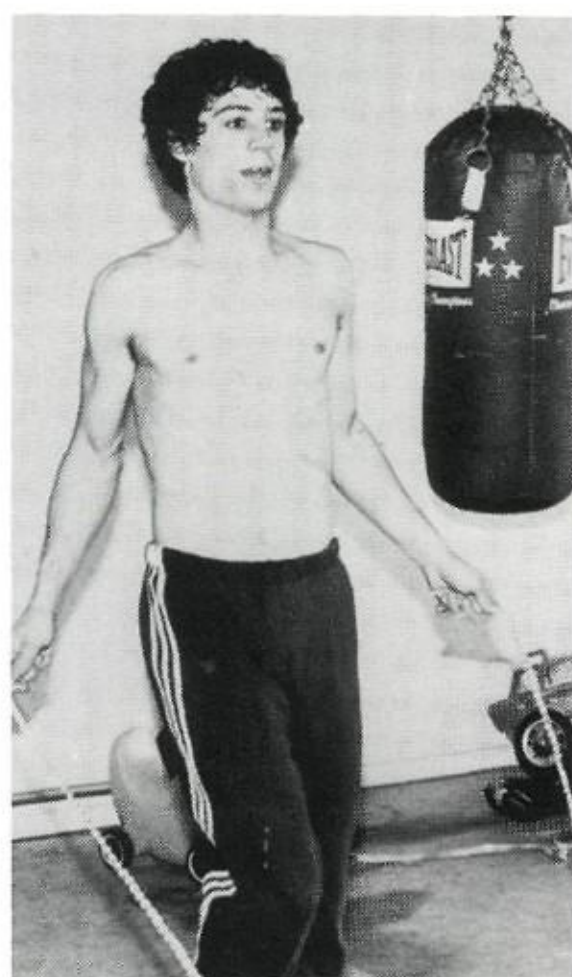

Starting the spring season on a positive note, the Varsity Tennis Team held a 14-2 record entering district competition.

Propelled by momentum from six straight wins, the key victory came when the team defeated Highland Park by a score of 4-3. This was the first time MacArthur had defeated their rival in many years of head to head play.

Mac managed to capture first place in the Irving Tournament held March 13. Don Tittle was awarded first place in boys' singles while his sister, Kay, took second in girls' singles. Mac again placed first as a team in the City Tournament. The girls' singles posted two wins as Kay Tittle and Melanie Smith volleyed to a first and second place win, respectively. Freshman Matt Peden walked away with second place honors in boys' singles. In girls' doubles action, the Cardinals succeeded in winning the number one position as Jeannie Buzard and Laura Marchant posted an 8-3 victory.

The girls' district competition began April 3 at C.P. Waggoner Tennis Center in Grand Prairie. Tittle battled Irving' Lynda Tate to a 7-5 decision in the first set and a 6-1 win in the second set to steal the district championship.

**Top:** Freshman track runners Willie Burke and Ronnie Logan prepare themselves for an event at the District Meet. **Above Center:** Freshman Chris Olson relays the baton to Terry Averett in the District Meet. **Above:** Nationally ranked boxer Barry Houseman smashes the punching bag in one of his daily workouts. **Right:** Senior Barry Houseman skips rope in preparation for an upcoming match.

## Frosh Runners Secure District

Completing its domination of area competition, the Freshman Boys' Track Team succeeded in capturing first place honors at the District Meet April 15. The squad accumulated 157 points to earn the team championship.

The contingent of Mike Marsh, Ronnie Logan, Terry Averett, and Willie Burke combined for a win in the sprint relay. In the 1600 meter event, William White placed second as Derek Green, Lorenzo Jones, and Carl Smith ran the 3200 jaunt.

The Freshman Boys also nabbed first and second in the 800 meter run, and the top two positions in the 330 intermediate hurdles. Burke won the gold medal in the 100 meter sprint while teammates Marsh and Logan placed second and third in the 200 yard run, respectively.

Tim Timmons was the only Cardinal to compete in the field events as he qualified for a fourth in discus and sixth in the shot put.

Coach Dickie Vanderpool stated, "I feel our team showed a great deal composure and maturity in this meet and I hope many of them will go on to participate in our varsity track and field program."

## Boxer Conquers Golden Gloves

Earning distinction in the sport of amateur boxing, Senior Barry Houseman claimed a second place finish as a participant in the Dallas Golden Gloves Tourney.

Beginning his career in Washington, Senior Barry Houseman had boxed for two years prior to the tournament and continued his training in Fort Worth. At 112 pounds, Houseman was ranked seventh nationally. He gradually moved up to the 125 pound class.

Houseman boxed for the Gormon Masonry Club in Fort Worth, where he trained daily. His training consisted mainly of jogging, jumping rope, and sparring. He tried to jog at least three or more miles daily. His record through April stood at 35 wins and 12 losses.

The Senior also competed in the Golden Bears Tournaments, the AAU National Tournament, and had the honor of representing the United States in New Zealand in the head-to-head competition between the two nations. He managed to win his first two bouts in New Zealand although he was eventually defeated in the finals.

**Right:** Newly elected National Honor Society officers Jodi Rains and Allison Reichart discuss plans for an upcoming meeting with Sponsor Jan Hahn. **Below:** Freshmen Julie Bass and Sheri Compton prepare for the annual tornado drill while other students assume the duck and cover position. **Below Left:** Freshman trackster Mona Sherman runs the mile relay, in which she received second place. **Below Right:** Shawn Adams and Cici Azcona prepare to assume the duck and cover position. **Bottom Right:** Running in the 800 meter event, Gail Weinhold sprints to relay the baton to her partner, Mona Sherman.

## Frosh Girls Capture Fourth

Accumulating 94 points, the Girls' Varsity Track Team achieved a third place finish among an eight school field at the Richardson Meet. With a tally of 66, they also scored a fourth in the District Meet.

Occuring on February 27, the Richardson Relays found Tammy Plyter claiming a first in the 400 meter relay with a time of 1:01.6. Kim Wood, Gail Weinhold, Mona Sherman, and Plyter combined to earn a second in the mile relay. A team consisting of Valerie Carnell and Ashley Fredrick along with Weinhold and Sherman completed the 800 meter relay in fourth position. Running with

Michelle Patrick, Carnell, Plyter, and Sherman won fifth in the 400 meter relay. In the 500 meter event, Jessica Adair, Denise Black, and Wood attained second place. The Cardinals racked up additional points when Laurie Billingsley finished in the shot put with a 29 foot, 5 inch throw. Also placing in the field events, Gina Yates' 28 foot, 8½ inch shot was enough to give her a second place title.

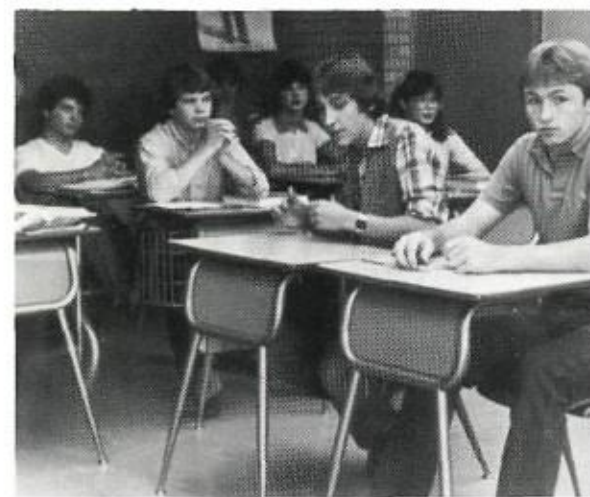

In the District Meet, Mac achieved a second in the 3200 meter run, fourth in the 900 meter relay, and second in the 300 meter hurdles.

**Left:** Freshman Richard Long, at pre-registration, fills out the forms for his sophomore year. **Below:** Jurors Eddie Hollingsworth, Steve Cooper, Laurie Shook, and Teresa Boynton look on as prosecutors Ricky Edgett and Steve Hester state their case in Kenneth Braddy's government trials. **Below Left:** Freshman Wende Buchanan gains control of the ball in an intra-city battle with Nimitz. **Below Right:** Junior Teresa Jones gains distance as she attempts to steal the ball from her Duncanville opponent. **Bottom Right:** Senior Marco Molina masters the new craze, hackey sack, a game played mostly by soccer players to improve coordination.

## Forfeits Plague Girls' Track

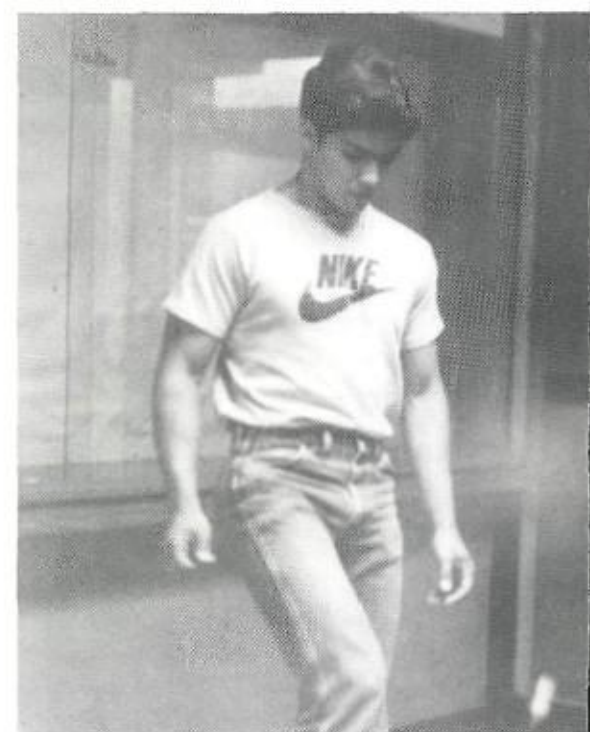

In the second half of district play, the Girls' Varsity Soccer Team competed in only two games, both of which were against the Duncanville Panthers.

In the first contest played at MacArthur, forwards Rene Troy and Marion Colby scored one goal apiece. Unfortunately, it was not enough to achieve a victory as Duncanville captured three to claim the victory.

With Trinity, Highland Park, Nimitz, and L.D. Bell forfeiting because of a huge loss in team members to drill team tryouts, the Cards experienced a slump in competition for two weeks. After a scheduled break the week of April 8, the kickers again tangled

with Duncanville in the district playoffs. Center forward Marilyn Polston scored once, but Duncanville pulled out a late goal to win with a final score of 2-1.

Coach Joanna Gerlach expressed, "We did well in pre-season games, but a young team with a lot of freshman starters just wasn't consistent enough, although next year we should have a seasoned team and should compete well." Freshman Wende Buchanan had similar feelings, "We should have been more serious in the beginning of the season. It would have made a big difference in our performance. Lack of concentration and not being mentally prepared cost us early in the year."

# VICA Holds Championship

Vocational Industrial Clubs of America (VICA) held their annual state contest where three MacArthur students exhibited their skills in a wide range of fields.

Open to all students, VICA allowed persons interested in industrial fields to expand their knowledge in that particular area, both with class instruction, and actual job experience. Junior David Campbell accumulated over 2000 hours as a machinist, which he hoped would be an asset to a future career. The club allowed students without outstanding academic ability to go straight into a professional job,

without going to college.

In the state contest, held at the Convention Center in San Antonio, Junior Norman Akins earned first place honors in the Individual Project Contest by entering a battery charger which he completely rebuilt and repaired to working order. Wayne Brown and David Campbell did not fare as well due to a lack of experience on the contest level.

Gym nights, morning breakfasts, lake parties, and intramural sports, provided VICA students with activities which they would not normally be able to participate.

**Above Left:** Freshman Julie Whatley models the latest punk mini-skirt fashions seen regularly around school. **Above Right:** Sally Stephenson is awarded the Vocational Industrial Club of American Plumbing award. **Above:** Chosen as April's Cardinal of the month, Freshman Counselor Mary Louise Wadsworth re-registers students for the upcoming year. **Right:** Next year's Cardette Leaders Sabrina Shepherd and Jennie Franks are clad in their casual clothing.

## JV Undefeated for District

MacArthur's Junior Varsity Baseball Team accumulated an impressive record during their initial district games. The streak began as the Cardinals defeated L.D. Bell with a score of 7-4. Pitcher David DeLaGarza led the victory while Nick Huber and Robert Hoogerwerf paced the team at the plate with two hits a piece.

Next, MacArthur overcame Grand Prairie with an 8-4 victory. Hoogerwerf was the winning pitcher with Nick Papa and Greg Burchfield both collecting triples.

Irving was the following victim as the Cardinals claimed a 4-2 victory. DeLaGarza was given credit for the mound win while Huber hit a double for Mac.

The following district game pitted the Cards against the South Grand Prairie Warriors. As in their previous contests, the JV was once again victorious by the count of 5-4. Chris Askew and Brad Anderson led the Red Birds at the plate while Robbie Hoogerwerf held the Warrior bats in check for most of the afternoon.

**Above Left:** Seniors Jack Hands and Scott Ferguson add their artistic touch to the *Crest* editors' office door. **Above Right:** Nick Papa catches the ball in an attempt to stop a Nimitz player from advancing another base. **Above:** JV players David DeLaGarza and Nick Huber discuss a call made by the umpire during a district encounter with L.D. Bell. **Right:** Junior J.C. Jammal, Sophomore Mike Cardwell, and Freshman Julianna Kimbrough were named April Students of the Month.

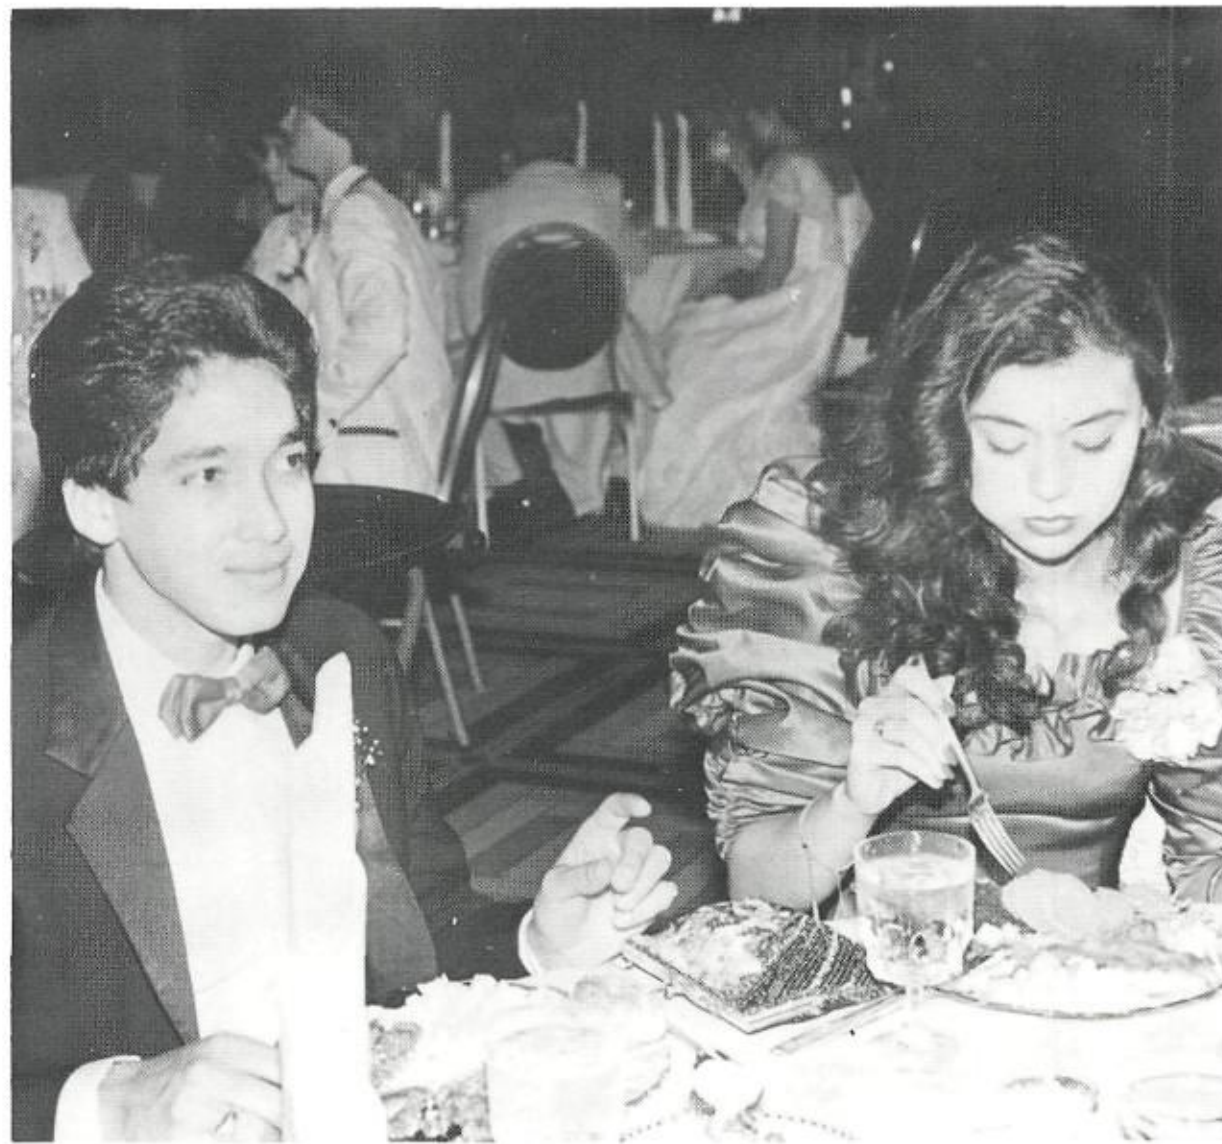

# Seniors Attend Prom at Regency

Held at the Hyatt Regency Hotel, the Senior Banquet/Prom took place on Saturday, April 17. Chosen as the motto of the event was: "To dream what we might, to create what we can. To accept what is, and to be all that we can." Colors were royal blue and ivory with the song being, "Time for Me to Fly" by REO Speedwagon. The chosen flower was the rose.

The evening began with dinner being served from 7 to 8:30. At 9, the band, Vintage, began the evening's musical entertainment. Between 9:40 and 10:10 the music was interrupted for a special slide presentation, compiled by Senior Clay Eakins. After the special presentations, Vintage resumed playing until 12 Midnight, when the Prom officially came to a close.

The ballroom was decorated by Art instructor Annie Hall and members of her department as well as senior officers. The decorations included tables with silk rose centerpieces, royal blue balloons strung from each chair, champagne glasses, and programs reviewing information and events occurring from 1978 to 1982.

**Above Right:** Katrina Olivas and her escort begin their meal after going through the buffet line. **Left:** Kathy Nicastro and Mike Cole make idle conversation while waiting to be introduced at the Senior Walk. **Above:** Donna Hicks and Jesse Orsini scan Reunion Ballroom as they enter to attend the Senior Prom.

## Females Ponder Asking Guys Out

Because of today's rising costs, most boys find it difficult to take girls out on dates every weekend. With this situation in mind, some girls take it upon themselves to ask the guys out. Despite the fact that some consider this an accepted practice in today's liberated society, many girls still feel uncomfortable placing themselves in the traditional role of the male.

Upon asking a boy out, the young woman must think of inexpensive entertainment. For example, she could invite the young man to her house for dinner. Using the food that is already in the house and preparing it herself, she has a practically cost free evening. Another inexpensive way to have fun is to attend the various concerts in Dallas. The girl could purchase the tickets and the boy could play for refreshments consumed while at the event. This way the evening is not too expensive for either one of them.

Senior Prom is becoming another occasion when it is acceptable for a young woman to ask a young man out. In this case, the question arises as to if the girl should take over the responsibility of picking up the full tab. Those polled answer that if the boy attended MacArthur, then she should not pay for the entire evening. However, if the man was out of school, then she should be responsible for everything—including the tuxedo.

**Brooke  
Graham**

If they have been dating, then it is okay.

**Johnna  
Sheets**

I don't think so.

**Ann Marie  
Taylor**

If they have been dating for a long time or it is a special occasion.

**Holley  
Dearing**

No, they should ask the girls.

**Denise  
Blackard**

Only if they've been dating for a while.

**Gail  
Wienhold**

Well, maybe if it is a special occasion.

**Frances  
McAdams**

No, it is the guy's place.

**Wendy  
McKinley**

No, I guess I'm old fashioned, but I think the guy should do the asking.

**Sheri  
Hinemann**

No, if he really wanted to go out with her—he would ask her.

**Missy  
Brown**

No, because it will make the guy look bad.

**Sheri  
Hasten**

If it is a special occasion like prom or something, then I think it is okay.

**Tanya  
Gamble**

I doesn't really matter. There is nothing wrong with it.

**Melinda  
Berry**

Yes, I think it is okay.

**Sharon  
Harper**

Girls should have the same rights as boys.

**Lisa  
Leed**

Yes, of course.

**Carolyn  
Graf**

No, I'm kind of old fashioned.

**Kathleen  
Myers**

Well, traditionally, no—but on special occasions it is okay.

**Gayla  
Tapia**

Yes, sure. Why not?

**Tina  
Maddox**

No, I don't think it's right.

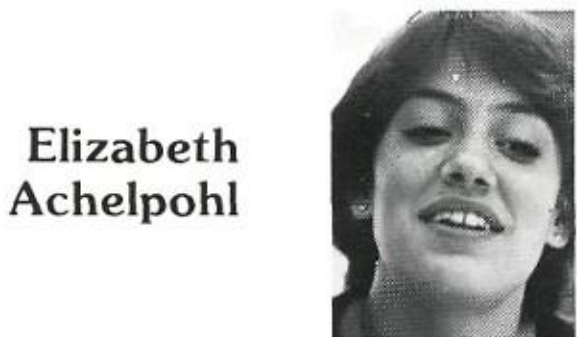

**Tracey  
George**

Yes, guys are so shy that sometimes the girl has to.

**Casey  
Castleberry**

Yes, only if it is something like a banquet.

**Elizabeth  
Achelpohl**

Yes, a girl should have the same rights as the boy.

**Anna  
Tobias**

Yes, if the situation is right.

**Sandra  
Yarbrough**

Yes, some guys are scared.

**Carla  
Griffin**

Yes, because of equal rights.

**Kathy  
Kemmerly**

Well, it is okay if it is a special occasion, but otherwise no.

**Cindy  
Contreras**

No, it's not okay. That's the guy's place.

## Choir Presents 'Showboat'

*Showboat*, a musical based on events occurring on a show boat's travels down the Mississippi River, was presented by the Acapella Choir on Thursday, May 13, and Friday, May 14, in the MacArthur auditorium.

Tickets were sold by all choir members prior to the musical in addition to being sold at the door. Two dollars allowed the general public to watch the production. The show grossed approximately \$1000 for the Choral Department.

Promptly at 7:30 pm, the show opened

with a prelude by the Girls' and Concert Choirs to prepare the audience for the program to follow. The musical consisted of selections from the original Broadway production. Directed by Danny Hart, the Acapella Choir relived the river life of the early 1900's. Soloists included Senior Mark Freidberg singing, "Can't Help Lovin' Da Man." David Page offered his arrangement of "Old Man River." Duets were performed by Mark Odom and Sherri Mooney with "You Are Love" and Shelly Grego and Paul Bielss singing "Make Believe."

## Regis Plays at 'Beach Party'

Almost 300 students and several members of the faculty converged for the Sophomore Dance on the evening of Friday, April 23.

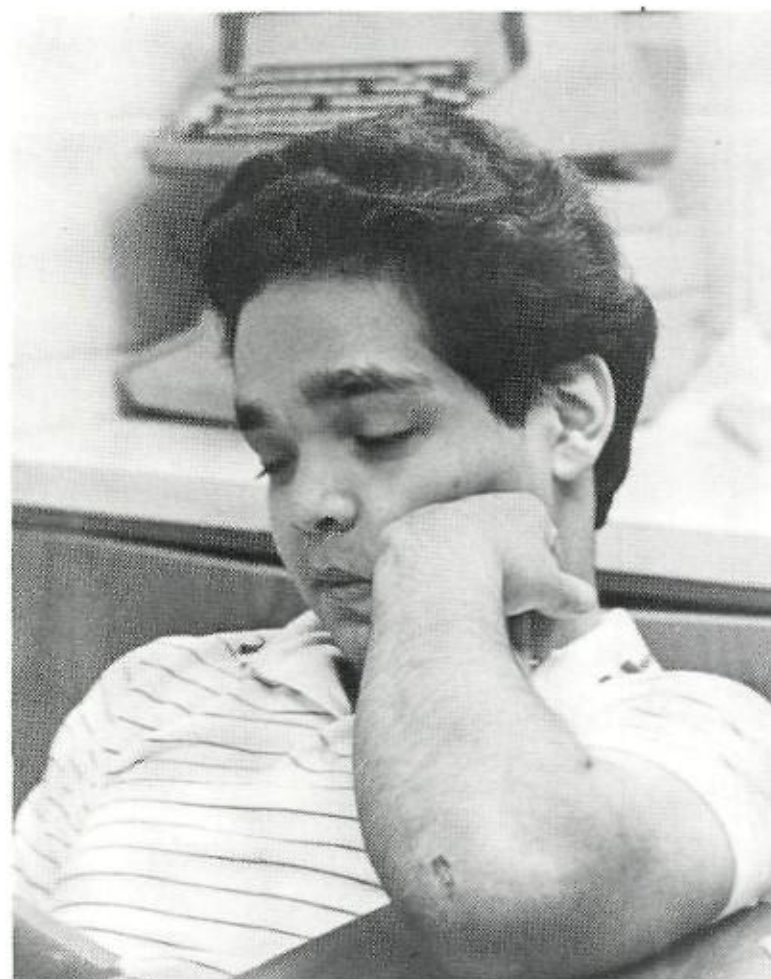

The event was only the second such dance, during the entire school year, to offer live music. Regis, a student rock band, provided the music for the throng. The band itself was composed of senior drummer Mark O'Boyle, senior lead guitarist Wayne Brown, rhythm guitarist and keyboard player Chris Owens, and lead vocalist and bass guitarist Chad Allen.

Due to the discovery of an illegitimate ticket ring operating the week of the dance,

entrance to the Beach Party was granted to those holding tickets stamped with the word "Fubar." The term was an acronym used by Sophomore Sponsor Gayle Fenoglio and meant, "fouled-up beyond all recognition."

Most of the decorations for the Beach Party were made and put up by Fenoglio's students and the sophomore class officers. Also assisting in the preparations were English teachers Rachel Morgan, Virginia Slover, and Dickie Vanderpool.

Boosting the Sophomore Class treasury by \$490, the dance grossed an amount of \$730. Tickets were priced at \$2 in advance and \$2.50 at the door.

## Soccer Takes District Title

Members of the Varsity Soccer Team captured the 9-AAAAA District Crown with a 5-3 overtime win over the Duncanville Panthers on May 16.

During the first half the Cardinals controlled much of the game as they went into the locker room. Two goals by senior center forward Mark Kegans, and a single tally by Sophomore Tommy Stone provided sufficient breathing room for the squad. As the team returned to the field for the second half, Duncanville scored two goals to force the teams into an overtime period. In the overtime period, the Cardinals regrouped to score two goals and win the District Title. Stone again broke through the Panther defense and netted the ball for a 4-3 lead.

Senior Albert Buchanan secured the victory with a header off a throw-in from Rick Woodard.

Commenting on the team's performance Head Coach Randy Waldrum stated, "The guys played hard and deserved the championship. It feels good to win a championship in your first year as a head coach. All year we stress team play, and this proved to be the deciding factor in the game."

Senior Scott Lowe added, "We had a letdown during the second half, but we got it back together in overtime. This game was very meaningful for us, especially the Seniors, because this is one of the last times that we will have together on the field."

**Left:** Freshman photographer Sharon Rogers takes time out to wash her car during the warm weather. **Below:** Junior Brian Hardesty performs his closing speech in a *Jesus Christ Superstar* rehearsal. **Below Center:** Cardette Leaders Kim Goff and Shannon Buscher direct Lisa Benfield, Allison Reichart, Angie Flanery, Margaret Booth, Karen Dugosh, Christina Contreras, Delaina Head, Pam McElhenney, Jay-Jean Pitts, and Susan Dickson in preparation for the Red and White Game. **Bottom Left:** Mike Dean rehearses with other members of the cast a crucial scene in *Jesus Christ Superstar*.

## Church Presents Rock Epic

As members of Plymouth Park United Methodist Church's Senior High Singers, 26 MacArthur students participated in the production of *Jesus Christ Superstar*.

Stuart Bayley, Paul Bielss, Sonia Booher, Judy Brummet, Mike Clements, Andy Davis, John Davis, Scott Davis, Mike Dean, Diane Dobbins, Brad Ellis, Maureen Ernest, Dean Garrett, Brian Hardesty, Camille Hartmann, Jeff Jones, Chris Perry, Bill Sinclair, John Tatum, Billy Washington, Melinda Webb, William White, Brian Windsor, Gary Williams, and Jeff Williams landed roles in the rock music version of Christ's final week on earth.

Presented in cooperation with Music Theater International, the cast performed the play on April 23, 24, and 25 with a special

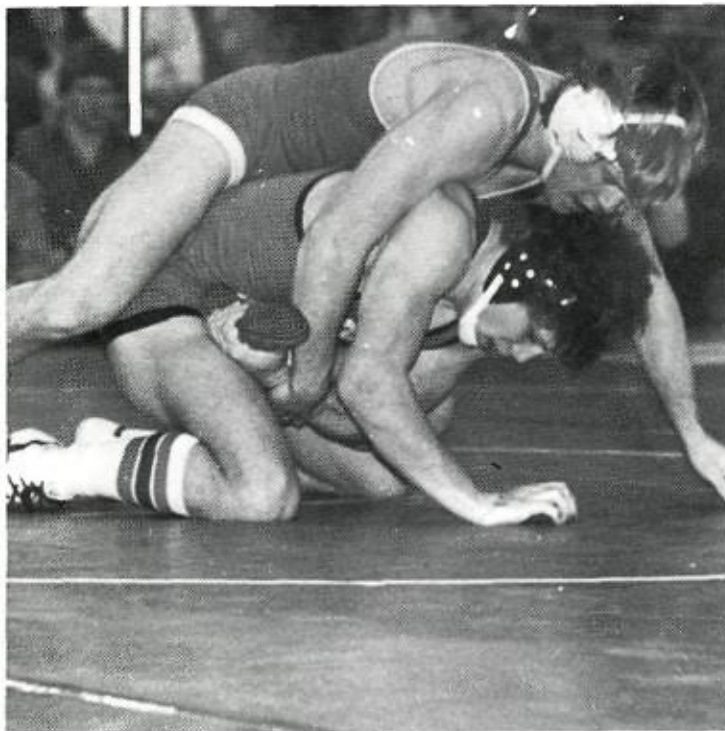

encore show on May 16. Dean, who played the title role, Hardesty (Pontius Pilot), Washington (Caiphus), Garrett (Herod), Windsor (Simon), Bielss (Annas), and Sinclair (Peter) earned the right to sing solos after lengthy auditions. *Superstar*, which lasted nearly two hours, contained two acts and 23 musical numbers. Despite being originally written for a rock band, the Senior High Singers presented a toned down version of the score.

Clements, who portrayed one of the Apostles, commented on the preparation by stating, "Because we had rehearsed for three months, I wish we could have done the show more. However, we had good crowds each night we did it, so I guess it was pretty successful."

**Left:** Discussing their impending graduation, Shelby Burns and Ginger Morris contemplate future plans during the Senior Breakfast. **Below:** Promotional games from the major soft drink industries increased profits as people bought the product in an attempt to win prizes. **Below Left:** David Upshaw struggles to gain the upper hand in a freestyle wrestling tournament against Trinity. **Below Right:** Sherry Mooney, Belinda Collins, Joann Freeman, and Shawn Willoughby anticipate the arrival of the biscuits during the Senior Breakfast. **Bottom Right:** Seniors Gary Leipsic and Sean McGuire make their choices from the large array of food at the Senior Breakfast.

## Breakfast Honors Graduates

Keeping with tradition, the Parent Teacher Association sponsored the Senior Breakfast.

Held on the morning of Friday, May 14, a continental breakfast consisting of glazed pastries, sausage and biscuits, melon pieces, and orange and tomato juice were served to the attending Seniors, class sponsors, and administrative staff.

The gathering took place at the Las Colinas Country Club in the banquet facilities. Due to rising costs, the price of the meal was raised from \$4.40 to \$5.50 per

person. It was first feared the Seniors would have to pay a 50¢ charge, as they did last year, to help defray some of the cost. This was not the case and the PTA was able to treat the graduates to breakfast.

The Seniors were dressed in three piece suits, sport coats, and dresses. Scott Boucher stated, "I thought it was nice. I enjoyed the formal part, but I didn't get enough to eat." Each Senior received a ribbon and a napkin as a keepsake of the event. The Senior Breakfast served as one of the class' final event before graduation.

# Swimmers Attend Regionals

Under the instruction of rookie coach Austrumus Zidermanis, the Irving Swim Team, consisting of swimmers from MacArthur, Irving, and Nimitz, completed its season with the Regional Swim Meet.

Mac's Gina Quirk finished eighth in the 200 yard freestyle and tenth in the 100 yard freestyle. Ricky Leal maintained a third place finish in district and a ninth in regionals in the breast stroke. Jodi McKergow established a new city record of 1:15 in the same event earlier in the year. Steve Cole, a Freshman, participated in the 100 and 200 yard freestyle events and competed in the Texas Age Group Championships.

Cole, Leal, McKergow, Gina Quirk, and Jeff Quirk were the five Mac swimmers on the 18 member team which held its practices at the Mid-Cities Pool. The squad worked out by swimming three miles a day combined with intermittent running and weight lifting sessions. This schedule was established by Zidermanis to improve the competitors' overall strength.

At the conclusion of the season, the squad continued their practices through the months while anticipating the completion of a new practice pool at Northlake Junior College. The construction was scheduled to be finished in the winter of 1984.

**Top Right:** During practice, Freshman Jeff Quirk perfects his turn before the Swimming Regionals at the University of Dallas swimming pool. **Above Left:** Junior Jodi McKergow warms up before a meet to be in top physical shape before the Regional Meet. **Above:** Concentrating on his form, Sophomore Kevin Brown takes practice laps at the Regional Meet. **Left:** Younglife members Jesse Orsini, Kelly Brown, Todd Jones, Greg Eakins, and Ginger Morris participate during one of the Wednesday night meetings. **Below:** A Josten's representative collects money from a Senior for graduation invitations.

## Cardettes Sponsor Carnival

As a diversion to their traditional variety show, the Cardettes combined a carnival and dance to create Springfest '82.

Lasting from 6 pm until 12 midnight, the carnival spread throughout the South Cafeteria and patio. Admission was free with the only charge being to participate in the available games at each booth. Volunteers from various organizations sponsored the booths and donated the initial \$20 of profit to the Cardettes. Hot dogs, Frito pies, nachos, chalupas, crepes, snow cones, cookies, Coke, and lemonade were available at various stands for consumption. In addition to the food, an abundance of games, including the National

Honor Society's musical chairs, the Cheerleader's sponge throw, the Future Homemakers of America's cake walk, and the Freshman Class' video games were showcased at the event. Other highlights were the Booster Club's Marryin' Sam, the Junior Class' dunking booth, and the Cardette's jail.

The dance, admission for which was \$2, occurred in the North Cafeteria and lasted from 9 until 12. Computer dates were selected from self evaluation cards filled out by students earlier in the week. The matches were announced at 10 as were Springfest King Tad Wilson and Queen Hollye Bozman.

## Graduates Make Wedding Plans

Several Seniors were united in marriage before, as well as after graduation.

Staci Goodwin was among the first as she became Mrs. Ricky Clegg on June 6 at Unity Chapel. Cyndi Wilson was maid of honor in the blue and white ceremony.

Judy Lusk and Bill Kennard were joined in matrimony on August 14 at Plymouth Park Baptist Church. The couple honeymooned at South Padre Island.

Kathy McWater married 1980 MacArthur graduate Randy Cain in a baby blue and pink service at the Vinyard Club House. Becky Deardorff served as maid of honor at the February 6 ceremony.

Dana Day became Mrs. Kevin Baker on May 30 at Woodhaven Presbyterian Church. The couple settled in El Cajon, California.

Pam Griffith and 1979 MacArthur graduate Scott Townsend exchanged vows at Northgate United Methodist Church on August 7. Senior Karen Cleveland acted as maid of honor, while Natalie Atkinson and Jean Vanderford were bridesmaids.

Senior Dora Krebs became the wife of Steve Hill on August 7 at First Christian Church.

**Top:** Diane Montgomery poses with fiance William Nelms. **Above Right:** Teresa Boyton and Charles Hickman contemplate their future together. **Left:** Scott Townsend poses for the camera by carrying Pam Griffith, his bride-to-be. **Above:** Denia Riddle carefully measures ingredients for a cake recipe as Jeff Carter awaits the finished product.

# Athletes Cited At Assembly

Honoring MacArthur athletes with almost 100 awards, medals, and certificates, the Sports Awards Assembly, held on April 20, recognized the efforts of over 70 of the school's athletic representatives. Head Football Coach Ronnie Cox served as master of ceremonies for the event.

The presentation of awards began with Junior Brian Amason receiving the Most Valuable Player medal from Boys' Basketball Coach Tom Milford. Receiving the Girls' MVP was Senior Dana Kovich. Sophomore Kelly Huitt was named Outstanding Defensive Player.

Girls' Track Coach Judy Blalock honored Junior Tammy Plyter with the MVP medal and Sophomore Kimberly Wood with the equivalent for Girls' Cross Country. Jessica Adair and Mona Sherman won Outstanding Freshman certificates. Track's Best All Around went to Valerie Carnell.

Coach Marsha Fields presented Girls' Volleyball MVP medallion to Senior Tammy Stevens. In addition, Seniors Lisa Bryson and Keyla Freeman received certificates for Outstanding Offensive Player and Outstanding Defensive Player, respectively. Gymnastics Coach Jan Turner honored Freshman Keri Skidmore with the team's MVP and Outstanding Girl Player awards. Junior Steve Sisney won the certificate for Outstanding Boy Player, while Sophomore Karen Kuczaj received the Outstanding Underclassman citation.

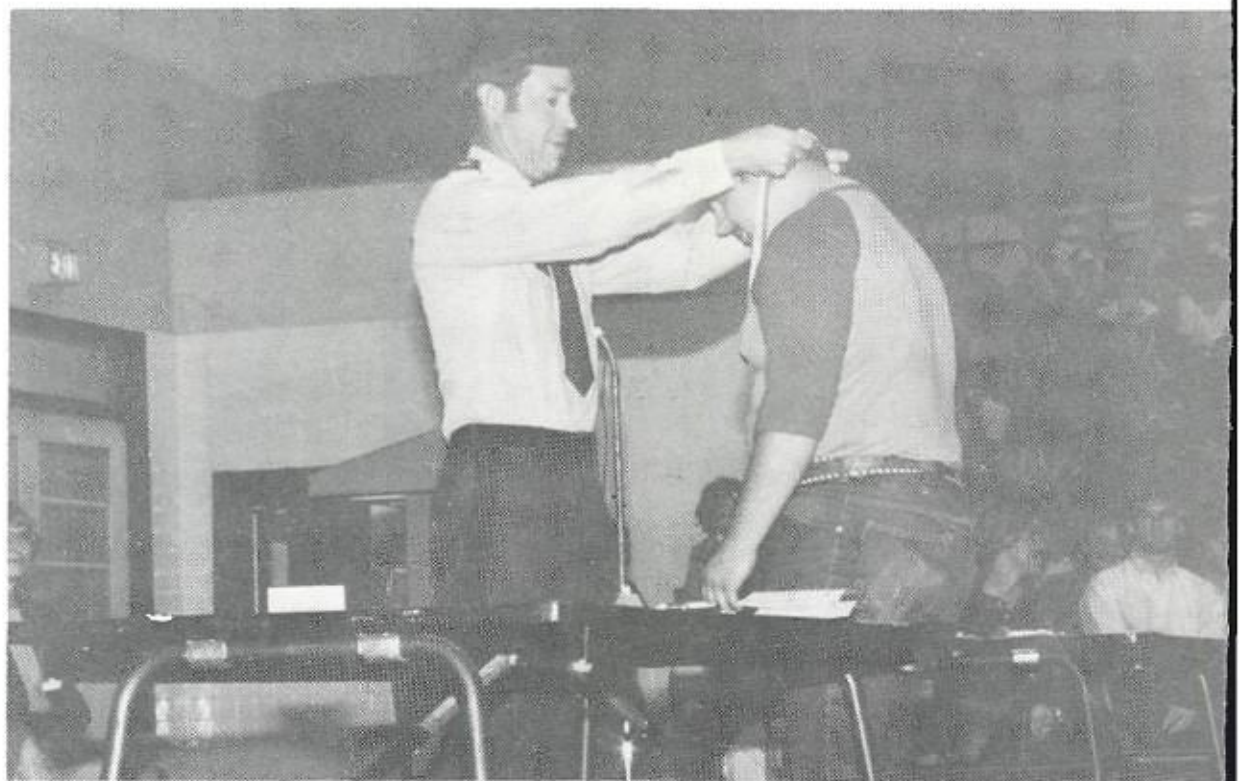

Senior Barry Smith was presented with the Outstanding Wrestler medal by Coach Tim Marzoula. Sophomore David Barnett was then given a certificate for Outstanding Underclassman. Boys' Soccer Coach Randy Waldrum handed the MVP medallion to senior goalie Craig Kinsey. Tommy Stone achieved recognition as Outstanding Underclassman. Girls' Soccer honored Sophomore Barbara Bohm with their MVP. The Outstanding Underclassman certificate went to Freshman Wendy Buchanan for her outstanding achievement.

Colonel Billy Williams and the ROTC Boys' Drill Team honored Senior Kevin McBee with a medal for Most Valuable Driller. Most Valuable Shooter went to Junior James Porter. Girls' Drill Team awarded Sophomore Nancy Elliott with the medallion for Most Valuable Member. Coach Sam Morton and the Tennis Team presented Sophomore Kay Tittle with the MVP award and Freshman Matt Peden with the Outstanding Underclassman certificate.

Varsity Football presented their MVP medallion to Senior John Sullivan. Junior Brian Bosworth earned a citation for Outstanding Underclassman. Lastly, the Cardettes recognized Senior Tammy Bell with their Most Valuable pin.

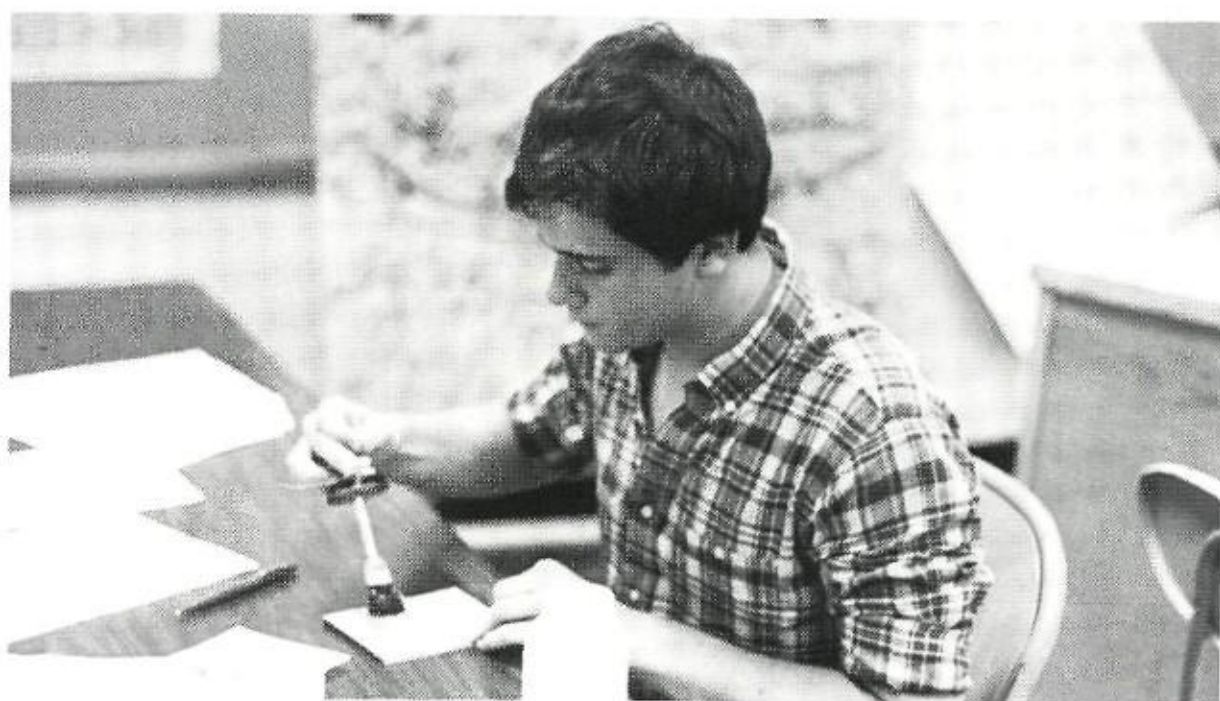

**Below:** Principal Paul Burke awards Sophomore Tanya Cate with a ROTC Girls' Drill Team trophy. **Left:** Sophomore Elizabeth Meyers participates in cheerleader practice conducted by Sponsor Georgia Regelsky. **Below Center:** Elizabeth Meyers, Sponsor Georgia Regelsky, Juniors Jamie Billingsley, Hollye Bozman, Dolly Wells, Michelle Meagher, and Sophomore Keri Jurca hold cheerleading practice. **Bottom:** Colonel Billy Williams honors Senior Kevin McBee with the Most Valuable Driller medal.

**Left:** Jeff King, Editor-in-Chief for the 1982-1983 *Cardinal Word*, works over a light board preparing the Senior Edition for press. **Below:** Steve Logan, anchor for the Varsity Relay Team, strains to pull ahead of his opponent. **Below Left:** Senior Jimmy Lorimer sprints to finish ahead of his competitor in the 400 meter dash. **Below Right:** Junior Greg Smith works overtime to prepare for the 1982 Senior Edition of *The Cardinal Word*. **Bottom Right:** Senior Dorwin Malone leaps for distance in the long jump event.

## Varsity Track Ends Season

Finishing their season, the Varsity Track Teams went to district with the boys finishing second and girls grabbing fourth.

Participating in the Mesquite Relays, the girls finished second with a total of 129 points. Valerie Carnell and Tammy Plyter picked up the only two gold medals. Carnell ran a 15.78 to take first in the 100 low hurdles, while Plyter clocked a 60.83 in the 40 yard dash to best her competitors and earn a first in the finals. Denise Blackard took second in the two mile run by posting a time of 13.08. Improving on their earlier performances, the Lady Cards racked up five gold medals in a triangular meet with R.L. Turner and Plano. The 880 Relay Team

consisting of Ashly Fredrick, Mona Sherman, Gail Weinhold, and Laura Dowlearn took third with a time of 1:57.45.

In boys' competition, the Prairie Relay Finals gave the Cardinals a chance to display their track prowess as they claimed the team championship trophy with 106 points. Dorwin Malone received first in the long jump with 21 feet,  $\frac{1}{2}$  inch and Chad Elms came in second in the 3200 meter run with the time of 10:35.68. At R.L. Turner Grant Fagan and Steve Orenstein entered the 300 hurdles while posting times of 41.1 and 42.1, respectively. Steve Logan, Jimmy Lorimer, and Malone won the 1600 relay with a clocking of 3.30.

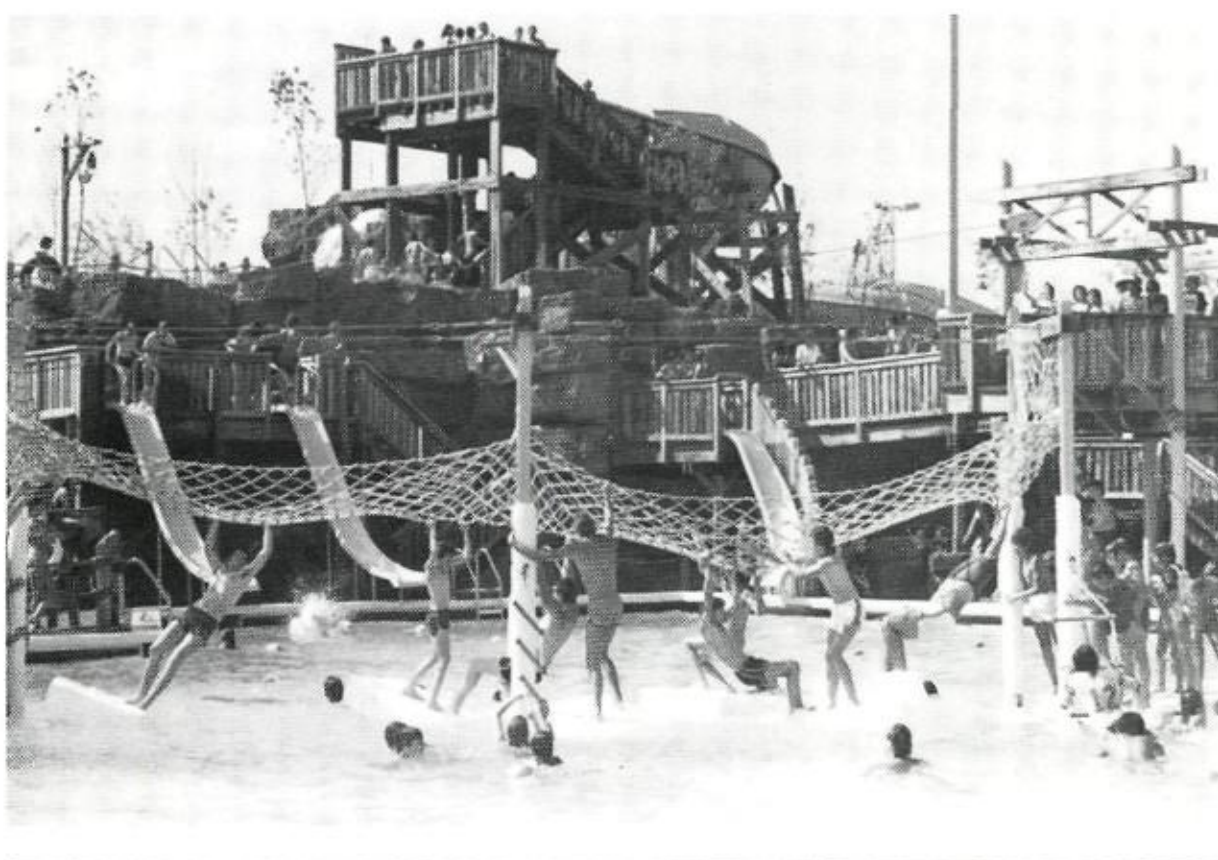

## Boosters Host Spring Picnic

White Water Amusement Park served as the site of the annual All Sports Picnic (renamed as the Spring Picnic) on Saturday, May 15.

Sponsoring the event, the Booster Club decided to change the location of the picnic from Sandy Lake Amusement Park to the newly opened White Water Amusement Park in Grand Prairie. Located on a "27 acre oasis," White Water offered a number of water activities for the visitors' enjoyment. Among the attractions included a man-made ocean, water slides, a water activity pool, two inner tuber rapid courses, and children's activity pool.

The Great Sea Wave, complete with four foot waves, covered an area the size of a football field and recreated the motions and sounds of an actual ocean. Another feature of White Water included White Lightning, the fastest water slide in America, which, at its maximum speed, could allow riders to travel up to 35 miles per hour.

## JV Baseball Wins District First

The Junior Varsity Baseball Team finished first in district play despite losing three of their final four contests.

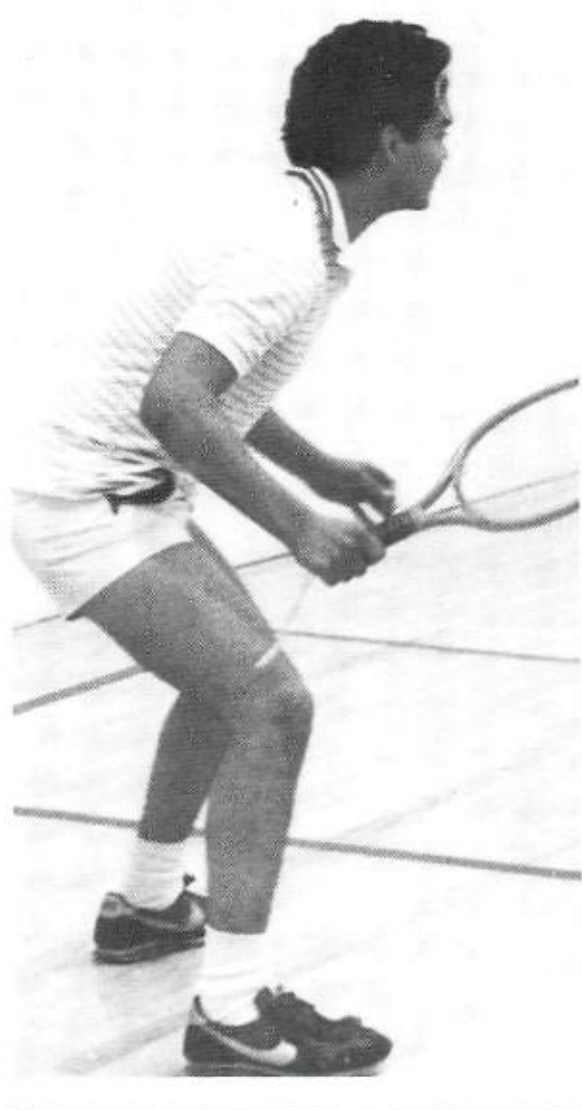

During the second half of the season, the Cardinals met Grand Prairie and lost, 12-11. David DeLaGarza, Chris Askew, Brad Anderson, and Nick Papa had two hits each with Papa also contributing three RBI's. The JV rebounded by defeating Irving, 9-6, in extra innings with a five run outburst in the ninth. Anderson and Papa each collected four hits. DeLaGarza, who was also the winning pitcher, garnered three. South Grand Prairie was responsible for the next Cardinal loss as they downed Mac, 7-3. Chip Hunt led all hitters with two, and Shawn

Maples added a triple. The Cards had owned the lead for much of the game until the Warriors pulled ahead in the late innings to claim the victory. The last game of the season pitted the Junior Varsity against Nimitz. Mac only managed five hits as Nick Huber's double knocked in three runs in the fourth to stake Mac to an early lead. Unfortunately, they were unable to hold it as they fell, 4-3.

Coach David Myers commented, "The team, this year, was better than everyone had expected. We had great pitching, hitting, and running. Overall, I think it was a successful season, and we played well together."

## Argentina Tries for Falklands

Following numerous warning statements, Argentinian troops seized the Falkland Islands on April 2.

Britain's tendency was to debunk the prowess of the Argentine Armed Forces, and particularly their use of modern weaponry. Five weeks after the invasion, the cost to Argentina was vastly greater than they had bargained for with more than 300 dead.

In a 48 hour period during early May, two events exploded Britain's complacent calculations and transformed the character of the war. On May 2, a British submarine sunk *The General Belgrano*, an Argentine cruiser, with a loss of more than 300 lives, triggered an emotional reaction that

undermined the united pro-British stance of the European Community. The second blow to the British assumptions about a walkover came with the May 4 destruction of the destroyer *H.M.S. Sheffield* by French-made Exocet missile fired from a distance of 20 miles. The loss of 23 crewmen brought home to Britons the grim reality that the war could not be won without substantial casualties.

Britain, on May 7, announced a move underlining its resolve to continue the war, necessary, to regain the Falklands. Argentina was warned that any of its warships or military aircraft detected more than 12 nautical miles from its coast would be regarded as hostile.

## Varsity Baseball Falls to L.D. Bell

Plagued by mental and physical errors, the Varsity Baseball Team fell to L.D. Bell in the opening game of the district's second half.

Quickly falling behind, 5-1, the Cards rallied for three runs in the fifth on a Mike Beckleman double to close the gap to one. Unfortunately, it was the game's final runs in the 5-4 loss. Pitching his second no-hitter of the year, Eddie DeLaGarza detained the Grand Prairie Gophers from scoring in his victory of 3-0. Allowing Irving to score five unearned runs, the Cardinals dropped a 7-3 decision to the Tigers. The team joined together to grab a 4-3 come-from-behind victory over the South Grand Prairie Warriors. Kevin Sturdy displayed a 3-4 performance at the plate, including a fifth inning homerun.

Mac was no-hit by Duncanville's Collin Charland in the course of a 6-0 loss. Having been officially eliminated from the District 9AAAAA title hunt, the Cardinals faced the league leading Trinity Trojans, with everything to gain. Mike Smith led off the game with a solo blast over the centerfield wall. The hit proved to be enough as the Cards claimed a 1-0 victory. Closing the season at Nimitz, Mac fell behind early but quickly rebounded for a 5-0 victory. The win ended the Cardinal year on a successful note and a 15-12 record.

**Top:** Seniors Mike Cole and Mike Wilson sample the biscuits at the Amfac Hotel during the Senate Breakfast. **Above Center:** Awaiting their orders, Juniors Kathy Nicastro and Michelle Manatou discuss Student Council activities during the Senate Breakfast. **Above:** Freshman Ann Marie Taylor and Holly Dearing enjoy their meal with Sophomore Valerie Carnell at the Senate Breakfast. **Right:** Junior Craig McDougal watches the ball before backhanding to his opponent during tennis practice.

## Council, Senate Hold Breakfast

Student Council officers and Senate members gathered for their annual breakfast at the Amfac Hotel on May 5.

The event, sponsored by Vice Principal Sharon Isringhaus, consisted of new officer induction and gift presentations. Nitesh, a plastic spider won at a recent Student Council convention, was dubbed the Student Council mascot for 1982-1983.

The new officers who were installed were President Craig McDougal, Vice President Andy Ellard, Secretary Michelle Manatou and Reporter Todd Jones. Other officers chosen by Isringhaus in collaboration with both old and new leaders, were Chaplain Barry Bates, Parliamentarian Darrell Cole Projects Chairman Lisa Lammel, and Publicity Chairman Kathy Nicastro.

Cole commented, "The breakfast was successful because it generated a feeling of fellowship among the officers. It was informative as well as fun."

## Tittle Maintains Tennis Crown

Winning the State Tournament for the second consecutive year, Sophomore Kay Tittle proved to be the best girls high school tennis player in 9-A competition.

Traveling to Austin on May 7, Tittle and Head Coach Sam Morton went in hopes of defending her 1981 crown. The top eight girls from various regions of the state competed for the championship. On opening day Tittle breezed to a 6-0, 6-0 straight set victory over an opponent from El Paso in the shortest match of the tournament.

She then defeated the regional winner from Beaumont, 6-3, 6-4, in what proved to be her toughest match of the tournament. The finals match was played the following day as Tittle was paired against Fort Worth Arlington Heights' Laurie Rapp. She had earlier defeated Rapp in the finals at the Regional Tournament at U.T.A. Tittle breezed through the first set with a 6-0 advantage. In the second set Rapp put some pressure on Tittle, but it was not enough to keep her from winning the state championship 6-0, 6-4.

Reflecting on the tournament, Tittle stated, "To come back here and win for a second time is really special. The competition is really great here. I'm just glad that I could represent our school in such an outstanding tourney."

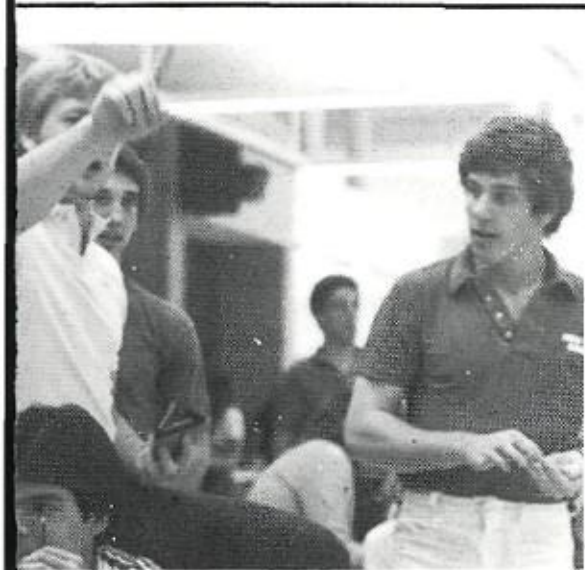

# Students Catch Spring Fever

In order to break up the monotony of school's final days, the week of May 10 was set aside for Spring Fever Week. Its purpose was to boost spirit, as well as bring the year to a close.

Starting Monday, cowboys and cowgirls roamed the halls on Western Day. During the lunch periods participants entered the marshmallow stuffing contest as John Davis won at A Lunch, Keith Hayes during B Lunch, and Chris Perry in C Lunch. Tuesday was set aside for Red and White Day for returning Mac students and College T-shirt Day for Seniors. Student Council officers sold slaves in the cafeteria. Those bought were expected to carry out the buyers reasonable requests. Wednesday was designated as Sixties Day with bell

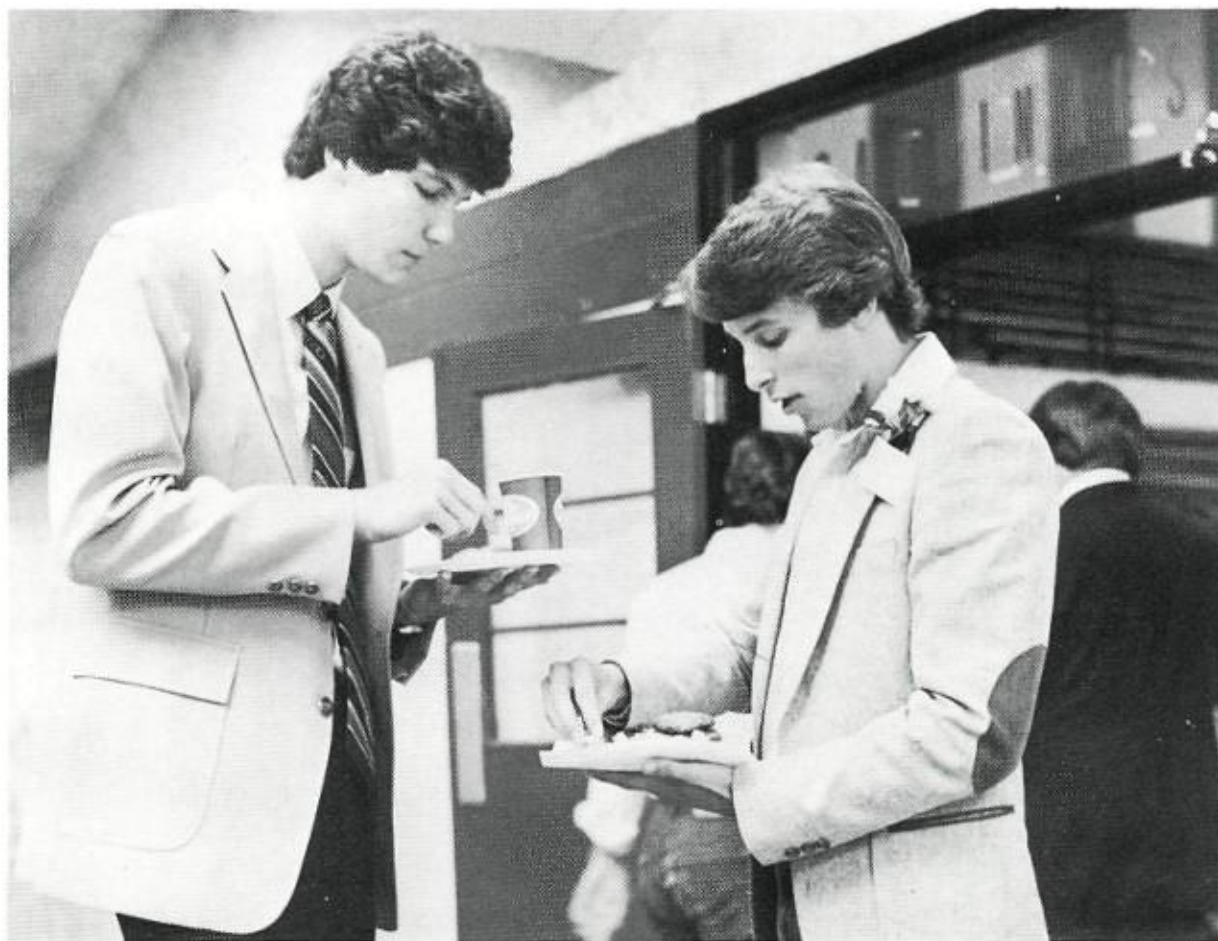

bottoms, horn rimmed glasses, and Army fatigues representing the popular dress of that decade. A bubble gum contest was held during all three lunches with Jack Hands, Jennifer Marshall, and Scott Bain winning the sticky game. Thursday, students observed dress up day as the Awards Assembly took place to honor outstanding students.

As the last event of the week, students' imaginations ran rampant on Punk Rock Day. Pupils attired themselves in leather jackets, mini-skirts, and purple hair to show their new wave style. A pogo dance contest was held during the lunches. Winners included Jeff Sampson, Andy Ellard, and Brian Contestible. The Cardettes ended the week by hosting Springfest '82.

**Top Left:** Sophomore preppies Brian Windsor and Ted Pappas look on as Lyle Bayless displays his modern day buccaneer garb during Punk Rock Day. **Above Right:** Seniors Donna Weber and DeeDee Wright enjoy the food and the flowers at the Junior-sponsored Senior Appreciation Day. **Above Right:** Kenny Clark and Lora Hansell add a finishing touch to their costumes during Sixties Day. **Above:** Scott Boucher and Shawn Wild place their bids at the slave sales while David Page collects his money for payment during Spring Fever Week. **Right:** Senior Jack Hands displays his taste for flowers during Senior Appreciation activities in the Field House.

**Left:** Seniors Clay Eakins and Dane Matney enjoy the refreshments provided on Senior Appreciation Day. **Below:** Donated by Flowers of Las Colinas, carnations were given to participating Seniors, David Bishop, Jan Tisdale, Kevin Hedges, Lisa Jennings, and Donna Kovich. **Below Left:** Juniors Jamie Billingsley, Annie Shaver, and Tarmy Plyter assist in passing out refreshments on Senior Appreciation Day. **Below Right:** Mark Slejko, Grant Bethard, Steve Parks, John Mogollon, and Grant Fagan take advantage of their day of appreciation. **Bottom Left:** While waiting for their drink, Seniors Lori Shook and Leslie Weinhold choose among the many cookies and cakes on Senior Appreciation Day.

## Juniors Show Appreciation

Made possible by the Junior Class, Senior Appreciation Day was held on dress up during Spring Fever Week.

Vice Principal Lane Ladewig, sponsor the the Junior Class, organized the refreshments and locker decorations made to honor the Class of '82. The senior theme and artwork put on the lockers of graduating Seniors was designed by Junior Keith Reese. Approximately 75 Juniors participated in supplying refreshments and in the decorating of lockers.

Five hundred carnations were distributed to the participating Seniors. The flowers were donated by Flowers of Las Colina. Homemaking teacher Patsy Parrish also gave assistance in the organization of the refreshments.

Junior Jeff King commented, "I enjoy helping out. I feel that the Seniors deserve appreciation for their leadership of the underclassmen." Vice Principal Ladewig added, "I was extremely surprised at the enthusiasm of the entire Junior Class."

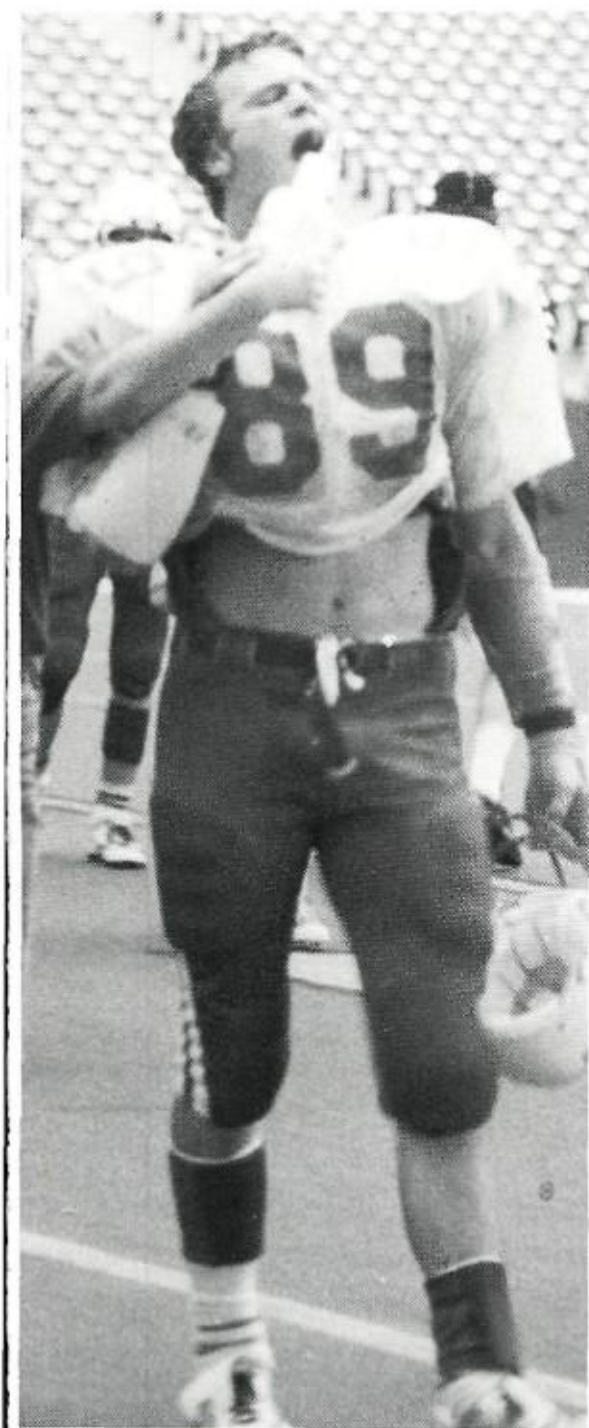

# Red Team Wins Over White

Climaxing three weeks of rugged workouts, the 1982 Red and White Game was held at Texas Stadium. The Red Team, led by Coaches Zac Zachary and Don Gipson, defeated the White Team, led by Coaches David Kuykendall and Russ Weisener, with a final tally of 21-12.

The White Team started the scoring after a fumble recovery by defensive end John Lindsay. On the ensuing play, Junior Darrell Cole plunged through the line to make the score 6-0. The Red Team tied up the score

when quarterback Brad Narrell hit tight end Jack Layman in the end zone. Narrell added another score for the Red on a 17 yard jaunt to close the half at 13-6.

The Red Team continued the scoring in the second half when tight end Mike Myers rounded up a 35 yard aerial to boost the score to 21-6. The White Team ended the scoring when tight end Brian Bosworth was on the receiving end of a 45 yard pass from Sophomore quarterback John Hands, leaving the score at Red, 21; White, 12.

**Top Right:** Junior Cardettes Katherine Nicastro and Kim Greenough relax after performing during halftime at the Red and White Game. **Above:** On his way to the sideline, Junior Brian Bosworth takes a water break from trainer Karen Stewart. **Above Right:** Cardette Leaders Jennifer Holden, Kim Goff, Shannon Buscher, and Deaun Kelly perform to the theme of "Raiders of the Lost Ark" at the Red and White Game. **Right:** While resting at halftime, White Team members Andy Davis, Buff Parham, Scott Shaw, Robert Denton, Richard Knapton, and Trainer Marsha Corey plot their comeback.

# Academic Awards Announced

Held on Thursday of Spring Fever Week, Dress Up Day was highlighted by the annual Academic Awards Assembly.

Principal Paul Burke opened the ceremony by announcing the Top Ten Academic Seniors and the top two in each class. Freshman Derek Green with a 10.14 and Anna Norris with a 9.96 were the top Freshmen. Lisa Caughlin led the Sophomore Class with a 9.78, while Leslie Heldman and Jorge Contreras tied for the number two spot with 9.63. The Junior Class was headed by Charles Allen who carried a 9.50 and Brian Hardesty

Next, Band Director Fred Adkins presented the awards for his group. Among the recipients were Jeff Verver, who was top

bassoonist in the All State Band and Junior Melia Sims who received the honor of Most Outstanding in Band.

Who's Who awards were given next by Publications Advisor Johnny N. Heard and Assistant Principal Dick Stinson. Choral and acting awards were presented next by David Page and Chris Welch.

Newly elected Student Council Vice President Andy Ellard announced the Sweethearts and Beaux from school sports, clubs, and organizations.

Junior Greg Smith presided over the announcement of the Journalism Awards. He then introduced Crest Editors Shelley Clutts, Tony Rodriguez, and Jeff Williams who made an unscheduled appearance

when they revealed the dedication of the 1982 yearbook to Principal Paul Burke.

Shawn Wild was up next to present the National Honor Society award for the most active member, Shelley Clutts.

Heard came up once more to present the class favorites. Cheerleader Sponsor Georgia Regelsky announced the winners of Mr. and Miss School Spirit, Shawn Wild and Ginger Morris. Afterwards, 34 students with a year or more of perfect attendance were recognized by Vice Principal Lane Ladewig.

To bring the assembly to a close, Senior Sponsors Jan Hahn and Regina Story announced the Top Ten Outstanding Students and Mr. and Miss MacArthur High School, Jeff Williams and Shelley Clutts.

**Above Left:** Senior Choir member David Page congratulates Junior Mike Deen for his participation in the All State Choir. **Above Right:** After the announcement of her two college scholarships, Senior Shelley Clutts accepts a certificate of achievement from Senior Counselor Joe Pritchard. **Left:** Top Ten Academic Seniors Mary Brock, Don Cragin, Steve Terry, Kathy Polakoff, Jeff Williams, Karla Smith, Sean McGuire, and Antoinette Marak stand after being recognized at the May 13 Awards Assembly. **Above:** Salutatorian Paul Cho anxiously accepts his Who's Who in Science Award from Assistant Principal Dick Stinson.

## Principal Names Academic Two

Completing their high school years as Valedictorian and Salutatorian, Amy Meeker and Paul Cho graduated with accumulative averages of 9.97 and 9.52, respectively.

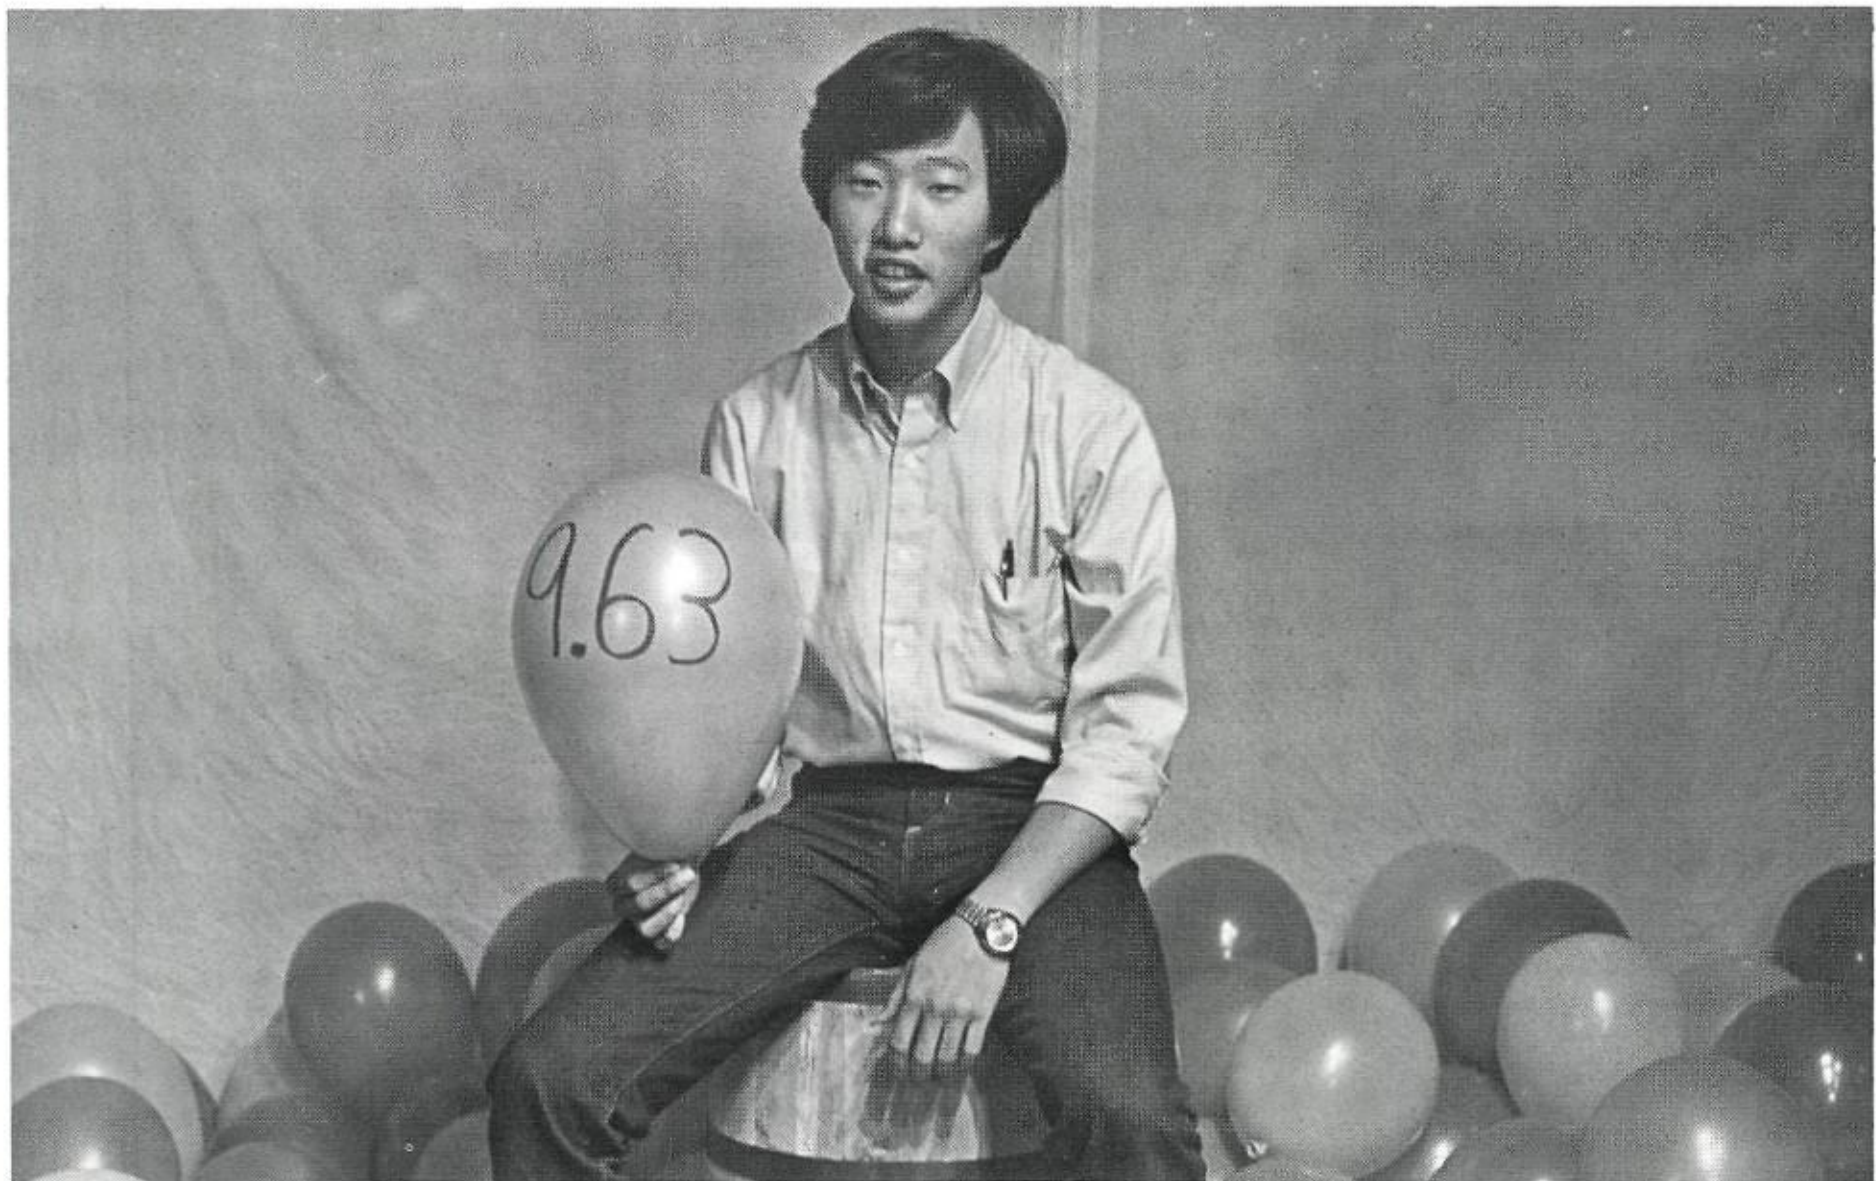

Announced at the Academic Awards Assembly, the two received certificates and medals. Finishing with such a distinction earned the two an opportunity to give speeches at Commencement. Meeker's oration discussed "The Dream of Excellence," while Cho spoke on "Education: Past and Future."

Meeker's future plans included attending Baylor University. While there, she intended to major in business and graduate with a Bachelors and Masters Degree in Business Administration.

Cho, aspiring to be a medical doctor, chose the University of Texas at Austin for his schooling.

Reflecting on their high school career, the two expressed completely opposite ideas on their achievements. Meeker proudly stated, "Since my freshman year, my goal has been to be the Valedictorian of my class. It is so satisfying to know that I did it."

Cho elaborated, "It's never been a set goal for me."

## Eight Complete Academic Ten

Following behind Valedictorian Amy Meeker and Salutatorian Paul Cho, Seniors Mary Brock, Don Cragin, Steve Terry, and Kathy Polakoff finished in the Top Ten Academic in their class.

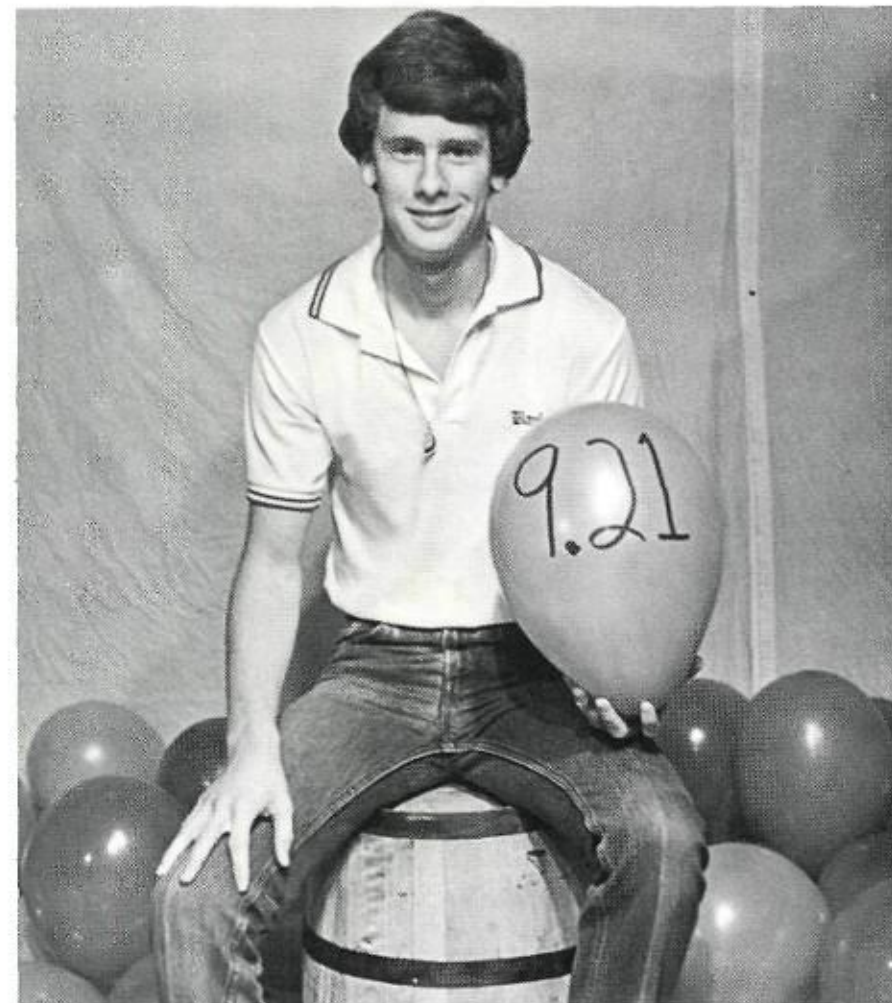

Taking third place, Brock, a two-year member of the Cardettes, earned a grade point average of 9.23. Following closely behind Brock, Band Drum Major Cragin, who was also a National Merit Finalist, gained a 9.21 average. Terry, a French Club member, claimed a 9.18 average, ranking him fifth. Behind him in sixth place with an 8.94 grade point average was Polakoff, a National Merit Finalist and member of both the Drama and Latin Clubs.

Seniors Jeff Williams, Karla Smith, Sean McGuire, and Antoinette Marak rounded out the Top Ten Academic in their class.

Williams, Crest Editor-in-Chief and varsity baseball player, earned an 8.93 grade point average, putting him in seventh place, one grade point behind Kathy Polakoff. Smith, a two year member of the Acapella Choir, followed him with an 8.52 average.

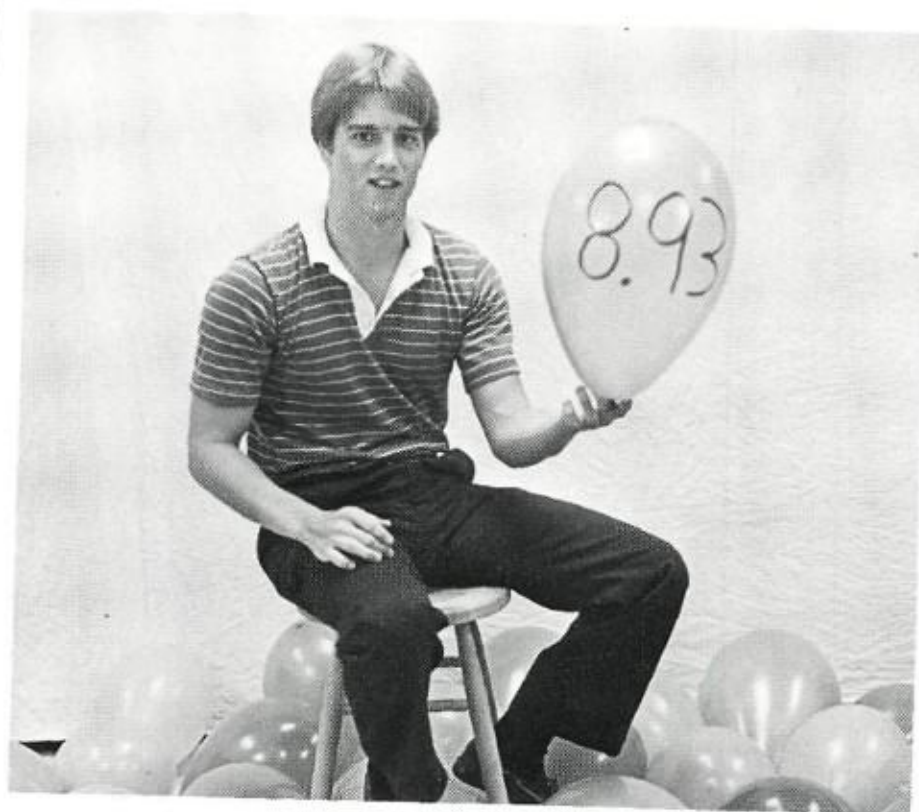

McGuire, a four yearbook staff member, ranked ninth in the Senior Class with an 8.47 grade point average, preceeding Crest Managing Editor Marak in tenth place with an 8.38 average.

After being named in the Top Ten Academic, Marak replied, "I was shocked but pleased to be in the Top Ten. It is an honor that I did not know I would achieve."

Following the Valedictorian and Salutatorian are: **Top:** Mary Brock, number three **Above Center:** Kathy Polakoff, number six **Above:** Steven Terry, number five **Right:** Don Cragin, number four

Top Ten Academic honorees are: **Above Left:** Karla Smith, number eight **Above Right:** Sean McGuire, number nine **Left:** Antoinette Marak, number ten **Above:** Jeff Williams, number seven

## Students Elect Most Spirited

Honored for their energetic and outgoing personalities, Seniors Shawn Wild and Ginger Morris were named Mr. and Miss School Spirit as a primary part of the Academic Awards Assembly.

Following the school-wide poll, the two were selected for the honor. Through their participation and enthusiastic support of various school activities, Wild and Morris made themselves known to the student body.

Wild, who served as the National Honor Society President, was also recognized as being among the Top Twenty Outstanding Seniors of the year. Among his numerous other activities, he was involved in Acapella and All Region Choir in addition to placing as an All State Choir Finalist. Morris, also the Homecoming Queen, was active in Thespians, Drama Club, and had earlier been crowned as Drama Club Sweetheart.

"I was extremely surprised to have received the award," remarked Morris. "because I have not been involved in that many activities. However, I am happy to be honored by the award."

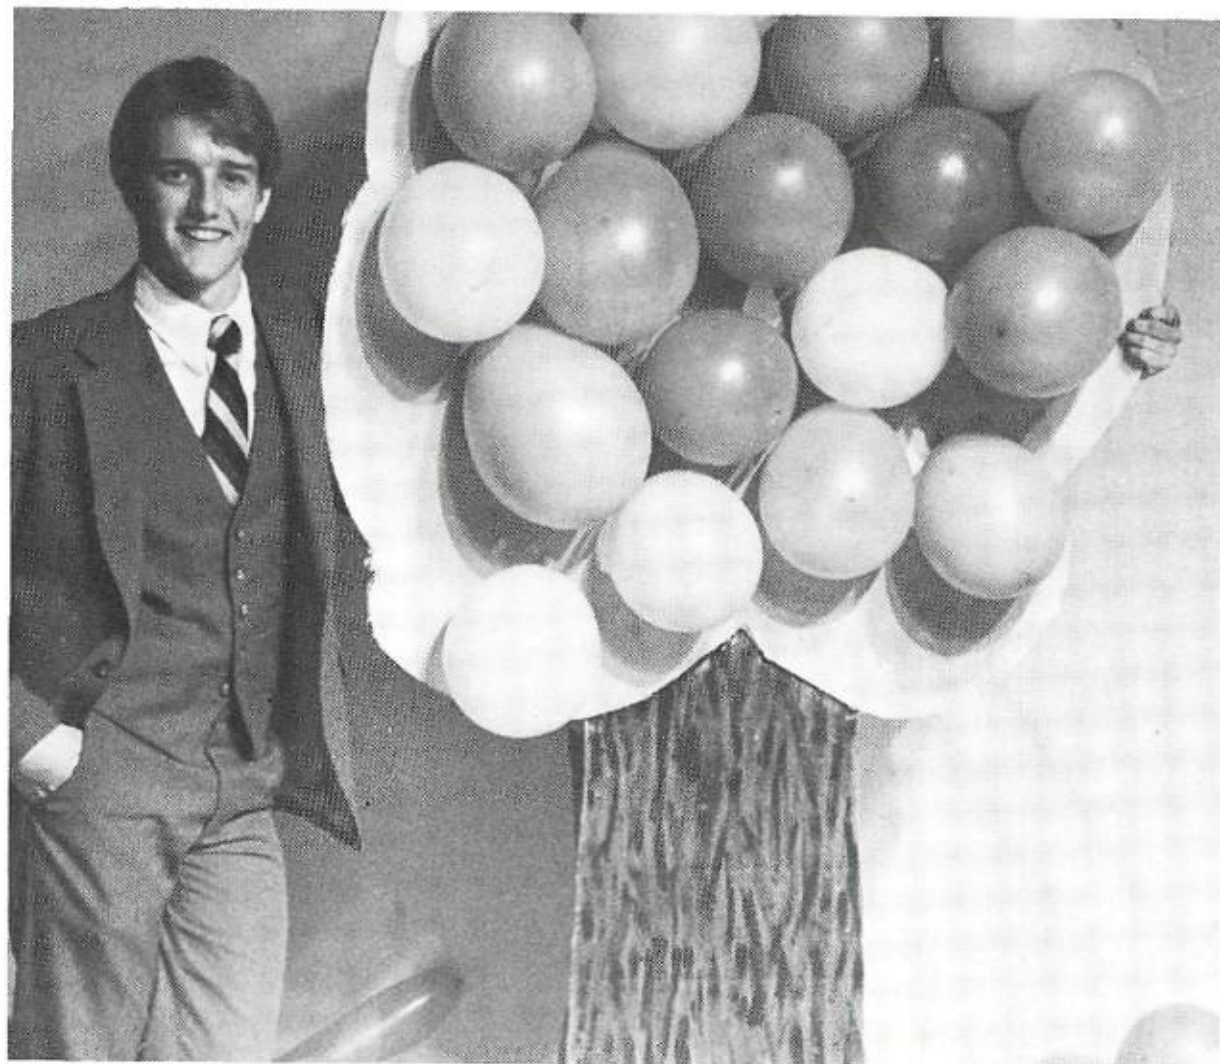

## Williams, Clutts Awarded MHS

In recognition of their wide participation in school activities, Seniors Jeff Williams and Shelley Clutts were named Mr. and Miss MacArthur High School at the Academic Awards Assembly held May 13.

Williams, *Crest* Editor-in-Chief, was active on the Varsity Baseball Team for all four years at MacArthur and participated in Younglife, football, and basketball. In addition, he served as Junior Class President, and landed a role in the Senior Play. As a member of the National Honor Society, Williams was also named among the Top Ten Academic Seniors.

Clutts, also a *Crest* Editor-in-Chief, was Secretary of her class for the final two years of her high school career. She also served as National Honor Society Secretary her senior year. Looking to the future, she planned a career in special education after attending the University of Texas in Arlington for one year and then proceeding to North Texas State University.

# Top Ten Outstanding Named

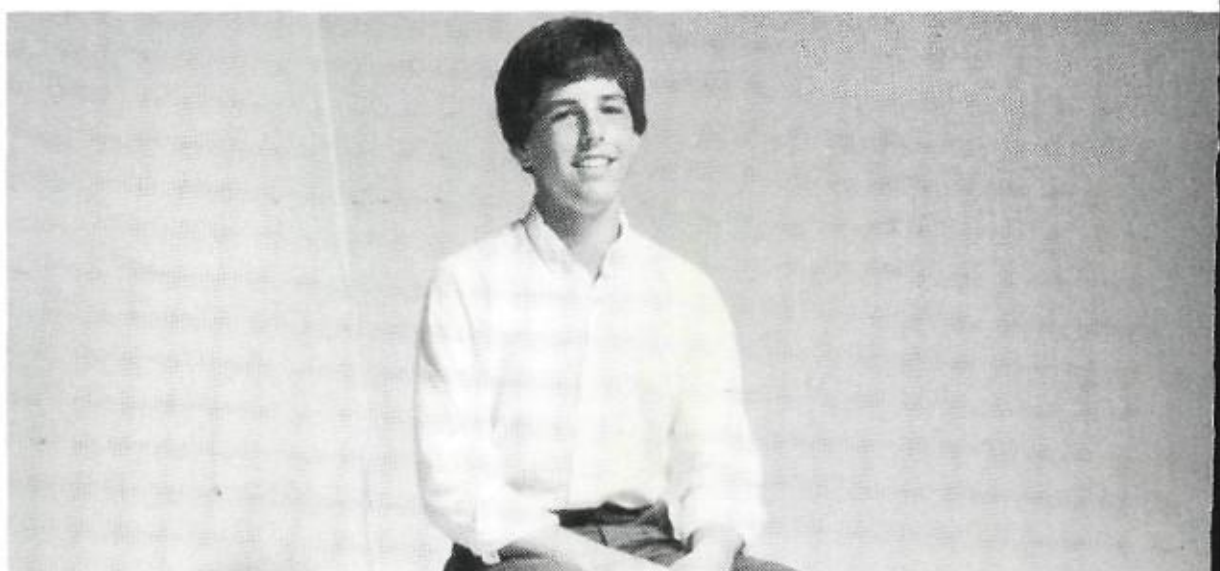

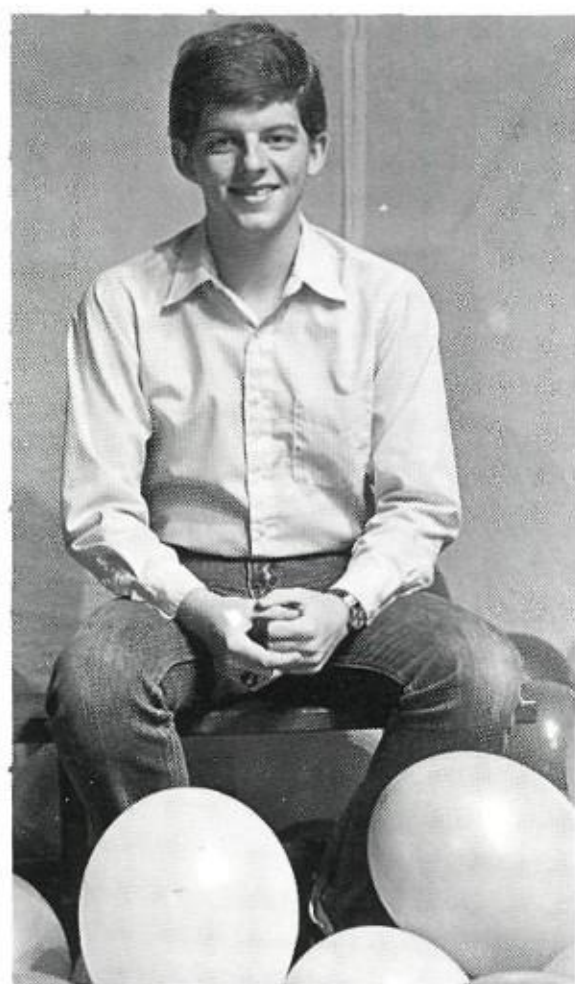

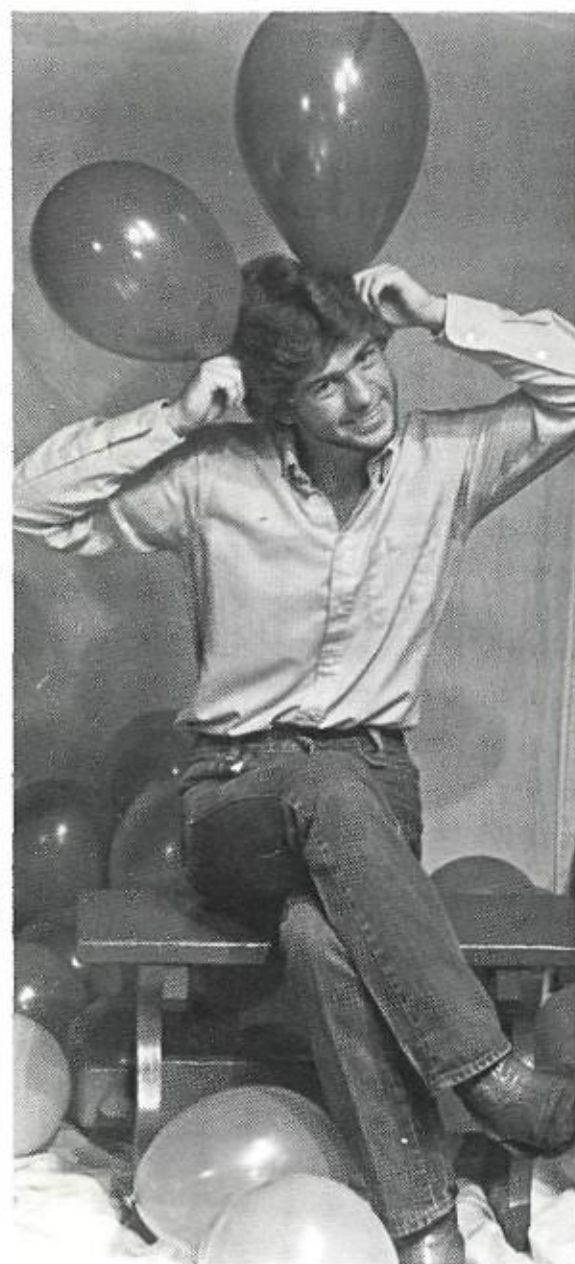

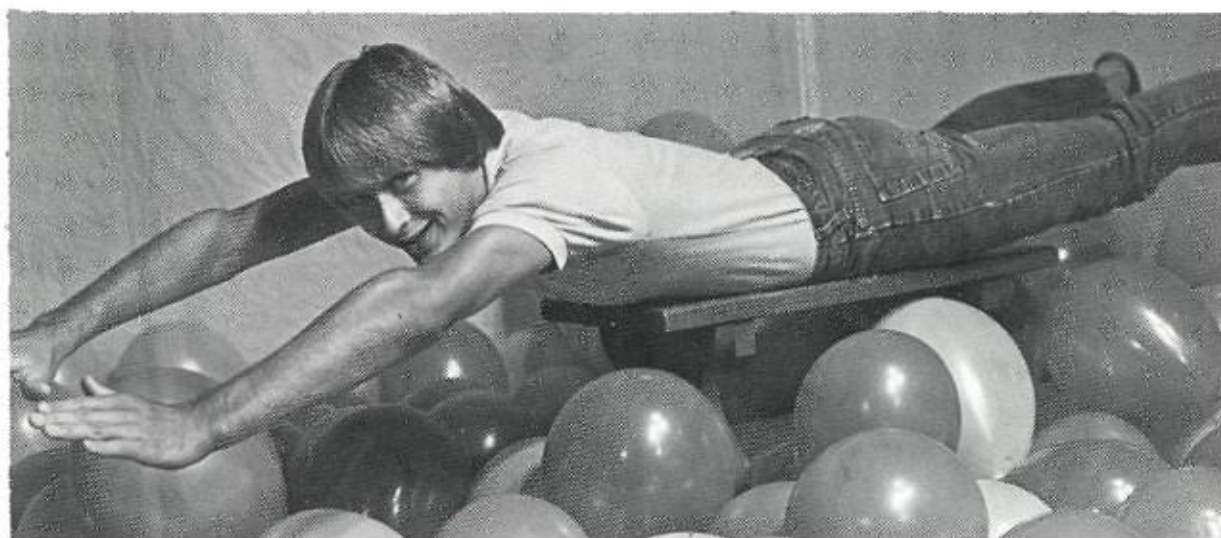

Chosen as the year's outstanding Seniors, the faculty honored ten students for their active involvement during high school at the Academic Awards Assembly.

Approximately 85 students, selected to submit an application to the group of faculty judges, filled out a questionnaire concerning their activities in both extra-curricular and curricular areas. The form asked for the classes taken during their senior year, current and accumulative grade point average, clubs and organizations in which the nominee had participated, offices held, and any significant honors received during

his high school career.

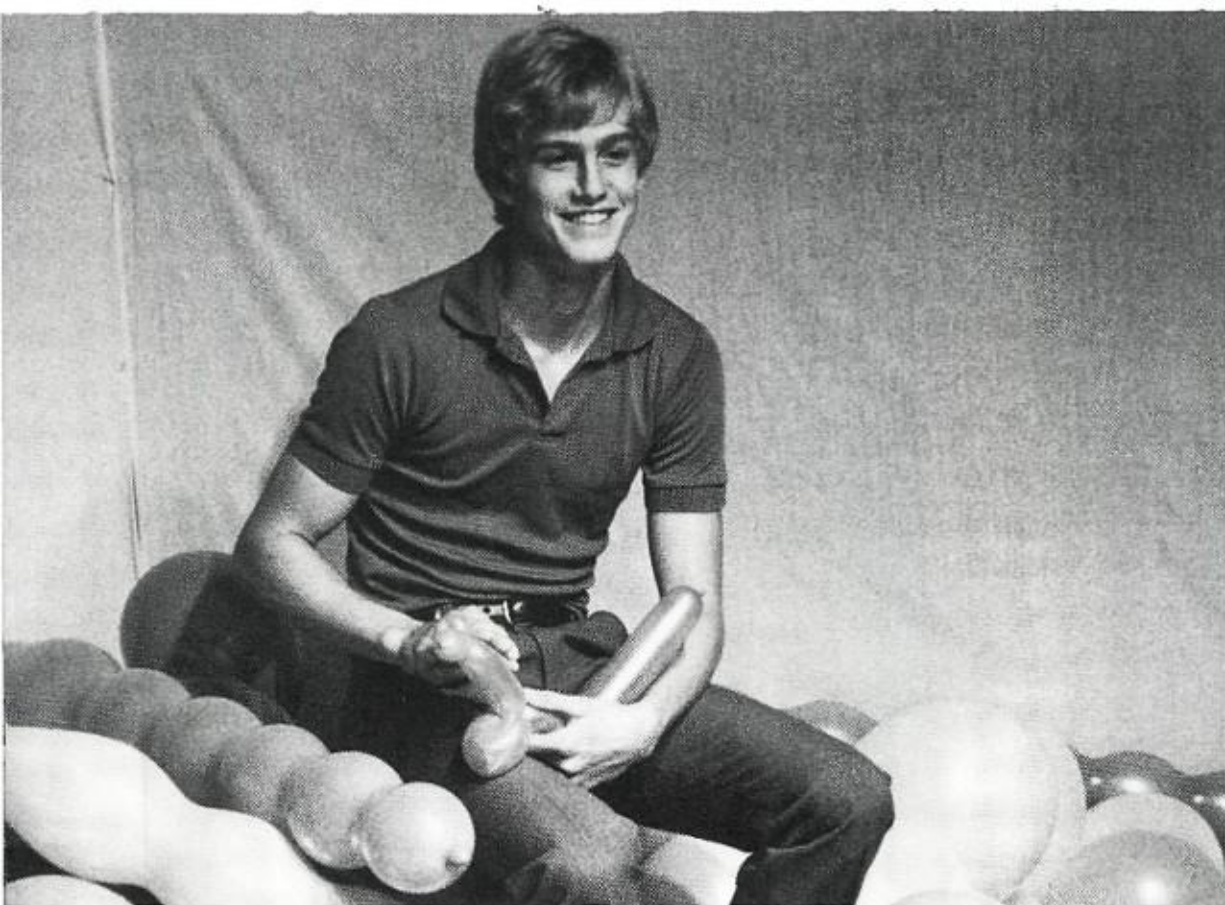

The faculty, attempting to determine the students most worthy of the honor, based their final decision upon several factors: provided information, the candidate's achievements, and overall high school record, as well as citizenship and outstanding activities.

Following the tabulation of votes, Mike Adams, Grant Fagan, Marci Freidberg, Allen Kennedy, Dana Kovich, Patty Moeller, Tiffany Riley, Tony Rodriguez, David Joyner, and Bill Sinclair were honored as Top Ten Outstanding Seniors.

# Classes Choose Favorite Peers

As part of the Academic Awards Assembly, the Class Favorites of the year were announced to the student body.

The student body elected the male and female favorite from their respective grades. Katrina Olivas and Barry Smith were named Class Favorites for the Seniors. Olivas, Class Favorite her sophomore year, participated in various activities throughout her high school years. Smith became known to his fellow class members through his activities on the Wrestling Team for three years and being named the Outstanding Wrestler of the Year as a Senior.

Those students announced as the Junior Class Favorites were Brad Narrell and Katherine Nicastro. Narrell, was also selected for the All District Football Team and chosen as Sophomore Class Favorite last year. sophomore year. Nicastro's activities included Cardettes and Latin Club. The Sophomores elected Jesse Orsini and Valerie Carnell for a second consecutive year.

Freshman Class Favorites were Mike Marsh and Jennifer Morris. Marsh, class president, was active on the Freshman Football Team, while newly elected JV Cheerleader Morris was named Homecoming Princess.

**Above Right:** Sophomore Class Favorites Jesse Orsini and Valerie Carnell **Above Center Right:** Freshman Class Favorites Mike Marsh and Jennifer Morris **Above:** Senior Class Favorites Barry Smith and Katrina Olivas **Right:** Junior Class Favorites Katherine Nicastro and Brad Narrell

## Four Awarded Student of Year

Recognizing those students with high achievements and participation in school activities, Senior Billy Sinclair, Junior Todd Jones, Sophomore Lisa Caughlin, and Freshman Keri Skidmore were honored as Students of the Year at the annual Academic Awards Assembly.

Sinclair, a member of the All Region Choir, was also recognized as one of the Top Ten Outstanding Seniors. In addition, he also participated in the Senior Play, Acapella Choir, Thespians, and the National Honor Society. Jones was involved in Varsity Football, the yearbook production staff, and Student Council. He was also chosen to be Managing Editor for the yearbook during the 1982-1983 year. Caughlin, a member of the Fellowship of Christian Athletes, earned the highest grade point average in her class, while Skidmore was named the Most Valuable Performer and Most Outstanding Girl on the Gymnastics Team.

Faculty members also voted on Cardinal of the Year. The honor went to Tennis Coach Sam Morton. Ending her first year as Vice Principal, Sharon Isringhaus was named as Rookie of the Year.

**Above Left:** Students of the Year are Junior Todd Jones, Senior Bill Sinclair, and Sophomore Lisa Caughlin. **Above:** Rookie of the Year Vice Principal Sharon Isringhaus **Right:** Cardinal of the Year Tennis Coach Sam Morton.

# Baccalaureate Service Held

Graduating Seniors from the city's three high schools congregated on May 26 at Texas Stadium to participate in the Baccalaureate service. Irving High School served as the host of the religious program.

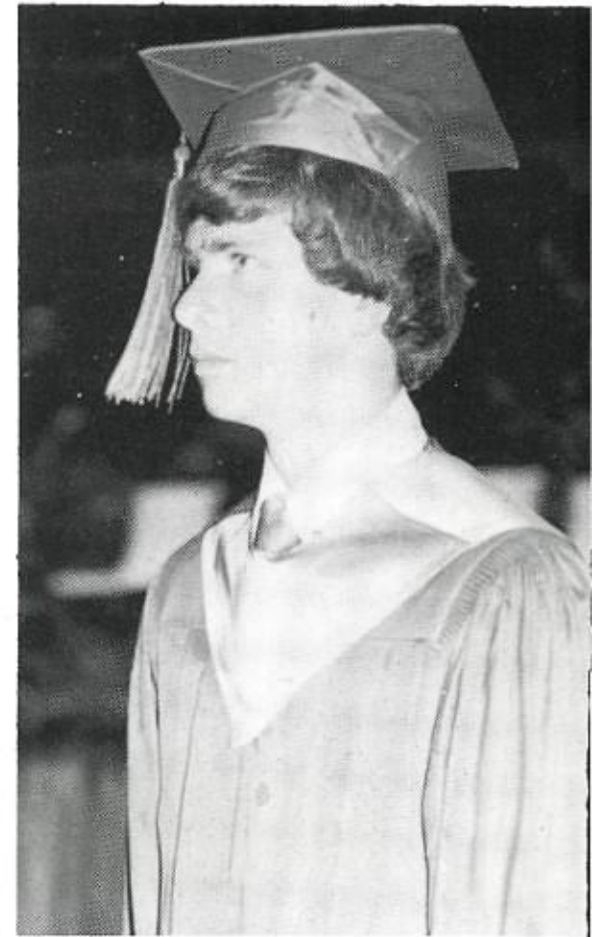

Irving's Valedictorian Branch Moody began the ceremony by calling the audience to rise for the invocation. Immediately following, the three schools combined their Acapella Choirs to sing "The Battle Hymn of the Republic," under the direction of Woody Shober, Director of Music Education for the Irving Independent School District.

MacArthur's top ranking student, Amy Meeker, then read the scripture.

Reverend David Shawver, minister of the Plymouth Park United Methodist Church, then delivered his sermon which based its premise on the scripture of David and Goliath. Shawver spoke on the different giants that a person faces throughout his life and the various methods of tackling and overcoming them.

A closing prayer was given by Nimitz's Valedictorian Kim Karns, followed by the recession of students.

**Below:** Honor graduate Don Cragin stands for the Baccalaureate invocation. **Below Center Left:** MacArthur, Irving, and Nimitz High Schools combine their choirs for the Baccalaureate service held at Texas Stadium. **Below Left:** Leigh Ann Hampton, Donna Hicks, and Janna Smith line up for the recession at the Baccalaureate service. **Below Right:** While attending the Baccalaureate service, Superintendent of Schools Dr. John F. Townley and Principals Arlen Cray, Paul Burke, and Curtis Hines listen attentively to the message being delivered.

Below Left: Greg Smith accompanies the partially blind graduate, Mary Jane Cimino, while she waits for the presentation of her diploma.

## Tassel Turn Marks Beginning

Ending their high school years in traditional fashion, the Class of 1982 began Commencement exercises at 8 pm on Saturday, May 29.

At the outset, the class marched down the Texas Stadium aisle to "Festival March," played on the organ by Senior Sponsor Regina Story. Once the students were seated, Jonathan Cude, Youth Minister for the First Baptist Church, gave the invocation. Assistant Principal Dick Stinson then introduced the honor students to the audience. Paul Cho, class Salutatorian, then stepped forward to deliver his address, "Education: Past and Future." Valedictorian Amy Meeker

followed with her address, "A Future of Excellence."

Continuing the ceremony, the Acapella Choir performed "A Small Moment" and "Musicks Empire" under the direction of Danny Hart. Principal Paul Burke next presented the graduating class to Superintendent of Schools Dr. John F. Townley, who accepted the proposal.

Immediately following, Senior Counselor Joe Pritchard enacted the awarding of diplomas. Class President David Page closed the ceremony with the turning of tassels, and the singing of the Alma Mater. After a benediction by Cude, the class exited to the "Pomp and Circumstance."

# Grads Anxious To Graduate

As the year came to a close, many Seniors found themselves filled with mixed emotions. They felt happy and yet very sad. The students were about to open the door to a new and exciting future, but were closing the door to the safe, secure world of high school.

After graduation one had a feeling of great accomplishment, but then looked to the future where there was a world of defeat just waiting to be conquered. The challenges that lay ahead were often scary, but one could not be intimidated. The youth of today was the backbone of tomorrow. These Seniors would be the ones to decide if there was to be peace or war, freedom or enslavement, happiness or grief. Were they ready to leave this somewhat sheltered world of high school and enter society? When MacArthur Seniors were asked, a majority replied they were ready to leave.

**Mike  
Brooks**

Yes, after 12 years I'm ready to go out on my own—go to college and become a specialist.

**Marci  
Freidberg**

Yes, even though high school has been a big part of my life, I'm ready to move on to get a higher education and become my own person.

**Robert  
Hattox**

Yes, I am—so I can go to college and start making more money.

**Carl  
Maxwell**

Yes, I am ready to get out of here and go to college.

**Eric  
Warren**

Heck yes! I'm ready to leave. I've been here 12 years and worked every bit of it—so, I'm ready to leave.

**Greg  
Carmichael**

It's about time.

**Leland  
Meller**

No, I'm not, because I'm not ready to support myself.

**Craig  
Pittman**

Yes, I'm ready to leave because I've been going here a real long time and I'm sick of it.

**Jim  
Morrison**

Yes, because I want to explore fields other than the basic fundamentals.

**Jan  
Tisdale**

Yes, I'm ready to go to college and be on my own for a while to see what it is like.

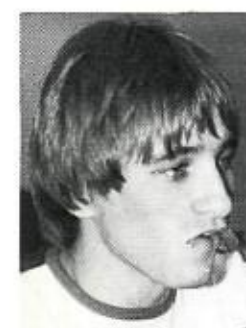

**Becky  
Blount**

Yes, I'm ready to be out on my own.

**Gary  
Leipsic**

Yes, I am because I'm tired of school.

**Nathan  
Daniels**

Yes, I'm ready so I can take over my dad's business.

**Tanya  
Mehne**

Yes, I'm ready to get my career started.

**Karen  
Cleveland**

Yes, because I'm ready to leave home.

**Matt  
Rayburn**

Yes, I'm ready for a change.

**Jeff  
Kline**

Yes, 12 years are long enough.

**Jean  
Vanderford**

Yes, because we've been here so long.

**Pam  
Griffith**

Yes, I'm ready to go on to something new.

**Tammy  
Bell**

I had fun, but it's time to move on to bigger and better things.

**Tammy  
Martinez**

Yes, I can't wait for the college men.

**Melanie  
Perkins**

I'm ready to be on my own.

**Kim  
Huitt**

I'm ready to go on to bigger things.

**Sylvia  
Lovell**

Yes, I'm ready to get started living my life my way.

**Penny  
Mauldin**

Yes, because I'm ready to get out on my own.

**Stephanie  
Becker**

Yes, I'm ready to get out and be treated like an adult.

**Antoinette  
Marak**

Yes, I'm ready to move on to college.

**Jody  
McGibboney**

I'm ready to get out and go to college.

# 'Tis Time, Descend

Just as the balloon has taken decades to evolve into its present form, the student requires years of preparation to mature into an independent and functional member of society.

With the balloon, the methods involved in perfecting flight without combustible energy were updated as technology dictated. Comparably, the student has refined his values and priorities as experience dictated. With each passing year, he was challenged by a higher level of educational opportunities in the course of preparing for life after high school.

Let us take a moment to reflect upon our original analogy of the balloon and the student.

Large, small, red, yellow, blue,  
round, oblong, twisted  
—balloons—

nonporous bags filled with air. These inflated air sacs provide entertainment for the young, as well as the young at heart, decoration for any festive occasion, and a rather unique means of travel. Scientific deductions have concurred that the more hot air forced into a mass, the higher it will rise in the atmosphere.

Large, small, black, brown, white,  
tall, medium, short

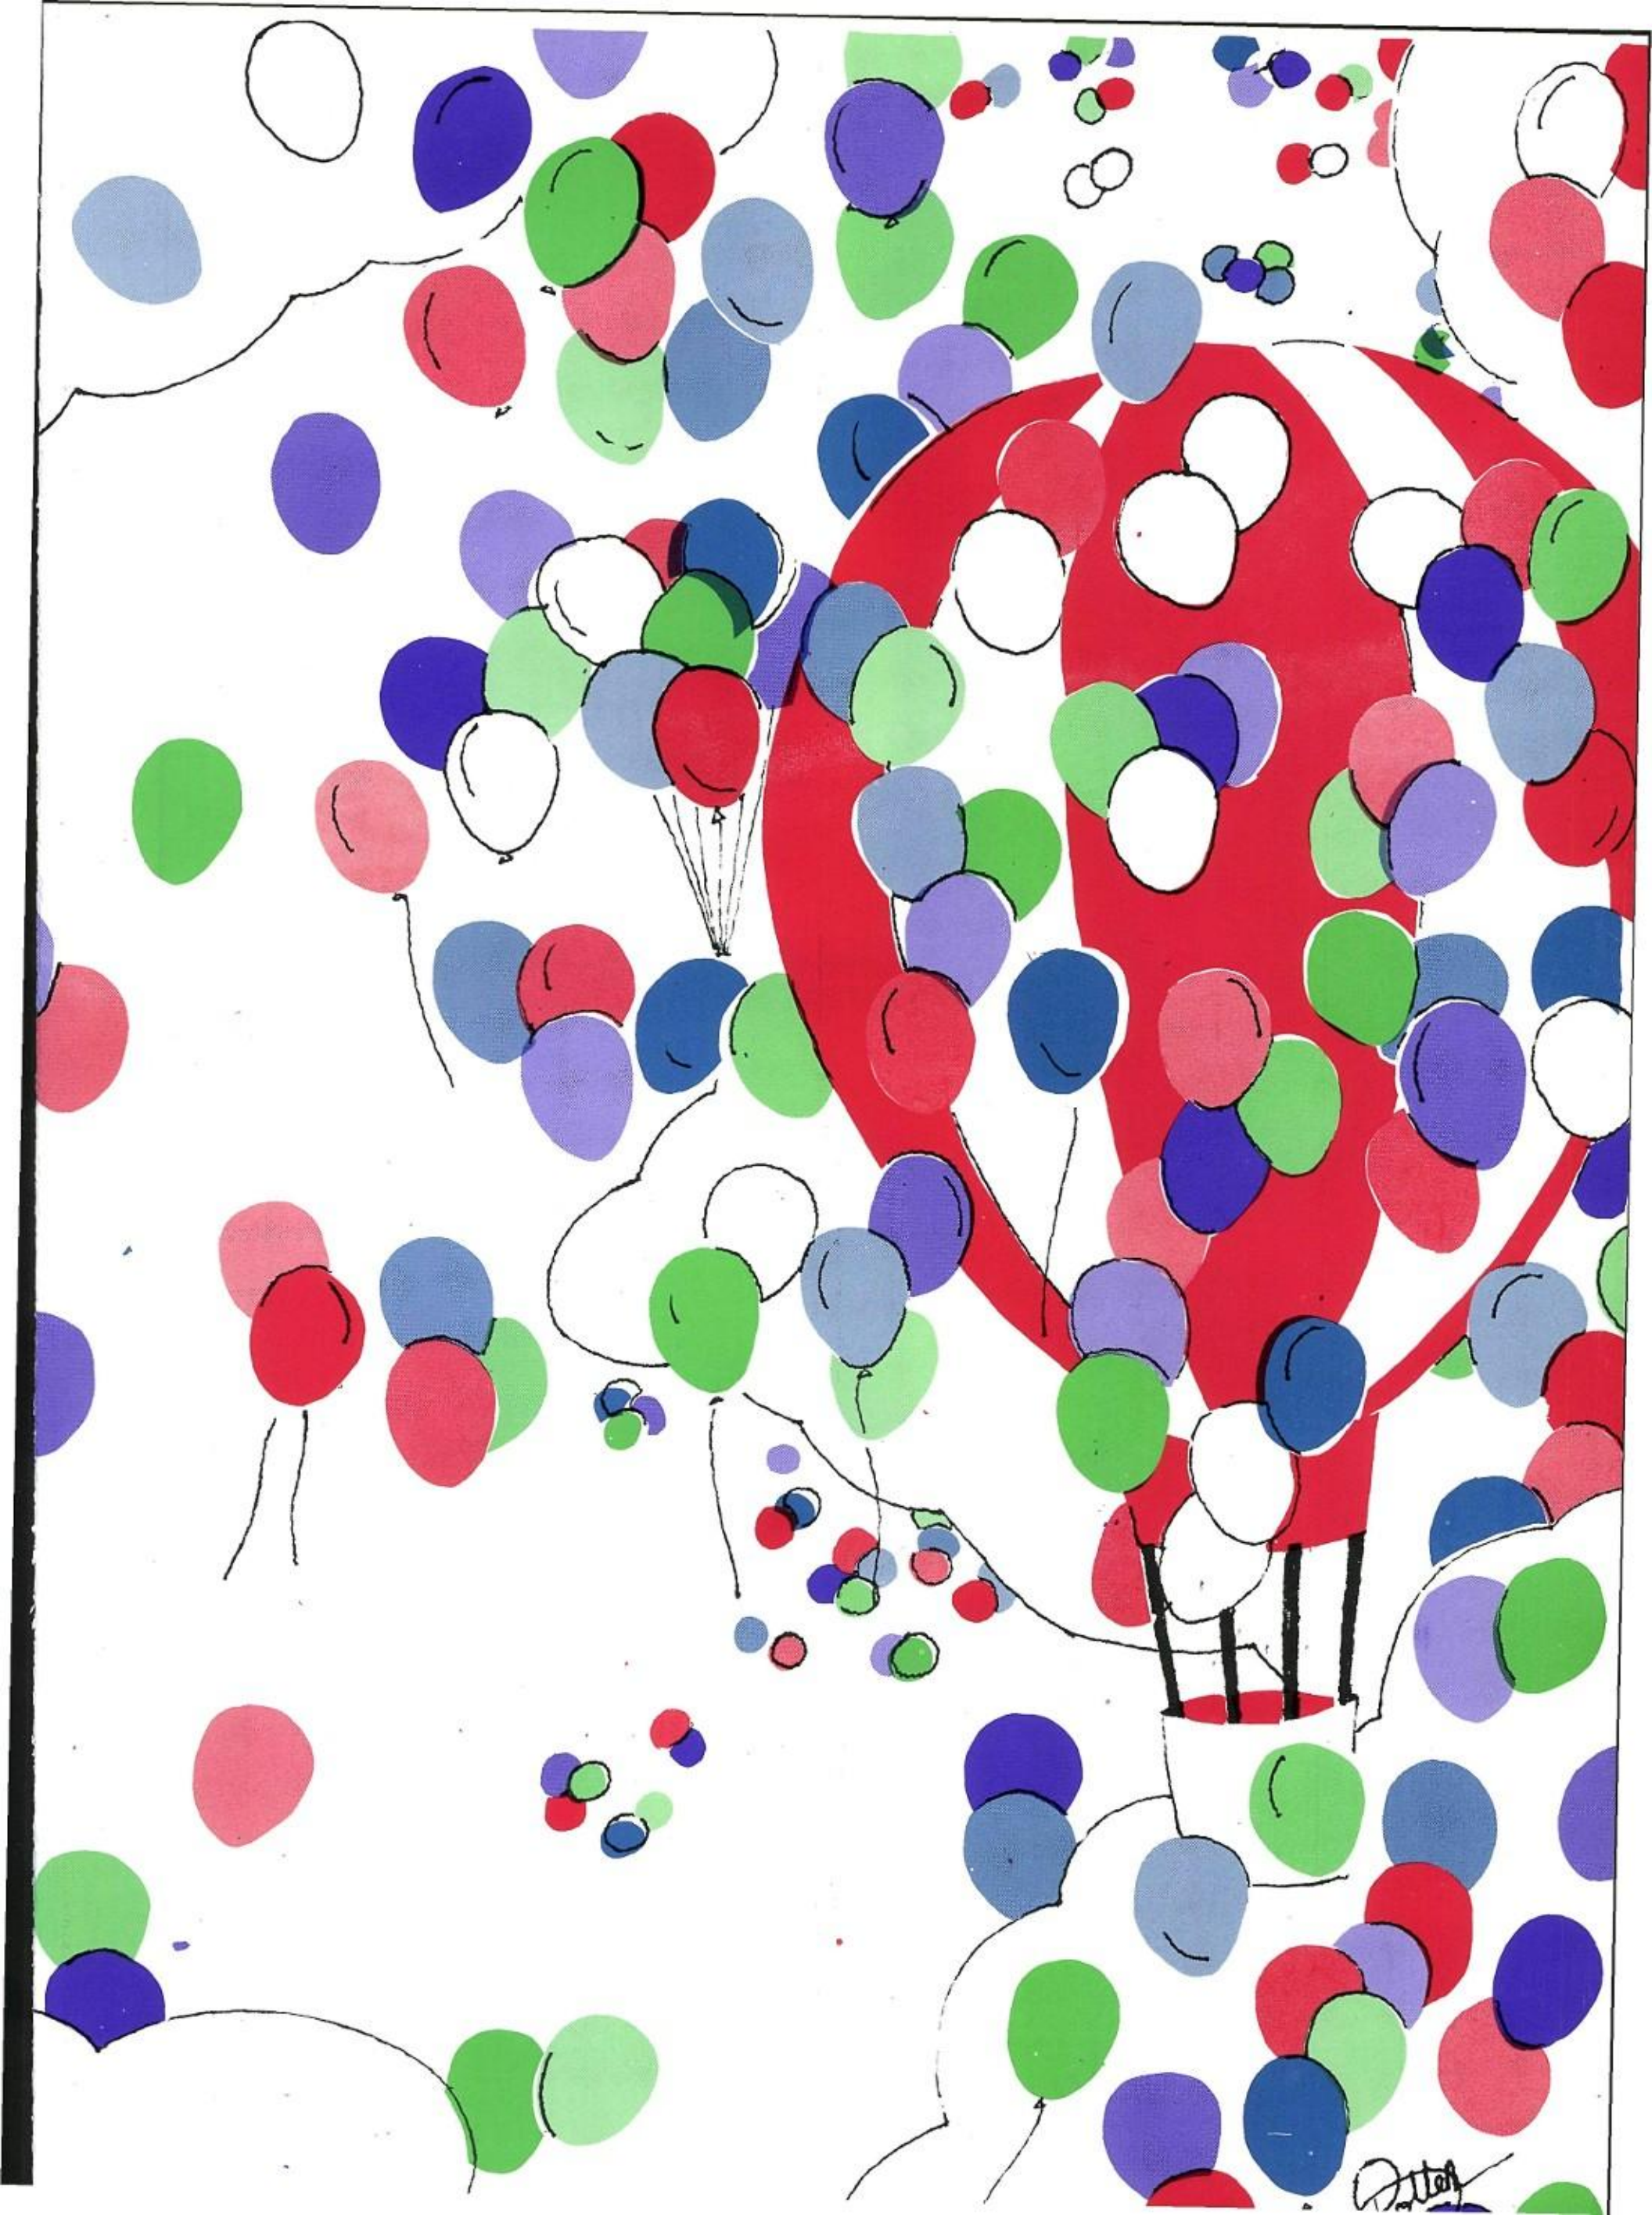

—students—

impressionable individuals porous to the facts set before them. These persons provide diversions to each other as well as their environment, embellishment for any social gathering, and a rather unique means of self expression. Scientific deductions have concurred that the more ideas taken in by the pupil the higher he will rise on the scale of achievement.

Dismount! The 1981-1982 journey is completed. Some have sailed through it virtually unhindered by the obstacles while others have experienced varying degrees of turbulence. Such are the hardships of extended travel. In any case, most have managed to survive the rigors of the educational trek.

But wait! No chance to relax. It's time to prepare for the future again, because ahead like a multitude of enlightening voyages in which success is dependent upon you and your willingness to expand.

# Awards, Honors Announced

**Jessica Adair:** Top Distance Runner in Track; May Freshman Student of the Month  
**Mike Adams:** Top Ten Outstanding Senior; Tennis Honorable Mention; September Senior Student of the Month  
**Eva Aleman:** Most Outstanding in CVAE/VOCCT
